Chapter 481 Qin Chen vs. Hua Tiandu

The two disappeared.

Over Gunandu, two white lights landed again, covering the two people below.

"Who was selected again?"

The crowd stared wide-eyed and stared.

now.

Only four people are left on the court.

Qin Chen, Mo Li, Leng Wushuang, Hua Tiandu.

Among them, two are Xuanzhou Tianjiao.

The remaining two are the dark horses that have emerged among the five nations.

No matter who is against whom, it is enough to attract everyone's attention.

The only thing that makes the people of the Dawei Dynasty pray is that in this six-in-three duel, there should be no Tianjiao vs. Tianjiao situation, otherwise, their Dawei Dynasty will directly lose a place.

In the nervous eyes of everyone, two figures appeared on the ring.

"What, are they two?"

Seeing the two confrontation on the field, everyone was taken aback.

This...is too coincidental?

On the ring, one of them was Hua Tiandu, while the other was Qin Chen.

"Unexpectedly, my opponent turned out to be you, which really surprised me."

Seeing Qin Chen, Hua Tiandu was stunned for a moment, and then he couldn't help but laugh. The smile was full of coldness, and it was meaningful.

"I didn't expect it either."

Seeing Huatiandu, Qin Chen narrowed his eyes and shot a cold light.

He still remembers the scene where Hua Tiandu injured Zhao Wei before, almost falling to his death.

This hatred is not revenge, so how can he feel at ease.

"You don't want to fight with me, do you?"

Seeing Qin Chen's gaze, Hua Tiandu couldn't help but sneered.

"However, if you want to surrender, I will give you this opportunity. Anyway, the people of the five countries are all untouchables. It is not difficult for you to admit defeat."

At this moment, Hua Tiandu was not worried about Qin Chen's unwillingness to surrender, but that he directly surrendered.

After all, in the last game, Di Tianyi explained the gap between the geniuses of the Five Kingdoms and their talents.

Even a top genius like You Qianxue is not the enemy of Di Tianyi's three moves. How can Qin Chen stop him?

If Qin Chen knew that he was lost and directly surrendered, then he wanted to teach the other party a lesson, wouldn't he just die?

"Don't worry, I won't admit defeat. I'm afraid I am afraid. You will not be able to hold on and want to admit defeat."

Qin Chen sneered, how could he not understand Hua Tiandu's purpose and thoughts.

"What?" As soon as Qin Chen said this, the audience was shocked. Everyone looked at Qin Chen dumbfounded, as if the earthquake was rumbling in their hearts and the river was rushing.

Unbelievable one by one.

Are you kidding me?

What did Qin Chen just say? Afraid that Hua Tiandu can't persist, will he admit defeat?

This is even more ridiculous than the Arabian Nights.

Arrogance, it is too arrogant, you must know that the opponent in front of him is completely different from the opponent before him.

This is one of the three great arrogances of Xuanzhou, the son of the immortal, who dares to say such a thing, isn't he afraid of death?

"I give up? Haha, hahaha!"

Opposite the ring, Hua Tiandu couldn't help laughing, his smile was cold and murderous.

An invisible aura burst out from his body, turning into heavy waves to roll out. His eyes coldly looked at Qin Chen, and an aura of looking at the world spread out, as if he had turned into the king of this world.

"Okay, very good." Hua Tiandu squinted his eyes and sneered: "You are the first person to be so arrogant just in front of me. It seems that the previous victory has made your self-confidence too inflated. Thought to be able to fight me, but I will let you know how ridiculous your confidence is in front of me."

Hua Tiandu stared at Qin Chen coldly, that kind of supremacy was enough to make anyone feel extremely aggrieved.

"You are too much nonsense." Qin Chen's sneer responded to him.

"Very well, in that case, as you wish!"

When the voice fell, Hua Tiandu moved suddenly.

boom!

He stuck out his right hand, like a falling meteor, instantly appeared in front of Qin Chen, grabbing his head toward him.

"Roar!"

The terrifying real power instantly formed a huge real power claw shadow on Qin Chen's head, roaring vigorously, and roaring, Hua Tiandu made a terrifying attack that he had never performed before.

He wanted to capture Qin Chen with one blow, and shatter his brain, even if he didn't kill him, he still wanted to make him a cripple.

In order to achieve this goal, he used all his strength when he shot, and he must not give Qin Chen any time to react.

"Chang!"

Then, just when Hua Tiandu thought he would be able to subdue Qin Chen with one move, a mysterious rust sword suddenly appeared in the void, as if a flash of lightning rushed out of Qin Chen's waist, and at the same time a shock The sword intent was permeated and collided with his move.

Rumble!

Sword energy was vertical and horizontal, claw shadows flew up, and two terrible forces collided. The next moment, there was a fierce roar from the void, and the entire ring seemed to tremble under this blow.

"What, blocked?"

"Then why is Qin Chen's reaction so fast?"

"So strong sword intent."

The crowd was shocked and shocked.

"Ok?"

Hua Tiandu's gaze also condensed, obviously he did not expect that his strong blow would fail.

"Two times, I was able to catch this claw, but the claw just now was just a warm-up, and then my real attack."

Hua Tiandu drank coldly, his breath rising wildly.

"I just moved my muscles and bones a bit, so why bother to say it!"

Qin Chen sneered, his eyes abusive.

The crowd opened their mouths wide, their eyes widened, and they looked at Qin Chen with a \*\*\*\* of a ghost.

Hua Tiandu said that he was warming up and everyone believed that Qin Chen actually said that he had just moved his muscles and bones. What a joke.

"Interesting, I haven't seen anyone as arrogant as you. Do you think you can beat me with your mouth? Ridiculous! Next, I will let you know that Huatiandu is truly terrible."

Hua Tiandu was angry.

Whether in Xuanzhou or in these five countries, he is always on top. No matter who sees him, his eyes are always filled with awe that cannot be erased, but this Qin Chen stayed with him before the start of the ring. Xianzong ridiculed, and there was no awe in his eyes at all, this kind of arrogance made him unable to accept it.

"dead!"

The right palm fist exploded, Hua Tiandu shot again with a palm.

In the void, countless palm shadows emerged, like the ocean, rushing towards Qin Chen.

Ding Ding Ding!

However, these palm shadows had not yet landed on Qin Chen, they had been shattered by countless sword lights and turned into fierce winds.

"What? Come again!"

Hua Tiandu's momentum rose again, rumbling, he stood there, and there was a suffocating aura permeating, which was enough to make ordinary warriors at the peak of the late stage of the Xuan level not dare to make a move and breathe.

It's a pity that in front of Qin Chen, all of them were useless and were instantly cut to pieces.

"Too weak, this is what you call an attack? Xuanzhou Tianjiao, but so!"

On the ring, Qin Chen stood with a sword, his eyes contemptuous.

Chapter 482

what?

Blocked again.

The crowd was shaking and it was simply unacceptable.

Today's performance in the ring is almost a world away from the previous game.

In the last duel, Di Tianyi and You Qianxue, even though You Qianxue showed amazing strength, but under Di Tianyi's strong shot, they defeated the opponent in just three moves.

But now.

The same is the Five Nations players and Xuanzhou Tianjiao.

Hua Tiandu shot so many times, all of them were blocked by Qin Chen.

The most unacceptable.

It was Qin Chen on the ring, standing proudly there, his clothes fluttering, as if he hadn't exerted his full strength yet, shocking everyone.

Why is this Qin Chen so strong?

"you....."

Hua Tiandu was also surprised, Qin Chen's strength far exceeded his expectations.

"Arrogant, take my hand again!"

"Hands moving the universe!"

At this moment, the aura on Hua Tiandu's body skyrocketed, his robes rolled, and a group of terrifying spirits burst out of his eyes, like a \*\*\*\* of war, his eyes widened and he blasted out his palm again at Qin Chen.

Boom!

The void seemed to be shattered by this palm, and a huge palm shadow emerged from the sky. This was the terrifying aura formed after the transformation of True Power, like a sky, rolling down towards Qin Chen Longlong.

"Nine Star God Emperor Jue!"

"Block me!"

Qin Chen's eyes flashed, and under this palm, he also felt the pressure.

However, his expression remained unchanged, the nine-star divine emperor tactics in his body ran wildly, blending into the mysterious rust sword, hum, above the rust sword, a misty sword intent bloomed, and he cut it towards the middle of the palm.

boom!

The endless sword intent aura collided with the domineering palm strength, the bright sword aura and the mighty palm strength madly collided, hitting an impact belt that spread across the ring in the arena.

Two forces competed against each other and collided violently.

