

Uzumaki 93

Chapter 93 - Price to Pay

The final price is finally settled, the greatest 'winner' is the Iwagakure who pay for ten times the normal price.

The amount of food and equipment is astronomical but plenty enough for them to use for prolonged war.

The amount is listed.

....

10T Food and Meat - 50 Million

10K Kunia - 15 Million

10K Shuriken - 20 Million

200K Detonate Talisman - 30 Million

5K Ninja Pill - 10 Million

100 Sealing Scroll - 1 Million

Delivery fee - 500K

...

The amount of money need to buy so many things is astronomical and even who heard this can't help but to jump from their sit.

Whether Konoha, Hidden Cloud Village, Hidden Sand Village, and other Village who that's this can't help but to feel jealous from the amount of money Uzumaki Clan get from the trade.

Konoha Village even send some people to ask money from Uzumaki Clan, but this still long away from Uzumaki.

The most important right now is how they will exchange the goods.

Uzumaki Clan only job is to send the goods and received the money, as for the others they don't care.

The most problematic is the amount of goods the Iwagakure need to receive, the amount is something two group of Ninja can carry even if everything is sealed inside of sealing scroll.

But still they need to move, they can only do this secretively or else the preparation will be go wasted

The traid will be help in some secret place, on designated secret time, while using secret code to prevent any trouble to happen.

And they need to do this fast, Iwagakure don't want to Kirigakure to heard the news maybe they will get ambush in their way.

They want to prevent this to happen, they can fight to death but they can't lose the goods they pay for huge price.

So I'm the end Iwagakure send hundred man tram to receive the goods, they going to do this night to more safer.

They also send couple of groups along the way to help them if someone try to snatch their foods.

....

Before midnight, ten kilometers away from Iwagakure and Kirigakure camp.

"You guys scatter! Don't let anyone come closer!" Iwa Shinobi Leader said while nervous looking around.

"Yes!"

"Don't miss anything, if we miss this better die here!"

Iwa Shinobi Leader whisper to Vice Leader." Is there any shadow of Uzumaki?"

"No."

"Be alert!"

While everyone is nervous waiting, they don't know something is moving underground, they are slow, and the cave understand is huge, base on the number of people, they are almost five hundred in total wearing dark suit without any head protector of any v

illage.

"Be ready, they are going to start any moment."

"Yes."
