

Valkyrie 4271

[Chapter 4271: Wait a minute](#)

At this time, everyone on the field was stunned by the fact that Qin Chen killed Venerable Lei Ya with a single sword. Everyone's eyes were shocked, and they were silent for a long time.

When Ji Xinyi saw Venerable Lei Ya who was split into blood mist by Qin Chen, she subconsciously fought a cold war. She didn't expect this man who claimed to be Ji Ruyue's husband to be so powerful.

Ji Ruyue is just a **** who soared up from the lower realm. How could she have such a strong husband? She couldn't understand it at all.

After slaying Venerable Lei Ya, Qin Chen continued to stand on the stage, without any intention of retreating, staring at the many powerful men present, and said coldly: "I don't know which other force dared to make Ruyue's idea. Just come up, I Qin Chen followed."

As he said, Qin Chen glanced at Kuanglei Tianzun and said, "I don't know if there are any closed disciples, seed disciples, or sects under Kuanglei Tianzun's command. You can send them to the ancient world and Qin. Qin took the battle. However, the ugly words are at the forefront. Anyone, no matter who, dares to make an idea to Ruyue, Qin will let him know what regret is. When the Thunder God Sect will not pick up, the disciple will be dead. Don't blame Qin for not putting the ugly words first."

Qin Chen's eyes were indifferent, with terrifying murderous intent blooming on his body, he didn't put the Kuang Lei Tianzun who was a strong Tianzun in his eyes at all, his eyes were stunned, as if he was looking at an idiot.

by!

Is this too crazy?

Everyone looked at Qin Chen in shock. This kid was so mad that he not only killed the disciple of the Thunder God Sect with a single sword, but also provoked Kuanglei Tianzun. Everyone knew that Qin Chen was avenging Kuang. Lei Tianzun's previous actions were too arrogant.

The Thunder God Sect Master is also a Tianzun-level powerhouse anyway, and he is also the Sect Master of the Thunder God Sect. Qin Chen is only a junior, even if he is the deputy hall master of Tian Zhuo, he dares to say such words to Kuang Lei Tianzun. ?

"You..." Kuang Lei Tianzun was trembling with anger, and there was a terrible thunder light blooming on his body, and the Tianzun-level aura was released, making everyone change color in shock.

His eyes turned into endless ponds of thunder, as if to destroy the world in a flash.

"Lei Shen Sect Master." Ji Tianyao hurriedly yelled, the chaotic aura surging on his body, suppressing Kuang Lei Tianzun.

He naturally did not allow Kuang Lei Tianzun to do anything in his Ji family, and at the same time, Ji Tianyao also looked at Shen Gong Tian Zun: "Master of God Gong Tianzun, please restrain your disciples who work in heaven. Today is my Ji family's best way to recruit relatives. Please stay back a little bit."

Shengong Tianzun smiled slightly and said: "I think the deputy palace master Qin, who works for me, is right. It is natural to convince others to convince others. Since the Thunder God Sect is so interested in Ji Ruyue, Kuanglei Tianzun is right. If you are not convinced, you can let all the Tianjiao who are single in your own clan come over. My job is not the kind of **** force that bullies others, knowing that someone else has a husband, and has to fight for it."

"You..." Kuang Lei Tianzun trembled with anger again.

However, at this moment, he has settled down, don't look at his rough temper, it seems that he is just a little bit, but how can he be an idiot who can become the supreme master of the sky, it is impossible for an idiot to break through to the sky.

He snorted coldly, then sat down immediately, then glanced at Qin Chen with cold eyes, revealing Senhan's killing intent.

Of course, he also had regrets in his heart, regretting to follow the advice of the Star God Palace Lord and stand up for the Star God Palace.

Since he brought Venerable Lei Ya in this martial arts contest, he was sincerely optimistic about the future of Venerable Lei Ya. Moreover, he almost regarded Venerable Lei Ya as his son, but now he died in Qin Chen. In the hand, the suffocation in his heart can be imagined.

Seeing Kuang Lei Tianzun retreat, Qin Chen did not speak, but stood quietly on the ring, watching the major forces present indifferently.

Ji Tianyao's heart was already full of regret at this moment. He knew that Qin Chen was so powerful and had such a status in Tian's work. How could he easily agree to Ji Tianqi's idea to hand over the saint to Ji Ruyue.

But now that the ship is done, and both Ruyue and Wuxue are imprisoned in Hell Mountain, even if he wants to change his mind, it is not a simple matter.

However, Qin Chen slayed Venerable Lei Ya, which made him breathe a sigh of relief. At least, the one who wanted to challenge Qin Chen at this time was not someone who had a deep hatred with Qin Chen and Tianzuo, that was a fool.

He believed that no one from the general forces could continue to challenge Qin Chen, unless it was a force that had enemies with Qin Chen.

"If no one challenges the Deputy Hall Master Qin, then Deputy Hall Master Qin can retreat first." Ji Tianyao said impatiently.

He was afraid that Qin Chen would make another moth.

When the voice fell, the audience suddenly whispered.

Many forces looked at Qin Chen, but no one dared to step forward.

Not to mention that they didn't know who Ji Ruyue was. Even if they knew, they might not be willing to offend Qin Chen and work for a Ji Ruyue.

Marriage with the Ji family is indeed a big event, but offending Tian's work is also not a trivial matter.

Only the Star God Palace Master and Dayu Mountain Master's eyes flashed, and the two looked at each other, and there was a cold light in their eyes.

"Since no one is willing to continue to challenge Vice-Hall Master Qin, then..." Ji Tianyao looked around for a while, just about to speak, suddenly--

"Wait!"

Huh!

There were two figures who swept across the open space in the center of the hall at the same time and came to Qin Chen.

Everyone was taken aback.

At this time, there are still people challenging Qin Chen?

Everyone stared at each other one after another. At this look, their eyes suddenly focused.

Above the open space, these two figures have different tolerances. One of them, wearing a black robe, has a strong body. This kind of sturdiness is full of beauty, and it is by no means like the burly of Venerable Lei Ya, but rather streamlined. The posture.

And the other person, with sword eyebrows and star eyes, is brave and heroic, like a handsome young man.

The key is that the auras on the two of them are extremely powerful, and the power of the rolling venerables is permeated. Standing proudly on the open ground, the auras of the two of them have formed two states of black and white, just like Tai Chi Yin and Yang, and they are distinct.

"Earth Zun!"

"This turned out to be two heavenly arrogances."

hiss!

Suddenly, there was a burst of air-conditioning from the audience. The two people who rushed up turned out to be two masters of the earthly respect. Although they are only new to the earthly respect, they are already the strongest of the earthly respecters at such a young age. Even in the human supreme-level forces, it is rare.

The fire of life in these two people is extremely strong. It can be seen that they are at the youngest moment of their lives. With such a cultivation level, coupled with such a talent, they will break through the heaven in the future, and I am afraid that it is also extremely promising.

[Chapter 4272: Zhen Shan Yin](#)

And what shocked everyone the most was the chill represented by the breath of these two people.

A star is shining, just like a star, and the other is deep and deep, Yuan Yu Yue Zhi.

Obviously they are two peerless geniuses from the Star God Palace and Dayu Shenshan.

"Ancestor Ji Tianyao, how can I say that the challenge is over when I have not yet challenged it?"

Seeing the young man in the Star God Palace smiled and said, his posture was arrogant, he was really an angry horse in fresh clothes.

"Hahaha, Miss Ruyue, she is amazing, rare in the world. This young mountain master has also admired Miss Ruyue for a long time, and today I want to fight for it. Miss Ruyue in the province was taken over by some arrogant people and fell into the magic cave. ."

The Shaoshan Lord of Dayu Shenshan also spoke, with a bold posture, a hair fluttering, proudly domineering.

The two looked at Qin Chen with cold eyes, and there seemed to be flames blooming in the void, murderous intent surged.

At this moment, no one didn't change their color and looked at the Star God Palace Master and the Dayu Mountain Master. These two great forces were fighting against the sky.

Before, everyone felt that the Star God Palace and Dayu God Mountain seemed to be working against the sky in secret, but it was not very obvious, but now, after seeing the Star God Palace and Dayu God Mountain Shaoshan Master flying by the ring, everyone Everyone understands that today's battle is very exciting.

Ji Tianyao's expression changed, and he looked at the Master of the Star God Palace and the Master of Dayu Mountain, frowning and said: "Two, this..."

His Ji family is contesting martial arts and recruiting relatives, but it is not for these forces to solve their grievances, but now the actions of the Star God Palace and Dayu Shenshan are clearly aimed at working in the Ji family, which Ji Tianyao does not want to see.