"Evenly matched, evenly matched."

"Now it depends on whose attack is better."

"Does this still need to be said? It must be the fairy sect son Hua Tiandu. Qin Chen's cultivation base is too low. How can he block Hua Tiandu at the peak of the late Xuan rank? No matter how talented he is, it is true. The power gap cannot be ignored either."

Seeing this scene, the crowd outside the ancient southern capital shook and discussed.

Those Xuanzhou geniuses who had fought against Qin Chen before, and even extremely disdainful, were all stunned.

Including Li Kunyun, Hua Feiwu and other disciples of Liuxianzong, one by one was dumbfounded, and their hearts trembled.

They couldn't know the strength of Hua Tiandu more clearly than they could compare.

But now, Qin Chen can actually be evenly matched, it can be seen that before, he has not revealed all his strength.

In vain, they were still mocking Qin Chen before, and they couldn't help being ashamed one by one.

In shock.

"what?"

Suddenly, everyone outside Gunandu's eyes widened, and they looked at the ring in Gunandu in amazement, with their expressions as if they were hell.

In the ring, the previous stalemate has changed.

puff!

Above Qin Chen's sword aura, his astonishing power skyrocketed, and the misty sword aura expelled Ling Li's palm, and then slashed along the huge real power palm, cutting the entire real power palm in half.

call out!

The horror sword intent, like a streamer, swept to Huatiandu.

"Break it to me!"

Hua Tiandu's eyes were frightened, and he roared loudly, blasted out with a punch, shattering the sword light.

Pedal!

At the same time, he took a few steps back again and again, his face turned pale, and it was obvious that he had suffered a lot of trauma in his body.

The crowd was dumbfounded, all dumbfounded.

From the beginning of the match to the present, Qin Chen and Hua Tiandu have been going back and forth between you and me. It can be said to be extremely fierce, but there has never been anyone who has regressed.

But now...

Looking at each other, everyone looked at each other.

It turned out that Hua Tiandu was the first to be unable to bear it, and backed away to give way.

"Damn it, how could you..."

On the opposite side, Hua Tiandu was almost crazy, unable to describe the feeling of inner collapse.

He, Xuanzhou Tianjiao.

The top genius of the Dawei Dynasty.

A warrior at the peak of the late Xuan level.

He was repelled by a savage barbarian in a land of five nations, a kid at the peak of the early stage of the Profound Rank.

After spreading out, he is dignified Huatiandu, I am afraid he will become the laughing stock of the entire Dawei Dynasty.

"Impossible, this child's cultivation is at the peak of the early stage of the Profound Level, and he broke through under the light of the heaven not long ago. How can his true power be so strong?"

Hua Tiandu couldn't understand that he came from the top sect of Xuanzhou, Liuxianzong, and his practice was also the famous lower level of Xuanzhou. In terms of true strength, he was actually inferior to a genius from the Five Kingdoms.

This is simply unreasonable.

Not only he couldn't understand it, but other people present couldn't understand it.

You Qianxue, who also came from the Five Kingdoms, had a cultivation base as high as the mid-term peak of the Mysterious Rank, and was defeated by Emperor Tian's one or three moves.

But this Qin Chen, whose cultivation base was not as good as You Qianxue, also came from the Five Kingdoms, actually repelled Hua Tiandu.

This.....

incredible.

Among the crowd, only You Qianxue sneered at the shocked eyes of many powerful men in the Dawei Dynasty.

If they think that Qin Chen's cultivation base is lower than hers, and the combat power must be lower than hers, I am afraid they will be disappointed.

During the initial test in the Demon Ancestral Mountain Range, Qin Chen was only at the level of the earth, but she entered the sky, a big difference, and was played by Qin Chen, not to mention that everyone is now at the profound level.

"This is the so-called splendid arrogance, ha ha, ha ha ha!"

Qin Chen mockingly looked at Hua Tiandu, although he didn't say much, but the contempt in his eyes, and the sound of ridicule, were like a sharp blade, deeply pierced into the hearts of every powerful dynasty.

of course.

The one who felt the most shame was Hua Tiandu.

"Haha, hahaha!"

Facing Qin Chen's contemptuous gaze, Hua Tiandu suddenly laughed, "How long has it been since my debut, since Hua Tiandu debuted, you are the first person who dared to despise me, there was once any warrior who dared to provoke me," They are all dead, and now you are the only one left. You are proud of that, but..."

Hua Tiandu's gaze suddenly became extremely ferocious and fierce. "You are also the first person to make me so embarrassed. You have successfully aroused my anger. Next, I will let you know and dare to mock Hua Tian. Cross, what a miserable end will be, all of this, you asked for it, the humble pariah, is also worthy to provoke me? This is looking for death!"

Hum!

When the voice fell, Hua Tiandu's long hair suddenly floated, his eyes were as bright as stars, and his expression was solemn, and the true power of his whole body climbed sharply again. At the end of the climb, there was a terrible aura spreading out.

boom!

This breath turned into a little brilliance lingering beside him, like a dream, extremely condensed, and when it escaped, it immediately made all the people present to chill.

"This is...Zong-level true power! Has Hua Tiandu already entered the fifth-order Wuzong?!"

Suddenly there was a moment of silence, and the next moment, the entire square was an instant sensation.

#### Chapter 483 Half-step Wuzong

"No, it has not yet reached the realm of Wuzong. This is... half the breath of Wuzong, one step, only one step away, Hua Tiandu can break through the realm of Wuzong."

"Sure enough, Huatiandu has come to this point and started to march towards the realm of Wuzong, and it is only one step away from the strong Wuzong!"

"Hua Tiandu and other three great arrogances were originally martial artists of the late Xuan rank. They had absorbed so much divine light from the heavens before, and it was impossible to just reach the peak of the late Xuan rank. It turned out to have reached this point."

"So, Leng Wushuang and Di Tianyi, are they also half-step Wuzong?"

"Looking at the aura on Hua Tiandu's body, the true power has been extremely restrained and transformed into Wuzong's true power. That is to say, if it is three months long and half a month short, it will definitely be able to enter the realm of Wuzong."

"Hey, the twenty-four-year-old Wu Zong genius, even in my Dawei Dynasty, is against the sky."

The crowd shook, all exclaimed, one by one could no longer calm down.

Especially the few powerhouses who stayed in Xianzong, their bodies were shaking with excitement.

From the breath of Hua Tiandu's body, they could clearly feel that, no more than one or two months at most, Hua Tiandu could truly enter the realm of Wuzong.

The twenty-four-year-old fifth-order Wuzong, even in the history of Liuxianzong, was extremely stunning and the most outstanding in a century.

What made the elder Liuxianzong even more excited was that once he entered the fifth-order Wuzong, Hua Tiandu could even stand on the stage of the Dawei dynasty and compete with many of the top geniuses of the Dawei dynasty and become the outstanding talent in the Dawei dynasty. , Attracted the attention of the royal family.

"Haha, Elder Hao Zhen, congratulations, congratulations."

"Congratulations to Liuxianzong, for having such an amazing genius, brilliant and infinite, just around the corner."

The many powerful Xuanzhou forces on the side obviously understood this, and they all congratulated Hao Zhen, the leader of the Liuxianzong.

"Haha, you are polite, the geniuses of all the forces, after the experience of the ancient southern capital, will surely emerge as a surprise and surprise everyone."

Elder Hao Zhen smiled all over his face, and his mouth couldn't close from ear to ear.

Regardless of what Hua Tiandu's future gains will be, just by entering half of the martial arts sect, he has already reaped a lot and the benefits are huge.

In the crowd.

On the side of the Dawei Dynasty, many powerful people were talking and laughing, shocked and ecstatic, while the five kingdoms were in a dead silence.

In particular, Wei Tianming, the strongest member of the Liang Kingdom, You Wujin, Ling Tianzong's lord, and Lingwu King Xiao Zhan, all had bitter faces and sighed silently.

They worked so hard for many years, and now they are exploring and advancing towards the fifth-order Wuzong realm. They don't know when they can enter the Wuzong realm.

But this Hua Tiandu, who was only twenty-four years old, had already stood at a height that they had never stood.

This kind of blow is undoubtedly greater than any mockery.

In an instant, Wei Tianming and the others seemed to be much older in an instant.

Why is the gap between this person so huge?

It is like a chasm, insurmountable.

At the same time, they were also comforted by Qin Chen on the court and worried.

On the ring.

Hua Tiandu stood proudly there, his whole body bursting into an astonishing aura, like a \*\*\*\* of war, unmatched.

The dissipated Wuzong breath made everyone change their color and secretly startled.

