

## Valkyrie 4111

### [Chapter 4111: I am the melting pot](#)

"Gu Xu Dizun, it's not that you have a loud voice or it is reasonable. I will catch it and accept the investigation. Otherwise, I will stop you desperately." Venerable Mantra shouted, his eyes solemn, and he just fought with Gu Xu Dizun. Venerable Mantra was shocked. Although he had already broken through to the realm of the earth-zun, he was indeed far behind the Gu Xu earth-zun. The other party is indeed the best in this camp.

Outstanding.

"It's ridiculous, depending on you, if you die, I will be fine."

There was the magical power erupting from the terrible flames, and the powerful Venerable power outside. Gu Xu Dizun's figure flashed, and he chose to fight in close combat with the Mantra Venerable. The mighty coercion was unparalleled.

"Exit!"

Venerable Mantra roared, and the invisible supernatural powers filled his body, rumbling, and the two forces collided. Venerable Mantra is one of his unique tricks. A golden ripple spreads, not pure gold, but a more domineering, more destructive dark gold. With a bang, the dark golden ripples are the mantra. The venerable

The heart, spread out, as fast as a dream, and like a golden flower blooming in the void.

Many people were shocked. After Venerable Mantra broke through the earth, his supernatural powers became so strong that the void felt directly destroyed by this golden color.

Clang! Gu Xu Dizun sneered, not afraid of the golden ripples. He was extremely fast. The billowing ground fire melt directly tore the dark golden ripples apart. Although the dark golden ripples were terrifying, they could not stop Gu Xu Dizun's attack. 'S palm bombarded the dark gold

On the color ripples, thousands of energy Mars immediately burst out, and the gorgeous shock wave is like a galaxy across the sky, brilliant.

"burn!"

As the figure drew closer, Gu Xudi screamed and punched out. The endless flames fused together in his palm, bursting out, destroying the world.

boom!

Venerable Mantra was blasted out, spit out a mouthful of blood, and his body squeaked. After all, he had only broken through the realm of Earthly Sovereign for a few days, far from Gu Xu's Earthly Sovereign.

In an instant, he was injured.

"dead!"

Gu Xudi shouted angrily, and continued to rush forward, his palm bursting with a sharp vigor like a heavenly sword, and it fell down.

"Enough, go back!"

Elder Yehe yelled, and a war knife appeared in his hand. The blade's intent was billowing like a vast ocean, spurred to the extreme, and slashed out at Gu Xu Dizun. In an instant, the void where Elder Yehe was suddenly darkened.

Huh!

A sky-reaching sword light slashed, as if it had burst out of endless years, the black sword light suddenly slashed on the fist of Gu Xu Dizun, and the sharp wind cut off a strand of long hair in front of the opponent's forehead.

Boom!

Two terrible energy collided.

Pedal!

Gu Xu Dizun took a few steps back, while Elder Yehe remained motionless. The power of the two collided, and purple-black lightning appeared in the void, which was a terrible killing intent that burst out with too much energy.

"Elder Yehe, today the Venerable Mantra slanders me so much, I must teach him a lesson."

boom!

Gu Xu Dizun was furious, and the terrifying earth-fire power erupted in his body, colliding with Elder Yehe again and furiously confronting him.

"Elder Gu Xu can actually fight elder Yehe very well." Many elders changed color.

Gu Xu Dizun's strength exceeded their imagination, no wonder it was so arrogant.

There was such a big movement, everyone in the Tianzhu camp couldn't be ignorant. Within a short while, thousands of people gathered in the distance. The Liger, Tiger, Demon Lord and others also appeared, staring at this place.

"What's the matter, a large-scale battle took place on the Vulcan Mountain. Could it be that the demons attacked?"

Many people were shocked.

"No, you see, the guardian formation of the Tiangong Camp has not been broken, and it seems that the leaders of Tiangong's Yehe and Gu Xu are fighting."

"Why are they fighting on their own?"

Except for some elders and venerable-level figures, ordinary people didn't know what was happening above, and they all covered their mouths with shocked faces.

"Gu Xu, you are presumptuous!" Seeing that Gu Xu even dared to confront himself, Elder Yehe's expression sank, his back muscles bulged, and the power in his body condensed. Boom, the simple lines on the sword in his hand lit up. Becomes extremely proof that this is the liberation of treasures, release Out of the strongest power.

boom!

The sword carried Wanjun strength and blasted towards Elder Gu Xu's body, vigorously, as if to sever the sky.

"I am the melting pot!"

Gu Xu Dizun did not retreat, and the fire in his body burned, transforming into a simple furnace in his body, with a punch on the elder Yehe's sword.

Bang!

The two separated and retreated several hundred meters. Without another attack, Elder Yehe looked at Elder Gu Xu with a gloomy face, his eyes narrowed. Elder Gu Xu's strength was beyond his imagination. So far, he has exerted 70% or 80% of his strength, but at all Can't help each other

, Changing to another master of the earthly respect, he already punched the opponent to death.

"Elder Gu Xu, it's enough, let's make another move, don't blame me for being polite!"

Elder Yehe snorted coldly and stared at Gu Xu. As long as he gave an order, all elders would obey his orders.

"Huh, it's Venerable Mantra, they have to do it, no wonder I." Elder Gu Xu squinted his eyes, took a step back, and expressed concession.

His purpose is not to kill the Mantra Venerable, but to show his status.

"Venerable Mantra, you also take a step back. I will report this matter to the head, and let the superior come down to decide." Elder Yehe said to Venerable Mantra.

Venerable Mantra narrowed his eyes, he wanted to take down Elder Gu Xu, but it was a pity that he was not strong enough.

Gu Xudi respectfully said: "Since Elder Yehe has spoken, I will give Elder Yehe a face this time. If you offend me again, I will take care of who you are and will never die."

With a cold snort, Gu Xu Dizun took a step back.

The atmosphere on the scene eased instantly.

The elders all breathed a sigh of relief, as long as they don't fight, everything is easy to say.

"Hehe, it's not so easy, it's impossible to retreat from the body."

At this moment, a sneer sounded, and everyone suddenly changed their colors and looked over.

Who is so unclear about the situation and dare to say such things at this time?

When I saw the person speaking, everyone's face became difficult to look.

It's Qin Chen!

Is this guy looking for death?

Cang!

A precious sword of the venerable appeared in Qin Chen's hand, showing strong killing intent, walking step by step.

"Qin Chen, step back."

Elder Yehe frowned and shouted sharply.

"This person is in collusion with a foreign race. I am a member of the sky. How can I let him get away with it? If you don't do it, I will do it."

Qin Chen said.

"Damn it." Many people yelled at you. What identity and strength do you dare to call Elder Ban Guxu. Wouldn't it be easy to take the opponent without seeing Elder Yehe? Seek death by yourself, don't drag others.

#### [Chapter 4112: Dark exposure](#)

"Boy, you are looking for death!" Gu Xudi was angry, and the surging power in his relaxed body once again condensed and became even more terrifying, like an extinct volcano that is about to erupt, which can emit energy for thousands of years at any time. Destroy everything that stands in front of you, break Bad.

"If you have the ability, do it. If you don't kill me, I will kill you."

Qin Chen sneered.

He was not prepared to fully expose his strength, but he must not let Gu Xu Dizun get away with it. This person knew a lot and had to find a way to capture him, but he could not let other people discover the clues.

Have to think of a way.

Qin Chen thought about it.

If he directly exposes his strength and captures Gu Xu Dizun, it will be too amazing and will cause a sensation. At that time, not only the Demon Ancestor will know his identity, but the entire universe is afraid.

Will be extremely passive. After all, although he has been exposed to the eyes of the ancestors of the deep demon, in fact, except for a few two or three such as the ancestors of the deep demon and the Xiaoyao Supreme, even the demon of the spirit demon clan who sent to kill him does not know him. True identity, otherwise it won't

I was so surprised after discovering that he was a human race.

"Good boy, die."

Gu Xu Dizun's body shook, and the clothes on his body were suddenly shattered, revealing the exquisite and mighty precious armor inside. He suddenly clenched his fists, causing his body like a yoke, and his back bent.

