

Uzumaki 90

Chapter 90 - Over Price Good's

Hidden Stone Military Camp.

"What so you said! Those broken thing cost double the same as other! What a rip off!" The Leader of Hidden Stone Army can't help but to cursed.

"Even the salt and pepper is so pricey!"

Anyone who in the right mind will explode if they see the price of the items they regularly consume.

How can salt and pepper price suddenly double and almost triple the price

Food like meat and grain is also increase.

The huge rate of increase in price taken back everyone, the cost of food is greater than the price of food they eat for one week.

"Did Uzumaki Clan think we are fool?"

"Buy Leader, almost half of the army is hungry."

That's right, the army is hungry, the matching slow down because of thie, they want to hunt but because of the weather the animal are all hibernating.

"Is the Sensor Ninja can't still find any food?"

They already use Sensor Ninja to find food, but they only find couple while the larger is missing.

"Leader, I heard that if winter is coming, some huge animal chose to migrate to othe place to escape the harsh condition, I think the bigger animal and bird chose to migrate to the warmer place."

This is normal, in Hidden Stone Village they also see the great migration of the animal trying to escape the cold season.

But who knows they kick the bad luck this time, of all year and day, the suddenly snow fall give huge trouble to them.

He know he don't have any choice, the Iwa Shinobi will die in hunger if he can't find any solution to their problem.

And he know that await to him back to the village if he can't win this war.

So even with heavy heart, he grit his teeth and but the over price goods.

"Buy! Buy! Feed my soldier don't let anyone of them die! I don't think a week amount of food we will get is enough for us to push the Hidden Mist Village!"

"Yes!"

Before the Iwa Shinobi go out, the Iwa Shinobi Leader stop him.

"And also, say to Uzumaki that we will remember this one!"

"Yes!"

Minutes later the Iwa Shinobi come back with black face.

"What's the matter?"

"Leader the Uzumaki is to much!"

"Why?"

"They asking for delivery fee!"

"What!"

The burst of Chakra coming from the commander's tent show how angry the Iwa Shinobi Leader this time, but he still grit his teeth and pay for the delivery fee.

"Uzumaki Clan! Just you wait!!"

Even the Uzumaki Shinobi who heard this don't even bother to care about his anger, for them, business is business.

....

At the Uzumaki Kingdom

"What did you said? The Hidden Mist Village want to buy all out food? Do they have enough money to pay?"

"I asked them and they said we can do traide, they are using precious items that comes from the sea."

"What items?"

"Pearls, Jade, Prescious Coral, and some valuable sea treasure that the Pirate group accumulated."

The Hidden Mist Village have a special Clan that is expert ins Sea Piracy and with the amount of they collected over long year in the sea, it surely they have lot of money.