Even some Wuzong strong men looked terrified.

"My God, is this really just a half-step Wuzong realm? Why is the aura on Hua Tiandu so terrifying?"

"Yeah, it's too strong, it's not weaker than some of the strong people who have just entered Wuzong, the world's arrogant, worthy of the world's arrogant."

"Hua Tiandu deserves to be one of the most terrifying geniuses in Xuanzhou in the past 100 years. In just half a step of Wuzong, his aura has surpassed that of ordinary Wuzong. According to legend, he defeated the early stage of the fifth stage in the late stage of Xuanzhou. Wu Zong powerhouse, if he truly enters the realm of Wu Zong, is it worth it?"

"Ordinary Wuzong? Haha, you think too much. With the talents of the three great arrogances, once you enter the realm of Wuzong, let alone the Wuzong in the early stage of the fifth stage, even the Wuzong at the peak of the early stage of the fifth stage is not necessarily the enemy of their tricks. I am afraid it can be crushed and killed directly."

"Then Qin Chen is too ridiculous. Just now, he was so proud that he thought he could compete with my Xuanzhou Tianjiao. That was because Hua Tiandu hadn't gotten serious and was hiding his strength. Now, he is officially taking half of the Wuzong cultivation To show off, who can resist? Not to mention one Qin Chen or ten Qin Chen, I am afraid that none of them are Hua Tiandu's opponents."

"No more suspense."

The crowd sneered and looked at Qin Chen mockingly.

Before Qin Chen repelled Hua Tiandu, not only did Hua Tiandu feel anger, but also made them, the Xuanzhou powerhouses, faceless.

Now, naturally everyone is excited again and again.

"Qin Chen, do you think you can fight against Ben Zongzi with your previous strength? In front of Ben Zongzi, you are simply an ant."

After releasing the shocking half-step Wuzong realm, Hua Tiandu sneered, and did not give Qin Chen a chance to surrender. His figure shook, he came to Qin Chen in an instant, and slapped his palm.

Boom!

The palm of the wind is like a dragon, soaring for nine days, the moment the ring is full of violent vigor, Hua Tiandu shoots out with a palm, the mountains and rivers burst, all are the palm power and phantom that covers everything.

The endless strong wind hit, Qin Chen felt out of breath.

"So strong."

Qin Chen also fixed his eyes.

After breaking through half a step of Wuzong, Hua Tiandu's aura of true power has at least increased several times, which is far different from before.

"Retreat!"

Qin Chen avoided the sharp edge for a while, his figure exploded in an instant, pulling out a misty afterimage.

"Want to run, can you run away?"

Hua Tiandu sneered, his robes trembling, and the afterimage in front of him was shattered as the wind swept through the palms, and chaotic waves of real power dissipated in the air, chasing him.

"Back again!"

Qin Chen's indifferent voice sounded, and his figure retreated again, pulling out a long afterimage.

"It's useless, Xian Hongzhang, give me suppression!"

A terrible palm power radiated from Hua Tiandu, combined with a half-step Wuzong breath, instantly surged, and in an instant, the speed surged, and he came to Qin Chen fiercely, falling down, unavoidable.

"If you can't hide, then don't hide!"

Qin Chen sneered, the mysterious rust sword misty, forming a sky and earth net of sword light in front of him, instantly covering the power of the palm.

"broken!"

Boom!

Hua Tiandu sneered with his power galloping, Qin Chen was too naive, could it be that his sword intent could block his attack?

Puff!

Under all eyes.

The sky and the earth net formed by the sky full of sword shadows was shattered by a blast, and the terrifying palm power rushed forward, blasting Qin Chen fiercely, and blasting him out.

"Qin Chen!"

"Less dust!"

The crowd exclaimed that the Great Qi Kingdom was located, and everyone was shocked.

With the cruel palm of Hua Tiandu's previous treatment of Zhao Wei, if Qin Chen loses, how will he end well.

One by one was frightened and looked at them in a hurry.

## Chapter 484

In the Dawei Dynasty, everyone was smiling, watching Qin Chen flying out like a cannonball, with cruel smiles in his eyes.

This Qin Chen was arrogant before, and now he should know the consequences.

One by one looked at it with a smile.

Immediately, all expressions were dull.

boom!

On the arena, Qin Chen was heavily bombarded, but his body quickly flipped in the air, then kept his balance and landed heavily.

Boom!

There was even a slight tremor on the ground.

"This is your attack? It's not too bad!"

Shaking the clothes on his body, Qin Chen looked disapproving, and everyone was dumbfounded.

"How could it be possible that the palm of Hua Tiandu just now, the real power galloping, generally Wuzong in the early stage of the fifth stage would be seriously injured, why this Qin Chen, nothing?"

"Am I dazzled?"

"Then why is Qin Chen's defense so terrible?"

The crowd was dull and completely stunned, and each one was almost stunned.

I can't believe my eyes at all.

"how come?"

Hua Tiandu also shrank his pupils.

Although he hadn't exerted his full strength with his previous palm, it was because he was afraid of using too much power, he beat Qin Chen to death, broke the rules and was punished.

But no one expected that Qin Chen would be unscathed.

"I don't believe it, how much can you hold on under my attack."

boom!

Hua Tiandu was furious and attacked frantically. With every palm falling, there was a violent sonic boom from the void, as if the sky broke and the earth broke.

Boom boom boom!

The violent palm power blasted Qin Chen one after another, and Qin Chen was blown out again and again, and even his robes were damaged, but he was still safe.

During the battle, Qin Chen sneered at the corner of his mouth, what could he do if he could hit him? In front of his own defense of the Immortal Eucharist, it was not easy to hurt himself.

"Damn it!"

After being unable to hold Qin Chen several times, Hua Tiandu's eyes were cold, and an invisible breath exploded in his body.

"Huatiandu's strength is still improving."

"This is... the secret technique of the Immortal Sect, the Immortal Body Descent technique, which can stimulate the potential of the body within a short period of time and increase the strength of the warrior by at least double."

"Liuxianzong actually taught Huatiandu the secrets of this town's sect?"

"What's worth all the fuss about, Hua Tiandu is the first genius who has stayed in Xianzong for nearly a hundred years, let alone the secret technique of the district, I am afraid that all kinds of treasures will be given to him."

The Dawei Dynasty crowd sneered.

"The breath of Huatiandu is actually still improving."

Qin Chen frowned.

After the Indestructible Eucharist broke through the triple layer, ordinary Wuzong couldn't hurt himself at all, and Qin Chen was naturally not afraid of the attack on Hua Tiandu.

But just avoiding it is not a solution.

I have to admit that this Hua Tiandu, talent is not weak, after breaking through half a step of Wuzong, it is enough to pose a certain threat to him.

but.

Qin Chen didn't want to expose the spirit attack of the spirit storm, magic imprisoned cage and other spirits.

He knew very well that his opponents were not Hua Tiandu, Di Tianyi and the others, but the many powerful dynasty powerhouses off the court and the cloaked man.

Once let them know that they are armed with the mysterious magic attack, they will definitely be prepared for it, and there will be no sudden effects.

This is his hole card, and it must never be used easily.

"In that case."

Qin Chen raised his head and looked at Hua Tiandu with a sneer in his eyes.

"You can break through, can't I?"

boom!

The Nine Star God Emperor Jue suddenly turned to the extreme in an instant.

An astonishing force suddenly rose from Qin Chen's body.

"Om!"

Between the heaven and the earth, there was an astonishing zhenqi condensing, and then it turned into a pure true power that rushed down from the heaven and the earth, and instantly poured into Qin Chen's body.

The aura of Qin Chen's body that was originally the peak of the Profound Stage's initial stage surged instantly.

Mid-Xuan level.

The mid-level Xuan-level peak.

It didn't stop until it was close to the late stage of the profound level.

This scene stunned everyone to stare out.

"I... what did I see?"

"Then Qin Chen actually broke through at this time?"

"From the peak of the early stage of the profound level, breaking through to the peak of the middle stage of the profound level in one fell swoop, this..."

Everyone was dumbfounded, almost crazy.

What made them unacceptable most was Qin Chen's expression.

At this critical moment of breakthrough, Qin Chen didn't have any excitement or joy, his eyes were indifferent, as if it were taken for granted, there was no hint of surprise at all.

Where do they know.

With the help of Heavenly Dao Divine Light, Qin Chen had broken through the profound level before, and it was not that he was incapable of continuing to break through.

It's just that the energy is used elsewhere.

For Qin Chen, who was once an eighth-order martial emperor, knew all realms well.