But I saw the Star God Palace Master laughed and said: "Ancestor Ji Tianyao, heroes are sad for beauty, young people, when they meet their loved ones, they are desperate for themselves. As the elders, naturally I can only support them, do you think so? "

"This kid Aojue, although he is the young master of my Dayu Sacred Mountain, he is devoted to cultivation, and he has never seen him interested in that woman. I didn't expect that today I will be desperate for Ji Family and Ji Ruyue. I am an elder. , I am also very pleased. If he can win the martial arts contest, I would ask Ji Tianyao's ancestor to be his disciple and betroth Ruyue to the young mountain master of Dayu Shenshan. My Dayu Shenshan is also willing to join Ji Jiayi."

Daewoo Shenshan Mountain Lord also said with a smile, his face was swarthy, his eyes exposed.

Ji Tianyao's face was ugly, he understood, today, for Ji Ruyue's matter, today is afraid that a winner must be decided today.

The major forces of these human races.

Ji Tianyao took a deep breath and became annoyed, because in his opinion, the top human race forces such as Tianjiao, Dayu Shenshan, and Xingshengong did not put his Ji family in his eyes at all, so that he was not angry.

"Well, since both Star God Palace and Dayu Shenshan are interested in my Ji family Ji Ruyue, as the ancestor of the Ji family, I am naturally very happy. However, I am speechless. Please restrain your disciples and stop making trouble. Whatever unpleasant matter comes, as for other things, please ask young people to decide for themselves."

Ji Tianyao was also very deep in the city mansion, and he immediately showed a smile, said Hong Sheng, after the voice fell, he stepped aside and stopped speaking.

He also noticed that since these top forces are going to make trouble here, let them make trouble, anyway, no matter who dies, his Ji family only marries the winner, he has reminded it very obviously, no matter how much, He can't control it either.

On the clearing, the three looked at each other.

Qin Chen looked at the Young Master of the Star God Palace and the Young Master of the Dayu God Mountain on the stage, and a cold light flashed in the depths of his eyes.

It seemed that the Star God Palace Lord and Dayu Mountain Lord still did not give up.

But it's good, just what I want.

On the other side, the Young Master of the God Mountain of Dayu smiled at the Young Master of the Star God Palace.

"Hahaha, brother Aojue, you and I can be regarded as friends. If Brother Aojue is interested in Girl Ruyue, then the Young Palace Master can let Brother Aojue take action."

"Haha, Brother Xing Rui is polite, no matter who you or I can get Girl Ruyue in the end, as long as you can kill the cruel clown in front of you, it will be regarded as a harm to my human race."

The two actually pushed each other politely off the ring, and they didn't have the kind of arrogant rivalry like the moon.

In the eyes of outsiders, the two were clearly not here to fight for Ruyue, but rather like to come for Qin Chen.

Although everyone knows that this may be the truth, the two of them are too obvious, and they don't give God any face.

"Okay, don't let the two of you go there, let's go together."

At this moment, Qin Chen suddenly gave a cold snort.

"What are you talking about?" The Young Master of the Star God Palace and the Young Master of Dayu Shenshan looked over at the same time, with cold eyes.

Everyone in the audience was also dumbfounded.

This.....

Too crazy, right?

"It's just two wastes. Anyway, it's just for the death. It's not just a moment to die. They happen to work together, so that when they die, they will have a companion on the road." Qin Chen sneered, his eyes sullen, and looked at the two of them. It was as if looking at two dead men.

boom!

The Young Master of the Star God Palace and the Young Master of the Dayu Shenshan suddenly surged with terrible murderous intent, and their anger rose.

The powerful people in the audience were also stunned.

Is this Qin Chen crazy?

Although Qin Chen killed Venerable Lei Ya with a single sword before, shocking many strong people present, but now he is not facing Venerable Lei Ya, but the Young Master of the Star God Palace and the Young Master of the Dayu Shenshan. Mountain Lord.

These two people are all of the Earth Sovereign level, and their strength is more than ten times stronger than that of the Thunder Venerable? Not to mention the two teamed up.

Qin Chen's words caused everyone to become arrogant.

Didn't he know that he would only anger the other party even more by saying this?

Sure enough, the young master of Dayu Shenshan Ao Jedi was the first to be the first to hold back.

"Boy, since you are looking for death, I will do it for you." The Lord Dayu Shenshan Shaoshan let out a cold anger, and the treasure in his hand was sacrificed.

boom!

Suddenly, a large black seal appeared in the world, shaking the void.

This turned out to be a half-step Venerable Treasure-level Zhenshan Seal. As soon as the Zhenshan Seal was smashed out, the entire void shook. The terrifying road of suppression was formed under the power of the Young Master Daewoo Shenshan. Terrible **** space.

Like a five-fingered mountain, it descended from the sky to trap Qin Chen underneath in an instant.

Qin Chen is the craftsman of Tianzuo, and he knew that the good materials were refined by **** as soon as he looked at this Zhenshan Seal. This was definitely made from the legendary Eternal Mountain Heart Iron.

That Eternal Mountain Heart Iron is a Tianzun-level material, and it can definitely be refined to produce a Tianzun-level treasure. Unfortunately, the craftsman is not capable of making a Zhenshan Seal, and the Zhenshan Seal is also refined. It's so average, it's a pity.

[Chapter 4273: Challenge together](#)

But even so, it can be regarded as a half-step Tianzun Supreme Treasure, in the eyes of the Earth Zun, it is definitely a top-level heaven-defying treasure.

Worthy of being the young mountain master of Dayu Shenshan, the treasure he shot was obviously better than the Lei Ya Venerable of Thunder God Sect.

Qin Chen sneered from the bottom of his heart, Wan Jianhe came out, and suddenly a sword light formed in an instant. In an instant, countless reincarnation sword energy formed a trapped formation that blocked the rapidly soaring Zhenshan Seal.

His venerable power and soul power are much higher than that of the young mountain master of Dayu Shenshan, but Qin Chen is really helpless at this time. If he is not on the Ji family duel stage, he can activate Wanjianhe at this moment. Kill the other party directly.

Taking a step back, he didn't even need to activate Wan Jianhe, he could easily wipe out the opponent by any means, even a few thunder arcs, chaotic sword aura, no matter how many Dayu Shenshan Shaoshan masters were killed by him.

But Qin Chen couldn't do this. Once he revealed his strength, the Young Palace Master of Star God Palace would not come up.

He must only suppress the Young Mountain Master of Dayu Shenshan, so that the Young Palace Master of Star God Palace will also come up and take action, and all the people of Dayu Shenshan and Star God Palace can be eliminated in order to relieve Qin Chen's anger.

Anyone who dares to make such a big idea must die.

"Kakka..."

Qin Chen's six endless reincarnation sword intent collided with Zhenshan Seal, as if it did not trap Zhenshan Seal, but overflowed.

At the moment when Qin Chen's Six Reincarnation Sword Art blocked his seal of Zhenshan, the Young Master of Dayu Shenshan was indeed a little shocked. When he felt that the power of his earthly respect could not control the seal of Zhenshan, he even panicked. .

Fortunately, the opponent's sword qi came and went quickly, and soon showed a declining trend. The Young Master of the Dayu Shenshan breathed a sigh of relief. Fortunately, the power of the Venerable was a little shallow.

At the moment when Qin Chen was invincible and retreated, the Young Master of the Divine Mountain of Dayu sneered in his heart. With this ability, he dare to let him and the Xing Rui Di Zun of the Star God Palace shoot together? It's hard to think of himself, any one of them can kill him.

Do you think you will be invincible by killing Venerable Lei Ya? it is ridiculous.

"kill!"

The Young Master of the Dayu Divine Mountain shouted angrily. At this time, he poured the power of the venerable into the Zhenshan Seal. The surface of the Zhenshan Seal exudes many mountain patterns, and the surrounding space is irritating.

Qin Chen snorted, and with a pale face, he withdrew dozens of steps before reluctantly stopping.

The young master of the Dayu Shenshan Mountain was even more unreasonable, bringing the Zhenshan Seal that had been fully aroused, and rushing towards Qin Chen with his seal.

The surrounding mountain patterns completely enveloped Qin Chen, and the people under the stands showed shocked expressions. They thought that since Qin Chen could slay Venerable Lei Ya with a single sword, and said such arrogant words, his strength must be extraordinary, and he could not think of it. After facing the young master of Daewoo Shenshan, he immediately fell into a decline.

This arrogant and terrifying strength, Daewoo Shenshan seems to have cultivated an excellent successor over the years.

At this time, the strong men of many forces present showed admiration. At their level, in addition to constantly improving their own strength, there is also an extravagant hope that they can cultivate a younger generation who can truly inherit their mantle.

But it is too difficult.

For any force, the older generation's powerhouses have almost been fixed. Like Tianjiao, many deputy hall masters and Tianzun have lived for countless tens of thousands of years. It is extremely difficult to make progress in cultivation, and I want to find someone who can break through the peak. Tianzun, it is too difficult for people who inherit the work of heaven.

There is a silver lining only if you find it among young people.

