

War God 1111

Chapter 1111: We Are Here to Submit Ourselves!

Buzz!

Fei Yu was closer to the Xu Tuo Overlord and was the first to be attacked.

At the moment the giant hand struck, a light suddenly shone from Fei Yu's body.

Boom!

The light collided with the giant hand!

The terrifying shockwave swept in all directions!

With a crackling sound, the light shattered.

It was suddenly pushed back by a force!

"Oh? A talisman from the Seven Tribulations Overlord? Is this what you rely on to be disrespectful to me? Ridiculous!"

The Xu Tuo Overlord sneered coldly and attacked again, this time with a giant hand formed by nine Tribulation Thunder Thoughts!

Seeing this, everyone gasped in shock!

There was actually an unwritten rule among the major Holy Lands of the Divine Continent.

After a protective talisman is shattered, the overlord will not strike at ordinary Tribulation-Crossing Ancestors!

You have to give some face to the talisman's owner.

But obviously, the Xu Tuo Overlord was furious and had no intention of following this rule at all!

Meanwhile, his giant hand of the Five Tribulations Thunder Thought arrived in front of Lin Mu!

A cold glint flashed in Lin Mu's eyes, and the Nine Cauldrons Thirteen Stars Longsword was about to burst out.

At the next moment, a light suddenly came from afar!

Bang!

Like a sharp longsword, it directly split the giant hand apart!

Bang!

That Tribulation Thunder Thought was directly struck away.

Overlord!

All eyes turned.

Only an overlord would have such attack power to knock away another overlord's Tribulation Thunder Thought!

Who is this person?

Why are they protecting Lin Wudi?

Could it be that the intention to win him over has not ceased?

"Who is it?"

The Xu Tuo Overlord couldn't be bothered to continue entangling with Fei Yu, and looked west with an unpleasant expression.

"Cough, cough, cough..."

Before the person even appeared, there was already a violent coughing sound.

A moment later, a phantom slowly appeared before everyone.

This person had a stooped figure and a dim face.

If it weren't for them just striking away the Xu Tuo Overlord's Tribulation Thunder Thought, the Tribulation-Crossing Ancestors around might have mistaken them for someone about to die from illness!

These were symptoms of a shattered Tribulation Thunder Thought and injuries not yet fully recovered!

To the Heavenly Ancestors, this person's condition was not unfamiliar.

However, for someone so severely injured to not find a place to retreat, and instead recklessly get involved in matters between Lin Wudi and the Xu Tuo Overlord, seemed somewhat unwise!

"Are you Zhen Ying? You sickly ghost, how dare you meddle in my affairs!"

The overlords of the Heavenly Realm were all very familiar with each other.

After taking a glance, the Xu Tuo Overlord recognized the person's identity.

Zhen Ying, the current Family Head of the Zhen Family in the Northern Jambu Continent.

He had not appeared on the Heavenly Battlefield for many years since his severe injury eight thousand years ago.

Even the Heavenly Realm Guard had exempted him from guarding the Heavenly Battlefield.

Unexpectedly, he would appear here.

Zhen Ying coughed, panting as he said, "Xu Tuo, we have been old friends. Today, give me some face, and let this matter pass, how about it?"

The Xu Tuo Overlord laughed heartily after hearing this and sneered, "Your Zhen Family, just a small family from the Upper Continent, dares to demand face from my Azure Holy Land? Zhen Ying, I think you're befuddled by your illness!"

The Xu Tuo Overlord looked at Zhen Ying with eyes full of ridicule.

He had seen him once after Zhen Ying got injured.

Compared to eight thousand years ago, Zhen Ying's injuries had not only not recovered but had worsened.

If this went on much longer, he feared the Five Decays of Heaven and Man would not be far away.

This dying waste dares ask for face from him, the Xu Tuo.

Utterly laughable!

Zhen Ying seemed to see through Xu Tuo's arrogance and smiled faintly, "I am indeed not far from the Five Decays of Heaven and Man, but I can guarantee that if someone fights me, before I die, I will seriously injure them! Xu Tuo, do you want to try?"

Zhen Ying's attitude became increasingly composed.

A person unafraid of death fears nothing.

If he fears not even death, what can Xu Tuo use to fight him!

If it came to a fight, Zhen Ying would die, but Xu Tuo's outcome wouldn't be much better!

A single misstep and he might end up like Zhen Ying in his current ghostly state.

The Xu Tuo Overlord's eyes flashed coldly.

He didn't expect this sickly ghost Zhen Ying to dare be so forceful.

"Zhen Ying, do you truly think my Azure Holy Land doesn't dare make a move on your Zhen Family?"

The Azure Holy Land is a top-tier Holy Land of the Southern Spirit Divine Continent, possessing several Eight Tribulation Peak Overlords.

There are dozens of Seven Tribulations Overlords!

The strongest in the Zhen Family is merely Six Tribulations!

Angering the Azure Holy Land, the Zhen Family would utterly be unable to bear the consequences.

"Haha, if I die to atone, Azure Holy Land would surely not hold a grudge against a dead man, would it?"

Zhen Ying's smile became even brighter.

The Xu Tuo Overlord was momentarily at a loss.

Indeed, if the instigator Zhen Ying died in battle, would Azure Holy Land truly continue harping on?

No matter what, the Zhen Family is still aligned with the Heavenly Realm Guard!

But isn't it said that the Heavenly Realm Guard is extremely hostile to Lin Wudi, eager to eliminate him?

Why would the Zhen Family, originating from the Heavenly Realm Guard, be partial to Lin Wudi?

"For a Second Thunder Tribulation junior, would you not hesitate to lose your life? And would the Zhen Family not hesitate to offend my Azure Holy Land?"

Although Xu Tuo Overlord's gaze remained cold, the killing intent in his eyes gradually receded.

He is indeed domineering, but there's no need to contend with a dying man.

If he were dragged down by Zhen Ying, it'd be too unjust.

"Lin Wudi is extremely important to my Zhen Family."

Seeing the Xu Tuo Overlord's change in attitude, Zhen Ying's tone also softened.

The Xu Tuo Overlord sneered, "Zhen Ying, perhaps you don't know, just now, Lin Wudi refused all of the Holy Lands' overtures!"

"Even the Holy Master position promised by Qiantai Holy Land was declined by Lin Wudi. What can your Zhen Family offer!"

Just now, Lin Wudi had clearly said that he would only be the Lord of the Earth Blessed Land in the future!

A genius like Lin Wudi would not slap his own face so quickly!

To the Xu Tuo Overlord, Zhen Ying's effort was all for naught.

Lin Mu watched this scene, also feeling somewhat surprised in his heart.

The people of the Zhen Family were actually willing to protect him with their lives.

They have no kinship or ties, yet they would go to such lengths.

Zhen Ying looked at Lin Mu.

Lin Mu nodded.

"I have no intention of joining any other Holy Land or family."

In light of Zhen Ying's deadly protection, Lin Mu explained.

Though in his view, he does not need the Zhen Family's protection.

The Xu Tuo Overlord looked at Zhen Ying with an amused expression.

Look, this is the one risking their life to protect, yet the person fundamentally doesn't appreciate it.

Zhen Ying remained silent, seemingly hesitating.

He looked back at Lin Wudi, saw the dazzling purple aura on him, and spoke softly.

"My Zhen Family does not aim to win over Lord Lin but for the entire Zhen Family to join the Earth Blessed Land."

A single statement ignited the entire scene.

The Zhen Family is to join the Earth Blessed Land!

Even in decline, the Zhen Family has a Six-Tribulation Overlord and a Five-Tribulation Overlord!

Such a family, even in the Upper Continent like Northern Jambu Continent, is a regional power!

Now, the Zhen Family actually wants to join the Earth Blessed Land, pledging allegiance to the Second Thunder Tribulation Lin Wudi!

The actions of the Zhen Family exceed even the promise of a Holy Master position by Fei Yu!

Five Tribulations, Six Tribulations, two overlords pledging allegiance to a Second Thunder Tribulation!

Such an absurd scene, if not heard with their own ears, no one present would dare believe it.

Even Fei Yu was astonished, his eyes wide, full of disbelief.

He thought he was bold enough and offered generous terms.

He didn't expect there could be someone even bolder!

The few Heavenly Realm Guards were also dumbfounded.

The Zhen Family is, after all, a force that came out of the Heavenly Realm Guard, and the Zhen Family Ancestor was once one of them.

Now, they're going to pledge allegiance to the Heavenly Realm Guard's arch-enemy?

The Zhen Family must have gone mad!

Chapter 1112: Let's Kill Two Five Tribulation Saints for Fun!

Even Lin Mu's gaze turned peculiar.

The Zhen family, pledging allegiance to the Earth Blessed Land?

This truly exceeded his expectations.

"Zhen Ying, you're insane!"

Xu Tuo Overlord let out a long breath, secretly thankful he hadn't acted against Zhen Ying just now.

This guy is a lunatic!

No, the entire Zhen family is mad!

As a top family of the Upper Continent, they actually pledged allegiance to a Second Thunder Tribulation!

No matter how outstanding or exceptionally gifted this Second Thunder Tribulation is, it's still a crazy decision.

In the Heavenly Realm, geniuses who fall midway are countless.

Especially in a dangerous place like the Heavenly Battlefield.

Not a day goes by without a few Proud Sons of Heaven or exiled immortals falling.

Lin Wudi is just a Second Thunder Tribulation, whether he can rise or not entirely depends on luck.

And given how much trouble Lin Wudi is stirring up, he's probably not far from death.

During his First Thunder Tribulation, he already fought fiercely against a Fourth Tribulation Thunder.

Now at the Second Thunder Tribulation, he's immediately facing me, a Five Tribulations Overlord, head-on.

This kid is a disaster magnet!

The actions of the Zhen family, how unwise!

The scene fell silent, no one spoke.

This sudden news stunned everyone.

For a First Thunder Tribulation to counter a Fourth Tribulation Thunder is indeed big news.

But for Five or Six Tribulations to pledge allegiance to a Second Thunder Tribulation, that's unprecedented in the Heavenly Realm.

Even when Daoist Master Yellow Springs rose, there wasn't such a display.

Daoist Master Yellow Springs only attracted major families and Holy Lands after advancing to Overlord.

Lin Wudi is merely at the Second Thunder Tribulation!

Even if they want to help in times of difficulty and bet, it's still somewhat too early!

Zhen Ying, as if oblivious to others' mocking gazes, said calmly, "Today, with me here, no one can harm Lin Wudi!"