A hurdle below him should be a breakthrough in the fifth-order Wuzong.

As for the mid-Xuan-level, mid-Xuan-level peak, or the late-Xuan-level or late-Xuan-level peak, it is not difficult for him, as long as there is enough true power to supplement, it is a matter of course.

Breaking through these small realms is as easy as eating and drinking water for him now.

"You actually broke through?"

The breath of his body climbed to the extreme, Hua Tiandu's body seemed to be enveloped by immortal light, his face changed slightly when he felt Qin Chen's cultivation.

Immediately there was a sneer.

"Do you think that if you break through to the mid-Xuan rank peak, you can block this zongzi's attack? It's useless, let's see how I destroy you!"

"The immortal body is coming-staying immortal!"

The black pupils stared coldly ahead, Hua Tiandu locked Qin Chen and slammed forward with a finger.

"Good job, cut!"

The Nine Star God Emperor Jue worked, combined with the attribute sword intent, Qin Chen held the sword in both hands, slashing it crazily.

Click!

Hua Tiandu, who had used the secret technique of Immortal Body Descending, had more than doubled his strength at this moment. Under one finger, the world was wiped out, and Qin Chen's sword was blasted away, whistling again and again.

Puff!

Qin Chen flew out, shaking in the wind, but Hua Tiandu retreated in the same shape. I don't know when, a sword light flashed across his eyebrows.

Fortunately, he responded in a timely manner and hurriedly backed down, but was still cut off by a few strands of bangs by the sword's edge, and his hair was scattered in the wind.

A cold sweat broke out behind Hua Tiandu's back, his face turned blue.

He didn't expect that after he showed his half-step Wuzong cultivation base and displayed the immortal body, Qin Chen almost hurt him. If he hadn't just dodged in time, he might have already cut his forehead with the sword. My mind is broken.

"How can Qin Chen be so terrible? It's clear that Hua Tiandu's cultivation base is stronger than him. He can persist until now, and he is almost hurting Hua Tiandu."

Everyone outside Gunandu was dumbfounded, breathing in air-conditioning, and suffered a huge shock inside.

Qin Chen's performance completely subverted their imagination.

They couldn't imagine that such a genius came from five remote countries.

Chapter 485

"Boy, you angered me, I don't believe you can stop me."

With a cold sweat, Hua Tiandu yelled frantically, losing the elegance of the beginning, his eyes were fierce and fierce, with resentment, firmly locked in Qin Chen's figure, and attacked wildly.

boom! boom! boom!

The terrifying palm shadows and finger shadows overwhelmed the sky, rumbling and roaring, and violently rolled out, the entire arena was full of energy, and the boundless real power of energy flooded everything on the ring.

Chi Chi Chi Chi!

In the endless attack, Qin Chen was in the shape of electricity, and the corner of his mouth was sneered.

Tier 5 mental power quietly displayed, continuously analyzing the weaknesses in Hua Tiandu's attack, and resisting and counterattack.

Both you come and I are evenly matched.

Everyone was stunned. Hua Tiandu had reached the realm of Wuzong for half a step, and was only one step away from entering Wuzong completely. Moreover, when the secret method of Liuxianzong was displayed, the immortal body came, and it can be said that the combat power has completely surpassed the ordinary Wuzong powerhouse. , Surpassed the limit of Xuan level.

As for Qin Chen, even though he had made breakthroughs before, he was only at the mid-term stage of the Profound Rank, and if he saw a breakthrough in a hurry, his true power could not be particularly strong.

But even in this case, Hua Tiandu couldn't take Qin Chen for a while, which made people feel an incomprehensible sense of dreams.

"Crack!"

A sword light rushed out of the violent fingers and slashed fiercely on the protective cover on the edge of the ring. The kendo mood that destroys everything made many geniuses outside the capital look shocked and couldn't help but want to regress.

Even many fifth-order Wuzongs in Xuanzhou feel frightened.

"Is this really the Xuan-level geniuses fighting? Why do I feel like a Wuzong powerhouse is fighting against each other."

"For many years, we in Xuanzhou have never seen such a wonderful genius decisive battle. Even the battle between the three great arrogances is far from it, right?"

"Is this Qin Chen a monster?"

"They have not yet entered the fifth-order Wuzong, their strength is so terrible, once they really break through Wuzong, will it be worth it?"

Everyone was shocked, and this game has been completely out of their imagination.

Such a terrifying scene is not at all like two young generations fighting each other. Although both of them are still at the Xuan level, they can completely threaten the Wuzong powerhouses of their major forces.

"Qin Chen!"

The geniuses of Hua Feiwu and other major forces in Xuanzhou all stared at Lin Xiao at this time, their eyes widened, shocked in their hearts.

"Damn it, how can this kid be so strong, and Hua Tiandu can fight like this." Lord Leng Shu and Di Tianyi also took a breath.

Shocked at Qin Chen's strength.

This level of strength, no matter what, is enough to compete with their three great arrogances.

"Less dust!"

Zhao Lingshan, Princess Zixun, Wang Qiming and others clenched their fists and looked excited.

"This son's combat experience is too rich, how does he practice?"

In the crowd, the man in the cloak also stared.

He could see that Qin Chen's battle was too old, whether it was the previous breakthrough or the current shot, the battle experience was even above the Huatiandu of the Dawei Dynasty.

But he is a genius from the Five Nations, which is totally unreasonable.

"There must be some secret in this person."

The man in the cloak was secretly shocked, and the murder in his eyes was even more murderous.

Many Wu Zong powerhouses of the other Dawei Dynasty were also shocked.

Even the leading powerhouses of the three top forces stared at Lin Xiao, saying every word: "I have to say that this man is a martial arts wizard."

Even if they didn't want to, they had to admit that Qin Chen's talent and strength far exceeded their expectations, which shocked them.

"Damn it!"

Seeing that he could not defeat Qin Chen unexpectedly, Hua Tiandu finally became completely angry.

"call!"

With a flash of figure, Hua Tiandu retreated to the edge of the ring, his eyes bursting with extremely terrifying killing intent and sharp light.

"Qin Chen, even I have to admit that you are very strong and you are qualified to challenge me. I didn't expect you to push me to this point, but no matter what, today, you are still defeated by me. The end of the game. Don't worry, I will not kill you, I will only make you a waste, and you will never be able to enjoy a glorious life again."

"You forced me to use the last trump card. Originally, this trick was intended to deal with Leng Wushuang and Di Tianyi. Qin Chen, you can see me performing this trick. It's your honor."

boom!

The endless aura on Hua Tiandu's body soared, and the true power in his body seemed to boil for an instant.

"What, Huatiandu still has a hole card?"

The audience present is almost numb, just feel that the ups and downs of this game can no longer be described in words.

"Hahaha, take my move, blood fusion technique!"

Hua Tiandu roared, and the true power on his body boiled frantically. In the violent true power, behind him, there was a huge humanoid shadow rising up, which was extremely hazy, making people unable to distinguish the true face, but exuding An aura that can override everything and destroy the world.

"This is... Hua Tiandu's bloodline phantom, what bloodline is it?"

"It is rumored that Huatiandu is the only immortal bloodline that has been left in Xianzong for hundreds of years. I thought it was just a rumor. Is it true?"

"This breath of blood, at least at the peak of the fourth rank, the stronger the blood, the more difficult it is to improve. How did this guy improve?"

Outside the ancient Nandu, there was a dead silence, and everyone looked at Hua Tiandu in amazement, with horrified eyes.

This is true even for those strong in the Dawei Dynasty.

"Give me defeat!"

In the shocked eyes of everyone, Hua Tiandu turned into a flying dragon and swept towards Qin Chen.

That terrifying aura was enough to make Wu Zong powerhouses change their colors, and each one was terrified and didn't dare to look at it.

"Qin Chen, quickly admit defeat."

Outside Ancient Nandu, Xiao Zhan roared in fright.

Qin Chen's previously demonstrated talent and strength have completely shocked him, and if such a genius falls here, he absolutely does not want to see it.

"Huh? If this child is killed by Hua Tiandu, Qinglian Demon Fire will be exposed."

The cloak man's eyes condensed, and his figure suddenly moved forward a lot, staring at the ring.

"Now it's too late even if you want to admit defeat!"

In the sky, Hua Tiandu had a hideous face and rushed down fiercely. The endless true power and the power of the blood line seemed to be boiling, swallowing everything, and instantly drowning Qin Chen.

"It should be you who gave up!"

In the endless true power, a high-pitched scream sounded.

"Thunderblood, kill me!"