The same is true for other forces.

The Young Master of the Daewoo Shenshan Mountain is so young that he has such a cultivation base. Although he is still very immature, he is only a respected earth, but everyone has seen great vitality. It may be thousands of years, tens of thousands of years later, Daewoo Shenshan There may be an extra Tianzun.

At that time, the Young Master of the Dayu Shenshan is still very young to the Tianzun present. In the future, he may not be able to step into the peak of the Heavenly Lord, lead the Daewoo Shenshan and become the next mountain owner of the Daewoo Shenshan.

In the audience, a smile appeared on the corner of Daewoo Shenshan Mountain's mouth.

Qin Chen is still too tender.

Back then, in the human heaven, he was just the pinnacle holy lord. Now, although he has broken through to the venerable, I am afraid that he has broken through in various secret realms and even took many treasures. How can he compare with the Shaoshan lord of the Dayu Mountain?

He couldn't help turning his head to look at Shen Gong Tian Zun, but he saw that there was no panic on Shen Gong Tian Zun's face, still with a calm smile.

Pretend, keep on pretending, see if you can laugh later.

The Lord of Dayu Shenshan gave a cold snort in his heart, his eyes disdainful, showing sarcasm.

"Boom..."

The Zhenshan Seal hit Qin Chen's chest, and Qin Chen was smashed away again by the Zhenshan Seal. The Young Master of the Dayu Divine Mountain flew up with a grinning smile, and came to Qin Chen at the same time with his Zhenshan Seal.

"With your strength, I dared to let go of the words, it was almost death." The young master of Dayu Shenshan knew that his seal of Zhenshan had severely injured Qin Chen, and at the same time he had locked Qin Chen, he sneered and spurred Da Yin. It was madly blasted down at Qin Chen.

At this moment, he suddenly saw Qin Chen roared: "The origin of time."

Hum!

In the void, the power of time flickered.

boom!

The young master of Dayu Shenshan only felt that he was suffocated. The next moment, a terrifying force had already bombarded him and knocked him away.

"what?"

Many people present were taken aback.

The origin of time.

It is the origin of time!

They all showed horror. Although they had all vaguely heard that there was a disciple named Qin Chen in Tianjiao who had the origin of time, but they had never seen it. At this moment, Qin Chen showed the origin of time, but they were shocked and surprised. The color of greed.

This is the origin of time.

"The origin of time?"

The Young Master of the Dayu Shenshan also showed anger and surprise.

The origin of time is a different treasure of the world, which can control the power of time. Under the same level of battle, the person with the origin of time can almost stand in an invincible state.

However, Qin Chen is too weak and small, and can only stop him from urging the origin of time. If he were to obtain the origin of time, how strong would he be?

The young master of Dayu Shenshan suddenly felt excitement in his heart.

"kill!"

He madly killed Qin Chen.

"Rui Er."

At this moment, in the audience, the Star God Palace Master suddenly gave a low cry.

"Qin Chen, didn't you say that we will challenge you together? I would like to see how confident you are to say such things."

The Young Palace Master of Star God Palace, who was originally just watching the battle, couldn't help but madly killed Qin Chen.

This is the origin of time, how could he just watch these treasures be taken by the Young Master of the Dayu Divine Mountain alone.

Chapter 4274 Star God Net

At the moment when Qin Chen showed the origin of time, the Young Palace Master of the Star God Palace, who had been standing by and had never moved, couldn't help but rushed towards Qin Chen on the ring instantly.

Boom!

The Young Master of the Star God Palace raised his hand and it was a vast expanse of starlight. These starlights were like a net of stars in the sky, covering the sky and the sun, covering everything in front of him, and swept towards Qin Chen in front of him.

"This is the Star God's Net in the Star God Palace, and it is also a half-step heavenly treasure."

"The net of the Star God can cover a world, even if Qin Chen can stimulate the origin of time and change the flow of time, as long as it cannot break free of the net of the Star God, it will not help."

The crowd exclaimed.

This Star God Palace is such a big hand.

Everyone has already seen that the Young Palace Master of the Star God Palace was leisurely aside before, obviously unwilling to deal with one of the two great arrogances, after all, tianjiao also has its own pride.

In the eyes of the two young masters of Star God Palace and Dayu Shenshan, dealing with a Qin Chen, it is not necessary for the two of them to attack together, either one can easily obliterate Qin Chen.

However, in the face of interests, no one stayed with Chennai.

The Young Master of the Star God Palace sent a post-attack and directly cast the Star God's Net to Qin Chen, not only enveloping Qin Chen, but also vaguely covering part of the Young Master of Dayu Shenshan. This is clearly to stop the Young Master Dayu Shenshan. The mountain master, and before that, killed Qin Chen to get the origin of time.

The origin of time is the top treasure in the universe, even the strongest of the heavens will be tempted, let alone them.

"Xing Rui Di Zun, what do you mean?"

boom!

Under the net of the star gods, the young mountain master of the Dayu Shenshan was furious, the Zhenshan seal was urged, and the rolling mountain pattern swept away, instantly blasting a part of the sky full of stars, the whole person broke free, his face was blue.

"Haha." The Young Master of the Star God Palace laughed, but didn't care about it. What was the relationship in front of the treasure? Although Daewoo Shenshan and Star God Palace are currently considered as cooperative, they are not one family after all. What's more, even if they are one family, the same clan still competes for treasures.

"Brother Yueshan, this Qin Chen clamored before and wanted one person to fight against me and the other two. This young palace lord is also afraid that this kid will be solved by Brother Yueshan three times and five divided by two. This person is so arrogant, this young palace lord naturally also I want him to know that this world is so big that he is not the only genius."

As he said in his mouth, the movements in the hands of the Young Palace Master of the Star God Palace kept on, crashing, and the sky full of stars continued to condense, quickly enveloping Qin Chen, this was to instantly trap Qin Chen and take everything from him.

"In that case, Brother Xing Rui, I'll wait for the two to try to see who suppresses this presumptuous boy first."

The young master of Daewoo Shenshan sneered in his heart. Why didn't he know the purpose of the young master of the Star God Palace, so he was too lazy to talk nonsense, and directly urged Zhenshan Seal, booming, suddenly, the mountain stamps rolled, a breath of heaven from the main body of the Daewoo Shenshan Shaoshan Swept out inside.

In an instant, hundreds of mysterious mountain shadows appeared between the heavens and the earth, each towering into the sky, towering majestic, suppressed.

Boom!

The void shook, and the world shattered. Before the two of them had done anything to Qin Chen, the two half-step Celestial Devices had already collided in the void, and the sky filled with stars and mountain shadows continued to roar, trying to push each other's power out of this sky.

In the audience, countless strong people were stunned.

This.....

Where are the two masters joining forces against Qin Chen now? On the contrary, it was like a duel between Xingshen Palace and Dayu Shenshan. Both of them wanted to repel each other so as to swallow Qin Chen's treasure.

A good martial arts contest to recruit relatives instantly turned into a competition for treasures.

In the distance, Ji Jia Ji Tianyao also had cold eyes and was angry.

Up to now, it is no longer the Ji family's martial arts contest, but it is like a rivalry between the great human forces in the universe.

"Qin Chen? Hmph, blame it, you must find Ru Yue, otherwise you may not die. It's ridiculous, for the sake of a woman, I don't know if it is worth it."

Seeing that the two great Tianjiao were targeting Qin Chen at the same time, Ji Tianyao sneered in his heart. As long as Qin Chen died, he didn't believe that the young master of the Star God Palace and the young master of the Dayu Shenshan must have Ji Ruyue, and there will be more people at that time. Turn around.

Boom boom boom!

At this moment, between the heaven and the earth, there was a roar, and the two powerhouses were fighting, thinking about beheading Qin Chen and taking the treasure.

"I said, two, you seem to have forgotten the deity, right?"

At this time, Qin Chen, who was enveloped by the two and a half-step Tianzun Supreme Treasure, suddenly let out a sneer.

"Ok?"

The Young Master of the Star God Palace and the Young Master of the Dayu Shenshan looked over. This kid, at this time, is not obediently waiting for death, and he is still in the mood to laugh.

"Haha, boy, if you want to die, I will fulfill you when I wait."

The Young Master of the Star God Palace and the Young Master of the Dayu Shenshan looked at each other and swung them down together, booming, the Star God's net enveloped Qin Chen, and the shadow of the sky full of mountains was also heavily suppressed.

At these moments, even if Qin Chen displayed the origin of time, he couldn't escape at all, because the surrounding void had been completely sealed off.

"Idiot." A sneer was drawn at the corner of Qin Chen's mouth, and then the two great arrogances heard Qin Chen's cold voice ringing in their minds.

"Do you know how uncomfortable it is for me to fight with you? I can't even use a tenth of his strength. I have to pretend to be evenly matched with one of you, and even pretend to be invincible. I'm exhausted, two idiots..."