"If you want to harm him, you'll have to step over my corpse!"

Xu Tuo Overlord remained silent.

Despite his violent temper, he was no fool!

At this moment, two figures suddenly appeared.

They appeared out of nowhere before everyone.

"Zhen Ying, I think your mind's addled!"

One of them spoke.

The other person's tone was even colder, "Pledging allegiance to a wanted criminal makes you equally guilty! Zhen Ying, you deserve to die!"

"Feng Huiyang, Jing Zixuan!"

Seeing the newcomers, everyone present turned pale.

Two Overlords of the Heavenly Realm Guard have arrived!

The Heavenly Realm Guard was naturally overjoyed.

Fei Yu and others' expressions turned somewhat grim.

No matter Lin Wudi's attitude, it's, after all, an internal affair of their Heavenly Tribulation.

Now with the appearance of the Heavenly Realm Guard, this newly risen genius is likely to fall!

A severely injured Zhen Ying cannot protect him!

Jing Zixuan's face was as still as water, full of cold murderous intent.

He is the Law Enforcement Commanding Officer of the Northern Jambu Continent, under which the Zhen family falls.

Now, the Zhen family is turning their backs on Northern Jambu Continent to pledge allegiance to the Barbarian Continent's Earth Blessed Land.

To the Northern Jambu Continent Heavenly Realm Guard, this is nothing short of a humiliating slap in the face.

As a member of the Enforcement Team, Jing Zixuan's eyes were filled with unabated killing intent.

Zhen Ying's always calm demeanor finally showed a slight change.

"You actually came so fast!"

With one Xu Tuo Overlord, he could still threaten by risking his life.

With two members of the Heavenly Realm Guard, his threats would be ineffective.

He looked at Lin Wudi with a compassionate expression, sighing, "It seems I cannot protect you after all. No matter, today, you and I shall die together here."

Upon hearing this, no one could comprehend Zhen Ying's choice!

If it were just a speculative gamble, by now, they should have switched allegiances and backed out.

To actually want to die with Lin Wudi?

The Zhen family never seemed this foolish before.

Lin Mu, however, somewhat understood the Zhen family's intentions.

The Zhen family was betting, betting on Lin Wudi's destiny.

If Lin Wudi is truly Heaven's favored and a Child of Destiny, then even if Zhen Ying dies in battle today, Lin Wudi will not perish.

With Zhen Ying's death, they'll curry favor with the Child of Destiny, ensuring the Zhen family's future rise.

If they lose the bet and Lin Wudi indeed falls in battle,

then Zhen Ying's half-disabled body is a testament to their acceptance of the loss!

The Zhen family truly has immense courage!

Clang!

The Nine Cauldrons Thirteen Stars Precious Blade emerged.

Lin Mu stood with arms behind his back, calmly saying, "Since the Zhen family has joined my Earth Holy Land, today, you and I will fight side by side, let's play with killing two Five Tribulations Thunder."

Zhen Ying, mad enough!

Lin Wudi, domineering enough!

Facing the Five Tribulations Ancestors of the Heavenly Realm Guard, he showed no fear!

"Hahaha..."

Feng Huiyang laughed loudly, his face full of disdain, "I thought you were someone important, but it turns out you're just an ignorant fool!"

Jing Zixuan also sneered, "Do you really think that relying on a magical treasure to counter a Fourth Tribulation Thunder allows you to challenge an Overlord? Very well, today I'll show you what an Overlord is!"

As he spoke, Jing Zixuan had already made his move!

Five thousand Tribulation Thunder Thoughts formed a peculiar weapon, smashing and suppressing the void.

This weapon, appearing to be a shield yet resembling a token, was completely blood-red, engraved with intricate patterns.

Strands of thunder power coiled around it.

"Enforcement Order! The top-tier Cultivation Technique of the Heavenly Realm Guard Enforcement Team! Gathering five thousand Tribulation Thunder Thoughts, truly formidable!"

Top-tier Fourth Tribulation practitioners like the Twin Ghosts of the Fright Gate and Black List Silent Killer could only condense one to two thousand Tribulation Thunder Thoughts with their techniques.

Jing Zixuan's Cultivation Technique, however, could gather five thousand Tribulation Thunder Thoughts!

This is the difference in legacy.

If Mo Sha and others were at the same level as Jing Zixuan, they would be instantly killed due to the difference in the number of Tribulation Thought Blade Thunder Thoughts!

From the moment Jing Zixuan attacked, he never intended to give Lin Mu a chance to survive!

The terrifying pressure stunned all directions.

Everything within thousands of miles around the Secret Realm was shrouded!

All onlookers felt a terrifying sense of oppression.

An unmatched power that left Fei Yu and others with shattered spirits.

This is the terrifying power of the Heavenly Realm Guard Enforcement Team!

The Enforcement Team is simply a nightmare in the hearts of all Thunder Tribulation Ancestors in the Heavenly Realm!

Simultaneously, Feng Huiyang had also made his move!

A longsword composed of four thousand Tribulation Thunder Thoughts stood erected in the void.

The Punitive Sword of the Heavenly Realm Guard!

Rays of lightning flickered on it, and the sharp sword light seemed capable of piercing through space itself.

The terrifying power left everyone breathless.

As expected of the Heavenly Realm Guard Overlord, his attack exerted immense pressure on everyone present.

Even a rampant figure like Xu Tuo Overlord was wary, avoiding a clash of auras with the two.

Even those hailing from top-tier Holy Lands on the Divine Continent must fear the combined might of the Heavenly Realm Guard and the Enforcement Team.

Amidst everyone's gaze, either shocked, regretful, piteous, or schadenfreude, Lin Mu began to speak.

"Three breaths!"

Zhen Ying was about to unleash all his Tribulation Thunder Thoughts, to shine the last brilliance of his life.

These 8,000 years, he lived too oppressed.

He was once the Zhen family's greatest hope.

Believed to be the successor of the Zhen Family Ancestor.

But because of that ambush 8,000 years ago, he was gravely wounded, unable to heal.

Eight thousand years have passed, and he's not far from the Five Decays of Heaven and Man.

He might even die before the Ancestor.

Heaven knows how much pressure he feels inside.

Today, dying in battle with Lin Wudi is also a relief for him!

Hearing the words "three breaths," he looked at Lin Wudi with puzzled confusion.

Lin Mu said calmly, "You hold off Feng Huiyang for three breaths, I'll kill Jing Zixuan!"

Perhaps out of disdain, he didn't even use a sound transmission for this statement.

Zhen Ying's mouth opened wide, unable to respond.

Chapter 1113: Heaven and Earth Sunder, Severing Time!

Three breaths, to slay the overlord of the Enforcement Team, Jing Zixuan?

Zhen Ying had never imagined he would hear such words from Lin Wudi's mouth.

At this moment, he was actually somewhat shaken.

This gamble by the Tribulation-Crossing Ancestor, could it be too hasty?

This Lin Wudi, he didn't appear to be stalwart; he seemed too arrogant!

Even as an ally, Zhen Ying thought this way.

Considering the thoughts of their enemies Jing Zixuan and Feng Huiyang, one can only imagine.

Jing Zixuan furrowed his brows. Could this Lin Wudi truly be a fool?

How could he speak such arrogant words?

Feng Huiyang, however, cared not for these things, as he unleashed a lethal attack!

"Slash!"

The Sword of Tribulation Thought formed by five Tribulation Thunder Thoughts, simultaneously slashed toward Zhen Ying and Lin Wudi.

In his view, Zhen Ying was but a dying candle in the wind, soon to perish, and Lin Wudi was merely a practitioner of the First Thunder Tribulation!

No magical treasure, no matter how strong, could possibly defy a Thunder Tribulation Overlord of five tribulations!

He alone could slay both Zhen Ying and Lin Wudi!

Without such confidence, how could a overlord be called an overlord!

Boom!

Accompanying the appearance of this sword was a terror that shook the void.

This sword seemed as if it were from ancient times, cutting through all things.

Everyone present, even those not targeted by the attack, felt the terrifying will behind this sword.

Myriad paths converged once more into Dao intent.

Conceptual Realm!

This sword seemed to be entwined with the rules of the heavens and earth, sharp, majestic, unparalleled.

One sword could sever all!

"Overlord! This is the overlord, one sword to sever life and death! No wonder it can easily crush existences of the Fourth Thunder Tribulation, this power is absolutely beyond what the Fourth Thunder Tribulation can withstand!"

Someone felt unsettled.

The Heavenly Realm Tribulation-elder, before the Fourth Thunder Tribulation, was merely a physical attack of the Blade of Thought.

It wasn't until the Fifth Thunder Tribulation, becoming an overlord, that the Blade of Thought became entwined once more with Dao Arts!

This sword was both the Blade of Thought and the culmination of Feng Huiyang's tens of thousands of years of cultivation in Dao Arts.

As the sword emerged, all changed color in shock and terror.

Zhen Ying couldn't afford to keep pondering whether Lin Wudi was arrogant or not.

He coughed violently, a trace of golden blood seeping from the corner of his mouth.

The next moment, three Tribulation Thought Knives composed of three thousand Thunder Tribulation Thoughts formed in the void.

The knife was flashing with the unique red glow of the Zhen Family Technique.

The power was equally terrifying.

"To think, Zhen Ying the overlord was wounded so severely, after eight thousand years, his Tribulation Thunder Thoughts remaining only at nine thousand!"

"Moreover, six thousand of these Tribulation Thunder Thoughts are densely cracked!"

Zhen Ying faced the enemy with three Tribulation Thought Knives, allowing many among those of the Fourth Thunder Tribulation to notice a certain hint.

To think, this overlord of the Zhen Family had weakened to such an extent!

The miserable state of the Tribulation Thunder Thoughts was utterly deplorable!

This battle, against the powerful Feng Huiyang of the Heavenly Realm Guard, would indeed be a certain death!

Poof!

As everyone lamented, exclaimed with admiration, Zhen Ying spat out a mouthful of essential blood.

The three blades of thought, receiving the essential blood, turned increasingly radiant.

Yet Zhen Ying's state worsened, his spirit visibly wilting.

This mouthful of essential blood would advance his time of The Five Decays of Heaven and Man by thousands of years!

After this battle, even if he did not die, he would face the Five Decays of Heaven and Man within several thousand years!

A life-risking battle, a truly desperate fight!

Feng Huiyang sneered, not even using a second Blade of Thought, with only one sword, slashing at Zhen Ying!

Bang bang bang!

