

War God 1121

Chapter 1121: Scared the Fox to Death!

Su Zhen and Ming Zhenxuan decided Lin Mu's fate with just a few words right in front of him.

It was clear that neither of them regarded Lin Wudi as worthy of attention!

Perhaps in their eyes, capturing Lin Wudi was just a matter of a single hand.

The real challenge was the opponent, not Lin Wudi.

However, they were unaware that the Guardian within the Heavenly Battlefield Passage was looking at them with an expression of pity.

Below the ranks, the Tribulation-Crossing Ancestors of Su Zhen's side wore somber expressions one by one.

Su Zhen, the iron rooster, was stingy beyond compare, not giving them any benefits.

And now, the Ming family had interrupted, wanting to take Lin Wudi away!

If Lin Wudi were captured by Su Zhen, they could benefit from being conveniently close.

But if taken by the Ming family, they'd gain absolutely nothing!

Unfortunately, their strength was too weak, lacking the ability to challenge a Five-Tribulations Overlord.

They could only watch helplessly as Su Zhen and Ming Zhenxuan divided the spoils!

Hu Sanniang stood at the rear, her eyes glittering with interest.

"Magic Artifact? I wonder if it's an offensive or defensive Magic Artifact? If it was for restraining, that would be quite troublesome..."

The Demon Race had many tricks.

If the Magic Artifact in Ming Zhenxuan's hands were defensive or offensive, she had several ways to handle it.

If it was for restraining, she would have to expend considerable effort.

"Originally, I intended to wait for Su Zhen to capture them, then secretly kill Su Zhen and Lin Wudi! I didn't expect the Ming family to appear!"

If Lin Wudi were taken by the Ming family, even she wouldn't dare to rashly infiltrate into Ming territory!

A barely visible, faint pink aura began to emanate from Hu Sanniang's body.

The surrounding Tribulation-Crossing Ancestors noticed the faint fragrance but thought it was simply Hu Sanniang's body scent, paying it no mind.

The invisible pink aura naturally drifted toward Ming Zhenxuan and Su Zhen.

"Old Zhen, let's make a move."

Lin Wudi felt rather bored.

He had thought Ming Zhenxuan and Su Zhen would engage in a life-and-death fight over him!

But he didn't expect Su Zhen to wilt as soon as a Magic Artifact appeared!

"Yes!"

Zhen Yuyang bowed and accepted the command!

Only at this moment did Ming Zhenxuan and Su Zhen, who had been busy dividing spoils, realize something was amiss.

Make a move?

Lin Wudi asking the old Heavenly Being to move against them?

Could it be? Lin Wudi went to the Heavenly Battlefield and managed to recruit a Five-Tribulations Overlord?

Pulling a Five-Tribulations Overlord with a Second Thunder Tribulation cultivation.

Even if it was a Five-Tribulations Overlord undergoing The Five Decays of Heaven and Man, they were impressed by Lin Wudi's persuasion ability!

Yet, in the next moment, they realized their assumptions were entirely incorrect!

Boom!

To these foes coveting a new master of the Zhen family, Zhen Yuyang naturally showed no mercy.

A thousand thoughts of Six Tribulations converged into a giant hand reaching out to grab Su Zhen and Ming Zhenxuan!

"Six-Tribulation Overlord!"

"Oh no!"

How could Su Zhen and Ming Zhenxuan have anticipated that Lin Wudi's companion would be a Six-Tribulation Overlord!

How was this possible!

A Six-Tribulation Overlord equated to the Great Marshal of the Heavenly Realm Guards and the Law Enforcement Team Venerable!

In the Ming family, where Seven and Eight Tribulation Ancestors remained secluded, a Six-Tribulation was the family's authority!

An influential figure like this, pledging allegiance to Lin Wudi of Second Thunder Tribulation?

Even if this old man was suffering The Five Decays of Heaven and Man, he couldn't have descended into madness!

A Six-Tribulation Overlord siding with Lin Wudi, opposing the Heavenly Realm Guards, didn't he fear being hunted jointly by the Guards and Law Enforcement Team!

His family inheritors would also be pursued!

Had the man gone insane!