"Roar!" A scorching red hot spirit and wolf smoke went straight up to the sky, crackling red-black ground fire wandered, and the entire Vulcan Mountain was battered by a fierce storm. Some huge rocks were rolled up into the sky and burned directly into ashes. , The whole vein area is rumbled

Ming, and the location of Gu Xu Dizun was dim, and the law of heaven and earth was imprisoned.

"Master the sky!"

The strength exploded to the limit, Gu Xudi respected as a red lightning, rushed out of the law swallowing zone, and shook it hard with a punch.

Elder Yehe changed his color, Gu Xu Dizun's punch, even Venerable Mantra would be seriously injured, Qin Chen, such a holy son, was afraid that he would be exploded with a punch.

"Gu Xu, stop."

Elder Yehe shouted angrily and stopped him. He didn't want to see another working disciple die here.

However, without waiting for him to make a move, Qin Chen took the initiative to attack, and with a stroke, he appeared in front of him and raised his sword.

"destroy!"

This sharp sword was raised high, bunches of destructive power gathered on the tip of the sword, and condensed into a fist-sized black ball of destruction. As soon as the ball of destruction was born, it immediately burst out with a strong aura of destruction, condensed like a solid .

boom!

A sword blasted out, and the power of destruction turned into a black beam of light and shot towards Gu Xu Dizun.

"broken!"

Gu Xu Dizun sneered, brazenly colliding with the force of destruction.

Boom, boom, boom...

The Orb of Destruction exploded, and this world of heaven and earth became a world of destruction. The terrifying sword of destruction shot in all directions, covering all spectators, as if the end of the world was coming, and there was no escape.

"Rewind!"

Elder Ye He propped up the protective body and shouted at everyone.

puff!

Although everyone was far away and fled when things went wrong, some people vomited blood and suffered serious internal injuries.

At the center of the explosion of the power of destruction, Gu Xu Dizun's figure retreated, and the power of destruction entered his body along his Venerable armor, continuously annihilating the power of earth fire he released.

puff!

Gu Xu Dizun snorted, with blood overflowing from the corner of his mouth, his face showing horror, he looked at Qin Chen in disbelief.

what?

Many people were shocked, including Elder Ye He was also stunned.

how is this possible?

Even Gu Xu Dizun, who could not easily be injured by Qin Chen's sword, was injured. What a cosmic joke.

"you....."

At this time, many people looked at Qin Chen in horror. The aura on Qin Chen's body was like Wang Yang, so that they could not see the real cultivation level.

Although Gu Xu Dizun was careless before, they were still dumbfounded by slashing Gu Xu Dizun with a sword.

"Kill you, enough."

The power of destruction was released, Qin Chen took the initiative to attack, and the long sword flew up, slanting into the sky.

"Speaking wildly." Gu Xu Dizun roared, the power of the Dizun in his body urged to the extreme, not afraid of close combat, and was fighting frantically with Qin Chen.

Rumble!

The world broke apart and the two smashed into a ball.

Thousands of tricks passed in an instant.

Jingle bells! Qin Chen waved his long sword, and a circle of sword auras with terrifying sword intent attacked Gu Xu Dizun, blocking the world, with various sword intents covering the sky, including death sword intent, destruction sword intent, and origin sword. Meaning, eternal sword intent, many sword intents are endless, ancient

No matter how fierce Xu Dizun's offensive was, he couldn't make any progress.

Was blocked a little bit.

Puff puff!

The Venerable Treasure Armor couldn't resist Qin Chen's power, and blood spattered all over his body.

"So strong!"

Many strong players present were bewildered.

Qin Chen's strength is probably even higher than that of Elder Yehe.

Damn it.

"Damn it!" Gu Xu Dizun was frightened and roared. The more he fought, the more he became frightened. His combat power continued to increase. He thought that he could suppress Qin Chen and maimed the opponent, but the situation did not improve. Suppressed, gradually the sword air space keeps shrinking

Little, he is like a cocoon bound to himself, like a prey caught in a spider's web, gradually unable to move.

"No, if this continues, I will be trapped."

Gu Xu Dizun changed color.

"Elder Yehe, elders, do you want to watch me be killed by this foreign kid?" Gu Xu Dizun roared.

He unexpectedly asked Elder Yehe and many elders for help.

Some elders changed slightly and took a step forward.

"Hmph, I just want to catch him, investigate the truth, and will not behead him. If anyone dares to make a move, it is a collusion with an alien."

Qin Chen said to the other elders behind him.

At the same time, Venerable Mantra and Holy Lord Yaoguang appeared here, staring at Elder Yehe and everyone. "Everyone, I promise with my life that Qin Chen will not kill each other, but will capture Elder Gu Xu, and will not give him a chance to escape. I believe that Venerable Fenghui's words before his death and Elder Gu Xu's weird behavior are in everyone's minds. There should be doubts, if

Who dares to make a move now, I am sure, that person is an accomplice. "

Venerable Mantra said coldly, murderously.

Elder Yehe and the others contemplated for a while, but did not act, because taking down Elder Gu Xu is not a bad thing. This matter must always be investigated.

"you guys....."

Gu Xudi was so angry that he vomited blood.

Buzzing!

Countless sword auras swept in, and Gu Xu Dizun was increasingly suppressed.

"This is what you forced me."

Suddenly, Gu Xu Dizun roared, and in his body, a rolling black power rose to the sky.

It's the power of darkness!

He did it!

The terrifying dark power on Gu Xu Dizun's body surged, and the aura in his body rose wildly, turning into a dark demon, with scarlet eyes, staring at everyone present.

"The power of darkness!" In an instant, everyone present changed color, and their eyes were frightened.

#### [Chapter 4113: End of decay](#)

"You actually have the power of darkness to cultivate."

"Gu Xu Dizun, what the \*\*\*\* is going on?"

"Do you really collude with the demons?"

Many elders were furious and unbelievable.

The power of darkness, the power brought into this universe by the dark forces, is not tolerated by the origin of this universe. Only the people of the demons cultivate the power of darkness, which can be regarded as the reward of the dark forces to the strong who obey his orders.

Cultivation has the power of darkness, which can increase one's own strength in a very short time, enough to seduce others.

"Boy, die for me."

boom!

The power of billowing darkness broke through Qin Chen's terrifying sword intent, and a stream of darkness quickly swept towards Qin Chen. Gu Xu Dizun was full of hatred for Qin Chen. If it were not for Qin Chen, how could he be exposed.

"Gu Xu Dizun, I didn't expect you to have colluded with a foreign race, and you will be arrested before you hang up, waiting for punishment from the headquarters."

Elder Ye He shouted angrily, and countless black rays of light burst out from the sword in his hand. These black rays turned into a dazzling murderous intent, burst out in an instant, and collided with the ancient Xu Dizun who released the power of darkness.

"Hahaha, just because you want to stop me and get out of the way." Gu Xudi exclaimed angrily, his eyes were cold, he dismissed Elder Yehe's attack at all, crashing, suffocating dark light Sweeping, puff puff puff, countless dark streams of fire collided with the black knife light blasted by the elder Yehe, that dazzling

The black light of the knife disappeared with astonishing speed.

With a bang, Elder Yehe flew out, with black secret patterns on his body. This resisted the erosion of the dark power of Gu Xu Dizun, but his heart was full of fright.

Exerting the power of darkness, the strength of Gu Xu Dizun unexpectedly surpassed him, even he could not resist. "Boy, I wanted to pass your news over there and let the other side grab you, but I didn't expect you to have such a strength. It surprised me. No wonder the other side wanted us to keep staring at you. Threat, in that case,

This seat will capture you, and you will be able to gain more merits. "

Gu Xu Dizun spoke coldly, and as his voice fell, countless dark fires swept across Qin Chen frantically.

"Be careful."

They all changed color, and they screamed and flew up, trying to stop Gu Xu Di Zun, but the dark power in the body of Gu Xu Di Zun swept through, and their strength could not withstand the attack of Gu Xu Di Zun.

"boom!"

The terrible power of darkness quickly bombarded Qin Chen. Boom, under the dark tide, Qin Chen was blown out in an instant, but he stood with a sword, standing in the void, and actually resisted it.

what?

Gu Xu Dizun was shocked, revealing an incredible color, and the other elders and masters in the sky were also stunned.