The Young Master of the Dayu Shenshan and the Young Master of the Star God Palace were both startled.

what?

Before they heard this, they saw Qin Chen sneered at the corner of his mouth, his eyes were cold, and he suddenly raised the golden sword in his hand.

"Wan Jianhe, Kai!"

boom!

At that moment, that golden little sword suddenly burst out with sword light that reached the sky. The little sword that had only turned into a golden sword light before suddenly turned into a thousand, tens of thousands, and billions of swords.

Wow!

The monstrous sword light gathered, instantly turned into a golden river, the river gathered, like a galaxy, sweeping towards the young master of the Star Palace and the young master of the Dayu Shenshan.

"not good!"

"This is... the breath of heaven."

"It's a treasure of heaven."

"The golden little sword in Qin Chen's hand turned out to be a heavenly treasure, heaven, what kind of heavenly treasure is this?"

At this moment, everyone changes color.

Below, the powerhouses of the various human race forces all stood up with shocked faces.

I saw that at this moment, above the empty space of the main hall, the billowing Heavenly Sovereign aura surged, and at the same time, in that Qin Chen's body, an Earthly Sovereign-level aura also spread quickly. The aura rose more than several times in an instant.

Chapter 4275 is Tianzun crazy

"dead!"

The golden sword river surged, reaching the power of half a step Tianzun, even close to the Tianzun level. The mighty golden sword river swept across, with a bang, first directly blasted the starlight, and then, a golden sword like a surging river. The river directly smashed the shadows and patterns of the mountains, and immediately wrapped them towards the two great arrogances.

"No, Rui Er, go back!"

"Yueshan, withdraw!"

Below, the Star God Palace Lord and Dayu Shenshan changed their colors in amazement, and stood up one after another, with shocked faces and shouts.

Because the aura that Qin Chen is erupting now has surpassed the two great arrogances, and has even reached the half-step Tianzun, even close to the Tianzun level.

This blow was strong and terrifying.

Seeing this, the Young Master of the Star Palace and the Young Master of the Dayu Shenshan wanted to retreat.

However, before they had time to retreat and leave, Qin Chen's body was filled with a breath of time.

"The origin of time!"

Hum!

Between the heaven and the earth, the flow of time was suffocated in an instant, and the figures of the two great heavenly arrogances stopped in the void for a moment.

In a flash.

too short.

Just a blink.

But for masters to fight against each other, a moment is too long, enough for a strong to perform a lore, and turn the game around.

boom!

The endless golden river of swords, like the ocean, engulfed the young master of the Star God Palace and the mountain master of Dayu Shenshan in an instant when the two great arrogances were dull.

"Do not!"

The two great heavenly arrogances only felt the power of the venerable body disintegrate in bursts, countless sword auras like ants gnawing away, madly penetrating their bodies, sweeping Wuji in their bodies.

"stop!"

The Master of the Star God Palace and the Master of the Dayu Mountain, the two of them all changed their colors, rumbling, and the sky and the earth shook. When the two of them shook their bodies, they had to make a strong move.

Ji Tianyao's complexion changed, and he immediately urged the ancient Ji family formation to prevent the intervention of the two strong men, for fear that the two strong men's shots would damage the Ji family, but he did not dare to do things to death, so when he shot , There was a slight pause.

This pause was enough for the Star God Palace Master and Dayu Mountain Master to take action to save the two young masters, and even if the two powerful masters moved their fingers, there was hope to kill Qin Chen.

However,? Not waiting for the Star God Palace Master and Dayu Mountain Master to make a move.

"Hahaha, martial arts competition, fair duel, young people and no deception, two people, too much, right?"

Suddenly, a rumble of laughter resounded through the world. It was the God of God who had moved.

Wow!

He stood up majestically, his aura surging, facing the top powerhouses of the two human races, strongly blocking.

"Shen Gong Tianzun, get out of me."

The Lord of the Star God Palace and the Lord of Dayu Mountain were furious, with violent auras, in one body, the stars were shining, and in the other, the mountains swept across.

boom!

The two of them shot together, roaring and shouting, the power of the violent peak Heavenly Sovereign swept across, and the terrifying aura surged towards the Divine Worker Heavenly Sovereign, and many powerful men from the surrounding major forces changed their colors and retreated one after another, showing shock.

At this moment, the Star God Palace Lord and Dayu Mountain Lord no longer care about any rules and irregularities.

On this stage, one is his great-grandson, and the other is the successor of Dayu Shenshan. No matter what, these two people can't die here.

"Hahaha, Star God Palace Lord, Dayu Mountain Lord, you two are also the top powers of the human race anyway, how can you say nothing?"

Faced with the attack of the two great peaks, Tianzun Shen Gong laughed, and instead of retreating, he stepped forward.

"Is this divine worker Tianzun crazy?"

Everyone changed color when they saw it.

Heavenly Work, Star God Palace, and Dayu Shenshan are all the top heavenly powers of the human race, and the three powers of God Worker Tianzun, Star God Palace Lord, and Dayu Mountain Lord are all in the eyes of other forces. between.

The reason why Tiangong's status is above the Star God Palace and Dayu Shenshan is not because Shengong Tianzun is stronger than the other two, but because Shengong Tianzun is a top-level Tianzun-level refiner.

The many treasures of the Human Alliance require heavenly work to refine.

But in terms of strength, in the eyes of everyone, these three should be among the first.

Now, the Star God Palace Master and Dayu Mountain Master are in anger, Shen Gong Tianzun dares to intercept them, isn't this a court death?

If the two pinnacles of Tianzun join forces, the God-worked Tianzun will definitely fall into a disadvantage.

"Shen Gong Tianzun, you are looking for death..."

Sure enough, Godgong Tianzun shot, the Star God Palace Master and Dayu Mountain Lord were furious, and their faces were grim. Now, their geniuses are at a critical juncture of life and death. How the two of them are willing to entangle with Shengong Tianzun, so all of them are displayed in an instant. His top-level Heavenly Sovereign Treasure blasted outrageously against Shen Gong Tianzun.

Their purpose is to blast off the gods and goddess of heaven for the first time, save the arrogance of their subordinates, turn their heads, and then compete with gods of the gods.

"Hahaha, little bugs."

Unexpectedly, Shen Gong Tianzun was not afraid. In his body, the aura of the peak Tianzun soared into the sky, instantly turning into a six-armed Tianzun.

Boom!

The mountain collapsed, and the entire Ji family ancient land trembled and roared violently, almost exploding because of this. Fortunately, at a critical moment, Ji Tianyao urged the ancient Chaos Formation, which stabilized the void.

With a loud bang, the mountains and rivers collapsed, and everyone was full of eyes wide open, watching the two peaks of the Star God Palace Master and the Dayu Mountain Master being blasted out, and humming together, the breath floated.

The God-worked Tianzun stands proudly in the sky, like a god, with a faint mocking smile on his mouth.

This scene stunned everyone.

Star God Palace and Dayu Shenshan two great peak Tianzun powerhouses joined forces, but they failed to win Shen Gong Tian Zun, but were blocked by Shen Gong Tian Zun and repelled.

"Rui Er!"

"Yueshan!"

The Star God Palace Master and Dayu Mountain Master were blocked by Shen Gong Tianzun and repelled them. Regardless of the anger, they looked at the top of the ring and roared, "Qin Chen, stop me!"

However, it was too late.

boom!

On the ring, Qin Chen sneered at the corner of his mouth, and Wan Jianhe turned into a monstrous golden sword river, rolling out, wrapping up the two great arrogances, and annihilated instantly.

"Do not!"

Before the death of the two great arrogances, they uttered a stern roar, and their eyes revealed incredible colors.

Until they were dying, they couldn't believe that they would die here, and it was the two of them who died in Qin Chen's hands. Why was the kid who worked this day so perverted.

Puff!

The sword river surging, passing through the sky, the two great arrogances of the Star God Palace and Dayu Shenshan were instantly annihilated, and even their souls collapsed and turned into powder.

Qin Chen unhurriedly put away the Zhenshan Seal of the Young Master of the Dayu Shenshan and the Star God Net of the Young Master of the Star God Palace. At the same time, he put away the storage space for both of them, and then put away Wan Jianhe. Lightly landed on the open space in the center of the hall.

[Chapter 4276: Can you kind of](#)

Above the open space of the hall.

Qin Chen was calm.

He patted his robe lightly, and shook the dust again, as if he had done a trivial thing, and then he faced the chaos and shocked the powerful powers and said indifferently: "I don't know the following Anyone who wants to challenge this deputy hall master can come up for a battle. This deputy hall master is waiting for the big ride and will never give in."

silence!

There was silence!

Everyone was silent.

This kid is crazy.