Though their minds whirled with such wild thoughts, they couldn't afford the luxury of contemplation.

Because once a Six-Tribulation acts, survival is impossible!

Ming Zhenxuan activated his circular artifact without hesitation and fled utilizing the Thunder Tribulation Thought.

Su Zhen also swiftly triggered the Tiger Talisman at her waist and fled decisively!

Regrettably, their speed could not outpace that of a Six-Tribulation Overlord!

Bam!

The giant hand constituted from a thousand thoughts of Six Tribulations crushed heavily onto both!

Bam!

Ming Zhenxuan's circular artifact trembled!

Ming Zhenxuan coughed up blood, his body flying dozens of miles away.

"Senior, spare me! I won't meddle in Lin Wudi's matters henceforth..."

Ming Zhenxuan pleaded loudly.

"Oh? A defensive Magic Artifact? Then try my next strike!"

Failing to kill Ming Zhenxuan in one strike left Zhen Yuyang somewhat disgraced.

Having just pledged loyalty to a new master, despite being a Six-Tribulation, failing to kill a Five-Tribulation in several moves was quite demeaning.

Swish, swish, swish!

Three Swords of Tribulation Thought with three thousand Six Tribulations slashed toward Ming Zhenxuan.

Compared to Ming Zhenxuan, who possessed a protective artifact, Su Zhen's situation was dire.

Bam!

Just one strike shattered the Tiger Talisman on her waist.

From past experience killing Jing Zixuan and Feng Huiyang.

This time, Zhen Yuyang left no opportunity for Su Zhen as the massive hand continued to tremble hundreds of times.

Poo, poo, poo!

Su Zhen shook like a leaf.

Muscles, bones, Sea of Consciousness, Thunder Tribulation Thought.

All of them shattered.

"No..."

Still full of spirit and dismissive of Lin Wudi a moment ago, Su Zhen's Divine Soul was scattered.

Rumble, rumble, rumble, rumble!

The collision from Six Tribulations and the Tiger Talisman sent shockwaves in all directions.

The Feilin City beneath them trembled, half of it destroyed.

All buildings, facing the Six Tribulation impact, crumbled like fragile paper.

The shockwave didn't travel far before encountering the impact from Six Tribulations and Magic Artifact collision!

Two sets of shockwaves collided, tore, and obliterated everything!

"Flee!"

Only now did Su Zhen's entourage of twelve or so Three-Four Tribulations Ancestors recall to escape!

Hu Sanniang was left speechless.

No matter how she put it, she didn't expect the inconspicuous old man beside Lin Mu to be a Six-Tribulation Overlord!

A Six-Tribulation Overlord pledging allegiance to a Second Thunder Tribulation?

Are all the Heavenly Realm inhabitants insane?

Frightening the fox half to death!

Bam, bam, bam!

At this moment, Zhen Yuyang's three Tribulation Thought Blades struck Ming Zhenxuan's circular artifact.

Crack!

The circular artifact, overwhelmed, emitted a crisp sound, as countless cracks spread across its smooth surface.

The Magic Artifact indeed resisted one strike from Six Tribulations.

But within these brief moments, Zhen Yuyang had attacked countless times!

Crack!

The circular artifact finally couldn't withstand the relentless tidal wave of attacks, exploding into fragments!

The Thunder Tribulation Thoughts within had just escaped but were instantly killed by Zhen Yuyang's Sword of Tribulation Thought.

"Don't kill me! The Ming family will never let you rest..."

Ming Zhenxuan could only utter one piercing scream before being stabbed full of holes by the three blades.

Vexed at losing face before his new master, Zhen Yuyang delivered hundreds of additional strikes, until he destroyed Ming Zhenxuan's Sea of Consciousness.

The famed Ming Zhenxuan of the Ming family, without even a chance to curse, met a frenzied demise.

Thus, the two who dared to hand out Lin Wudi's fate like spoils were thoroughly exterminated!

Confidently believing they held others' fate in laughter.

Unaware that their own lives hinged on merely a word from another.

"Oh? There's still a little fox?"

Zhen Yuyang's Thunder Tribulation Thought sensed an anomaly.