Even Elder Yehe couldn't withstand the dark power of Gu Xu Dizun's attack, and Qin Chen actually blocked it.

"Damn it, impossible."

boom!

Rolling ripples spread out, and a black pillar appeared quickly in Gu Xu Dizun's words, and slammed into the Tianshen Mountain below.

Rumble!

This black pillar pierced into the ground in an instant, and in an instant, a terrifying black ripple swept away, covering the entire day's work camp.

At this moment, all the warriors in the entire Tiangong camp, whether it is the mine veins, the Vulcan mountain area, or the people in the camp area, seemed to have their souls suppressed by a strong dark force and lost contact with the outside world.

This sky of the battlefield of ten thousand races plunged into darkness, as if entering a dark world.

"Dark enchantment!"

Gu Xu Dizun roared, this dark enchantment spread, and his aura became even more sky-reaching, like a demon god.

"Elder Yehe, it's not good,? We have completely lost contact with the outside world."

"Our work camp seems to be confined by some force."

"What kind of treasure is this?" Many elders and venerables all changed color. When Gu Xu Di Zun exposed the power of darkness, many people tried to contact the outside world to convey the news, but now, this world looks like Isolated, no messages can be delivered

Going out, can't rush out of this world.

As for the Tiangongying area and the ordinary warriors in the mineral vein area, they don't know what's happening outside. They only know that they are trapped in a dark realm and cannot make progress.

Is this the demon attacking heavenly work camp?

Many people in the Tianzhu camp were panicked.

Boom boom boom! Elder Ye He solemnly looked at the black enchantment that enveloped the Tiangong camp. He raised the sword in his hand, and instantly split a sword light that pierced the sky. The other elders also shot, but no matter how they acted, the dark enchantment was like being Disturb

The surface of the water is average, and it keeps rippling through the waves, but it can't break through.

The defensive power of this dark enchantment is too terrifying, and even the peak earthly respect like Elder Yehe can't break it.

Buzzing! The black sky pillars constantly lit up a series of array patterns. The complex patterns made Elder Yehe discolor. Almost all the elders of Tianzhuo were top craftsmen, and they naturally had a deep research on the formation method. And this black pillar The pattern on the top is strange and complex

Miscellaneous, it is clearly not the pattern structure in this universe, but from the dark forces, the pattern structure is complicated, and it is already above the understanding of Elder Yehe.

Half-step Tianzun device.

Elder Yehe's heart sank, this was the only possibility he could think of.

"Open the Vulcan Mountain array." Elder Yehe shouted angrily. Immediately, the entire Vulcan Mountain dazzling array of flames soared into the sky. As a day work camp, there will naturally be days where the work power can set up the top line. Cang, the sky-shaking flame pattern soars to the sky, and the dark barrier

They collided together, trying to break through the dark barrier, but the two collided and confronted each other, but they couldn't break through.

"Hahaha, Elder Yehe, don't bother, this thing is given to this elder by the dark clan, you can't break it."

Gu Xudi said proudly.

"Gu Xu, why are you betraying Tian's work?" Ye He Changlai shouted angrily, he couldn't understand.

"Betrayal? Hahaha, in this universe, the weak eat the strong and the strong respect, this elder just conforms to the law of heaven, where is the betrayal?" Gu Xu sneered and looked at Elder Yehe: "Elder

Yehe, your position in heaven is your work. Although above me, you don't know what the truth of this universe is. You are just a group of poor worms blinded by the origin of the universe. You don't understand that this universe has entered the end of decay. To end, when the time comes, this

Everyone in the universe will die, and only the dark race can save us. "

boom! Gu Xudi stood proudly on the black pillar, and the power of darkness swept out like thunder.

#### [Chapter 4114: An era](#)

"The Epoch Times is coming to an end?" In the chaotic world, Honghuang Zulong and Blood River Saint Ancestor looked at each other, their eyes solemn.

"Senior Honghuang Zulong, what does this mean?"

Qin Chen frowned and looked over. Hong Huang Zulong said, "The universe also has a lifespan. In order to survive forever, the universe will undergo transformation from era to era, just like the reproduction of cells in the human body. However, the reproduction of cells is not infinite.

The same is true. When the universe changes to the end, then this universe will enter its twilight years until its destruction. By then, all the creatures in this universe will fall, which is called the end of an Epoch Era. "

"what?"

Qin Chen was shocked, is there such a thing?

"Senior Ancestral Dragon, is this universe about to be destroyed?" Qin Chen said solemnly. Honghuang Ancestral Dragon shook his head, "Because we have been trapped in the Primordial Chaos World for too many years and have lost our physical bodies, we don't know how far this universe has changed. However, at least this era has just begun, otherwise we would be early

It's time to sense the end of the universe, and there will be no problems in the universe before the end of this era. "

"How long is that era?" Qin Chen said. "Era represents the origin and end of a civilization. It cannot be expressed for long." Honghuang Zulong shook his head. "Different eras take different time. For example, when the world is opened, when the chaos is born, everything is lost. Chi, we

These chaotic creatures slept in the chaos for at least trillions of years before they gave birth to true wisdom and became the real primordial beings. Therefore, our era has a very long history. "Honghuang Zulong said.

"But not all epochs are so long. There are also epochs where civilization is born quickly and falls quickly. However, most epochs are around 1.26 billion years old."

"Of course this is an average. No matter what, even the shortest epoch will not be less than 60 million years."

Honghuang Zulong said in a deep voice, "In less than 60 million years, even civilization cannot be derived, and it cannot be called an era."

"Sixty million years?"

Qin Chen was speechless. He just heard what Gu Xu Dizun said, and he was so scared that he thought the universe was going to be destroyed. It seems that it is still very early now. Even if it is counted in the long river of years, Qin Chen has not experienced long years, Ten thousand years has been long enough.

"No matter why, it's not the reason for you to take refuge in the dark clan, Gu Xu Dizun, just grab it with your hands." Qin Chen stepped out, his eyes cold.

Endless sword energy, floating around him.

Gu Xu Dizun's expression became even more ferocious.

"Crazy kid!" Gu Xu Dizun gritted his teeth and shouted.

boom!

The power of the venerable body burned instantly, his breath swelled sharply, and the powerful energy directly twisted and tore the surrounding void.

Gu Xu Dizun has already seen that the strongest one here is Qin Chen. No one else is his opponent. This kid is extremely weird.

"Chang!" A layer of blood-black claws appeared on the surface of Gu Xu Dizun's right hand. The sharp claws exuded a dark atmosphere, which made the surrounding space naturally split.

This is the treasure of the dark race.

"Stop him."

Elder Yehe snorted coldly, and hurriedly flew up to fight with Qin Chen and the others. If Qin Chen was killed, they would be over, and this world would be completely controlled by Gu Xu Dizun.

"Boom!" Qin Chen grinned, his breath soared, causing the surrounding space to be twisted and torn directly, and his power was no less than that of Gu Xu Dizun.

"How is it possible?" Gu Xu Dizun looked shocked.

"You have such a cultivation level, but under the blessing of this dark enchantment, I can definitely crush you."

With blood surging, Gu Xu Dizun brewed a huge ultimate move.

Opposite, Qin Chen is also considering how to defeat Gu Xu Dizun. It is not a problem for him to capture Gu Xu Dizun. However, he suspects that Gu Xu Dizun is not the only demon spy here, and there are people hiding. It was not found.

This is an intuition.

However, until now, no one has appeared to help Gu Xu Di Zun, or that the other party should feel that Gu Xu Di Zun has no need to help.

"Fucky boy, go to death!"

The strength was accumulated to the limit, and a strong black light appeared on Gu Xu Di Zun's body, and the whole person was like a dark black hole, devouring everything.

Boom!

With an arrow rushing out, Gu Xu Dizun blasted out with his right hand with black sharp claws. With the power of darkness surging, it merged with the dark enchantment, and countless dark claws filled the void and swept away.

"Shoot!"

Elder Yehe shouted angrily, and a group of people shot one after another, but these dark powers were extremely terrifying. Under the blessing of the dark enchantment, they instantly shattered their attacks and sent them out one after another.

puff!

In an instant, including Elder Yehe, many elders and Venerables were injured, and some Venerables with weaker cultivation levels were even seriously injured.