Three blasts as Zhen Ying's Tribulation Thought Knives crashed against Feng Huiyang's Sword of Tribulation Thought.

Crackle crackle crackle!

The sound of Thunder Tribulation Thoughts shattering rang out.

Zhen Ying's Thunder Tribulation Thoughts began to shatter at a speed visible to the naked eye!

This was an unequal battle from the very start.

Even though Zhen Ying forcibly enhanced his attack power with essential blood, it was still easily crushed!

At just this moment, Lin Wudi took action.

Lin Mu stepped forward, as if stepping across eternity.

Buzz!

The Nine Cauldrons and Thirteen Stars Longsword trembled.

On the blade, five stars lined up.

Five Nine Tripod Fragments erupted with unprecedented light.

At this moment, it was as if the whole world had come to a standstill.

Everything within several thousand kilometers around seemed to be frozen in the amber of time, unmoving.

"Nine Cauldrons Technique, Second Form!"

"One slash, cleaving through time!"

The First Form of the Nine Cauldrons Triple-Style, Heaven and Earth Sunder, a single slash killing two Fourth Thunder Tribulation practitioners.

Elevating Lin Wudi to fame in the Heavenly Battlefield.

Today, the Second Form of the Nine Cauldrons Technique emerges!

This form, cleaving time, fused the power of the Immortal Slaying Sword and Distortion of Years.

Containing the Power of the Ages, it also held the concept of slaying immortals!

With the slash, it seemed to freeze time.

Everything became immovable.

The confrontation between Feng Huiyang and Zhen Ying's Blade of Thought also seemed to solidify.

In this spacetime, only Lin Wudi could move!

Lin Wudi and the Nine Cauldrons Thirteen Stars Longsword appeared independent of this spacetime, as if within another realm.

Using one thousand twenty-six Second-stage Tribulation Thoughts, driving the Nine Tripod Fragments' power.

This strike was nearly Lin Mu's most powerful move now.

Divine Sense, thought, Dao Arts, Conceptual Realm, Divine Skills, Nine Tripod Fragments.

All that Lin Mu encompassed converged within this single slash.

Slash!

One slash cleaved directly toward Jing Zixuan.

Boom!

With a resounding boom, the frozen spacetime resumed its motion.

Then, in the unbelievable eyes of all present.

Jing Zixuan's shield, formed by five thousand Fifth Thunder Tribulation Thoughts, as steady as a miniature world, emitted a crackling sound.

The next moment, the shield instantly crumbled.

The five thousand Fifth Thunder Tribulation Thoughts, like powerless entities, shattered completely.

Jing Zixuan's eyes were filled with disbelief and shock, retreating hastily without hesitation.

But it was too late.

His retreating speed was no match for Lin Wudi's blade.

A faint gray line streaked across Jing Zixuan's body.

Bang bang bang!

Nearly a thousand protective Thunder Tribulation Thoughts were easily shattered.

From shoulder to thigh, Jing Zixuan's body was almost severed in two.

More terrifying was that his visage drastically changed with this slash.

Black hair turned white.

A face once smooth and radiant with divine glow became coarse, wrinkled, full of lines.

His body, uncontrolled, bent over.

This slash truncated half of Jing Zixuan's lifespan.

Instantly plunging him from his peak into the ancient years of his life's end.

By his appearance alone, it seemed not far from The Five Decays of Heaven and Man.

Jing Zixuan roared with anguish, his eyes filled with horror and disbelief.

"You actually managed to chop lifespan!"

At this moment, the watching tribulation elders came back to their senses from the previous time-freeze.

Their gaze toward Lin Wudi was filled with shock and fear.

With just one slash, the Enforcement Team's overlord was gravely injured!

Moreover, he cut away at least six thousand Fifth Thunder Tribulation Thoughts!

If it were another tribulation overlord, their Sea of Consciousness might have exploded, bringing their death!

Having survived the Second Thunder Tribulation, Lin Wudi now possessed the power to defy five time Thunder Tribulation Overlords?

All found it inconceivable.

"How is this possible, Second Thunder Tribulation defying five times Thunder Tribulation Overlords?"

Fei Yu's eyes were full of shock, even finding the scene surreal, as if within an illusory realm!

Crack!

Just as everyone was astounded by Lin Wudi's terrifying strength.

The Nine Cauldrons Thirteen Stars Longsword shattered with a sound, the blade nearly split down the middle, a large crack spread across the blade.

Chapter 1114: Battle of the Overlords!

"It's still too forced."

Looking at the Nine Cauldrons Thirteen Stars Longsword in his hand, almost broken, Lin Mu sighed in his heart.

The power of the Nine Tripod Fragments is incredibly formidable.

The refining materials found on the Heavenly Battlefield are merely used in the magic artifacts by ancestors who had transcended three or four tribulations.

Artifacts refined with such materials couldn't possibly withstand the terrifying might of the Nine Tripod Fragments.

According to the damage caused by the sword just now, this longsword might be used one more time, or at most twice.

Lin Mu was sentimental about the recently refined Nine Cauldrons Thirteen Stars Longsword.

Yet, all around was silence.

Everyone was stunned by the terrifying power of this sword.

Even Feng Huiyang and Zhen Ying had halted their attacks.

Zhen Ying stared blankly at the magical treasures dancing around Lin Wudi.

Three breaths?

He had thought that Lin Wudi's words of three breaths were just boasting.

Now it seemed, three breaths were already a subtle understatement.

With Lin Wudi continuing the attack, just one breath or even two breaths would be enough to kill Jing Zixuan!

The art of nurturing artifacts is indeed this powerful!

Xu Tuo Overlord's mouth twitched, a slight relief sparking in his heart.

If the Heavenly Realm Guard and the Enforcement Team hadn't arrived earlier, he would have suffered that sword!

He didn't possess Jing Zixuan's ability to barely withstand the sword for a slim chance to escape.

If that sword had struck him, it would have been total annihilation!

More terrifying is, the sword is one that reduces life span!

No matter how many Thunder Tribulation Consciousness Avatars you have, it's useless!

Because all avatars share the lifespan of the body!

This time, it means destroying all avatars!

This Lin Wudi is too terrifying!

Is he really at the Second Thunder Tribulation?

A strange silence descended upon the battlefield!

Suddenly, a voice rang in Xu Tuo Overlord's ear.

"Fellow Daoist Xu Tuo, if you're willing to team up to take down Lin Wudi, his secret will be shared between us three! Moreover, I'll impart the Enforcement Team's methods to you!"

It was the sound transmission from Jing Zixuan!

Xu Tuo Overlord's pupils suddenly contracted.

It's undeniable that Jing Zixuan's proposition is very tempting.

Lin Wudi at the Second Thunder Tribulation is too bizarre.

First Thunder Tribulation defies Fourth Thunder Tribulation.

Second Thunder Tribulation defies Fifth Thunder Tribulation!

If he can uncover this person's secret, Xu Tuo could potentially become a powerful figure.

Not to mention gaining the Enforcement Team's secret methods!

In the battle just now, Zhen Ying could only form the Tribulation Thought Blade with three thousand Five Tribulation Thunder Thought.

While Jing Zixuan could use five thousand Thunder Tribulation Thoughts!

This is the disparity in Cultivation Technique!

If the Enforcement Team's secret methods are acquired, its power can even be multiplied!

But...

Xu Tuo Overlord cautiously looked towards Lin Wudi!

This person is too powerful!

Even if he and Jing Zixuan, along with Feng Huiyang joined forces, they may not be this person's match!

If they lose, it would be all in vain!

At this moment, Feng Huiyang's sound transmission sounded in his ear.

"Xu Tuo, don't worry, Lin Wudi's magical treasure longsword cannot attack at will; the magic treasure is already almost shattered after that strike!"

"Such an attack, Lin Wudi can use it at most once more! This time I'll take it on!"

"Xu Tuo Daoist, just capture the unarmed Lin Wudi!"

Feng Huiyang's words shocked Xu Tuo Overlord.

Jing Zixuan and Feng Huiyang were willing to put themselves at risk to block the sword to kill Lin Wudi?

However, Xu Tuo Overlord could also understand their choice.

Before that sword, Jing Zixuan and Feng Huiyang didn't actually care about Lin Wudi's life or death.

They only cared about the secret in Lin Wudi's hands!

But after that sword, they were afraid!

The Second Thunder Tribulation almost killed Jing Zixuan with a single strike!

If it were at the Third Thunder Tribulation?

After the Third Thunder Tribulation, they could instantly kill both of them!

This kind of heaven-defying existence, already deeply offended, cannot be allowed to continue living!

Jing Zixuan and Feng Huiyang are willing to pay any price to kill Lin Wudi!

Xu Tuo Overlord looked towards the magical treasure longsword hovering around Lin Wudi.

Sure enough, just as Feng Huiyang said, the longsword was covered in cracks.

Especially the one with a crack running through the entire blade, almost severing the longsword!

With one more strike, this magical treasure will shatter!

Then, losing the magic artifact, Lin Wudi would be a tiger without teeth!

In an instant, Xu Tuo Overlord made up his mind!

To gamble!

Winning could mean obtaining Lin Wudi's heaven-defying opportunity and the top-notch Cultivation Techniques of the Heavenly Realm Guard.

If lost, Feng Huiyang blocks the sword, he could at best immediately flee!

He just doesn't believe Lin Wudi's Second Thunder Tribulation speed can catch up to an overlord!

With a single thought, Xu Tuo Overlord became murderous!

"Kill!"

Feng Huiyang roared, and two Tribulation Thought Swords suddenly formed.

Ten thousand Five Tribulation Thunder Thoughts, carrying terrifying might, transformed into a longsword, slashing towards Lin Wudi!

This strength is more than double what it was during the earlier fight against Zhen Ying!

Simultaneously, Jing Zixuan also took action fiercely!

He also went all in, releasing all Thunder Tribulation Thoughts!

From now on, between them and Lin Wudi, it's either he dies or they perish!

The power of the two overlords fully unleashed turned this area into a battlefield of slaughter.

The surrounding ancestors of Third Thunder Tribulation were pressured to retreat continually, many with pale faces, vomiting blood.

The gap between Third Thunder Tribulation and Fifth Thunder Tribulation Overlords is too vast.

Even the mere aftermath was unbearable for them.

The more it was so, the more horrified they were!

If just the aftermath is this powerful, what kind of pressure would Lin Wudi, who is at the front, face?

He is merely at the Second Thunder Tribulation, how could he resist!

"Fight!"