That is the Young Master of the Star God Palace and the Young Master of the Dayu God Mountain. Any death of one person will cause the Star God Palace and the Dayu God Mountain to shake, causing a huge wave among the human forces.

But now, when Qin Chen killed these two people, he was like killing two trivial ants, and he continued to invite other forces present to fight...

This.....

furious!

For tens of thousands of years, Human Race has never seen such a wild character.

What made everyone even more frightened was that after the previous battle, everyone had already seen that Qin Chen had actually had enough strength to defeat the Young Master of the Dayu Shenshan Mountain, but he did not do that, but Deliberately pretending to be lost.

Even actively exposed the origin of time.

After the Young Palace Master of the Star God Palace also took action, he revealed the secret of possessing the Heavenly Sovereign Treasures, revealed the Earthly Sovereign level cultivation base, and beheaded the two great arrogances in one fell swoop.

This is obviously a pit dug, deliberately letting Star God Palace and Dayu Shenshan jump inside.

It's no wonder that at the beginning, this son let the Young Master of the Star God Palace and the Young Master of the Dayu Shenshan take action together. It was not arrogant at all, but came prepared,

because his purpose was to catch it all in one go, so that the two powers could taste it. The pain of losing a child.

Spicy.

Cruel!

At this moment, everyone's opinion of Qin Chen has changed drastically. This person is not only mad, but also cruel, unscrupulous, and doing his best to deal with the enemy.

For a moment, everyone couldn't help but tremble, and even the strong Tianzun who was present was chilled, even a little frightened.

This son must not be offended, unless he can kill him with a single blow, otherwise, once offended, this son must be like a tarsal maggot, staring at him unendingly.

"hateful!"

boom!

Above the stands, the Star God Palace Lord and Dayu Mountain Lord looked frightened, their eyes were blood red, and murderous intent rose.

"Smelly boy, how dare you kill the young masters of my two major forces, ah... you are looking for death!"

The two top heavenly superiors, with murderous aura, wished to slash Qin Chen with a thousand swords.

However, before they could take action, Shen Gong Tianzun sneered, and the six top Tianzun treasures lay in front of him, blooming with a terrifying aura, shaking the world.

"Palace Master Star God, Mountain Master Dayu, competing in martial arts and recruiting relatives, they have no eyes on the sword, and their skills are not as good as people, so they want to break the rules. Are the two going too far?"

Shengong Tianzun took a step forward, and the breath of the six heavenly treasures exploded, shocking the ancient chaos array of the ancient Ji family, and almost burst open.

"My divine work is not a person who is afraid of things. If your two major forces are in the arena and kill my God-worked disciples openly and honestly, my divine work will definitely not say a word. However, if you want to deceive others, stop blaming my divine work. Tianzun will not give face, and you will never die with your Star God Palace and Dayu Shenshan."

"You two, you can let go of a battle. Looking at today, it is my divine work death, or the death of your two great forces."

Shen Gong Tianzun is proud and domineering and invincible.

"No, everyone, if you have something to discuss."

"The three are all leaders of our human race's top heavenly powers, and they are also my human race's top powerhouses. Now that the demons are on the side, why should they kill each other."

"Never, three of you, calm down, don't do things that your loved ones hate their enemies quickly."

Suddenly, other top Heavenly Venerable forces such as the Void God Temple and Kunpeng Valley changed their colors and stepped forward to discourage them.

Ji Tianyao also had an ugly face. He stepped forward and hurriedly said: "Everyone, today is the big day of my Ji family's martial arts competition. It is not what I wanted to happen. I would like to invite the three of you to calm down. Good to discuss."

boom!

On Ji Tianyao, the aura of the rolling pinnacle Heavenly Sovereign surging, combined with the ancient chaos formation of the Ji family, instantly suppressed.

At this moment, his heart is extremely depressed, even going crazy.

This time the martial arts contest recruited relatives, how long has it been since the three great heavenly powers have already died? As the host of his Ji family, he has not caught anything, but has already caused a commotion.

If he had known this long ago, he wouldn't be able to engage in martial arts competition if he was killed.

But the matter has reached this point, he has no retreat.

Today, if his Ji family can't form a marriage with a certain human race's top power, they will inevitably be criticized.

Moreover, he must not allow the three zenith powers of Star God Palace, Dayu Shenshan, and Tiangong to conflict. If something happens to these three zeniths, his Ji family will definitely be hated by many leaders of the human race, then his Ji family Under internal and external troubles, there will be no more day to turn over.

So, no matter what, he had to prevent the three major forces from taking action.

At this moment, the field was silent, the terrifying pinnacle Tianzun's breath swept across, the smell of gunpowder was strong, and the battle was on the verge.

The Star God Palace Lord and Dayu Mountain Lord had gloomy eyes. The two looked around and were very angry. They saw that today's battle was impossible. Before, it could be said that they were helpless to save Xing Rui Di Zun. , But now that the battle is over, if they fight again, they will definitely be targeted by Ji family and many other forces.

Instead, the gains outweigh the losses.

At this time, the Star God Palace Master and Dayu Mountain Master were depressed and about to vomit blood, their breath was not good, but they had no choice but to snorted and sat down again.

Ji Tianyao breathed a sigh of relief immediately, and looked at Shengong Tianzun: "The Lord of Shengong Hall, why don't you put away the treasure, have something to say?"

His eyelids jumped wildly, and he was secretly shocked as he watched the six top-level treasures of the heavenly treasures activated by Shen Gong Tianzun.

It was said that Tianzuo was rich, but he did not expect that he was so rich that there were six top Tianzun treasures as soon as they appeared, and even Qin Chen gave one Tianzun treasure.

Tianzun treasures are extremely rare, and each piece is extraordinary. Even the Sect Master of the Heavenly Powers like the Thunder God Sovereign can't ask for a top-level Tianzun treasure, but it is like a Chinese cabbage. , Let people not envy.

Not only was Ji Tianyao envious, but other powerful forces present were even more dazzled and amazed.

Shen Gong Tianzun sneered, and sat down: "As long as the Star God Palace Lord and Dayu Mountain Lord do not violate the rules, I naturally don't bother to care about them."

"you....."

The Master of the Star God Palace and the Master of Dayu Mountain were anxious.

They didn't know that Ji Tianyao and the others tried to block it, but they made Shen Gong Tianzun a little disappointed. He had known that the Star God Palace and Dayu Shenshan had chased and killed Qin Chen. The supreme strength is to irritate the two people, so as to occupy the high point of reason, and to make it easier to deal with them.

But I didn't expect these two people to be so persuaded that they stopped.

As the ancestor of the top celestial power, can he be kind?

[Chapter 4277: No one is on stage](#)

Shen Gong Tianzun glanced at the two of them, and these two urged.

This time the two flinched, and I don't know when they have to wait next time.

Depressed!

Shen Gong Tianzun was depressed, and if he let others know his thoughts, he would be even more speechless.

This old Yinbi still holds such thoughts.

"Okay, Star God Palace Master and Dayu Mountain Master, are there any Young Palace Masters and Shao Shan who are the two major powers competing for martial arts? Just ask them to come up, come a lot, come a pair not many, no matter how many you come. , The deputy head of the palace will be accompanied."

On the empty space of the main hall, Qin Chen smiled proudly: "But before you come, prepare the coffin early. You will also pay attention to this deputy hall master. Try to keep the body of your Young Palace Master, Shao Shan Master, as before. It was blown up, and none of the corpses was remembered, which is not good."

"you....."

The Star God Palace Master and Dayu Mountain Master had already suppressed the anger in their bodies. Unexpectedly, Qin Chen was so challenged, and suddenly became angry again.

The other powerful forces on the side were also stunned.

Madman, this guy is a lunatic.

It doesn't count as killing someone, but it's even more condemning.

Young man, you obviously don't talk about martial arts!

"Boy, you don't want to be rampant, today you kill my Young Master of the Star God Palace, and my Star God Palace will never die with you from now on." The Master of the Star God Palace said coldly.

"Huh, I am the same as Daewoo Sacred Mountain." Daewoo Mountain Master also said coldly.

"You two don't just talk big and don't act. If you want revenge, you can send disciples up so that everyone can look at the faces of your Star God Palace and Dayu Shenshan." Qin Chen sneered.

He glanced at Shen Gong Tian Zun, and he understood the thoughts in Shen Gong Tian Zun's heart. This Lao Yin Bi must be thinking of Yin Ren again.

The Star God Palace Lord and Dayu Mountain Lord banged, and stood up again with anger.

"Vice Hall Master Qin, please say a few more words." Ji Tianyao changed color and hurriedly stepped forward to stop him. At the same time, he said to the Lord of the God Star Palace and the Lord of Dayu, "Two, calm down, don't get angry."

The Master of the Star God Palace said coldly: "Ancestor Ji Tianyao, it's okay to keep me from getting angry, but I have taken away the Star God Net from my Star God Palace before now. Please return it to me."