"A bunch of trash, kid, see if you are still dead this time."

Wow!

The shadow of the claws that contained terrifying dark power overwhelmed the sky and turned into a terrifying dark demon, blasting towards Qin Chen.

"Be careful."

The man who was clutching his chest shouted in horror. Many people in the distance held their breath and did not blink their eyes. On the opposite side, Qin Chen's robe was hunting and hunting, and his hair fluttered like silk like a sword. Because of his cold expression, his eyes became so sharp that they became narrow and narrow. The cold light inside was as solid as a mass of murderous aura. I can't cover my eyes

live.

"Reincarnation!"

Taking a step out, Qin Chen held the sharp sword in both hands, and used the power of breaking the mountain and breaking the mountain to display the six reincarnation sword arts.

boom!

A beam of sword air rippled outward, as fast as an aurora. The ghost shadow of the demon \*\*\*\* collided with the ripples of sword air, there was no sound, no shock wave, the world seemed to have lost its voice, only a ball of light intertwined with pitch black and colorful, in the light ball, the ghost shadow and the ripples of sword air had not dissipated. Final fight

Beat.

Boom! It sounded like the collapse of the heavens and the earth, the Demon God phantom exploded with a bang, and the sword gas ripples only left a bunch of thick fingers. After piercing through the fragments produced by the Demon God phantom explosion, it suddenly blasted on the chest of Gu Xu Dizun , So fast, so right

Fang didn't even have time to react.

"Qin Chen is actually stronger?"

Many people showed ecstasy and exclaimed.

Puff! Gu Xudi flew out in astonishment. Although the defensive armor on his chest was a top-level human treasure armor, the extremely concentrated power still made him unable to control his body and strength, and his chest ribs creaked. First sense

Suffered from unbearable pain.

puff!

The sword intent passed through the armor, and Gu Xu Dizun's internal organs were crushed, allowing the sword intent to rush.

Wow!

A mouthful of blood spurted out, and Gu Xu Dizun spits out blood, his expression furious.

"Well, Gu Xu is injured, we are going to win." Many people were ecstatic.

#### [Chapter 4115: Blockade camp](#)

Qin Chen frowned slightly. Under the blessing of the power of darkness, this Gu Xu Di Zun was indeed powerful, fearing that it was close to the average Half Step Heaven Zun.

This kind of dark power is indeed weird. Not only can it burn potential, allowing a strong earth-sovereign to exert the power of a half-step Tianzun, but also, the healing effect is amazing. Qin Chen can feel that the injured body of Gu Xu Dizun is Heal quickly.

Sure enough, just flying upside down for hundreds of miles, Gu Xu Dizun stopped the retreat. He wiped the blood from the corner of his mouth, and did not lose his combat effectiveness, but made him more sturdy and terrifying.

"kill!"

He went mad, the heavy dark power in his body violently impacted, and his whole person turned into a dark demon god, and he madly killed Qin Chen.

He was burning his life, almost crazy.

Boom boom boom!

The two fought against each other. This time, Gu Xu Dizun and Qin Chen fought together, and even the elder Yehe couldn't get close with the terrifying impact. Many elders could only retreat to the Heavenly Work Array to prevent being affected.

Such an impact is too terrifying, if one is not careful, even the venerable will fall.

Qin Chen and Gu Xu Dizun have fought to the extreme, and the two fought together.

"Kid Qin Chen, with your strength, it should be easy to win this guy, why..."

In the chaotic world, Hong Huang Zulong saw Qin Chen and Gu Xu Dizun frantically fighting, and couldn't help being speechless.

Qin Chen is an existence that can kill even ordinary Tianzun.

"I'm seeing if there are any associates of this person here."

"You mean, there are demons in this group of people?" Honghuang Zulong glanced at the heavenly working powerhouse in the distance, and couldn't help being speechless: "How do I feel, how come your humans are like a den of thieves."

"Boy, I must admit that your strength is beyond my expectation, but it is far from enough. I have recorded this account today and will report it tomorrow."

Gu Xu Dizun couldn't hold Qin Chen for a long time, and his figure shook, he was about to put away the black Tianzhu and leave here.

Boom!

He captured the black Tianzhu in his hand.

"It seems that the others will not show up."

Qin Chen shook his head. At this time, no other traitor appeared. If the battle continued, the opponent would not appear.

"Want to go? Do you think you can go?"

Qin Chen walked with the sword.

Gu Xu Dizun sneered and said: "I admit, I underestimated you, but with your attack power, I can't help it."

"Really? What if I say that this is not my true strength?" Qin Chen sneered.

"What? It wasn't Qin Chen's true strength before, what a joke."

The battle between Gu Xu Dizun and Qin Chen was a super fierce battle, which had left them dumbfounded. Now Qin Chen told them that this was not his true strength, and everyone couldn't accept it and felt too outrageous.

Elder Yehe and the others looked at each other, a little horrified.

Humph!

Gu Xu Dizun coldly snorted, and sneered: "I really don't know if you should be arrogant or ignorant. Your strength is indeed strong, but you can't break my defense at all."

"Really? You will soon know if what I said is true."

"The elder has no time to play with you."

Gu Xu Dizun was very confident in his defense, but he still didn't dare to be too careless, his muscles bulged, and every inch of his muscles contained terrifying energy, which made his body reveal a layer of black crystal light.

The power of darkness exploded.

Leaving here directly with the black Tianzhu.

On the opposite side, Qin Chen stood in the void facing the wind, neither drawing a sword nor making a gesture, but his gaze gradually became sharper, locking the Qi Venerable Gu Xu.

The night wind roared, everyone in the distance held their breath, their eyes fixed on Qin Chen, they wanted to see what Qin Chen's so-called true strength was.

"kill!"

Two cold lights flashed in his eyes, Qin Chen pointed his right sword, the power of chaos in his body, quietly circulated out, merged into the sharp sword in his hand, booming, the sword aura soared, turned into a sword of chaos that soared, and cut it out. .

"Danger!" Gu Xu Dizun's scalp numb for a while, and then, like an electric shock, the numbness extends from the top of the head to the bottom of the foot, and then returns from the bottom of the foot to the top of the head. This is no longer a consciousness reminding him of danger, but Physical instinct, in fact, this short

In the time, his thinking was too late to work.

"Block!"

He instinctively waved the black Tianzhu to resist the sword energy.

boom! The next moment, the terrifying Chaos Sword aura blasted on him, rolling up the chaotic aura that skyrocketed. Gu Xu Dizun's mouth sprayed a lot of blood, like clouds and fog, and flew out for thousands of miles in an instant. On the way, his Eyes, nose and ears, all popping up

After the blood, it meanders like a snake, slamming into the ground hard.

"Elder Gu Xu lost?"

The many powerhouses watching the battle were horrified and a little at a loss. What level of attack was this? With a single sword, Gu Xu Dizun flew away. There weren't many gorgeous scenes, but it was like a ruin.

Venerable Mantra also took a cold breath. From the moment Qin Chen promoted his cultivation to the realm of Earth Venerable, he knew that Qin Chen was extraordinary, but he did not expect Qin Chen to be so terrible.

This is already the strength of Half Step Tianzun!

A sword hit Gu Xu Di Zun seriously, Qin Chen appeared in front of Gu Xu Di Zun, and the terrifying sword energy swept into Gu Xu Di Zun's body instantly, blocking the origin of the Venerable in his body. His whole body was imprisoned.

"Gu Xu Dizun, what else do you have to say."

Gu Xu Dizun no longer has the strength to fight, and he has no strength to move a finger. He looks at Qin Chen bitterly, "What if you beat me, hahaha, the demon will not let me die, so , You wait to bear the anger of the demons."

"For these words, you should leave the high-level Hetian to speak. As for the Demon Race, if he dares to come, I dare to kill."

Reaching out to grab Gu Xu Dizun, Qin Chen carried him to the Huoshenshan Palace.

Vulcan Mountain Heavenly Work Hall.

Qin Chen fell, and behind him, Elder Yehe and others also appeared.

"Brother Qin."

Elder Yehe looked bitter, if it weren't for Qin Chen, their daily work camp would be considered dangerous this time.

"Elder Yehe, please report to the headquarters in time to inform the headquarters of the affairs here, so that the headquarters will send experts to investigate the affairs of Gu Xu Dizun."