Zhen Ying's eyes also turned crimson, releasing all Thunder Tribulation Thoughts!

He laughed skyward, his battle intent erupting!

After that sword, he has no more doubts in his heart!

This is Lin Wudi, this is whom the Zhen Family has chosen as their leader!

Such mighty and extraordinarily talented!

A single sword injuring the overlord of Five Thunder Tribulations!

This solitary sword alone is enough for him to abandon his life!

"If you want to kill Lin Wudi, you must first pass me!"

Zhen Ying roared, all Thunder Tribulation Thoughts transforming into the Tribulation Thought Shield, blocking Lin Wudi's front!

He himself completely abandoned defense!

Once,

Lin Wudi, during the First Thunder Tribulation, killed two Fourth Thunder Tribulations with one swing.

Today,

He wants to see if Lin Wudi at the Second Thunder Tribulation can kill two Fifth Thunder Tribulation Overlords with one sword!

Before his death, Zhen Ying wanted to become part of the legend!

Millennia later, this battle will surely be recounted in the Heavenly Realm!

His name will stand alongside the legendary Lin Wudi!

Just when Lin Mu was about to strike again, the situation changed!

"Arrogant child, dare to defy the overlord, die!"

With an angry roar, Xu Tuo Overlord aggressively took action!

Rumble!

Thunder erupted, the void trembled.

Xu Tuo Overlord's Tribulation Thought Blade, like lightning, bypassed Zhen Ying's defense, and charged towards Lin Wudi!

"Despicable!"

"To think an overlord would resort to a sneak attack! Xu Tuo this scoundrel, lacks humanity!"

"Beast!"

Everyone cursed loudly.

No one expected that with Xu Tuo's overlord status, he would sneak attack.

Moreover, to ally with the Heavenly Realm Guard!

The Azure Holy Land, after all, is one of the representatives of the old forces in the Heavenly Realm.

The Xu Tuo Overlord born from the Azure Holy Land, surprisingly joining forces with the Heavenly Realm Guard to target a rising star of the Heavenly Realm!

This act caused all Tribulation-Crossing Ancestors present to shout curses, harboring deep hatred towards Xu Tuo.

Chapter 1115: Six Tribulation, Dominator of Yuyang

"Xu Tuo! You despicable!"

Zhen Ying's eyes were wide with rage!

He could also see that Lin Wudi's magic artifact perhaps could only strike once more!

With the power of that last strike.

Even if it couldn't kill one of Jing Zixuan and Feng Huiyang, it could disable one of them!

By then, he and Lin Wudi could attack or defend, as needed!

They would be in an unbeatable position!

But Xu Tuo's intervention turned the tide in an instant!

Even if Lin Wudi managed to kill Jing Zixuan and Feng Huiyang in one strike.

The two of them together were still no match for the fully prepared Xu Tuo Overlord!

Zhen Ying never expected Xu Tuo to exploit their vulnerability and side with the Heavenly Realm Guard!

After this battle, Xu Tuo would surely be scorned by all the Tribulation-Crossing Ancestors in the Heavenly Realm!

Xu Tuo Overlord scoffed disdainfully.

What does it matter if everyone turns against me!

As long as I can seize the opportunity from Lin Wudi, I can become the Seven Tribulation Overlord, maybe even the Eight Tribulation Peak Overlord!

By then, the Azure Holy Land wouldn't hesitate to invite me back!

A man who does not consider his own interests will face Heavenly Punishment!

Fei Yu and the others remained silent!

At the moment Xu Tuo Overlord made his move, the scales of victory tilted towards the Heavenly Realm Guard.

Does Lin Wudi still have hope for survival?

Everyone turned to Lin Wudi, eager to know his choice.

Lin Mu chuckled softly, "Three Five-Tribulation Overlords? Very well, let me test if my third strike of the Nine Cauldrons Technique can kill three at once!"

The next moment, atop the Nine Cauldrons and Thirteen Stars, the light of the Nine Tripod Fragments began to glow, one by one!

Six stars in alignment!

The strongest strike currently achievable by the Nine Cauldrons and Thirteen Stars!

At this moment, a voice echoed from the void.

"World Master, please hold your hand. Let this old man handle these people!"

With the voice came a loud bang.

Bam!

The void exploded!

The truly solid void of the Heavenly Realm, which even the five-star alignment of the Nine Cauldrons and Thirteen Stars couldn't tear, was shattered apart!

An elderly figure emerged from the void.

"Six Tribulations, tearing the void apart!"

The signature entrance immediately made everyone recognize the newcomer's strength!

In the Heavenly Realm, only those above the Six Tribulations could shatter the void and open a void passage!

Fei Yu's mouth gaped open in utter shock.

He previously thought that attracting Five-Tribulation Overlords was Lin Wudi's limit.

Their Qiantai Holy Land had shown sincerity by sending a Five-Tribulation Overlord.

Yet now, there was a Six-Tribulation Overlord drawn here because of Lin Wudi!

"Could it be, I've underestimated him?"

Fei Yu now felt that Lin Wudi indeed had the audacity to reject the Holy Land Master's offer!

Not to mention anything else, the fact that a Six-Tribulation Overlord would act for Lin Wudi was proof enough of Lin Wudi's standing!

Not just Fei Yu, but other Tribulation Crossers who once considered allying with Lin Wudi were also utterly stunned!

Lin Wudi, who had just survived the Second Thunder Tribulation, managed to draw a Six-Tribulation Overlord!

In a Heavenly Realm where the Seventh and Eighth Tribulations remained dormant, the Six Tribulations were practically the highest combat strength!

This presence revealing themselves because of Lin Wudi!

What frightened them more was that the newcomer claimed to act on Lin Wudi's behalf!

Lin Wudi, with just two Tribulations, accomplished what four or five Tribulations couldn't!

The void split open, and a figure appeared.

Yet, what caught everyone off guard was the appearance of this Six-Tribulation Overlord.

Because he was shrouded in deathly air, emanating a potent stench, with tattered clothes and a face full of wrinkles, resembling an old beggar from the secular world!

"The Five Decays of Heaven and Man! This person is already experiencing the Five Decays of Heaven and Man, about to fall."

"In such a state, he's still willing to act for Lin Wudi, does he not want to live?"

"Wait, this guy is..."

"Zhen Family Ancestor Zhen Yuyang!"

"Hiss... wasn't it said he was in seclusion, breaking through the Seventh Tribulation, how is it..."

The observing ancestors' eyes sparkled with understanding.

No wonder the Zhen Family dared to place such a heavy bet on Lin Wudi, even confronting the Heavenly Realm Guard!

It turns out the Zhen Family Ancestor was already in the state of the Five Decays of Heaven and Man!

The Zhen Family only has two overlords.

Zhen Yuyang is in the Five Decays of Heaven and Man.

Zhen Ying is heavily injured, not far from the Five Decays of Heaven and Man!

After the demise of these two, the Zhen Family will no longer hold overlord-level power!

Thus, the Zhen Family bet everything on Lin Wudi going all in!

Seeing Zhen Yuyang, all the Tribulation Ancestors understood the Zhen Family's choice!

They looked at the two Zhen Family overlords with regret, sighs, and admiration.

The forces in the Heavenly Realm rise and fall, and every few centuries an overlord-level force falls, while new ones emerge.

But no one has ever dared to bet as greatly as the Zhen Family!

To succeed or to sacrifice!

The Zhen Family wagered their entire clan, counting millions of souls, on Lin Wudi's rise!

Victory or loss, for now, remains unknown.

But Zhen Yuyang's appearance pushed the Heavenly Realm Guard to the brink!

"Yuyang Overlord, do you really want to oppose the Heavenly Realm Guard? This junior cannot defend your Zhen Family!"

Jing Zixuan's expression grew icy.

Even a Six-Tribulation Overlord, though decayed and nearing their end, was someone they couldn't contend with!

If Zhen Yuyang acted, both he and Feng Huiyang would be doomed!

Zhen Yuyang chuckled lightly, "Our Zhen Family is already part of the Earth Blessed Land. You of the Heavenly Realm Guard chase our Earth Blessed Land's World Master, how could I stand by!"

Feng Huiyang's lips moved as though he wanted to curse, but he dared not.

In his heart, he was already beginning to regret!

Now he somewhat understood why both the Nanbotuo Continent Governor and The Venerable refused to get involved with Lin Wudi.

The Great Fate Bearer isn't so easily killed!

Who could have thought that their three Five-Tribulation Overlords would provoke a Six-Tribulation Overlord!

The Zhen Family was even more insane.

For Lin Wudi, they didn't hesitate to break with the Heavenly Realm Guard!

This scene was truly bizarre.

Originally belonging to the old powers of the Heavenly Realm, the Xu Tuo Overlord of the Azure Holy Land, was joining forces with the Heavenly Realm Guard to kill Lin Wudi.

Originally a part of the Heavenly Realm Guard, and once held the Upper Continent with the position of the Heavenly Realm Guard Grand Commander, Zhen Yuyang Overlord now wanted to protect Lin Wudi!

Xu Tuo Overlord paid no mind to the odd dichotomy, only wishing to retreat!

If time could be reversed, he never would have acted against Lin Wudi!

What initially had nothing to do with him now placed him against a Six-Tribulation Overlord.

"Yuyang Overlord, I am..."

Xu Tuo Overlord tried to speak, but was rudely interrupted by Zhen Yuyang.

"Your life and death hinge on the decision of our Earth Blessed Land World Master!"

With that, Zhen Yuyang stood with his hands behind his back, awaiting Lin Wudi's instructions.

This action even changed the expressions of Jing Zixuan and Feng Huiyang!

They initially thought Zhen Yuyang was just intimidating them to make them leave.

They never expected Zhen Yuyang would leave the decision to Lin Wudi.

With Lin Wudi's arrogance and obstinance, they...

"Lin Wudi, you must think carefully, I am the Law Enforcement Commanding Officer, and Feng Huiyang is the Heavenly Guardian Commander! If you kill us, it means completely breaking with the Heavenly Realm Guard, and there's no turning back!"

"The Heavenly Realm Guard will surely send the Seventh and even Eight Tribulation Overlords to eliminate you!"

His words were half threatening, half persuading.

Jing Zixuan silently crushed the jade talisman calling for aid.

Chapter 1116: Two Choices!

"Kill them."

Faced with Jing Zixuan's threat, Lin Wudi merely uttered three words.

These three words condemned Jing Zixuan and his companions to death!

"Lin Wudi, you..."

Jing Zixuan wanted to say something, but Zhen Yuyang acted immediately!