"And the Zhenshan seal of my Dayu Shenshan, please return it too."

The Star God Palace Master and the Dayu Mountain Master took a step forward together. These two treasures are half-step Tianzun treasures. They are not trivial, and naturally they cannot be easily lost.

"Star God Net and Zhenshan Seal? You mean these two treasures?"

Qin Chen took out the Star God's Net and Zhenshan Seal, and sneered, "Don't give me any of these broken things."

As he said, Qin Chen raised his hand and threw these two things directly to Shengong Tianzun, "Master Shengong Tianzun, these two treasures are not bad materials, but when they melted back, they can be used to refine other treasures. "

"Haha, okay, but before it melts, it's okay to use it to press the feces basin and cushion the table legs. Use waste." Shen Gong Tianzun chuckled lightly, and raised his hand to put the two treasures away. , Did not give the Star God Palace Master the opportunity to plunder them at all.

The reason why Qin Chen gave the treasure to the Star God Palace Master and Dayu Mountain Master was that they wished that the two would do something to Shen Gong Tian Zun, so that he could give Shen Gong Tian Zun a chance.

Sure enough, seeing Shengong Tianzun taking these two treasures, the complexion of the Star God Palace Lord and Dayu Mountain Lord suddenly changed, and he said in a deep voice, "Hall of Shengong, this treasure is for me. Please also Shengong Hall. The Lord returns."

Shen Gong Tianzun was worried about two treasures in his hands, and looked at them with idiotic eyes and said: "After you have seen the strong fight, do the treasures of the fallen party have to be returned to the sect? How did I hear that the things belong to the winning party? Since my daily work is the victorious party, I am naturally qualified to dispose of these two treasures, not to mention, but only two half-step Tianzun treasures, such a **** thing, if it is not a trophy, I don't bother to take it, is it rare?"

"you....."

The Star God Palace Master and Dayu Mountain Master were almost mad with anger, their expressions were as pale as the bottom of the pot, and the murderous intent on their bodies swept out in an instant.

The two were murderous, and even made a decision, even if they tried everything, they still had to give Shen Gong Tian Zun a little bit of color.

boom!

Just without waiting for them to take action, the terrifying ancient formation suddenly rose in the main hall of the Ji Family, and Ji Tianyao stepped forward aggressively.

Beside him, there are also a group of strong Tianzun such as Ji Tianqi.

"You guys don't want to say a few words. Today is the day when my Ji family competes and recruits relatives. I don't want other struggles. If anyone doesn't give me the Ji family's face, my Ji family will never stop."

Ji Tianyao took a deep breath and said with a cold voice.

He was really scared.

The guys who work this day are a bunch of lunatics.

At this moment, Ji Tianyao's scalp was beating wildly, and he was already regretful and annoyed in his heart. If he had known this, it would be such a big noise, and he would not be so easy to decide to dedicate Ji Ruyue to the Xiao family.

If he could marry Tianjiao, with the hot tempers of Qin Chen and Shengong Tianzun, as long as his Ji family got a little bit of encouragement after they got married, he might be able to make Tianjiao and Xiao family match immediately?

This is a good idea.

Ji Tianyao's eyes flashed.

Although Shengong Tianzun is only a strong Tianzun and is by no means an opponent of the Xiao family, the work he represents is extraordinary. Moreover, it is rumored that this Shengong Tianzun has a good relationship with Xiaoyao Zhizun. If he can attract Xiaoyao Zhizun to come forward, he I'm afraid my home is stable in this ancient world.

No matter how rampant the Xiao family is, they dare not completely offend the leader of the dead human race, Xiaoyao Sovereign.

This point can be used.

Ji Tianyao was already thinking about it quickly, his eyes flickered, thinking about how to make Qin Chen and the Xiao family meet.

Previously, he didn't know the status of Ji Ruyue's so-called husband's work in Heaven, but now that he can instantly understand the status of Qin Chen's work in Heaven, far beyond his imagination, there are many articles to do.

At this moment, the court was silent, and was shocked by Qin Chen's previous methods. Wherever there were people on the court dared to go up. Even the Young Palace Master of the Star God Palace and the Young Mountain Master of Dayu Shenshan died here together, their influence Tianjiao's going up, I'm afraid it's going to die.

Seeing no one came up, the Star God Palace Lord and Dayu Mountain Lord retreated under Ji Tianyao's pressure.

Qin Chen turned around and returned to Shen Gong Tianzun.

Ji Tianyao immediately opened his mouth and said: "Since Vice Palace Master Qin has gone down now, there are still talents who want to compete, please come on stage. Let's continue the martial arts contest."

It's just that this time Ji Tianyao has spoken for a long time, and no one has come out. Many forces have been deterred by Qin Chen, and some are reluctant to end.

An Earthly Sovereign Tianjiao, still from the Star God Palace, possessing a half-step Heavenly Sovereign Treasure Tool, was actually beheaded by Qin Chen in an instant, showing how powerful Qin Chen was.

So that after Ji Tianyao spoke, no one moved.

On the side, Ji Xinyi's face was ugly, and his heart was extremely angry.

It's all to blame Qin Chen for making her martial arts contest so good.

Chapter 4278 Ouyang Chen

Just as Ji Tianyao was a little embarrassed, a Tianjiao from the crowd came out. He first saluted Ji Tianyao and the Ji family powerhouse present, and after Ji Xinyi salutes to the many power masters below, he said: "The junior Tongtian city disciple pays. Shui Qing, I have long admired Fairy Ji Xinyi and are willing to accept Fairy Ji Xinyi's choice. If you have the same idea as what is next, please come to the stage to discuss."

What Fu Qingshui said was just as good as his appearance, gentle, without the slightest anger, completely different from the domineering words Qin Chen said before, but it gave people another kind of demeanor.

It's just that although this Qingshui is very graceful and the aura on his body is not weak, he is a strong person, but it is obviously inferior to the young master of Star God Palace and the young master of Dayu Shenshan who were killed by Qin Chen before. A lot.

Don't say it is better than the two of them, even if it is compared to the previous Thunder God Sect's Venerable Lei Ya, it may not be comparable.

With his cultivation base, the beauty he wanted to embrace would be very difficult.

It's just that, when Tongtian City paid Qingshui on stage, Ji Tianyao's embarrassment was relieved a lot in an instant.

On the side, Ji Xinyi saw Fu Qingshui who came on stage. Although paying Qingshui was for her own challenge, she couldn't help but compare Fu Qingshui with Qin Chen and the others before, and suddenly an indescribable anger rose in her heart.

This was obviously her martial arts contest, but because of Qin Chen's troubles, it became a martial arts contest between her and Ji Ruyue. If Qin Chen was a trash.

However, Qin Chen has extraordinary strength. Not only is the deputy head of Heavenly Work, but also powerfully killed Lei Ya Venerable, Xing Rui Di Zun and Yue Shan Di Zun, no matter which one of these people is more than this Fu Qingshui excellent.

It can be said that compared with the geniuses who participated in Ji Ruyue's martial arts contest before, this payment is far worse.

Even no matter which Tianjiao came to the stage behind, it was impossible to be stronger than Qin Chen.

She has always regarded herself very high, never put Ji Ruyue in her eyes, thinking that Ji Ruyue was a Cinderella who rose from the lower realm, but now people's husband is much better than her own, this is simply slap her in the face.

She was sulking in her heart, but she didn't say a word.

Because if paying Qingshui goes down, no one looks at her, then she is undoubtedly more embarrassed.

"Welling Valley Du Xu came to learn, and I hope Brother Fu will show mercy." Fortunately, with Fu Qingshui's early days, another famous martial artist walked out, Du Xu of Wanling Valley, who was also a respected person.

When the two were above the ring, they immediately fought each other.

One of these two is the Tianjiao of Tongtian City, and the other is the Tianjiao of the Valley of Souls. Each is a master of venerables. They are also the best of the younger generation. They are naturally quite eager to face a pinnacle and respectable woman like Ji Xinyi. .

When the two of them shot, they were top supernatural powers from their respective forces.

Tongtian City and Ten Thousand Spiritual Valleys are both Human Race Heavenly Sovereign-level forces, and the disciples cultivated are naturally extraordinary in strength, and they are also extremely gorgeous in fighting, and their aura is amazing.

If there were no Qin Chen and their jade in front, it would definitely attract a lot of people to marvel, but with Qin Chen's jade in front, the battle between these two people is extremely brilliant, but they don't have the indomitable murderous intent and domineering aura. , Completely different from the scene where murderous aura filled the hall before.

Immediately fell into the lower class.

Even if both of them are top disciples of big forces, Qin Chen really has no interest in watching this kind of moderate fighting. He stayed here just to occupy a position, and didn't want anyone to challenge him and take away Juyue.

Whoever comes up will die.

Boom boom boom!