Qin Chen said.

"it is good."

Elder Yehe nodded, unknowingly, Qin Chen had become their backbone, and no one felt wrong.

"Next, please also ask Elder Yehe to lock down the working camp, and don't let anyone leave until the strong from the headquarters arrives."

Qin Chen said again.

This immediately attracted the whispers of everyone, and blocked the entire large camp. This is a major event. After all, it is easy to be thought of what happened to God's work.

However, since it was Qin Chen who spoke, Elder Ye He naturally had no reason to refuse.

"Okay, I'll make arrangements right away." He ordered down.

#### [Chapter 4116: Torture](#)

Hum!

In the night sky, the whole day of the work camp, the vast array of light rose up, diffused out, and instantly enveloped the entire camp.

"What happened?"

For many days, the powerhouses in the work camp just felt that the power of darkness that had enveloped them disappeared, and was enveloped by this terrifying array again, and they were all panicked.

Because, they also felt the fierce roar from the Vulcan Mountain, that kind of fighting aura, obviously from the top noble realm powerhouse.

Could it be that a powerful enemy has come to attack Tianjia? Many people panic.

"Look, everyone."

at this time.....

Whoosh whoosh!

Elder Yehe and other powerful people appeared in the sky one after another, floating above the sky work camp. As soon as Elder Yehe and them appeared, they immediately attracted everyone's attention.

"Everyone, I was invaded by a strong demon clan before, but now that demon clan has been solved by me, but for safety reasons, the camp is temporarily closed and no one can leave the camp. Nor can

Please don't worry about it. Please wait for my day's work to be completed before opening again. "

Elder Yehe would naturally not say that Gu Xu Dizun was a spy of the Demon Race, this would cause everyone's worry and sensation.

Wow! Elder Ye He's voice fell, and the entire camp was boiling instantly. Sure enough, there was an invader from the Demon Race powerhouse. The dreadful dark mask before was supposed to be what the Demon Race master called. Then these

People are in trouble.

Once the Tiangong camp is breached by the powerful demons, the disciples in these camps are afraid that they will not escape.

But what makes them wonder is why this demons broke into the heavenly work camp. This is the first time the demons have done this kind of thing in these years. Is it to plunder the various resources and treasures in the heavenly work? Bing?

This is too blatant, right?

In the mineral vein area, many casual practitioners are anxious.

Many casual cultivators are not day-workers, but just come here to earn some credit. Nowadays, there are strong demons coming to attack. Let them stay here. How do you want to?

One by one asked to leave.

"It's important, no one can leave, otherwise, it will be against my work." Elder Yehe looked at the strong loose repairers in the mineral vein area with cold eyes, and said coldly: "If you stay at ease. , Then this elder can double the value of your credit during this period of time. If you dare to make trouble, you can stop blaming the elder for being rude.

"

Elder Ye He is the leader of this camp and has absolute control. When he gets angry, no one who is strong in casual cultivation dared to speak out.

Those who come here to earn credit in the vein area are all casual cultivators with no background. How dare you offend Elder Yehe, offend God's work, don't you? Not to mention double the value of credit.

"It must be the initiative of the sect." The Liger Demon Lord and the others were thoughtful. Qin Chen just asked about the situation here during the day, and there was an invasion of the demons at night. There must be some connection between the two, and they couldn't think of what they got Information can actually allow the people of the demon race to go to work at night,

Still shocked them.

Soon, the whole camp fell silent under the shackles of the strong men of heavenly work.

Whoosh!

Elder Yehe and a group of people returned to the hall.

"Brother Qin, these people are quiet." Elder Yehe returned.

"Elder Yehe has worked hard." Qin Chen looked at the other elders and strong men on the field, and said: "Please also elders and friends, don't leave the Tiangong camp for half a step."

As soon as this statement came out, all the elders present changed color.

"Qin Chen, what do you mean?"

An elder said solemnly, it would be okay to block the other disciples. What does it mean to prevent them from going out? "Don't get me wrong, elders, I'm just afraid that the news here will be passed on." Qin Chen glanced at the crowd, and said: "You all have seen it too. Venerable Fenghui and Gu Xu Dizun colluded with the demon clan and have already transmitted some news. Go out, make peace

Fang is in the old place. If someone accidentally leaks the news, once the Mozu gets the news, it is inevitable that they will send a master to rescue Elder Gu Xu. Who can bear this responsibility? "

"Does Brother Qin think that we will pass on the news? It's ridiculous." An elder snorted coldly, "We are all elders in the sky, how can we do such a thing?"

"Yes, and because the demons might get news, we have to go out and contact other top human race forces in the surrounding area and let them send masters."

The elder spoke.

"Could it be that the elders will not betray you? Can you guarantee that we have no other spies here? What's more, Elder Gu Xu is also the elder of Tianzhu, so he betrayed Tianzhu instead?" Qin Chen snorted.

"What do you mean?"

Some elders have changed color, does Qin Chen mean that they are also spies? "Okay, okay." Elder Yehe came up to complete the battle. "Qin Chen said it is not unreasonable. Now that Elder Gu Xu has been captured, the Demon Clan has not received any news yet, but if everyone leaves the Heavenly Work Camp, once they have no intention The message was delivered in

It's causing trouble, so you should stay here for the time being until the high level arrives. "

Elder Yehe spoke, but many elders stopped talking, but their expressions were still a little angry. "Qin Chen is right. It is better for you all to stay here. At the same time, I propose to interrogate Elder Gu Xu and get some secrets of the Demon Race from him. At the same time, I will inquire whether there are any accomplices here, and ask out Dock with him

Where is the master of the demons in order to catch the opponent in one fell swoop. "

At this moment, an elder said in a deep voice, it was the elder Tianxing.

As soon as this remark came out, many people nodded, yes, the top priority is to ask Elder Gu Xu's secret.

"Elder Tianxing, you used to serve as the deacon of the Xingtang, you know the most about this method of torture. Why don't you leave it to you?" said an elder.

"Not right!" Elder Tianxing shook his head: "Although I believe that you are all innocent, no one knows whether there are any associates of Elder Gu Xu among us, so I proposed that Elder Yehe and Qin Chen be interrogated. Main character, because only Ye Hyuk

The elders and Qin Chen cannot be traitors. "

Everyone nodded. Indeed, Qin Chen was the one who exposed the identity of Elder Gu Xu, and Elder Yehe was the leader of the big camp. The two of them naturally had the least suspicion.

"Hahaha, you want to interrogate me, you are so ridiculous, you can't interrogate any secrets from me."

Elder Gu Xu said with a grinning smile covered in blood.

"Take it down."

Elder Yehe shouted sharply. Next, Tian Jiao began to interrogate Elder Gu Xu, and all kinds of methods came out.

#### [Chapter 4117: Elder](#)

However, for several days, Elder Gu Xu's defenses were not breached, and even Elder Yehe tried to use methods such as soul searching. However, the masters of the earthly-sovereign level and the powerful Tianzun could not easily search for the souls, let alone his pinnacle

Honored.

What's more, Elder Gu Xu has taken refuge in the Demon Race, and the power of darkness is contained in his body, and he is afraid that even Tianzun will not be able to search for his soul.

In the end, everyone had no choice but to wait until the top of Tiangong came and took him to the headquarters of Tiangong for interrogation. Once back to the headquarters, the high-levels must have a way to interrogate something.

However, it takes a certain amount of time for the Tiangong headquarters to send the strong after receiving the news.

"Qin Chen, if you have made such a great contribution and return to work in heaven, you may be able to directly become an elder." Venerable Mantra said with a smile.

"Elder Younger?"

Qin Chen shook his head. He saw that the elders work in heaven, and they can't do everything. For those who have been born and worked in heaven, such as the Lord of Light or Venerable Mantra, being an elder is already very much. Glory thing.

But to Qin Chen, the elders were nothing at all.

There is definitely a big fish inside the work day.

Qin Chen didn't believe that there was only one Elder Gu Xu colluding with the Demon Race. Once this kind of thing was involved, it would definitely be pulled out.

In fact, Qin Chen knew that Tiangong's founder, Shen Gong Tianzun, must also know the internal affairs of Tiangong, otherwise the ancient holy tower artifact spirit would not have said that.