The moment Hua Tiandu shot, Qin Chen finally mobilized the power of blood in his body.

Boom!

The endless thunder light surged, and the amazing thunder power instantly poured into Qin Chen's mysterious rust sword, aimed at the Hua Tiandu in the endless true power, and slashed out with a sharp sword.

Cang!

Endless lightning and true power swallowed everything.

Under everyone's eyes, everyone saw an incredible scene.

In the thunder light, the phantom of the Gundam released by Hua Tiandu was instantly shattered, and at the same time, his whole person, with wide-open eyes, was severely chopped on the chest by a sword, and flew out embarrassed.

Blood splattered in the sky!

Chapter 486

Puff!

The blood was flying, shocking.

Hua Tiandu flew out, blood splashed into the sky, and fell heavily on the ring.

On him, a nearly-foot-long sword mark appeared, scorched black.

On the opposite side, Qin Chen held a mysterious rust sword with an indifferent expression, coldly looking down at Hua Tiandu in the distance.

The audience was stunned. They didn't expect the ending to be like this.

"It turned out that Qin Chen won."

"how is this possible?"

"Why is this?"

Everyone was stunned, dumbfounded, and couldn't believe their eyes.

They had thought about countless possibilities, but never thought that Qin Chen would win.

"No, I am not defeated, I am not defeated yet!"

In the shock of everyone, Hua Tiandu climbed up embarrassedly, his expression was crazy, his head was disheveled, the corners of his mouth were bloody, and his eyes staring at Qin Chen were terrifying. After a roar, his figure suddenly disappeared into the void.

"Xianlin nine days!"

Roar!

A magnificent figure in the void was roaring, its true power was hazy, and it moved in a flash, making it impossible to tell where the true body was. Only the terrifying true power was diffused in the void, destroying everything.

Huatiandu was unwilling.

How could he be defeated here by the dignified Xuanzhou Heavenly Jiao?

"dead!"

At this moment, Hua Tiandu went crazy, the endless real power annihilated everything, giving people a feeling of the end of the world coming.

The true power in his body burned to the extreme, and the whole figure turned into a sharp light, an amazing breath, swallowing everything.

In the endless boiling true power, the sky full of palms containing terrifying power madly attacked Qin Chen below, with astonishing power.

"Xianlin Jiutian, isn't this the taboo secret method of staying in Xianzong?"

"I heard that if you use it once, you need to burn your body's essence and blood and true power, which will cause irreparable damage to your body."

"My god, Hua Tiandu hides too deeply, even Xianlin Jiutian has even started, this is a prestigious taboo technique in my Dawei Dynasty."

"Horrible, terrible."

"Then Qin Chen is going to be dangerous, if it hadn't completely angered Hua Tiandu, he wouldn't have even performed Xianlin Nine Heavens."

People were shocked again. Hua Tiandu's madness once again made the situation on the court turn around again, with many twists and turns.

This kind of ups and downs of excitement made everyone almost crazy, one by one hazy, in the mist.

"No matter how you resist, the ending will be the same. You will lose."

Facing Luo Tiandu's attack, Qin Chen's eyes were cold, and a deeper aura filled the long sword in his hand.

"Xianlin nine days? Then look at my thunderous nine days!"

Crackling!

The endless light of thunder erupted from Qin Chen's body. In an instant, the ring was like a sea of thunder. The dense light of thunder gathered on the long sword in Qin Chen's hand, and then turned into a thunder sword that pierced into the sky. , In that magnificent figure of nothingness.

Boom!

Like a comet hitting the earth.

Click!

Thunder light and phantom exploded, only a violent explosion sounded. The next moment, the boundless and tall phantom collapsed, Hua Tiandu let out a scream, his figure appeared from mid-air, and a two-foot-long line appeared on his chest again. His sword marks, blood gushing like spring water, the whole person fell heavily on the ring.

The robes on his body are no longer intact. Everywhere is scorched black, his hair is scattered, and his eyes also show deep despair.

Lost.

The defeat was a complete mess.

At this moment, Hua Tiandu almost collapsed in his heart and suffered an unprecedented blow.

Outside the ancient southern capital, there was a dead silence.

Everyone watched this scene blankly, not knowing how to express their inner emotions.

at this time--

Boom!

Qin Chen came to Hua Tiandu and stepped on his head.

"Your previous high above, where did you go? Tell me!"

"Your so-called pariah has now defeated you, what else can you say?"

Qin Chen watched Hua Tiandu mockingly, with a slight force on his right foot, stomping his face into shape.

This scene completely stunned everyone.

"Qin Chen, what are you doing?"

"Just let go of Huatiandu."

"you wanna die!"

At this moment, all the warriors who stayed in Xianzong exploded, and one by one was so angry.

They left Xianzong's elder brother, dignified to stay Xianzongzi, but they were trampled on their heads.

This kind of shame is more uncomfortable than killing them.

"What am I doing?"

Qin Chen glanced at the Powerful Staying Immortal Sect outside the ancient southern capital, sneered at the corner of his mouth.

"Don't you see that I am treating Huatiandu disciples in the same way I treated them before!"

"Didn't he think that the people of our five countries are untouchables? I just want him to know that he Huatiandu is actually not as good as a untouchable."

Qin Chen's voice echoed over Gunan City, and everyone looked at this scene with different expressions.

"You... do you know what you are doing? Hugh will bring disaster to the Five Kingdoms."

Hao Zhen, the elder of the Liuxianzong leader, roared, if it hadn't been for the will of Gu Nandu to monitor, I'm afraid he would have long been unable to bear it, and rushed to Qin Chen.

"Bring trouble?"

Qin Chen sneered.

Qin Chen couldn't understand the faces of these people from Xuanzhou. From the moment he injured Li Kunyun and defeated Hua Tiandu, there was no longer any room for change.

At least with this Liuxianzong.

Even if I let Hua Tiandu go, this staying in Xianzong would not let me go easily.

Having suffered such a humiliation, is Huatiandu willing to let it go?

"You are also worthy?"

Qin Chen stared at Hao Zhen coldly and spoke with contempt.

At this moment, the audience was silent.

There was no sound.

Even Di Tianyi and Young Master Leng Shu who had been arrogantly watching Qin Chen were shocked.

All were stunned.

Arrogant, too arrogant.

Although they have been fighting with Di Tian all the year round, and often clashing with each other, if they dare to step on Hua Tiandu's head like this, they dare not.

This is simply leaving Xianzong's face fiercely.

As the top power of Xuanzhou, how terrible the Liuxianzong is, Di Tianyi and the others didn't know that they would go crazy, and the entire Dawei Dynasty would have waves.

At this moment.

Even if they looked down on Qin Chen again, Di Tianyi and the others were all shocked, each of them dumbfounded, their hearts beating wildly.

"you....."

Under Qin Chen's feet, Hua Tiandu couldn't bear this humiliation anymore. With a loud roar and boom, endless power erupted in his body, and Qin Chen shook his right leg in a violent earthquake, trying to fight back again.

But Qin Chen slammed it out.

In addition to a bright red footprint, a big palm print appeared on his face.

"I fight with you."

At this moment, Hua Tiandu couldn't keep calm anymore and rushed frantically.

Bang bang bang!

However, in his heyday, he is not Qin Chen's opponent, how can he pose a threat to Qin Chen now that he is seriously injured? Caught by Qin Chen, he gave a fatal beating.

A face instantly swelled into a pig's head, and he couldn't see the original face again.

Chapter 487

Bang bang bang!

With each shot, Hua Tiandu's face was already swollen.

"Aren't you noble? Where is your nobleness now?"

"Others have clearly conceded, but you still have to be cruel and intend to destroy the other party. Is this your arrogance?"

"In my opinion, you are the ant, an ant who is not as good as garbage."

Qin Chen sneered every time it fell, and his words pierced Hua Tiandu's heart like a sharp knife with a handle.

"This \*\*\*\* Qin Chen!"

"I'm going to kill this kid!"

"If you don't kill this son, I, Hao Zhen, swear not to be a man."

Seeing Hua Tiandu's miserable appearance on the ring, all the strong members of the immortal sect outside the ancient Nandu were almost mad.

But there was nothing he could do. He could only stare at Qin Chen with angry eyes, wishing to smash him into pieces.

At the same time, they are also extremely depressed, why in this case, Gunandu will not send Huatiandu out.

Where do they know.

In order to prevent Gunandu from making any moves, Qin Chen has never made a ruthless move. Although Hua Tiandu seems miserable, apart from the initial two swords, he has not actually suffered much damage.

"get out!"

In the end, after humiliating Huatiandu severely, Qin Chen gave a cold drink and kicked Huatiandu out.