In the hall, the two roared, and the two were not fighting for life and death, so the fight was extremely long. After a long time, Fu Qingshui was only slightly inferior in fighting experience and cultivation level before being smashed by Du Xu from the Valley of Spirits. Going out and being cleared, he is equal to losing this battle.

"Haha, who else came up?"

After defeating Fu Qingshui, Du Xu also gained a lot of confidence, and immediately said Hong Sheng with extraordinary domineering.

"Huh, Brother Du is so strong, I, Xuanyuan sent Zhang Ming to learn the tricks."

Before Du Xu could answer, he had already sacrificed a hammer-shaped magic weapon, and Zhang Ming's aura was completely different from Fu Qingshui's, and it was a killer move.

For a time, the sword energy overflowed, the hammer shadow filled the hall, and the people of the Ji family maintained the operation of the ancient formation, which did not affect the people around.

Du Xu was originally inferior to Zhang Ming, and he fought again. In addition, Zhang Ming made a full shot. Only half an hour later, Du Xu was beaten and vomited blood.

After Du Xu was repelled, another Tianjiao came up immediately.

At this time the atmosphere on the court began to warm up.

After seven or eight battles, the people who came up were all people respecting the martial artist, and because of Qin Chen, many people in the back and forth were also hitting some real fire, and some people even quit with serious injuries.

However, none of them directly killed people as arrogantly as Qin Chen before. At most, they were seriously injured and quit.

Ji Xinyi watched this group of Tianjiao compare each other on stage, and his heart was angry and embarrassed.

In Ji Ruyue's previous scene, Qin Chen, Xing Rui Di Zun, and Yue Shan Di Zun were all powerful Earth Sovereigns anyway, but it was her turn, so far, nearly ten have come up, all of them are Human Sovereign Martial Artists.

The strongest one is nothing but the pinnacle.

This kind of Tianjiao is already very impressive in the Human Race. Even in the Ten Thousand Clan, it is also a top Tianjiao. But in the eyes of Ji Xinyi, the saint of the Ji Family, these guys can't even beat her. If you marry these guys, She was afraid that she would die of depression.

And when she was angry.

Under the ring, a Tianjiao suddenly came onto the stage.

boom!

As soon as it came up, a breath of earthly respect permeated.

"It's Young Master Ouyang Chen of the Void God Temple."

"Unexpectedly, he also broke through to the realm of the earthly respect, really young and promising."

After seeing the people on stage, everyone was amazed.

Unexpectedly, after Qin Chen and the others, another earthly respectable Tianjiao came up.

This kind of Tianjiao, as long as he doesn't go astray and has enough resources to achieve Tianzun in the future, there is great hope, almost a certainty.

Ji Tianyao was also ecstatic.

The Heavenly Venerable City and Ten Thousand Spiritual Valleys that came up before were just ordinary venerable forces. To be honest, his Ji family was not very attractive, and now there is finally a top-level celestial power on stage.

The Void God Temple is the top heavenly power of the human race. In terms of power, it is no weaker than the Star God Palace and the Dayu God Killer.

After seeing this Ouyang Chen came to power, he first hugged the master on stage, and then said: "In the Xiaxu Temple, Ouyang Chen came here specially for Fairy Ji Xinyi, and I also asked friends for advice."

[Chapter 4279: Secretly calculate](#)

Upon seeing this person Zun Tianjiao, his complexion changed slightly. As soon as Ouyang Chen came up, he felt a strong shock. Although he was also a pinnacle, he was a lot worse than Ouyang Chen.

However, since everyone is on the stage nowadays, everyone is a faceless arrogant, and it is naturally impossible for him to retreat directly.

He immediately bowed his hand, "Please also enlighten me."

As soon as his voice fell, Ouyang Chen had already moved, booming, in the hands of Ouyang Chen, a palace was swept out directly, the palace was surging, exuding a vast aura, and a vaguely heavenly aura escaped.

This turned out to be a half-step Tianzun treasure.

boom!

This palace blasted out and hit this pinnacle person in an instant. This person groaned, barely having any resistance, and was blasted out, vomiting blood on the spot.

Ouyang Chen put away the palace and said faintly: "Does my friend still want to take action? Previously, I only used a three-point effort. If I continue to fight, the young master is afraid that I will make a full shot. By then, I won't hurt my friend. All right."

The person's face changed slightly, and he dared not continue to fight, and immediately said, "I admit defeat."

The voice fell, and he returned directly to the lower stand.

Upon seeing this, Ji Xinyi couldn't help but breathe a sigh of relief. Finally, a Tianjiao of the earthly respect level came onto the stage, so she would at least not be too embarrassed.

After Ouyang Chen came to power, several other top heavenly powers also came to power.

Regardless, the Ji family is the top family of the ancient clan, and Ji Xinyi is also the daughter of the head of the Ji family. The pinnacle respects Tianjiao. If they can marry the Ji family, it will be of great benefit to these top forces.

Apart from other things, the Ji family has the blood of the ancient Chaos family, which is the ancient family in the human race, and the children born from the union of the Ji family, if they can inherit the blood of the ancient Chaos family in the future, their achievements will be extraordinary.

For a time, on the ring, it was in full swing.

Qin Chen and Shengong Tianzun were communicating. As long as no one came to challenge him, Qin Chen would be too lazy.

On the other side, the Star God Palace Lord and Dayu Mountain Lord had been communicating secretly.

"Palace Master Star God, should we just forget it?" Daewoo Shenshan Mountain Master said coldly.

"Naturally can't just leave it like that." The Star God Palace Master's eyes were cold: "Rui Er, he can't die in vain, and now it's a contest to recruit relatives. It's the best opportunity to openly deal with that Qin Chen. If you leave Ji's house, then right? Then Qin Chen's hands will surely be furious, and it will trigger an all-out war. I can't explain it when I look back."

"Then what should we do below?" Dayu Mountain Master looked grim, "As long as I can kill that Qin Chen, I can pay any price."

The Star God Palace Lord also had a gloomy expression.

With the strength that Qin Chen demonstrated before, if he wanted to kill Qin Chen, he might not be able to do it easily.

At least it must be a half-step Tianzun.

However, on this trip, they only brought two of them, Xing Rui Di Zun and Yue Shan Di Zun, not to mention the Half-Step Heaven Zun, there was no one more person, which made them angry.

Although Ji's family is not far away from the Star God Palace and Dayu God Mountain, it will be at least a few days before the masters are transferred from the Star God Palace and Dayu God Mountain, even if they are using various treasures.

Although it was not a long time for a few days, at that time, the martial arts contest was over, and they had no reason to challenge Qin Chen.

This matter must be settled before the end of the martial arts contest.

The two discussed secretly, looked at each other, and suddenly looked at the Thunder God Sect of Thunder God Sect.

Kuanglei Tianzun was also depressed and annoyed because of the fall of his subordinate Lei Ya. He was looking at Qin Chen coldly. Suddenly, he felt the gazes of the Star God Palace Lord and Dayu Mountain Lord, and couldn't help but look at it.

I saw the Star God Palace Master and Dayu Mountain Master looking at him, their gazes were shining brightly, as if they were conceiving a strategy.

In the next moment, the Star God Palace Lord and Dayu Mountain Lord had already secretly communicated with him.

When he heard the content of the two people's transmission, Kuang Lei Tianzun suddenly changed his color, was shocked, and said, "This...? Isn't it right?"

"What's wrong?"

The Star God Palace Master and Dayu Mountain Master looked grim: "Kuang Lei Tian Zun, this matter can only be solved by you. Have you forgotten the scene of the fall of Lei Ya? Then Qin Chen, don't leave any hands, Shen Gong Tian Zun There is no obstruction either. It is clear that you are completely ignored by the Thunder God Sect. If you want me, you can't stand it at all."

"Or, are you afraid of Qin Chen, afraid of work that day?"

The two were murderous.

"Hmph, I am crazy, afraid of them?"

Tianzun Kuanglei was angry.

"In that case, after this matter is done, my Star God Palace would like to reward us with a treasure of Heavenly Sovereign." The master of the Star God Palace said.

"I, Dayu Sacred Mountain, are also willing to reward the three Heavenly Sacred Veins, and, from now on, our two families and the Thunder God Sect will forever enter into a cooperative relationship. If we violate this oath, the heaven will be destroyed." Dayu Mountain Master also said coldly.

The Star God Palace Lord and Dayu Mountain Lord looked at Kuanglei Tianzun coldly.

Kuang Lei Tianzun's heart was stunned. He knew that if he refused, he would definitely offend Star God Palace and Dayu Shenshan.

"Okay, then Qin Chen will kill my Venerable Lei Ya of the Thunder God Sect, I promised." Kuang Lei Tianzun's eyes were cold, showing a hideous look.

Anyway, he has been working with Heaven. If he offends Star God Palace and Dayu Shenshan again, his Thunder Sect will be completely over. Now, he is in the same boat with Star God Palace and Dayu Shenshan, and can only advance and retreat together. .