In that case, it's better to do it yourself and clean up some troubles for your daily work.

Thinking in his heart, Qin Chen stepped into the Vulcan Mountain Palace.

"what!"

In a closed space, Elder Yehe was interrogating Elder Gu Xu with Elder Tianxing. A series of terrible flames burned Elder Gu Xu's body, causing him to roar in pain.

"Gu Xu, name your connector." Elder Yehe shouted sharply.

"Hahaha, don't think about it."

Elder Gu Xu was in pain, but he laughed and was not afraid.

"The will is quite firm."

Qin Chen's eyes were cold, and this Gu Xu could actually persist until now.

"Kid Qin Chen, why bother? As long as you bring him into the Chaos World, with our strength, enslaving him is not easy?" Honghuang Zulong said.

He did not understand Qin Chen's approach. "The chaotic world cannot be exposed for the time being." Qin Chen shook his head. If Elder Gu Xu was directly included in the chaotic world, then his secret of having a special small world would definitely not be concealed, and Qin Chen knew very well that Elder Gu Xu was a lurking person. Absolutely

It's not so good for soul searching, this is his instinct.

"Brother Qin, you are here."

Seeing Qin Chen coming in, Elder Yehe and Elder Tianxing even spoke.

"How is your interrogation?" Qin Chen asked.

Elder Ye He looked gloomy and shook his head.

"Forget it, Elder Yehe and Elder Tianxing also rest. After a few days, the headquarters master will come and take him back to the headquarters. Don't worry if you can't ask anything."

Qin Chen said with a smile.

"also."

Elder Yehe nodded, "Let's go, Elder Tianxing, in this closed space, there are formations enveloped, not afraid that he can escape."

"Okay, after so many days of interrogation, I am also tired, so I have to go back and have a good rest. This guy is really tough."

Elder Tian Xing glanced coldly at Elder Gu Xu.

The elder Tian Xing had been in the Tian Working Xing Hall, so he was one of the hardest members of the interrogation. These days, I have been interrogating Elder Gu Xu here, which is extremely hard.

A group of people left immediately.

Seeing the three people leave, a cold light bloomed in Elder Gu Xu's eyes, while Elder Tian Xing glanced at the hidden space behind him, his figure flickered and disappeared.

In the middle of the night, there was silence.

Outside the secret formation space where Elder Gu Xu is.

A figure quietly appeared here.

"Kid Qin Chen, what are you doing here in the middle of the night?"

Honghuang Zulong said in doubt.

This black figure is Qin Chen.

The black mist on Qin Chen's body was sensational. In an instant, his temperament changed. A black cloak was split on his body, and a mask appeared on his face, covering his face and breath.

He urged the power in his body and began to penetrate the formation before his eyes little by little.

The formations arranged by Elder Yehe and the Vulcan Mountain Array were indeed terrifying, but to Qin Chen, it was nothing at all. He could easily break it through without even disturbing anything.

The space inside the formation.

Elder Gu Xu was trapped here, and there was silence.

Hum!

Suddenly, the formation space fluctuates, and at the same time, a dark figure has appeared in this secret space formation at the same time.

This is a figure wearing a black robe with a mask covering his face, like a dark god-like figure, quietly appeared in front of Elder Gu Xu.

"Are you here to save me?"

Elder Gu Xu stared at the black figure in front of him, showing a sneer: "Quack, I know that there are our accomplices here."

Elder Gu Xu didn't know that this black figure was actually Qin Chen.

"Hmph, stop talking nonsense, it's a waste, it was exposed so quickly, if you let the adults know, you know the consequences, I will save you now."

This black figure quickly came to Elder Gu Xu and began to break the restrictions on Elder Gu Xu.

"Hmph, it's not to blame that Fenghui Venerable for doing things too carelessly." Elder Gu Xu stared at the black figure, but there was a trace of dignity and vigilance deep in his eyes, and he seemed to be on guard.

"This Elder Gu Xu seems to be suspicious of me?" Qin Chen's heart moved.

Hum!

A trace of dark power appeared on his fingers, corroding the prohibition on Elder Gu Xu a little bit.

Seeing this power of darkness, Elder Gu Xu's eyes were obviously relieved and his expression became relaxed.

"If I guessed correctly, you are the elder Tianxing, right? Humph, these days, you can torture me enough." Elder Gu Xu coldly snorted.

Elder Tianxing?

Qin Chen's heart moved, and it really was him. In fact, Qin Chen had long been suspicious of Elder Tian Xing, because although Elder Tian Xing was very positive, there was no problem, but Qin Chen discovered that this person had been inadvertently analyzing this when interrogating Elder Gu Xu. Null

The formation of time, this move itself made Qin Chen puzzled.

It's just that Elder Gu Xu's words also puzzled Qin Chen. Elder Gu Xu didn't seem to be sure of the identity of the elder Tianxing. It seemed that the identity of the spies inside Tianjiao had been kept secret from each other.

"Om!"

The power of darkness quickly eroded the restrictions on Elder Gu Xu, "Go." Qin Chen took Elder Gu Xu, quickly cracked the formation method again, and left here all at once.

#### [Chapter 4118: Big fish](#)

Whizzing!

Qin Chen took Elder Gu Xu away from the big formation and quickly hid in a corner of Huoshen Mountain. The whole process was silent and no one noticed.

And not long after Qin Chen left this hidden space with Elder Gu Xu.

Huh!

A figure quietly appeared outside this space. This figure was sneaky, wearing a black robe, and could not see his face at all.

If Qin Chen was here, he would definitely recognize the identity of this person, and he was the elder Tianxing. I saw Elder Tian Xing cautiously starting to urge the formation of this blocked space, cracking it a little bit, and extremely cautiously. After a while, he flashed and appeared in the space in an instant, looking up at Elder Gu Xu. Bound

local.

But when he looked up, his whole body was instantly shocked, cold sweat came out.

Elder Gu Xu disappeared unexpectedly.

"No, is it a trap?"

Elder Tianxing hurriedly backed away, but until he exited this enclosed space, no one had taken any action. He just let go of his heart, but he was still terrified. Where did Elder Gu Xu go? You know, this day, he deliberately interrogated Elder Gu Xu just to analyze the formation structure of this enclosed space.

Yi succeeded, but Elder Gu Xu disappeared.

Could it be that Elder Gu Xu has been transferred by Elder Yehe?

wrong. Elder Tianxing shook his head. He claimed that he had not exposed himself. Although during the interrogation, he deliberately released some information to Elder Gu Xu and told him his identity, but even if Elder Gu Xu guessed it, he couldn't tell his own. exist,

The betrayers of them all have dark marks in their bodies. Once they take the initiative to reveal the hidden secrets, they will instantly disappear, and even the strong Tianzun can't stop them.

This is where they can never be found.

But if it weren't for being transferred by Elder Yehe, where did Elder Gu Xu go?

Huh?

The elder Tian Xing suddenly thought that this formation seemed to have traces of damage, apparently someone had been here before.

Could it be that in this day's work camp, besides Elder Gu Xu and himself, there are other people lurking?

"who?"

Just while he was puzzled, suddenly, a sharp shout came from a distance, and a stream of light quickly flew towards here.

The elder Tian Xing changed color, shook his figure in a hurry, and disappeared.

On the other side, Qin Chen took Elder Gu Xu lurking in a hidden place on the edge of the camp.

Rumble! Looking up, the entire Tiangong camp was blocked by the terrible Tiangong large array, flowing with terrible streamers. These streamers turned into a canopy and enveloped the entire large camp. Once anyone comes into contact with this canopy, it is certain. Will be Ye

Elder He and other strong people found out. "Diyuan Ronghuo Formation, this elder Yehe is really hateful. He actually urged the top-level formation of Heavenly Work. Only the earth element beads that hold the great formation control core can enter and exit silently. Great array, otherwise I'm afraid it's the peak earth

Can't get out quietly. "

Elder Gu Xu said secretly, his expression ugly.

"Don't worry, since I will rescue you, I will naturally have a way to take you out of here."

Qin Chen said with a sneer.

"Oh? What method?"

Elder Gu Xu looked over.