Hua Tiandu was lying on the ground like a dead dog, embarrassed, and his bones shattered, shocking.  
puff!

With a spit of blood, Hua Tiandu finally lost its combat effectiveness completely, shrouded in white light, and teleported out.

And Qin Chen, also shrouded in white light, appeared on the square.

The remaining few people looked at Qin Chen, their gazes completely changed, and their eyes seemed to be looking at a demon.

"Tiandu, are you okay?"

"Big brother."

Many disciples of Liuxianzong gathered one after another, frightened one by one.

At the same time, Hao Zhen took out a pill exuding a strong medicinal fragrance from his hand and quickly fed it into the Huatian Ferry.

"Elder Hao Zhen, senior brother, is he all right."

A disciple asked with fear.

If something went wrong with Hua Tiandu, they would surely be severely punished when they returned to the sect.

"Don't worry, you can't die, and this Gunandu Will has just stated clearly that the top twelve players can be inherited, and with Gunandu Will's strength, Tiandu's injury can definitely be cured."

As Hao Zhen said, he looked at Qin Chen with cold eyes, and said angrily: "But even if Tiandu is safe and sound, this boy will not escape death. If you dare to keep the disciple of Xianzong, you must be prepared to die."

Hao Zhen's eyes were gloomy and full of resentment.

"Qin Chen is too reckless..."

Where the Great Qi Kingdom is located, Lingwu King Xiao Zhan has a bitter face and worry in his eyes.

Qin Chen's treatment of Liu Xianzong's disciples was out of anger, but under the anger of those who left Xianzong, it would be Qin Chen himself who would be dangerous then.

What the \*\*\*\* is this.

"This kid is really bold."

"If you want me to say, this person is simply a lunatic."

"Even the immortal Zongzi dared to beat it so hard, it was lifeless."

Other powerful forces in the Dawei Dynasty were also dumbfounded and frightened.

At such a moment, many people were in a trance, and even a little admired Qin Chen.

There is no doubt that today is his battle for the gods. No matter how the previous test of Gunan's will open the back door for him, no one will have any reaction, but the previous battle has caused everyone to breathe in cold air and shocked. .

In any case, he defeated a Xuanzhou Tianjiao and rose from this barren land.

Since then, many people have known that an extremely terrifying young genius appeared in these five countries, his name is Qin Chen.

This is different from the previous games. Before him, although Qin Chen was very famous, he could not enter the power of the powerful dynasty. He was lucky. He was favored by the ancient southern capital and had some luck. .

Now it was different, he was remembered by all the Xuanzhou powerhouses present, and even stayed in his mind forever.

In the near future, it will even spread to Xuanzhou and even the entire Dawei Dynasty.

It is a miracle to open a grand occasion that has not been seen in a thousand years, to challenge the Geshi Tianjiao and defeat the violence.

In addition.

The Xuanzhou disciples who had previously despised Qin Chen, and had fought with Qin Chen, all broke out in a cold sweat.

Fortunately, although they dismissed the Five Nations before, at least they did not show much hostility, otherwise their fate would definitely be miserable.

Qin Chen even dared to beat Xuanzhou Tianjiao and Hua Tiandu, the son of the immortal sect, so would he care about them?

At this time, many powerful people in Xuanzhou were even sighing that such a genius, if not from the Five Kingdoms, but from the Dawei Dynasty, would definitely be a good candidate for disciple and could boost the popularity of the sect.

But now? This rising dark horse attracted the pity of everyone.

Because from the elders of the major forces to the many young warriors who came to participate in the assessment of the Ancient Southern Capital, everyone knows that Qin Chen's trouble will be big next, how can Liuxianzong swallow this breath?

Defeating the Geshitianjiao and knocking it off the clouds is really cool and brilliant.

However, this kind of glory is not something that ordinary people can bear, and it is very likely to cause annihilation.

Because, Hua Tiandu who was beaten by him was a disciple of the Liuxian Sect, the top sect in Xuanzhou.

In the entire Dawei dynasty, it is not considered unknown.

Such sects are enough to run rampant in Xuanzhou, admired by countless forces, and the forces that have been destroyed by them are countless and countless.

And this little five-nation disciple, who dares to insult their disciple in this way, will probably lead to crazy burdens.

It even brought an unprecedented earthquake to the entire five countries.

He is digging his own grave completely.

Hum!

At this time, two white lights shrouded the ring, and the last remaining Master Leng Shu and Mo Li appeared in the center of the ring at the same time.

Everyone now wakes up, and the game continues.

Six into three, and the last duel.

With the precedent of Qin Chen defeating Hua Tiandu, the geniuses and strong men of the Dawei Dynasty no longer have that kind of arrogance and contempt at this time.

Although they believe that Master Leng Shu will win this round, they still have some worry in their hearts for some reason.

"You are not my opponent."

On the ring.

The black robe young man Mo Li of the Guixian faction glanced at Master Leng Shu and suddenly said indifferently.

As soon as this remark came out, the audience was in an uproar.

All were stunned.

The disciples of these five countries are simply madness.

Before Qin Chen defeated Hua Tiandu, it was already arrogant enough.

Fortunately now, this mysterious young man in black robes faced Master Leng Shu, one of the three great arrogances, and did not even make a move, saying that Master Leng Shu was not his opponent and was too arrogant.

Young Master Leng Shu's face was gloomy, and anger rose in his heart. He narrowed his eyes and sneered, "Your Excellency is a little too confident."

"Since you don't believe it, let's do it."

Too lazy to talk nonsense, Mo Li's indifferent voice sounded. The next moment, his figure suddenly disappeared, like a black hurricane, swept towards Master Leng Shu.

Fast as thunder.

## Chapter 488

Huh!

A black streamer, like a phantom, instantly appeared in front of Master Leng Shu.

"The speed is good, but with this attack, you can't even hurt me, so talk about how to defeat me."

Master Leng Shu squeezed the jade fan in his hand, and he suddenly disappeared, like a flying butterfly, and disappeared on the ring.

The attack of the black robe youth's demon and fierceness naturally fell into the air, blasting and dissipating in the wind.

"Shadowless Body Art!"

"It seems that Young Master Leng Shu was really angry, and he displayed his famous stunt without a shadow as soon as he came up. That kid is going to be unlucky."

"Who he thinks he is, although he has some strength, he dares to provoke Master Leng Shu."

Suddenly there were exclams and cold snorts from outside the ancient Nandu.

"Hmph, you can't find me, your attack is indeed not weak, but if you can't hit me, it is in vain, but I can easily play with you."

The ethereal sound reverberated around the ring, sneered sneered, and countless sharp sharp lights flashed around the ring abruptly, like a violently rolled wind blade, with a harsh whining sound, wrapping towards the magic.

"You look up to yourself."

Mo Li spoke lightly, and suddenly blasted a punch at the void ahead.

Boom!

The black fist soared into the sky, turned into an angry dragon, roared and collapsed, and suddenly a figure appeared in the sky above the emptiness of the ring, and was shocked by the terrifying fist. His eyes were shocked, and he flew back hundreds of meters in an instant. , And then tried to stop the figure.

"How did you find me?"

Master Leng Shu looked frightened.

"How difficult is this, it's just the folding of light, combined with the blinding method of aura convergence, do you really think that you are the Nine Heavens Martial Emperor, able to travel through the void?"

Mo Li sneered, his tone of disdain.

That contemptuous tone made Master Leng Shu's face flushed and he was furious.

"Okay, very good, if your purpose is to offend me, you have done it." Young Master Leng Shu's face was cold and cold.

Anyone who knew him knew that Master Leng Shu was really angry, an astonishing breath rose from his body.

"I hope you can hold on a little longer, don't be defeated by me in a few strokes, that would be too boring." Master Leng Shu waved the jade fan, his face was cold, the real power surged in his body, like a dormant dragon. Contains powerful power.

"I'm afraid I will disappoint you, because I'm thinking of a few ways to defeat you." Mo Li shook his head and spoke indifferently.

As soon as he said this, not only Master Leng Shu changed his color, but everyone present was stunned.

No matter how young Master Leng Shu is the powerhouse of the late Xuan rank peak, one of Xuanzhou's three great arrogances, his strength is unfathomable and one of the absolute powerhouses.

But what the black-robed youth meant was that defeating Young Master Leng Shu was a breeze, leaving everyone stunned and unbelievable.

"Haha!"

As if he had heard the funniest joke, Master Leng Shu laughed coldly, smiled and smiled, his complexion became awe-inspiring, revealing a trace of indescribable murderous intent: "You think you have broken my shadowless body. Surely you can beat me? Too naive, I want to see how you can defeat me with a few tricks."