"well."

The Star God Palace Lord and Dayu Mountain Lord both showed hideous colors, looking at Qin Chen with hideous eyes, this Qin Chen would definitely die.

On the stands.

Qin Chen frowned and vaguely felt the fierce killing intent. Turning his head, he saw the eyes of the two Star God Palace Masters.

"Hmph, these two guys are still alive." Qin Chen sneered.

"Hehe, in their hearts, maybe they are thinking about how to calculate you?" Shen Gong Tianzun also chuckled, his eyes flickering: "It depends on what they can think of."

Boom!

Just talking.

On the stage, there was a sudden roar.

Qin Chen raised his head and saw Ouyang Chen of the Void Temple frantically urging half a step into the Heavenly Sovereign Treasure Palace, and flew out an Earthly Sovereign Heavenly Pride in Kunpeng Valley.

Kunpenggu is also the pinnacle of Heavenly Sovereign power, and its disciple is also an Earthly Sovereign, with extraordinary strength, but in the end it was defeated by Ouyang Chen.

By this point, Ouyang Chen had defeated a total of seven or eight powerhouses, among them, there were even two masters of the earth, who have stood firm all the time.

However, he was also out of breath, with a lot of injuries on his body.

Even so, Ouyang Chen's powerful performance has been praised by many people. This son is definitely not weaker than the young master of Star God Palace and the young master of Dayu Shenshan.

As for Qin Chen, he was ruled out by everyone present. This was a wicked evildoer, and the Tianjiao at the scene could not be compared with him.

[Chapter 4280: Enough](#)

At this time, Ji Tianqi smiled and walked onto the stage and said: "Void Temple Ouyang Chen wins, is there anyone who wants to challenge Ouyang Chen for the little girl's Xinyi?"

Ji Tianqi asked several times, and no one came out to answer. Obviously, after seeing Ouyang Chen's strength, the top tianjiao had already dispelled the courage to continue to fight.

The corner of Ouyang Chen's mouth turned up slightly, showing strong self-confidence. He looked at Ji Xinyi with joy in his eyes. Obviously, in his opinion, Ji Xinyi was already his person.

But at this moment.

Boom!

Above the open space, a thunder light suddenly surged, and the next moment, a burly strong man had already arrived on the ring.

When everyone saw this person, they were all shocked.

Because this person who came to power turned out to be the lord of the Thunder God Sect, Kuanglei Tianzun.

"Sect Master Kuanglei, what are you doing?"

Ji Tianqi suddenly changed color and said.

Other powerhouses also changed their expressions, and an unbelievable thought popped up in their hearts. Does this mad Thunder Heavenly Venerable also want to take the stage to compete in martial arts?

by!

This is too old to eat tender grass, right?

It should be noted that Kuanglei Tianzun is an old and famous powerhouse and the lord of the Thunder God Sect. Rumor has it that he was quite famous among the human race as early as a million years ago.

And Ji Xinyi belongs to the younger generation. What is the younger generation? The younger generation is basically close to ten thousand years.

The two are not people of the same era at all, and the gap is too great.

Ouyang Chen was still full of self-confidence. At this moment, seeing Kuanglei Tianzun come on stage, he suddenly changed his color and hurriedly said, "Senior Kuanglei Tianzun, are you too much?"

Indeed, when Kuang Lei Tianzun took the stage, it felt too much.

The Ji family recruits relatives by martial arts. It is to recruit relatives among the younger generation. The general default rule is that the younger generation will challenge and marry, but what does Kuang Lei Tianzun mean when he comes to power?

"Young man, there is nothing for you here, you get out of it."

Kuang Lei Tianzun didn't even look at Ouyang Chen, and said directly, without paying attention to Ouyang Chen at all.

"Sect Master Kuanglei, you are a strong elder, why do you want to enter the ring?" Ji Xinyi couldn't help but blurted out, with an expression of shame and anger.

At the request of her father, she agreed to the family's martial arts contest, but if she were to marry an old guy like Ouyang Chen, she would not be willing to kill her.

That's right, the Thunder God Sect is a power of Heavenly Sovereign, and Kuanglei Heavenly Sovereign is also an expert of Heavenly Sovereign.

Ji Xinyi prides himself on his young age. Although he is only the pinnacle of humanity now, the probability of entering the realm of Tianzun in the future is at least about 50%, not to mention that although Kuanglei Tianzun is strong, he is not a superb figure of Tianzun.

The most important thing is that letting her marry Tianzun Kuanglei is like marrying the grandfather, the elder and others in the family, and it is disgusting.

Hearing Ji Xinyi's trembling voice of dissatisfaction, an inexplicable desire for protection rose in Ouyang Chen's heart. This Ji Xinyi will become his wife in the future. How could he make Ji Xinyi suffer such a grievance.

Boom, blood rushed to the brain, Ouyang Chen directly urged half of the Tianzun's treasure-level palace, stepping forward, vaguely surging with the power of the Tianzun's aura, and descending with murderous aura.

Ouyang Chen said solemnly to Kuang Lei Tianzun: "Lei Shen Sect Master, I respect you as a senior, but I also hope that you can look like a senior, don't do too much."

"Noisy!"

Kuang Lei Tianzun snorted coldly, lifted his hand, and banged. In his hand, a terrible thunder light surging out, instantly turned into a thunder knife, and slammed into the half step that Ouyang Chen urged. Above the palace of the heavenly treasure.

Hearing a bang, Ouyang Chen was directly blasted out of the Tianzun Treasure Palace on the top of his head, and Ouyang Chen also spit out a mouthful of blood on the spot and flew out.

"you....."

Ouyang Chen looked at Kuanglei Tianzun in fright, his face turned pale, and when he saw each other, he kept changing.

He prides himself on being the Heavenly Pride and possesses a half-step Tianzun treasure, thinking that he can fight the Tianzun master, even if he is lost, there is still room for change.

But he never expected that Kuang Lei Tianzun would just throw him out with a casual blow, and was injured on the spot.

Tianzun is really too strong, in front of Kuanglei Tianzun, he, the so-called Tianjiao, has no power to fight back at all.

Offstage.

Other people have also changed colors, especially those young generations of Tianjiao, some of whom are respected and earthly respected, all arrogant and pretentious.

But at this moment, seeing Kuanglei Tianzun casually defeated more than a dozen people in the ring, among them there was even Ouyang Chen, who was among the other top Tianzun forces, who was the heavenly arrogant.

Tianzun, is it really that strong?

Even if they are Tianjiao, even if they are pretentious, but the difference between the respected person and the respected earth and the respected heaven is the difference between the dragon and the ant, the cloud and mud.

"Kuang Lei Tianzun, you are too much."

Boom!

And at the moment when Kuang Lei Tianzun raised his hand and flew Ouyang Chen, a strong man wearing a dark robe with a faint look in his eyes suddenly stood up.

As soon as this person stood up, the heavens and the earth surged with the power of the heavenly sovereign, like a vast ocean, like a tsunami, to engulf the heavens and the earth and cover a void.

It was the Hallmaster of the Void God Temple who brought Ouyang Chen to the ancient world.

Not only him, but on the other side, Ji Tianyao's face also changed slightly, and after a brush, he appeared on the ring.

"Vision Hall Master, Thunder God Sect Master, everyone has something to discuss."

Ji Tianyao raised his hand, and the power of the ancient Chaos Formation filled the two people.

At this moment, Ji Tianyao was completely speechless in her heart, and she was very angry.

This is really enough.

What the **** is this Kuang Lei Tianzun doing? He is the Sect Master of Thunder God, a master of Heaven, why did he come to the ring inexplicably?

Seeing Ji Tianyao's appearance, the Lord of the Void God Hall immediately stabilized his figure and protected Ouyang Chen. The power of the billowing Tianzun surged out to treat Ouyang Chen's injuries, while staring coldly at Kuanglei Tianzun.

If Kuanglei Tianzun didn't give him an explanation for this matter, he wouldn't blame him for not giving the Ji family face.

"Misunderstanding, all this is a misunderstanding." At this moment, the Star God Palace Master suddenly stood up, with a smile on his face, he hugged his fists at the Void God Palace Master and said: "Void God Hall Master, Kuang Lei Tian Zun It's my friend. I know the purpose of his coming to power. Actually, he is not with you.

The young master of Ouyang Chen competed for the girl Ji Xinyi. He admired the demeanor of the fairy Ji Ruyue before he came onto the stage. Master of the Void God Hall, shouldn't your Void God Hall be interesting to Fairy Ruyue? "

Ji Ruyue?

As soon as this remark came out, the audience was in an uproar, and everyone looked over in disbelief.

Is this Kuang Lei Tian Zun actually interested in Ji Jia Ji Ruyue? For a while, everyone felt shocked.