"Huh, you don't need to know about that." Qin Chen took Elder Gu Xu to the front of the big formation, his right hand suddenly filled the big formation in front of him, hum, he saw an invisible ripple, and it began to penetrate gradually. In the big formation, then quickly broke down the formation in front of you, the next moment, a

Under the division of this invisible wave, a hole slowly appeared in front of Elder Gu Xu and Qin Chen.

Elder Gu Xu's face suddenly showed a look of surprise.

When did the Xing elder's attainments in the formation technique be so deep that day? This kind of technique is probably more terrifying than himself.

"Elder Tianxing, what you have hidden is really deep, no wonder you actively asked to interrogate me. With this method, this Huoshenshan Heavenly Work Camp, can't you go there?"

Elder Gu Xu said gloomily.

"Shut up." Qin Chen snorted coldly, "If it weren't for you to be trapped, I would have exposed so much. You almost made the arrangement of the adults fall short. If it were not for fear that someone from the headquarters would ask about your secrets, you would involve the person above you. , I care about your life and death." "Hmph, don't worry, one person does the job, the other person, although I don't know which deputy hall master is above you, but since you and I are both lurking in the sky's work, I have long expected this day. , Besides, even if I get caught, I can't

Can expose the upper part. "Elder Gu Xu coldly snorted: "Neither you nor I have time to expose, I'm afraid it's already broken. "

Deputy Hall Master?

Qin Chen was shocked. In the work of heaven, the founder, Godgong Tianzun, was the lord of the hall. He had great eloquence and majesty, but under his command, there were several deputy hall masters, who were like those of the Star God Palace. Falling Star Tianzun and others are all Tianzun strong.

Unexpectedly, in this day's work, there was a deputy hall master-level figure who also took refuge in the demons.

No wonder Shen Gong Tianzun has to be careful, and even hide some people when recruiting the saints.

"go!"

The formation broke open, and Qin Chen took Elder Gu Xu and quickly left the Di Yuan Ronghuo formation.

"Hahaha, I finally escaped." Elder Gu Xu's eyes were excited, his gaze looked at the Vulcan Mountain with a grim look, and he said coldly: "Qin Chen, wait, let me escape today. One day, I will definitely want you Thousands of broken corpses."

After saying this, Elder Gu Xu said to the masked Qin Chen: "Friend, thank you very much, I will not forget the great kindness today."

"Hmph, no need to be polite, but I can only send you here." Qin Chen said lightly, and suddenly patted Elder Gu Xu with one hand.

Elder Gu Xu was taken aback, hurried back, and shouted: "What are you doing?" However, he was seriously injured and his cultivation base was imprisoned. How could he avoid Qin Chen's palm and saw Qin Chen's palm pressed against him? A strong dark power penetrated into him, and Elder Gu Xu's injury was slowly healed.

Relieved.

After a while, Elder Gu Xu's injury recovered a little bit.

"Dangdangdang!"

Suddenly, a roar sounded in the work camp, and then, where the Vulcan Mountain Palace was located, a group of silhouettes were flying out quickly.

"No, I was found." Qin Chen said solemnly: "I should go back, you will leave here immediately."

"Farewell."

There is no need for Qin Chen to speak, Elder Gu Xu's figure shook, he couldn't wait to leave, and he disappeared here in an instant.

"Kid Qin Chen, are you really letting him go?" Hong Huang Zulong said in a little astonishment. He thought that Qin Chen just wanted to ask the other party. "Only by putting a long line can you catch a big fish." Qin Chen's eyes flickered, his figure flickered and disappeared.

#### [Chapter 4119: Tengen Castle](#)

Dangdang!

At this time, the entire day work camp was uttered with a terrifying roar, and everyone was shocked in the dark.

"what happened?"

A number of masters flew out one after another, looking up at Huoshen Mountain.

In the sealed space of the Vulcan Mountain Palace, strong men such as Elder Yehe appeared one after another.

After seeing that the blocked space had been broken open, Elder Yehe hurriedly broke through the space and saw that Elder Gu Xu, who was supposed to be locked here, had disappeared.

"No, Elder Gu Xu is gone." Elder Yehe said in a cold voice.

The expressions of the elders present were all frightened. How could this be possible? Elder Gu Xu was seriously injured and his cultivation base was imprisoned. He could not escape by himself. Seeing that the top work leader was coming, Elder Gu Xu was missing.

This makes everyone not frightened.

When the headquarter executives come over and find that people are missing, what will they think of them?

When a powerful man arrived, he was frightened and angry.

Not long after, Qin Chen also appeared here.

After knowing that Elder Gu Xu was missing, his face also showed "surprise".

"Look, this person definitely didn't leave for long, we must find him."

A group of people, under the leadership of Elder Yehe, looked around, and instantly jumped.

After a while, everyone came to the place where the Diyu Ronghuo Array was broken open.

"what?"

Seeing that the big formation was broken, everyone was really shocked. This is the pinnacle of the grand formation, which can quietly break through this big formation. What is the origin of the opponent?

"Damn it, find it for me." Elder Yehe roared.

At this time, it was meaningless to block the camp. Elder Yehe quickly left the camp with many experts to search. Unfortunately, after several hours, no trace of Elder Gu Xu could be found.

Back in the palace, Elder Yehe looked sullen.

"Shen Yan Di Zun, you were the first to issue a warning, what happened at that time?" Elder Ye He looked attentively. "Elder Hui Yehe, because of the things these days, I feel uneasy in my heart, so after the end of my practice, I came here to patrol, and I saw a figure lurking outside the enclosed space, and immediately yelled at him. ,One

The blink of an eye is gone. "Venerable Mantra said.

"Are you sure there is only one person on the other party?" Elder Yehe found the key to the matter.

"Yes." Venerable Mantra nodded.

Elder Yehe frowned, which was strange. If someone rescued Elder Gu Xu, then it must be two people, not one person.

Although Elder Yehe was puzzled, Venerable Mantra was the one who discovered Elder Gu Xu's escape. If Venerable Mantra warned, everyone would still be kept in the dark. Therefore, Venerable Mantra would obviously not be a spy.

So who is it?

Next, Elder Yehe asked. After Venerable Mantra, Elder Tianxing was the second to arrive. It should be no problem. After that, other elders also arrived.

Among them, Qin Chen arrived the latest.

It stands to reason that Qin Chen is the most suspicious, but the identity of Elder Gu Xu's spy was revealed by Qin Chen, saying that he rescued Elder Gu Xu, it was impossible.

In the end, Elder Yehe found nothing.

Day work outside the camp.

Elder Gu Xu changed several directions in the void, and didn't stop until he was far away from the Heavenly Work Camp. "Finally escaped, huh, I must repay this grudge. The Demon Race has been asking me to monitor the trail of Qin Chen. Now, that Qin Chen has finally returned to work. Just tell the Demon Race, I will You can be ashamed." Gu Xuchang

Old gritted teeth.

He shook his body and flew towards a certain place. Now he was empty, not even a storage ring, and could not send news at all, but could only lurch in the past.

Day work camp.

Qin Chen returned to the Palace of Venerable Mantra. "Qin Chen, how do you know someone is going to save Elder Gu Xu?" Venerable Mantra looked at Qin Chen in disbelief. In fact, the reason why he went to that space at that time was not because he told Elder Yehe After practicing, go to patrol, and

It was Qin Chen's arrangement.

After experiencing all this, Venerable Mantra and Holy Master Yaoguang had completely looked at Qin Chen's head.

"Hehe, you don't need to know this now. After where you went, was the elder Tianxing the first to arrive?" Qin Chen asked.

"That's right." Venerable Mantra said: "I saw a figure, and as soon as I yelled, the person disappeared. When I caught up, he disappeared, and then the elder Tianxing appeared."

"I understand."

Qin Chen's eyes flashed, he already knew that the elder Tianxing must be a spy.

"In the past few days, you have managed the work camp well, and I need to go out." Qin Chen said.

"However, Daying is still blocked."

"Don't worry, the camp will start tomorrow." Qin Chen said.

The next day, everyone inspected the working day camp again and found that Elder Gu Xu had really disappeared, and the only way to open the blockade was to open the camp.

Elder Gu Xu has escaped, and there is no need to continue to block news.

Now, Elder Yehe and the others can only wait in anxiety for the arrival of the top leaders of the work day.