"Accept the move."

When the voice fell, Master Leng Shu took the initiative to launch an attack.

Wow!

In the anger, he waved the jade fan, the huge real power became a mighty vacuum zone, squeezing the air, and at the edge of the fan, a blast of cyclones exploded, covering the void within ten feet of the magic power. , Mighty and domineering, destroying everything, madly bombarding the magic.

"It's the Liuhe Bahuang fan technique, one of Master Lengshu's famous stunts, let's see how that magical Li hides."

In the crowd, someone whispered.

"Huh, broken!"

Mo Li sneered and blasted a punch directly.

"boom!"

The fierce fist flicked through the void, smashing into the center of the fan wind covering all directions, tearing it apart instantly.

"Come again."

"Bahuang Liuhe fan method-domineering and square!"

"Bahuang Liuhe fan method-covering the four wilds!"

"Eight Desolate and Six Combination Fans-the vast world!"

Master Leng Shu yelled one after another, swiping several blows in succession, and the fierce attack swept across the ring, as if a tornado hurricane was blowing, and the terrible storm was overwhelming everything. For a time, the whole world was full of misty fans. Emerging, every fan shadow is like a big mountain, and the arrogant and domineering artistic conception is overwhelming, endless and desperate.

Boom, boom, boom!

The fan shadows vibrated, collided with each other, and made a huge roar, like the end of the world, the world collapsed.

"It's horrible, Master Leng Shu is really angry when he is moved."

"There are a total of eight rumors of the Bahuang Liuhe fan method. One is more terrifying than the other, and the other is more fierce than the other. In the end, the strength will increase exponentially. If they are brought together, it will cause irreparable consequences."

"That Mo Li was too careless. He dared to be so arrogant in front of Master Leng Shu, and let Master Leng Shu perform these tricks so smoothly. Now he is in danger."

Outside the ancient Nandu, all the disciples were dumbfounded, shocked by the attack performed by Master Leng Shu.

If the vast assault that was as powerful as the heavens came on them, it would only be a fan of dissipating wind, which would completely kill them without any bones.

On the square, Di Tianyi also narrowed his eyes: It seems that Leng Wushuang has not left to practice during this period of time, and he has made rapid progress. It is even more terrifying than the last time he met.

Even some powerful men of the Dawei Dynasty secretly shook their heads, feeling that Moli was too careless and arrogant.

In front of Master Leng Shu, he dared to give him such a chance to make moves.

"Earth Demon Boxing Technique-Demon Power Without Borders!"

In the arena, facing Leng Wushuang's violent attack, Mo Li was always expressionless, punching suddenly when the attack came.

"Roar!"

The sky-shaking roar sounded, and boundless black energy rose up from Moli's body and turned into a tall demon shadow. The demon shadow opened its arms and let out a few earth-shattering roars. The vigor swept through the nine heavens and ten earth, and the majestic body slammed into the sky. Into the violent fan blowing from Master Lengshu.

"It's useless, can't stop me!"

Young Master Leng Shu had a hideous face, screamed loudly, and the true power in his body was madly released. The violent fan recklessly bombarded the towering Demon Shadow's body, slamming it into a tremor, and seemed to collapse at any time and be defeated.

"Is it!"

Mo Li smiled coldly, the black magic energy on his body became more and more intense, and then he punched again.

"Sky Demon Fist Technique-Heaven Demon Outbreak!"

Boom!

The brilliant fist power enveloped the world, and a large amount of black magic energy rushed forward. Combined with the previous magic power, it immediately blocked the terrible fan wind of Master Leng Shu, and even vaguely took the upper hand, blasting the sky fan wind. blow out.

The astonishing power of the fist rushed towards Master Leng Shu.

Chapter 489

"what?"

Master Leng Shu was shocked, his face grew gloomy as he felt the power of his fists.

At this moment, he felt a strong threat, knowing that if this continues, he will inevitably be defeated by Mo Li and lose the qualification to advance to the top three.

"Damn it, do you think this can beat me?"

At the critical moment, Master Leng Shu roared and buzzed, and an astonishing breath rose in his body, and a breath representing Wu Zong's strength filled his body.

"This is a half-step Wuzong Realm!"

"My God, Lord Leng Shu actually reached the half-step Wuzong realm."

"Before, he has been hiding his strength. This is his true strength."

"That's right, since Hua Tiandu, the son of the immortal sect, can break into the half-step Wuzong realm under the divine light of the heavens, the breakthrough of Master Leng Shu is also reasonable."

Outside the ancient southern capital, the crowd shakes and looks at it.

On the arena, Master Leng Shu's martial arts robe agitated, his hair was flying all over the sky, his face was terrifying, and a fan was swung out in the roar.

"Sweep everywhere!"

Hum!

The boundless true power enveloped everything, and instantly blasted above the tall demon shadow blasted by the magic li. Amidst the roar, the huge black magic shadow formed by countless black mists burst. At the same time, the black magic radiated from the magic li's body. It is also constantly trembling, it seems that it may collapse at any time.

"The ants of the Five Kingdoms, no matter how arrogant you are, it is hard to hide your humble status and defeat me."

Young Master Leng Shu has a hideous face, rumbling forward, screaming frantically, his eyes flashing triumphantly.

"You are so happy too early."

Mo Li let out a sneer, and suddenly an aura of skyrocketing violently swept over his body.

"Do you think you are the only one who is a half-step Wuzong?"

In the cold voice.

Hum!

Mo Li's aura climbed crazily, and instantly rose to a half-step Wuzong realm, exuding a chilling aura of fear.

"what?"

"The people of these five countries have also broken through the half-step Wuzong realm."

"How is it possible? Among the five nations, how can anyone rank alongside the three great arrogances."

"What a joke."

The many warriors of the Dawei Dynasty were all stunned.

On the arena, Moli's breath erupted from all over his body, and a mighty aura rose to the sky. Countless black auras instantly condensed, shattered the sky and fan shadows, and instantly came to Master Lengshu.

Young Master Leng Shu looked terrified, obviously he didn't expect that Mo Li would also break through to the Wu Zong realm.

In shock, the endless black mist instantly shattered the body guard Zhenli shield on Young Master Lengshu's body, and continued to make violent explosions.

With blood overflowing from the corners of his mouth, Young Master Leng Shu looked grim, and screamed frantically, "Is this your trump card? Half-step Wuzong, so what? You still won't be my opponent."

"The sky and the earth, blow me up!"

While roaring, Lord Leng Shu finally performed his most powerful move. In his body, an astonishing bloodline power rose up, that was his fourth-rank bloodline.

In an instant, the entire arena seemed to be submerged by a storm, and the black mist that swept the magic power was instantly shattered.

Pop!

With the sound of footsteps, Master Leng Shu approached Moli step by step, and his whole body strength was condensed to the extreme, and he showed the most terrifying trick at Moli. The bright jade fan came to Moli in an instant, the glow of the sun was gorgeous, almost wanting to destroy everything.

"In the end, I won. I was the top three arrogant man, and you, just an ant from the Five Nations, get out of here."

When Master Lengshu made the move, his eyes were cold and his face was hideous. The anger and resentment in his heart finally got vent at this moment.

"Is it?"

Under the gaze of everyone's eyes, Mo Li's complexion remained unchanged, and the corners of his mouth made a disdainful smile.

"Have you seen it, this magical Li is still laughing at this time!"

"Does he think he can block Master Leng Shu's attack?"

The crowd outside Gunandu was stunned and uttered in shock.

On the ring, the corner of Mo Li's mouth outlines a sneer, and an astonishing force of blood also rises in his body.

"Devil blood, defeat me!"

There are countless magical shadows appearing on Moli's body, these magical screams frantically, and finally turned into magical lights, poured into the magical right fist, and finally merged into an astonishing black fist force, and blasted out.

Boom!

In the void, two amazing forces collided. In the unbelievable gazes of everyone, the light that bloomed on the jade fan in Master Lengshu's hand burst instantly, and then countless magical lights invaded forward, bringing the surface of Master Lengshu's body guard was torn apart.

Accompanied by the sound of broken bones, Master Leng Shu flew out heavily, throwing a \*\*\*\* trace in the void.

On the other side, the demon is as steady as Mount Tai, his figure is motionless and domineering.

"It's defeated, Master Leng Shu actually lost?"

"How come....."

"Can anyone tell me why this is happening?"

Outside the ancient southern capital.