The Six-Tribulation Overlord, once in action, unleashed an unimaginably powerful killing move!

A gigantic hand, composed of a thousand Six Tribulation Thunder Thoughts, reached for Jing Zixuan and his companions.

Zhen Yuyang's Five Decays of Heaven and Man was not much stronger than Ming Wuxing's.

His Tribulation Thunder Thought was full of filth and cracks.

It looked as fragile as porcelain that would shatter upon touch.

Yet Jing Zixuan and his companions dared not be careless!

Almost the moment Zhen Yuyang acted, the three simultaneously tried to utilize Tribulation Thunder Thought to teleport away!

But Zhen Yuyang wouldn't allow them to escape.

This was the first task Lin Wudi assigned to him!

"Freeze!"

Zhen Yuyang uttered a word, and that hand composed of Six Tribulation Thunder Thoughts seemed to suppress the space itself, immobilizing everything!

The movements of Jing Zixuan and his companions became completely still.

It was very similar to Lin Wudi's recent slash that cut through time.

Except, one sealed time while the other suppressed space!

The gap between a Six Tribulation Thunder and a Five Tribulation Thunder was even greater than the gap between Five and Four Tribulation Thunder!

Even when Zhen Yuyang was in the grip of the Five Decays, his lifespan nearing its end, Jing Zixuan and his companions were utterly powerless.

They couldn't even use Tribulation Thunder Thoughts for defense or counterattack.

They could only watch helplessly as the hand exuding dense death energy descended swiftly!

Bang!

The first to suffer was Xu Tuo Overlord.

In that moment, the gap between the Heavenly Guards and a mere Holy Land Overlord was undeniably revealed.

The defensive radiance around Xu Tuo Overlord's body flickered and vanished.

All defensive measures shattered instantly.

His body, his Sea of Consciousness, his Tribulation Thunder Thought, disintegrated instantly into ash!

Not a trace remained!

The once arrogant, invincible Xu Tuo Overlord was crushed like a bug before the Six Tribulation Thunder!

Next was Jing Zixuan and Feng Huiyang.

The two roared in anger, emitting dazzling golden light.

It was the power released from the Tiger Talisman at their waists.

This power could resist one blow from the Six-Tribulation Overlord!

But Zhen Yuyang was clearly prepared; his claw consisted of a thousand Six Tribulation Thunder Thoughts!

The onslaught came wave after wave!

After merely three defenses, the Tiger Talisman shattered with a roar!

"No..."

Jing Zixuan, pushed to the brink of the Five Decays by Lin Wudi's slash, followed in Xu Tuo's footsteps.

Under Zhen Yuyang's Tribulation Thunder Thought, he turned to ash.

Even the Overlord of the Heavenly Guards perished worthlessly!

Feng Huiyang merely persisted for another moment before being crushed by the collapsing spatial force!

"I regret it so much!"

Feng Huiyang cried out in despair; he could have escaped death!

Clearly, the Nanbo Tuo Heavenly Guards Grand Commander and the Venerable had already ordered everyone not to venture out!

How did he let greed cloud his judgment?

Even when the Six-Tribulation Grand Commander and the Venerable needed caution, how did he think he could see clearer than them?

Filled with endless remorse, Feng Huiyang died!

A single hand could slay an Overlord!

Yet again, the disparity between a Six Tribulation Thunder and a Five Tribulation Thunder was as vast as heaven and earth!

"Cough cough..."

After the killings, Zhen Yuyang coughed heavily, a trickle of dark blood at the corner of his mouth, and the death energy around him grew denser.

The Five Decays of Heaven and Man became even more severe.

The scene was utterly silent.

Fei Yu and others stood silently watching everything unfold.

From the moment Zhen Yuyang of the Six Tribulation Thunder descended, fate was already sealed.

All that remained was whether Lin Wudi would kill Jing Zixuan and his companion.

The fact proved Lin Wudi's heart remained resolute, unyielding, completely disregarding the Heavenly Guards.

Among the spectators, a few Heavenly Guards swallowed nervously.

They hadn't expected today's events to be so tumultuous.

The two Overlords of the Heavenly Guards had been slain!

How long had it been since an Overlord died in internal strife in the Heavenly Realm?

Half a million years?

A million years?

So long ago that they could barely recall it happening when Daoist Master Yellow Springs rose!

An Overlord's downfall was an event that shook the Heavenly Realm!

Upheaval was inevitable!

Bang bang bang!

As those Heavenly Guards tried to lower their presence, avoiding Lin Wudi's attention, someone kicked them from behind.

Several Heavenly Guards of the third and fourth Tribulation Thunder were caught off guard, kicked out.

"Oh no!"

By the time they tried to flee, it was too late!

"Heavenly Guards?"

Zhen Yuyang furrowed his brow, then unleashed a Thought!

"Don't..."

The unfortunate Heavenly Guards had no chance to escape before being slashed into ash by a Blade of Thought made from a Six Tribulation Thunder Thought!

The Six Tribulation Thunder killed the lesser Tribulations as easily as slaughtering chickens and dogs!

The scene fell silent.

Even those who kicked the Heavenly Guards out hadn't anticipated Zhen Yuyang's kill-first mentality.

He mercilessly slew without discerning friend from foe!

All the Tribulation-Crossing Ancestors present couldn't help but feel tense.

Would Lin Wudi and Zhen Yuyang decide to silence them all to ensure nothing leaked?

Even Fei Yu and others' faces turned pale.

If they were to silence everyone, the secret might remain sealed for a year or two, giving Lin Wudi ample time to depart.

If they were Lin Wudi, they might make such a choice!

Lin Mu ignored the watching Tribulation-Crossing Ancestors and said to Zhen Yuyang and Zhen Ying, "Follow me!"

With that, Lin Mu's figure vanished, entering the Secret Realm recently crossed.

Zhen Yuyang and Zhen Ying exchanged a glance, then followed him into the Secret Realm.

Only after the three left did the watching Ancestors realize they had narrowly escaped death!

"Let's go!"

The Tribulation-Crossing Ancestors, despite their weakness, hurriedly withdrew.

This was not a place to linger!

If the Six-Tribulation Overlord decided to kill them, it would take mere minutes.

However, before leaving, everyone cast complex glances at Fei Yu.

Regardless, Lin Wudi's slash that gravely injured the Enforcement Team's Six-Tribulation Overlord Jing Zixuan proved everything!

Win Lin Wudi over as a Holy Master, far from loss, was pure profit!

Fei Yu indeed showed remarkable boldness!

Unfortunately, Lin Wudi didn't agree.

Otherwise, Qiantai Holy Land would have profited greatly.

Fei Yu also felt somewhat regretful.

Such peerless artifact cultivation skills, unmatched talent, miraculous blade techniques!

Coupled with mastering the never-before-controlled time power in the Heavenly Realm.

It was worth winning over Lin Wudi at any cost!

Sadly, Lin Wudi's character was as extraordinary as his talents.

Such a prodigy could never be subordinate!

"Let's go!"

Fei Yu also departed with his people.

Though Lin Wudi wasn't won over today, this news needed to be relayed back to the Holy Land.

Someone like Lin Wudi, defying heaven, must only be befriended, never crossed!

The deaths of the two Overlords of the Heavenly Guards and the Xu Tuo Overlord of South Spirit Divine Continent Jia Lan Holy Land were bloody lessons!

Trying to kill a Great Fate Bearer, first see if your own fate can defy heaven!

...

Inside the Secret Realm.

Lin Wudi stood with hands behind him, facing the somewhat restless Zhen Yuyang and Zhen Ying.

"You now have two choices!"

Chapter 1117: The Primordial Universe, Heaven and Earth Profound Yellow

Zhen Yuyang and Zhen Ying, one has undergone Six Tribulations, and the other Five Tribulations.

Their status is rather esteemed.

But this time, they wish to pledge allegiance to Lin Wudi.

Although they have just done quite a few things for Lin Wudi, they still feel uncertainty about whether Lin Wudi will accept them.

After all, nobody likes uncontrollable power.

Lin Mu, as if oblivious to their unease, said calmly, "The first choice is that I will help you resolve the problem of The Five Decays of Heaven and Man, as compensation for my assistance this time. From now on, we owe each other nothing."

This single sentence caused these two overlord-level figures to have racing hearts.

Zhen Ying blurted out, "Do you have a way to solve The Five Decays of Heaven and Man?"

It's not that he doesn't believe it.

But the Heavenly Realm has never had a solution to The Five Decays of Heaven and Man.

The Five Decays of Heaven and Man are an inevitable process when a Heavenly Realm Tribulation-Elder's lifespan is nearing its end.

Even the Heavenly Realm Guard doesn't possess such a method!

If such a method truly exists, as soon as Lin Wudi gives the word, countless Tribulation-Crossing Ancestors from the Heavenly Realm would undoubtedly rush to pledge allegiance!

The entire Heavenly Realm's number of Tribulation-Crossing Ancestors in the state of The Five Decays of Heaven and Man is astonishingly high.

If Lin Wudi has such an ability, then overlords of even the Seventh, or Eighth Thunder Tribulation would eagerly come forward.

Zhen Yuyang's reaction was slightly better than Zhen Ying's.

After a moment's silence, he spoke, "Then what is the second choice?"

Zhen Ying was initially stunned, but then promptly realized.

The first choice is to help them solve such a heaven-defying matter like The Five Decays of Heaven and Man. What, then, could the second choice be?

Lin Mu said, "Naturally, it's as you previously mentioned, to join my Earth Blessed Land."

As for what joining Earth Blessed Land entails, Lin Mu did not elaborate.

Zhen Ying was again dumbfounded; hearing the second choice, he only then understood what 'owe each other nothing' meant in the first choice.

So, the first choice does not prepare to accept them into Earth Blessed Land?

For a moment, Zhen Ying's heart was filled with mixed emotions.

The allegiance of two major overlords was actually turned away.

Lin Wudi's pride is truly more intense than anyone else's!

Their hands raised, to exchange liberation from The Five Decays of Heaven and Man, was actually Lin Wudi's original intention.

Otherwise, it wouldn't have been placed first!

Zhen Ying, speechless, looked toward his family's ancestor.

Decisions like this could only be made by Zhen Yuyang!

Zhen Yuyang bowed courteously, "The Zhen family wishes to join Earth Blessed Land!"

Zhen Ying followed suit in bowing.

With overlord-level strength, bowing to a Second Thunder Tribulation person is allegiance, pledging loyalty.

This was Zhen Yuyang's choice.