After opening the camp, Qin Chen left the Tiangong Camp for the first time.

In the endless void, Qin Chen took out a map. On this map, there were some routes.

These routes are used to transport mineral veins and treasure soldiers every day.

At the same time, Qin Chen closed his eyes, and faintly, a dark breath echoed him in the hundreds of thousands of miles in the front left.

"In that direction." Qin Chen opened his eyes and looked at the map, revealing a sharp light: "So, it should be this route."

Qin Chen's eyes fell on a route, and there was cold light flickering.

One day later.

Tianyuan City.

This is a human alliance city.

On the battlefield of ten thousand races, masters of ten thousand races were located and established large camps, but each large camp was established by their own race, and masters of other races were naturally not eligible to enter.

In order to trade among the ten thousand races, some ancient cities have also been established on this ten thousand race battlefield.

These cities are divided into Renmeng City and Momeng City.

As its name suggests, the Human League City is a city established by the Human Alliance for exchanges between the various races in the Human Alliance, while the Demonic City is a city established by the Demon Alliance.

This Tianyuan City is a human alliance city.

Every time the mineral veins and treasure soldiers transported by the work day pass through this Tianyuan City, some of them will be sold.

now.

In a restaurant in Tianyuan City, a man in a cloak was drinking wine, his body exuded a cold breath, raising his head, the eyes of a pair of eagles and birds were extremely cold.

"Count the time, the demons should be coming soon."

The man in the cloak was drinking wine and looked out the street with cold eyes.

If Elder Yehe and the others were here, they would be able to recognize from these eyes that this person was Elder Gu Xu. But at this moment, a person of the demon race walked upstairs, glanced at the restaurant, his eyes fell on Elder Gu Xu, and quietly walked over.

#### [Chapter 4120: Linyuan Chamber of Commerce](#)

"senior."

This monster came to Elder Gu Xu, and then sat down in the opposite position.

"Come!" Elder Gu Xu raised his head, "Lead the way."

"Yes!"

The demon clan didn't speak, and took Elder Gu Xu and left the restaurant.

Huh!

After the two left, a figure quietly appeared outside the restaurant. This was a young man with the appearance of a handsome young man, wearing a brocade robe, with a handsome and proud appearance.

"People of the Demon Race? Is there anyone in the Demon Race who colludes with the Demon Race?"

This young man muttered to himself, his eyes blooming with cold light.

"Little Qin Chen, you really have you."

At this time, the predecessor of the Primordial Ancestral Dragon in the Chaos World suddenly said: "Using the power of darkness to lock the position of this elder Gu Xu, do you want to find the devil's lair here?"

This Young Master Pian Pian is no one else, but Qin Chen who came from the Heavenly Work Camp. Qin Chen pretended to use the power of darkness to heal Elder Gu Xu, but in fact it left a special aura in his body. Qin Chen's power of darkness was the power of the dark royal family. As long as he left the breath, he could be completely treated by Qin Chen. Locked, nowhere to hide

avoid. Qin Chen let go of Elder Gu Xu in order to figure out the contact person behind Elder Gu Xu, because now Elder Gu Xu is seriously injured, and has lost all resources, and is secretly wanted by Heavenly Work. He has no other choice but to Meet with contacts

. In addition, Elder Gu Xu has asked Venerable Fenghui to contact the other party, meet in the old place, trade mineral veins, and deliver news. Although Venerable Fenghui was killed, the news has been passed on. The other party will definitely come, otherwise this opportunity will be lost.

, He didn't know how to contact the other party, because, according to the hidden rules, he could not easily contact the other party.

With a flicker, Qin Chen has quietly followed Elder Gu Xu and the demon clan.

The two were walking in Tianyuan City, and Qin Chen followed closely behind. The entire Tianyuan City is very prosperous, with people flowing like weaving, shops, restaurants, and wide streets are full of powerful people from all ethnic groups walking around. Most of these warriors are holy masters. Some are respected, there is even a

These faintly respected earthly strong, exuding a terrifying aura, can be said to be really strong like clouds.

Qin Chen glanced at the past. Those shops and restaurants were all mysterious spaces. From the outside, their appearance was ugly. After entering, it was a gorgeous world.

Among them, there are masters who are in charge, and they can't force it, otherwise, they will encounter strangulation.

As the city of the Human League City, this is the core place for the transactions of the Ten Thousand Races, and many forces in the Human Race Alliance have established stations here.

The entire Tianyuan City is like a huge honeycomb, with restaurants and shops inside. They are all honeycombs, embedded in the depths of the void, and evolve into small worlds, extremely mysterious and unfathomable.

A lot of the breath of big shots passed from it. Qin Chen condensed his breath, with a faint smile on his face, but he kept feeling the breath of Elder Gu Xu in his heart. The people of the Demon Race actually asked them to meet here. It can be seen that this Tianyuan City is inevitable. There is a station of them,

This trip may have a lot of gains.

At the same time, he also wanted to know who was the one who joined Elder Gu Xu? It can be seen that Elder Gu Xu and this monster race are very vigilant. They did not directly enter a certain power. Instead,

they wandered left and looked right. They were very cautious. After a long time, they found that no one was following before they came. A magnificent building

Inside, disappeared directly.

"Huh? This is Linyuan Chamber of Commerce?"

Qin Chen looked at the plaque on it. It was obviously a chamber of commerce. He did not enter rashly, but inquired carefully, and immediately found that this chamber of commerce is one of the top chambers of commerce in Tianyuan City, and it is considered a rather powerful force. There are many peak earth sages. Basically, there are many on the battlefield. Some rare

All of the things are for sale here, and the business is widespread.

"Oh? It is really good to cover up in the form of a chamber of commerce, but I don't know how much this chamber of commerce is involved."

Qin Chen raised his head and looked at the words Lin Yuan on the top of the Chamber of Commerce. It was very simple and exuded a vast aura. The door of the Chamber of Commerce was actually forged with the \*\*\*\* iron on the battlefield of countless tens of thousands of races.

Qin Chenyi was bold and went straight in.

"This guest, what do you want to buy? Is it medicinal materials, medicinal pills, or magic weapons, minerals, or even bodyguards, guards? Even the training ground, our Linyuan Chamber of Commerce has everything." Three venerable men wearing waiter's clothes came over, and all of them were half-step venerables. Looking at Qin Chen, his body was shocked, as if he had slightly sensed the aura on his body, surpassing ordinary venerables. Exist, immediately God

Be respectful.

What Qin Chen showed now was the aura of earthly respect. Such a cultivation base could shock a large part of the people. "You don't have to be polite, this seat is just coming over and take a look." Qin Chen said lightly, perceiving carefully, and immediately discovered that the aura of Elder Gu Xu had entered a certain mysterious void in the depths of the Linyuan Chamber of Commerce. This void is very secret. Even black

The aura of the dark royal clan has partially covered it, and if it is replaced with ordinary power, it is afraid that it will be completely invisible.

This Linyuan Chamber of Commerce is really not bad.

"Do you have any hidden high-level training places? I want to find a place to rest." Qin Chen said lightly.

"High-level training ground?"

Several attendants glanced at them and said, "Naturally, there are. I don't know how advanced you need to be."

"Huh, naturally it is the most advanced practice space for you here."

Qin Chen snorted coldly.

"Senior, please come with me."

This Linyuan Chamber of Commerce does all kinds of business, and there is also room for cultivation. Soon the other party took Qin Chen into a mysterious space in the depths. Here, the breath of the billowing venerable lingers, refreshing. .

There is definitely a strong Venerable Saint Vein here, so there is such a strong Venerable aura.

After entering this place of cultivation, Qin Chen shook his body and suddenly escaped into the void deep in the endless space.

At this moment, in a hidden space deep in the Linyuan Chamber of Commerce. In that secret time and space, people actually used great magical powers to open up a space. This space is very strong, blends with the laws of the universe, and is mysterious and mysterious. It is definitely opened up by the top powers and uses special space gods.

Blessed.

At this moment, in this mysterious space, several mysterious people wearing black robes were facing this elder Gu Xu.

"Gu Xu, I've seen a few of you." As soon as he entered this space, Elder Gu Xu respectfully saluted, without any negligence or disrespect.