Everyone was stunned, looking at the figure of Master Leng Shu lying to the ground in embarrassment, all of them were dumbfounded.

What was even more shocking was that Young Master Leng Shu himself, feeling the pain in his body, barely dared to accept everything in front of him.

Hum!

White light descended, sending Master Leng Shu out, and at the same time sending Mo Li to the side of Di Tianyi and Qin Chen.

Everyone looked at these three figures in disbelief.

Di Tianyi, Qin Chen, Mo Li.

This is the top three of the Gunan Capital Challenge.

This is not what they originally imagined.

"Hua Tiandu and Master Leng Shu both lost."

"The top three turned out to be two boys from the five countries."

"What's the origin of that magic? Among the five countries, why can such a genius appear?"

This blow is really huge.

Although Qin Chen defeated Hua Tiandu, everyone was shocked, but after all, Qin Chen passed the first three rounds of qualifiers.

Although everyone couldn't believe it in their hearts, they still accepted it subconsciously.

But Moli defeated Leng Wushuang...

Simply incomprehensible.

"You humble group of untouchables of the Five Nations, how can you be the opponent of my talented disciples in Xuanzhou Tianheng Academy? Quickly say, did you cheat!"

boom!

Outside the ancient southern capital, at Tianheng Academy where Master Leng Shu was located, a strong leader was furious and coldly looked at the location of the Guixian faction.

On him, the astonishing Wuzong aura permeated, like a big mountain, severely suppressed on the many powerful people of the Guixian faction.

Of course, because of Gunandu's will, he did not make a move, but used his breath to deter.

"Hehe, the untouchables of the five countries? If the five countries are really humble, why do you 'noble' high-class people rush over eagerly and compete for benefits with us 'untouchables' from the five countries?"

Where the Guixian faction is, several black-robed elders were completely unaware of the aura of the strong man in Heng Academy that day, and even one person sneered and stepped forward, staring coldly.

Hum!

His eyes were like electricity, full of cold and cold aura. In an instant, an aura that made everyone's creeps permeated, and the breath of Wu Zong that had suppressed the strong leader of Tianheng Academy was swept away.

what?

This scene immediately stunned all the Wu Zong powerhouses of the mighty dynasty, his eyes condensed, and his heart was shocked.

Chapter 490

Wu Zong, this person is definitely Wu Zong strong.

Moreover, he is still the best in Wuzong, otherwise it would be impossible to sweep away the breath of Wuzong strong in Tianheng Academy.

Rumor has it that the land of the Five Kingdoms is very remote and barren, is there no Wuzong powerhouse at all?

how.....

The crowd shook, their eyes stern.

Although they were extremely reluctant to admit it, all the powerful dynasties were shocked in the previous scene.

The black robe elders who understand the Guixian faction are most likely Wuzong-level powerhouses.

Can not help but look gloomy.

They come from Xuanzhou, and they have always been consciously aloof, and their hearts are unprecedentedly noble, because they know that among the five countries, there is not even a Wuzong strong, and it is rumored that the first strong is Wei Tianming of Liang Kingdom, but only one and a half. Bu Wuzong.

Only then can I have a strong sense of psychological superiority, and extremely disdainful of the strong and disciples of the five countries.

But now, after feeling the breath of the black-robed elders of the Guixian faction, they were all shocked. Who said there is no Wuzong powerhouse in the Five Kingdoms?

This is clearly not only there, but there are many, and each of these people's cultivation bases are extremely not weak, otherwise it is impossible to wait to resist the aura of the strong in Tianheng Academy.

What these powerhouses of the Dawei Dynasty didn't know was that they were shocked. Many powerhouses in the Five Kingdoms, like Wei Tianming and Xiao Zhan, were actually even more shocked.

"Where did Guixian send so many masters?"

There was a deep fear in their hearts, and at the same time, deep doubts appeared.

Looking at each other, the eyes of the top players in the five countries were all staring.

At this moment, they can be sure that the mysterious black robe elders of the Guixian Sect are definitely not from the Five Kingdoms.

Otherwise, the Guixian faction really has such strength, it can unite some forces long ago to unify the entire five kingdoms, how can it be the place where the five kingdoms is first tested, even the young master Nian Wuji will be killed, and even the master Nian Shuo , Was also destroyed by the Great Qi State?

What is the purpose of these men in black pretending to be people of the Five Nations?

If in the past, Wei Tianming, Xiao Zhan and others would definitely come forward and ask each other's origins to figure out the truth.

But at this time, under the pressure of the great power of the Dawei Dynasty, after Wei Tianming and others looked at each other, they could only sigh helplessly.

No matter what the origin of the other party and what purpose they have, they cannot reveal the identity of this group of people now.

Because only a powerful five kingdoms can make the strong men present in the Dawei Dynasty jealous, and will not do anything out of control.

"Ok?"

The strong man who spoke at Heng Academy that day was choked by the black robe elder of the Guixian faction, and his expression sank as he wanted to speak again.

Hum!

Suddenly an astonishing breath filled the sky above Gunan Capital, attracting everyone's attention.

I saw a tall figure in the sky above the Gunan arena, rumbling down.

"Congratulations to the three of you, winning the top three."

"Next, one of the three of you will have a bye, and the other two will compete for a promotion place. The winner will compete with the bye for the final championship."

The black silhouettes, looking down at the three people, their rumbling voices attracted everyone's attention.

Is there a bye?

Everyone was taken aback.

In this way, next, only need to go through two duels to determine the final champion.

Originally, when everyone thought about it, the last three people should each play against the other two, and decide the first place based on the overall results.

It now appears that this is not the case.

For a while, I couldn't help but glance at each other.

This bye is really lucky, but I don't know who it will be. After all, there are two people left, but they have to go through two rounds to win the championship, while the bye only needs to win one game. Won first.

But who would be among the three? The best luck to get such a bye.

Thinking of the word luck, all of a sudden everyone was taken aback.

There was a look of astonishment in his eyes, and he couldn't help muttering: "It's not that kid Qin Chen."

Before the words in my mind fell, I listened to the black figure, and said rumblingly: "The man in the sky, for this Qin Chen, the two of you are left with a stick of incense for rest and understanding. After a stick of incense, Have a duel."

Buzzing!

Three white lights fell at the same time, covering the three of Qin Chen.

Suddenly, the loss of true power and the hidden wounds caused by the previous battle were all cured instantly, without a trace of sequelae.

Everyone looked at Qin Chen who was in a bye, all speechless.

This Gu Nandu will, from the time of the pre-selection assessment, seemed to take care of Qin Chen extremely.

Now, even the person who was in the air, was indeed Qin Chen, making everyone suspicious of the three rounds of the preliminary selection.

You know, even a genius, it is impossible to enter the ninth pass in an assessment of the true meaning of martial arts, which represents the perception of the realm of the emperor, but Qin Chen did it.

It can be seen that it must also be because of the will of the ancient southern capital to release water.

The time for a stick of incense is fleeting.

Huh!

After the two white lights passed, Mo Li and Di Tian appeared in the ring at the same time.

"I didn't expect that in these three finals, the person who played against me would be you!"

Looking at Mo Li, Di Tian smiled bitterly and shook his head.

He didn't expect that Hua Tiandu and Leng Wushuang were not the ones who faced him in the final battle.

"What's the accident?" Mo Li's expression was indifferent and seemed unmoved.

"If this is the case, then this young master is not nonsense, but what I want to tell you is that this young master is not a trash like Leng Wushuang. It can be compared. If you regard me as him, I am afraid you will be disappointed. ."

The expression on Di Tian's face gradually became serious.

This sentence immediately provokes Gu Nandu, who is already extremely depressed. Leng Wushuang, who has just healed from his injury, his face is even greener.

"No matter what, the ending will be the same."

Mo Li sneered.

next moment.

boom!

The two moved at the same time.

"The blood of the devil!"

"World Shaking Emperor Fist-The Emperor is invincible!"

Boom!

As soon as the two came up, they all displayed their full strength.

At this level, the two are extremely vigilant towards each other, and naturally they no longer have any idea of preserving their strength.

At this level of battle, a negligence will have a huge impact. Retaining strength will only allow the opponent to take advantage and lose the opportunity.

Rumble!

In an instant, the entire arena was in a state of chaos, and the whole body of Moli released black mist, and the whole person was like a demon \*\*\*\* who came out of hell, releasing his magic power.

opposite.

Di Tian stands tall, his whole body glows with radiant rays of true power, his figure is towering, like an emperor, king over the world.

The two sides fought against each other, and the boundless roar suddenly resounded, and it seemed that the entire ancient southern capital was trembling under each other's attack.