Lin Mu nodded.

Zhen Yuyang's choice surprised him somewhat.

But he wasn't particularly bothered.

To bet an entire family, placing heavy stakes on a person within the Second Thunder Tribulation stage, choosing so isn't strange.

"In this case, I shall teach the Dao for seven days here, aiding you two in freeing yourselves from the concerns of The Five Decays of Heaven and Man!"

Lin Mu's words once more startled the two.

"World Master, teaching the Dao and The Five Decays of Heaven and Man seem unrelated..."

Zhen Ying awkwardly reminded.

As a Five Tribulations overlord, he had taught the family's younger generations the Dao several times.

He couldn't imagine what connection teaching the Dao has with The Five Decays of Heaven and Man.

Zhen Yuyang's gaze was also filled with doubt.

Lin Mu chuckled, "How do you think I will help you overcome the troubles of The Five Decays of Heaven and Man?"

The two were unable to answer this question.

Nobody in the Heavenly Realm could answer this question either.

Lin Mu didn't wait for them to answer, speaking out loud, "Naturally, it's to elevate you to another realm; by then, lifespan increases, and The Five Decays of Heaven and Man naturally cease."

Zhen Yuyang and Zhen Ying were briefly stunned.

What Lin Mu said was correct.

But at the overlord level, advancing in strength isn't that simple!

It's not just relying on heavenly treasures and earth treasures to accumulate; it requires understanding of the Dao!

When advancing from Five Tribulations to Six Tribulations, one must comprehend the Space Law!

Upon mastering the Space Law, one can shatter the void and advance to Six Tribulations!

And when advancing from Six Tribulations to Seven Tribulations, one must comprehend the Way of the Primordial and the Spirit of the Soul, ultimately refining the soul into a god, called Primordial Spirit.

Every step is a world apart.

If advancing were that easy, the two would not be in their current predicament.

Lin Mu, however, spoke no more.

He sat cross-legged and began teaching the Dao.

"The way of space lies in Xuanhuang, the way of Xuanhuang lies in Honghuang, the way of Honghuang lies in Chaos, Chaos born of heaven and earth, differing from heaven and earth..."

The sound of Lin Mu teaching the Dao spread throughout the Secret Realm.

Zhen Yuyang and Zhen Ying, initially bewildered and confused, then incredibly shocked.

Finally, they too sat cross-legged, entering a state of epiphany.

Even Zhen Yuyang, who had already comprehended the way of space, like being enlightened, greatly benefited.

Not to mention Zhen Ying, who only had a half-baked understanding of the way of space!

Truly, a single inquiry of the Dao, dispelling all doubts.

Lin Mu taught the Dao, causing golden lotus to emerge from the earth, flowers to rain from the sky, clouds and mist to arise, light to shine from all directions.

Various phenomenal scents, unimaginable, spread in the Secret Realm.

Incredible phenomena, sometimes condensing, sometimes vanishing.

There was a great sun rising, a young tiger crawling, a gigantic dragon roaring, immortals singing and dancing.

Rivers flowed eastwards, sea waves surged, all beings revived, life forms perished.

Space collapsed, Shrinking Ground into Inches, in one day, covering ten thousand miles, a giant pursuing the sun.

Crackling!

Zhen Ying's previously cracked Tribulation Thunder Thought started to recover.

Light emanated from within.

A world was born inside.

After one day, Zhen Ying's thoughts completely restored!

Zhen Yuyang's decay faintly diminished, the cracks in his Tribulation Thunder Thought repaired considerably.

On the second day, Zhen Ying ascended another level, reaching Banished Immortal Realm, Tribulation Thunder Thought, reaching thirteen thousand five hundred!

On the third day, Zhen Ying reached Monstrous Realm, and his thoughts reached fifteen thousand, each round and full!

From then on, even without transcending tribulation or advancing in realm, Zhen Ying need not worry about The Five Decays of Heaven and Man!

On the fourth day, Lin Mu's teachings shifted from the way of space to the Way of the Primordial and Primordial Spirit!

"At the beginning of heaven and earth, Chaos opened up, the blossoming of the green lotus is the primordial, the number of primordial lies in..."

Zhen Yuyang shut his eyes, concentrating intently, immersed in enlightenment.

The universe opened, Chaos took shape, heaven birthed all things, ancient beings, born in morning, died by night, one primordial, one tribulation.

The Dao that Lin Mu taught is the Dao of nature, the Dao of heaven and earth.

It is the Heavenly Dao Myriad Laws!

On the fifth day, Zhen Yuyang's white hair returned to black, youthful with white hair.

On the sixth day, Zhen Yuyang's decay and foulness faded, his deathly aura thinned.

The seventh day.

Boom!

It seemed as if thunder rumbled in the sky!

Outside the secret realm.

Someone lifted their head to gaze at the sky, their eyes full of disbelief.

"Is this a thunder tribulation? Six Tribulations? Zhen Ying not only didn't fall, but started a Thunder Tribulation?"

"Surely worthy of being a Great Fate Bearer!"

"The Zhen family may have bet right this time!"

A few people conversed.

These few were overlords of the Five Tribulations who arrived afterward!

Due to distance, they arrived a step late.

By the time they arrived, the battle had ended, and the opportunity to recruit Lin Wudi was gone.

But upon hearing of Lin Wudi's legendary battle achievements, these few overlords were all silent!

In comparison, the desperate Zhen family's allegiance to Lin Wudi didn't stir the overlords.

What truly shocked them was Lin Wudi's slash.

The strike that halved the lifespan of Enforcement Team's Five Tribulations overlord, Jing Zixuan!

"Should we enter the Secret Realm for a look?"

Eyes filled with wonder among the overlords, one suggested.

Chapter 1118: The Dying Are Bound by No Taboo

None of the other Overlords paid him any mind.

Go into the Secret Realm and take a look?

What kind of joke is that!

This was the Zhen Family's Five Tribulations Overlord Zhen Ying Transcending Tribulation!

The Zhen Family had already declined to such a state, and now finally had a chance to turn the tide. How could Zhen Yuyang not stand guard at the side?

If they dared go in now, that old bastard Zhen Yuyang would absolutely fight them to the death!

He might even choose to fall together with them just to drag them off their horses!

Once Zhen Ying began Transcending Tribulation, he became the Zhen Family's last hope.

Anyone who dared stick their hand in at this moment would be making a death feud that only ends with one side dead!

Still, the few Overlords were curious in their hearts.

Even if Lin Wudi was a Great Fate Bearer, this ability was way too against the heavens!

The Thunder Tribulation Ancestors who had watched the battle that day had all talked about the situation back then.

In order to share Lin Wudi's pressure, Zhen Ying had burned his essence blood to forcibly boost the power of the Tribulation Thunder Thought.

After that mouthful of essence blood, Zhen Ying was already not far from The Five Decays of Heaven and Man!

Yet after just a measly seven days in the Secret Realm with Lin Wudi, he actually started Transcending Tribulation!

If you said Zhen Ying had that kind of foundation, the few Overlords simply didn't believe it.

If Zhen Ying really had that ability, he couldn't possibly have gone eight thousand years with his injuries never healing and only getting worse.

It could only be that Lin Wudi had used some kind of method!

With that thought, every Overlord's heart burned hot.

To let an Overlord on the verge of The Five Decays of Heaven and Man cross a Heavenly Tribulation.

They didn't know if this was a regular method that anyone could use, or something that only worked on Zhen Ying.

If everyone could use it, then this was huge!

Which Holy Lands didn't have someone whose lifespan was about to run out.

If they could obtain this method, they could definitely double the strength of their Holy Lands!

Many old monsters in sealed death-closed cultivation could come out again!

Unfortunately, inside this Secret Realm was Lin Wudi, who had beheaded a Five Tribulations Overlord with a blade, and Zhen Yuyang, a Six Tribulation Overlord who would stop at nothing to keep his clan's bloodline alive.

Their hearts itched, but they could only watch!

Who told their Holy Lands to not value Lin Wudi enough and only send them, a few Five Tribulations Overlords.

If they had dispatched a Six Tribulation Overlord from the start, there wouldn't be this headache now.

And now, for a Six Tribulation to descend would still take a few days!

Lin Wudi and Zhen Yuyang weren't idiots; how could they possibly stay here that long!

As for Zhen Ying, he would remain here to Transcend Tribulation!

No one dared disturb him!

To obstruct Zhen Ying's Transcending Tribulation was to make this Six-Tribulation Overlord Zhen Yuyang go berserk.

No one was willing to provoke a Six Tribulation Overlord in The Five Decays of Heaven and Man.

Because a dying man truly has no taboos.

It wasn't like there hadn't been cases in the Heavenly Realm where a Thunder Tribulation Ancestor in The Five Decays of Heaven and Man, in his final moment, charged into an enemy Holy Lands and slaughtered until rivers of blood flowed.

After the killing, he died of The Five Decays of Heaven and Man, and even if the Heavenly Realm Guard wanted to punish him, they couldn't.

He hadn't betrayed the Heavenly Realm, hadn't colluded with the Demon Race; even if they wanted to implicate nine generations of his clan, they couldn't.

So in the Heavenly Realm, the ones in The Five Decays of Heaven and Man were very special existences.

For a clan like the Zhen Family, once Zhen Yuyang fell to The Five Decays of Heaven and Man, the Zhen Family would definitely decline.

But before Zhen Yuyang died, no one would provoke the Zhen Family!

Angering a Six Tribulation Thunder Tribulation Ancestor in The Five Decays of Heaven and Man was bad news for anyone!

As expected.

Just as these Overlords had anticipated.

A day later, Zhen Ying was still Transcending Tribulation.

A streak of Thunderbolt light overflowing with dense deathly aura left the Secret Realm and abruptly disappeared!

In clans where people were in The Five Decays of Heaven and Man, those who Transcended Tribulation needed no protector—tell me that's not scary!

Before that death-tinged thunder light vanished, it released a flash of killing intent toward this side.

It startled the few Overlords so much they almost turned tail on the spot.

Couldn't afford to provoke.

Really couldn't afford to provoke!

"Don't know if this time counts as the Zhen Family winning their gamble or not!"

"Of course it counts! Don't forget, those two pieces of trash Feng Huiyang and Jing Zixuan were killed by Zhen Yuyang! Same for the other Thunder Tribulation Ancestors! Zhen Ying didn't kill anyone at all!"

Thinking it over, the few Overlords realized that was indeed the case.

The one who struck and killed was only Zhen Yuyang, that old codger in The Five Decays of Heaven and Man who was about to fall.

Zhen Ying had only lent a hand, he hadn't killed anyone.

Even if the Heavenly Realm Guard wanted to implicate them, it would only be punishment from the Heavenly Battlefield's Town Guards.

Either way, as long as Zhen Ying could successfully Transcend Tribulation, the Zhen Family would gain another Six Tribulation Overlord.

And one who had just Transcended Tribulation, with a long, long lifespan ahead!

The Zhen Family hadn't just won their gamble; they'd won big!

Seven days ago, the Zhen Family was not far from the decline of their clan, with both a Five Tribulations and a Six Tribulation Overlord on the brink of falling.

In just seven days this time, the Zhen Family was about to gain a Six Tribulation Overlord!

"Dogshit luck!"

The few Overlords cursed inwardly, faintly jealous.

If they'd come a few days earlier and helped Lin Wudi, might they have been able to advance to Six Tribulations too?

With that thought, every Overlord felt like they'd taken a huge loss!

"Report back to the Holy Lands; our attitude toward Lin Wudi might need to change!"

"If Lin Wudi can let an Overlord in The Five Decays of Heaven and Man Transcend Tribulation, then this man must be won over!"

"Probably not, right? Didn't the Zhen Family Ancestor Zhen Yuyang fail to Transcend Tribulation?"

"Heh heh..."

The few Overlords stopped watching and turned to leave.

If they continued to linger here and Zhen Ying had some mishap, they wouldn't be able to explain it.

Better to leave!

Once the Overlords vanished, over a dozen figures suddenly appeared.

"We're just going to stand here and watch?"

"What do you want to do?"

"The Zhen Family killed our Heavenly Realm Guard's Garrison Commander and Commander..."

"That was Zhen Yuyang who killed them. You still want to implicate everyone in the Zhen Family?"

"So we just watch Zhen Ying Transcend Tribulation?"

"If you want to try stopping him, go ahead. No one's holding you back!"

These dozen-odd people were all from the Heavenly Realm Guard, but the strongest among them was only Fourth Tribulation.

Most were Third Tribulation.

The Fourth Tribulation elites had all been wiped out in one palm by Zhen Yuyang.

Now their Zhen Family enemy was right in front of them, Transcending Tribulation, and yet they didn't dare step forward for revenge.

This left them all extremely depressed.

But just like that Overlord had said, no one was willing to provoke The Five Decays of Heaven and Man!

The Heavenly Realm Guard was no exception!

Before they encircled and killed Zhen Yuyang, they hadn't dared touch the Zhen Family people!

Otherwise, if they enraged Zhen Yuyang and he charged into the Heavenly Realm and went on a rampage in the Great Governor's Mansion, then the Heavenly Realm Guard's losses would definitely exceed the Zhen Family's several times over!

The dozen Heavenly Realm Guards all felt stifled.

Ever since Lin Wudi appeared, their Heavenly Realm Guard's status had plummeted.

From an existence everyone feared and respected, to one that now everyone mocked.

They could feel that many Thunder Tribulation Ancestors on the Heavenly Battlefield were looking at them with very strange eyes now!

"Not fit to be called human!"

A Centurion cursed.

No one knew whether he was cursing Lin Wudi, or cursing Jing Zixuan and Feng Huiyang for disgracing the Heavenly Realm Guard!

...

"You're not staying on the Heavenly Battlefield to Transcend Tribulation?"

Lin Mu flew with his blade, asking casually.

After his seven days of lecturing on the Dao, not only had Zhen Ying broken through to cross Heavenly Tribulation, even Zhen Yuyang could actually choose to break through and Transcend Tribulation!

In his previous life Lin Mu was the Immortal Realm Emperor, and in this life he possessed the Heavenly Dao Myriad Laws Record.

His seven days of lecturing were seven days of upheaval.

In these seven days, Zhen Yuyang and Zhen Ying's gains had even surpassed their harvest from hundreds of thousands of years in the Heavenly Realm!

Their breakthroughs were nothing more than water overflowing once the vessel was full.

Zhen Yuyang was dressed like an Old Servant, and said respectfully, "World Master's great undertaking is paramount; my Transcending Tribulation can wait a bit."

He paused, then Zhen Yuyang smiled and said, "Besides, my identity as one in The Five Decays of Heaven and Man can make many people wary. For you, World Master, for Zhen Ying, for the Zhen Family, that's all benefit and no harm."

"After all, a dying man has no taboos."

Chapter 1119: Is She Going to Die?

Su Zhen held her position in Feilin City.

Her approach was different from that of the fool, Feng Huiyang.

She felt it was highly likely that Lin Wudi would return through Feilin City.

Because throughout the journey, Lin Wudi almost never avoided the pursuit of the Heavenly Realm Guard, always facing them head-on.

Su Zhen did not know if this was bravery or foolishness.

The present Feilin City, had become an empty shell.

All the citizens were relocated to other places by You Feilin under the authority of the City Lord and the Holy Land Master.

Anyone who dared to defy You Feilin's orders was directly taken down by the Holy Lands' powerhouses and the City Defense Army upon his command.

For the sake of this relocation, they even killed many people to serve as a warning to others.

In just over ten days, You Feilin, as the Lord of Feilin City, had stirred up immense public anger and resentment.

His reputation was completely tarnished!

There were already Tribulation Transcenders from Feilin City preparing to complain to the superior continent lords, demanding the removal of You Feilin as the City Lord.

Despite this, You Feilin obstinately continued relocating everyone from Feilin City.

Su Zhen listened with cold indifference to all of this.

In her eyes, You Feilin's actions were redundant.

Even if Lin Wudi managed to escape the pursuit of Jing Zixuan and Feng Huiyang and appeared in Feilin City.

With her strength as a Five Tribulations Overlord, she could easily suppress or even kill Lin Wudi.

He would cause no damage to Feilin City at all!

You Feilin underestimated the crushing power a Five Tribulations Overlord holds over one Tribulation.

No matter how formidable the magical treasures were, how could they enable a one-Tribulation junior to overturn an Overlord?

Even when the Daoist Master Yellow Springs rose, he couldn't manage it, let alone a mere Lin Wudi!

"But what secret does that kid possess? The art of nurturing treasures is not unheard of in the Heavenly Realm, so why do his magical treasures have such potency?"

Su Zhen, seated on the City Lord's throne, stroked her smooth chin, deep in thought.

As for the City Lord You Feilin, he had already been driven out of the City Lord's Mansion by her.

Such a cowardly person does not deserve to inhabit the same space as her, Su Zhen!

"Commander Su! Rest assured, should Lin Wudi dare to appear, we can seize him without your involvement!"

Someone spoke from below.

Inside the City Lord's Mansion, besides Su Zhen, there were also four Four Tribulations practitioners and a dozen Three Tribulations practitioners!

These individuals were drawn by her reputation, volunteering to aid Su Zhen.

As to their true motives, it didn't need questioning, everyone knew.

Su Zhen paid no attention to it; just a group of naïve fools with delusional hopes!

Thinking they could gain favor from an Overlord?

How laughable, did they even understand who they were dealing with!

Being a Law Enforcement Commanding Officer of the Heavenly Guard, Su Zhen carried immense pride and didn't regard these juniors at all.

"Commander Su, we are genuinely here to help. Just let us know if you need anything."

It was a charming woman speaking, even winking at Su Zhen as she spoke.

"Shut up! Speak one more word, and believe me, I'll kill you with one strike!"

As someone cultivated by the Heavenly Guard, imbued with military ethos, Su Zhen held disdain for such women.

The seductive woman was deflated, sit down indignantly in silence.

The remaining three Four Tribulations practitioners frowned in unison.

This Commander Su takes no heed from anyone, not sharing any benefits. She was truly overbearing!

Exchanging glances, they were starting to consider retreat.

If they couldn't gain any benefits here, staying was pointless.

At this moment, Su Zhen's expression changed slightly, a sneering smile touched her lips.

"How reckless, he truly dares return to Feilin City from the Heavenly Battlefield!"

In an instant, Su Zhen's figure vanished.

The present crowd of over a dozen people were taken aback, then someone exclaimed in surprise: "Lin Wudi really returned from the Heavenly Battlefield?"

"So soon, not even three months have passed!"

"Could it be he failed the tribulation?"

"He must have been cornered by Jing Zixuan and another, having no way to escape, that's why he fled back to the Heavenly Realm in a panic!"

"Naïve, does he believe returning to the Heavenly Realm will ensure his survival?"

"Let's go, we must see this for ourselves!"

"Let's all go. I wish to see whether Lin Wudi is really as powerful as the legends say."

The dozen figures flickered and disappeared one after another.

The seductive woman showed a subtle expression, licked her lips, "I knew it! Lin Wudi, you are mine!"

This woman was none other than the elusive Hu Sanniang in disguise!

Originally thinking that even upon Lin Wudi's return, it would take many years.

She didn't expect it to be only a few months before he reappeared again!

It left her somewhat disappointed.

However, considering Lin Wudi ascended to the Heavenly Realm in under a year and already achieved the first Tribulation.

Coming back in a few months, might not necessarily denote a failed tribulation!

Swoosh!

Hu Sanniang's figure also vanished all of a sudden.

In Feilin City, within a tavern.

You Feilin, the Lord of Feilin City, was alone inside the tavern, self-serving and drinking.

Suddenly, his expression changed, a smile surfaced on his face,

"Impressive, Lin Wudi truly returned to Feilin City! Very well, let me see how you'll handle the overlords of the Enforcement Team!"

Draining the wine in his cup, You Feilin's figure vanished as well.

Simultaneously.

In an empty sect within Feilin City.

Ming Zhenxuan, in seclusion training, abruptly opened his eyes.

"Returning in less than three months? Lin Wudi, seems you're of no consequence!"

Previously, Ming Zhenxuan believed that possessing a Tribulation Thunder Thought of Five Tribulations within Lin Wudi's Sea of Consciousness would make the second tribulation a breeze.

Unexpectedly, returning so soon implies a tribulation failure.

"Lacking strength yet reckless and ignorant, daring to defy nature's order, returning to Feilin City, is foolishness beyond reasoning!"

Ming Zhenxuan's cross-legged figure slowly began to fade, eventually disappearing.

Lin Wudi, even if destined to die, could only meet his end at the hands of my Ming family.

The secrets he bears, must belong to the Ming family!

...

Nanbotuo Continent, Great Governor's Mansion.

The Heavenly Realm Guard, Grand Commander Ji Liao, suddenly saw a jade pendant snap at his waist.

With a chess piece in hand, Ji Liao slightly furrowed his brows and muttered to himself, "To think he would truly return to the Heavenly Realm from the Heavenly Battlefield Passage through Feilin City, is Lin Wudi indeed this confident?"

Snap!

The Law Enforcement Team Venerable, on the opposite end of the chessboard, was unfazed, placing a piece down with a calm demeanor, "It's not surprising. A Great Fate Bearer, lacking such courage would disqualify them as one indeed."

Ji Liao nodded, placed another piece down, capturing two pieces.

The Venerable took little notice, casually placing another piece, and inquired, "Aren't you going to inform Su Zhen about Feng Huiyang's demise?"

The unexpected death of the Five Tribulations Overlord Feng Huiyang had been shocking to both Grand Commander Ji Liao and the Venerable at the time.

Even knowing a Great Fate Bearer isn't easily dealt with, Feng Huiyang's swift death was unforeseen.

It had only been a few months, yet a Five Tribulations Overlord had fallen!

However, since receiving the news of Feng Huiyang's fall half a month ago, Grand Commander Ji Liao strictly kept it under wraps from Su Zhen.

To the Venerable's questioning, Ji Liao chuckled, "After all, Su Zhen is the Law Enforcement Commanding Officer under your charge. If notification's to be made, it should be by you, right?"

The Venerable responded with a silent smile, placing another piece.

From the moment Su Zhen defied his prohibition, collaborating with Feng Huiyang to rush to Feilin City, he had written off this foolish woman.

Snap!

The Venerable clicked his fingers.

A figure of a Three Tribulation Law Enforcement Team member suddenly appeared, paying respects with reverence.

"Go oversee the Shrine of Heroes, should Su Zhen's Life Talisman shatter, report to me immediately."

The Venerable's words startled the Law Enforcement Team member, refraining from commentary, bowed again, and departed.

In his heart though, a tempest had stirred.

Is Su Zhen, who's been in the limelight, about to die?

Chapter 1120: If Anyone Offends Me, I Will Kill Them!

Heavenly Battlefield, Feilin City Passage.

The Guardian indifferently looked at the aged Zhen Yuyang, and after a long time, finally said, "Originally, I shouldn't speak much, but still, I hope you can cause less bloodshed!"

At this moment, the Guardian was also speechless in his heart.

Earlier, when Lin Wudi entered the Heavenly Battlefield, he felt something strange about this person.

Even when Jing Zixuan and Feng Huiyang entered the Heavenly Battlefield, he advised them once.

Unfortunately, the two were blinded by greed and didn't heed his advice at all.

At the time, he was also speculating what the result would be when Jing Zixuan and Feng Huiyang encountered Lin Wudi in the Heavenly Battlefield.

Unexpectedly, in just a few months, Lin Wudi returned, surprisingly bringing along a Six Tribulation Overlord!

Overlords of the Heavenly Realm with Six Tribulations are actually not many in number.

He recognized at a glance that this was Zhen Yuyang from the Zhen Family.

Unexpectedly, though tens of thousands of years unseen, Zhen Yuyang had already reached The Five Decays of Heaven and Man.

Moreover, this Zhen Family Ancestor from the origin of the Heavenly Realm Guard actually stood on the side of Lin Wudi, who was wanted by the Heavenly Guard.

How truly absurd this Heavenly Realm is.

Zhen Yuyang was very polite to the Guardian, smiling as he said, "That depends on how my Lord decides."

The Guardian looked towards Lin Mu.

Lin Mu said indifferently, "If people don't offend me, I won't offend them!"

The Guardian sighed and made way for Lin Mu and Zhen Yuyang to pass.

He already heard the unspoken meaning in Lin Wudi's words.

If people offend me, I will kill them!

Will those fools from the Heavenly Guard give up attacking Lin Wudi?

Of course not!

The greed of the heart should not be underestimated!

Profit moves people's hearts.

Not to mention, Lin Wudi reversed four Tribulation Thunder with one Tribulation, no one would miss such an opportunity!

If he were a few hundred thousand years younger, perhaps he too would be tempted.

Looking at the backs of Lin Mu and Zhen Yuyang, the passage Guardian softly murmured, "In just a million years, will another Yellow Springs Overlord rise in the Heavenly Realm?"

...

Outside the Heavenly Battlefield Passage.

Su Zhen stood in the air, a playful gaze.

Behind her were a dozen Tribulation-Crossing Ancestors who came to assist.

Hu Sanniang was hidden among them, with a charming demeanor, but her eyes contained cold killing intent.

Compared to Su Zhen's desire for Lin Wudi's opportunity, her goal was simpler and more direct, kill Lin Wudi for revenge!

Woosh woosh!

The passage exit rippled, and two figures appeared.

"Lin Wudi, I didn't expect you really dared to return!"

Facing the emerging Lin Mu, Su Zhen slowly released pressure.

As for the old man beside Lin Mu, she completely ignored him.

Just a Heaven-Man's Five Decays waste.

Lin Mu stood in the air, ignoring Su Zhen's imposing pressure, and coldly said, "The Heavenly Guard, truly relentless!"

Su Zhen sneered, "Do you think, after killing people from our Heavenly Guard, you can still roam freely in the Heavenly Realm?"

At this moment, Zhen Yuyang suddenly spoke, faintly saying, "Fellow Daoist, I am the guardian of Lord Lin, could you listen to one word from me..."

"Shut up!"

Su Zhen's gaze was icy, sternly saying, "What are you, dare to speak to me! A Heaven-Man's Five Decays waste, not finding a place to await death, yet dare to wander before me!"

Zhen Yuyang closed his mouth, retreating behind Lin Mu.

The Guardian's face must be given.

So, he prepared to give Su Zhen a chance, but unfortunately, she did not know how to cherish it.

"If it's a fight you want, then let it be!"

Lin Mu didn't bother with unnecessary words!

Upon hearing this, Su Zhen laughed heartily.

A woman's laugh could surprisingly be somewhat bold, "Lin Wudi, do you really think that by reversing four Tribulation Thunders, you can act recklessly? Today, if I can't kill you in one move, how about I let you go free!"

As the voice fell, Su Zhen struck decisively.

Boom!

Five thousand Tribulation Thunder Thoughts transformed into a Tribulation Thought Blade, slashing towards Lin Wudi!

She spoke disdainfully, seemingly not placing Lin Mu in her eyes.

But when truly taking action, Su Zhen was extremely cautious.

Lin Wudi's reputation was illustrious, reversing four Tribulation Thunders was an unprecedented feat in the Heavenly Realm!

The principle of a lion fighting a rabbit with full strength, how could Su Zhen not understand it!

If she truly were foolish, she wouldn't have achieved the position under only one in the Nanbotuo Continent Enforcement Team!

Bam!

Boom!

Seeing the Tribulation Thought Blade about to slash down, another Tribulation Thought Blade flew out, actually knocking it away.

One strike, no victory.

"Who dares to obstruct the Enforcement Team!"

Feeling the cracks on dozens of Tribulation Thunder Thoughts, Su Zhen was furious.

A silhouette suddenly appeared, as if he was originally there.

"Su Zhen, I am Ming Zhenxuan of the Ming Family, ordered by my family ancestor to take down Lin Wudi, I ask the Nanbotuo Continent Enforcement Team to give leeway!"

Seeing Su Zhen truly about to act, Ming Zhenxuan couldn't suppress and intervened to stop.

Lin Wudi must be kept within the Ming Family, even the Enforcement Team could not take him away!

Seeing that the emerging figure was actually a Five Tribulation Overlord from the Ming Family, Su Zhen sensed that things were not going well.

The Ming Family was guarded by an Eighth Tribulation Ancestor, even the Heavenly Guard must give face.

If matters escalated, the Enforcement Team wouldn't shield her!

Moreover, the Ming Family was one of the old forces in the Heavenly Realm, they must be given face even if unwilling!

But, just give up on Lin Wudi?

Su Zhen was conflicted.

Lin Wudi's performance was too strong, his secrets were enough to make everyone covetous!

Offend an Eighth Tribulation Overlord?

Offend it if necessary, could an Eighth Tribulation Peak Overlord really intervene to deal with her, a Five Tribulation junior!

With a thought, Su Zhen said coldly, "Lin Wudi is a high-level criminal of our Heavenly Guard! I must capture him! If you want him, then let your family ancestor discuss directly with the Enforcement Team!"

Su Zhen felt that Ming Zhenxuan was using a feather as an arrow!

How could an Eighth Tribulation Peak Ancestor possibly care about the life and death of a One Tribulation junior!

Hearing Su Zhen's words, Ming Zhenxuan's gaze grew dangerous.

"Su Zhen! Do not mislead yourself! I must take Lin Wudi today!"

"Rogue! How daring!"

Su Zhen, as a member of the Enforcement Team, was accustomed to being domineering.

With a disagreement, she directly attacked Ming Zhenxuan!

She did not believe that Ming Zhenxuan dared to engage in a life-and-death struggle with her as a Commanding Officer of the Heavenly Guard Enforcement Team!

Bam!

Tribulation Thought Blades collided.

The two groaned simultaneously, their faces turning somewhat grim.

With just one clash, both realized the other would never relent, and might even battle it out for Lin Wudi!

"Su Zhen! Do not force me!"

Ming Zhenxuan pointed a finger, a ring suddenly appeared, hovering around his body, emitting a melodious hum.

"A magical treasure! Has the Ming Family gone mad! Using a family secret treasure for the sake of Lin Wudi!"

In the Heavenly Realm, magical treasures that could indeed threaten a Five Tribulation Overlord were few.

Even in a family like the Ming Family with an Eighth Tribulation Peak Overlord, magical treasures threatening Five Tribulations wouldn't be too many!

For Lin Wudi, the Ming Family was willing to bring out a secret treasure!

"Su Zhen, if you step aside now, I can pretend nothing has happened! Otherwise, I can only suppress you!"

Ming Zhenxuan's gaze was cold, filled with killing intent.

The Enforcement Team, so what!

If pushed to the extreme, he would use this magical treasure to suppress Su Zhen!

He did not believe the Enforcement Team would risk offending the Ming Family for a Five Tribulation Overlord Commanding Officer!

Su Zhen gritted her teeth in hatred.

She and Jing Zixuan's group plotted for so long, only to make a wedding dress for someone else!

The Ming Family, damn it!

"Fine! Ming Zhenxuan, I will remember you! Take Lin Wudi away!"