Some Demon Race demon energy was attempting to infiltrate his Thunder Tribulation Thought!

Chapter 1122: Beast Taming Seal!

Zhen Yuyang initially thought that with the Enforcement Team and the prominent family's people taking action against Lin Wudi, the situation was already astonishing.

Unexpectedly, a member of the Demon Race was hiding among them!

If it weren't for this demon acting foolish and releasing demonic aura to try and corrupt Ming Zhenxuan and Su Zhen, he might not have discovered this demon.

After all, the Demon's ability to conceal themselves is indeed impressive!

Especially a demon of this Five Tribulations Overlord level, they can even deceive the Eight Tribulation Peak Overlord!

The blame lies solely with this demon's stupidity!

Hu Sanniang had no idea what Zhen Yuyang was thinking; if she knew, she would surely burst out scolding.

She couldn't have imagined that a Six Tribulation Overlord would follow behind a Second Thunder Tribulation novice like an Old Servant!

An overlord should have the dignity of an overlord!

Zhen Yuyang is too sinister!

"Woo..."

Hu Sanniang let out a beastly roar, releasing endless pink demonic aura from her body.

"No good! It's the Demon Race! Run quickly!"

Only then did the surrounding Three and Four Tribulation Ancestors realize the abnormality and try to escape.

How could their speed compare to a Five Tribulation Overlord!

The pink demonic aura instantly enveloped them!

"Ah ah!"

The enveloped Three and Four Tribulation Overlords roared in anger, rushing towards Zhen Yuyang, then recklessly self-destructed!

"Hmph!"

Zhen Yuyang disdainfully snorted, releasing a hundred Six Tribulation Thoughts to easily block their explosions!

Hu Sanniang couldn't afford to hide anymore, directly revealing her true demon fox form; her five tails swept through, elevating her speed once again!

"Come back to me!"

A large hand made up of three thousand Six-Tribulation Thoughts reached out to grab Hu Sanniang!

Instantly, Hu Sanniang felt the space around her body suddenly locked.

The void shattered, blocking all her escape routes!

Six Tribulation Tears Through Void!

The terrifying power rendered all Hu Sanniang's moves ineffective.

Her demonic aura, her demon body, could not harm Zhen Yuyang at all.

Her demonic aura couldn't even penetrate Zhen Yuyang's Six-Tribulation Thoughts.

"Impossible! You've already experienced The Five Decays of Heaven and Man. How can your thoughts be so powerful!"

Hu Sanniang found it hard to believe.

Given the potency of her demonic aura, even an ordinary Six-Tribulation Ancestor would be eroded by her.

If it were a Six-Tribulation experiencing The Five Decays, she might even completely beguile them.

Making them her subjects under the skirt.

Yet now, Zhen Yuyang's thoughts were incredibly robust and perfect beyond belief.

She even felt an absurd notion.

If Zhen Yuyang so wished, perhaps he could directly transcend the Seventh Tribulation!

Bang!

Hu Sanniang darted left and right but could not escape, eventually being firmly grasped by the Thunder Tribulation Thought's large hand.

Not far away, You Feilin, the Lord of Feilin City, looked on at this scene, subconsciously swallowing.

Great Fate Bearer, truly not to be trifled with!

With just a Second Thunder Tribulation, he managed to recruit a Six-Tribulation Overlord as an enforcer!

Lin Wudi's fate is indeed defying the heavens!

At the same time, he felt immensely fortunate.

Fortunately, he had evacuated all of Feilin City's residents.

Otherwise, the aftermath of the Six-Tribulation Overlord clashing with the three Five Tribulation forces would have affected everyone.

Now, Feilin City had become a ruin!

He indeed benefitted from the disaster.

After this, he could undoubtedly be the sole authority in Feilin City.

None of Feilin City's people would defy his words.

He might even in future see all of Feilin City rise in Buddha's light!

After all, he had saved the lives of millions in Feilin City!

You Feilin turned and left, not daring to linger further.

If mistaken by Lin Wudi as an adversary, that would truly be a grievance.

"World Master, how shall we deal with this little fox?"

In Zhen Yuyang's mouth, Hu Sanniang, the Five-Tribulation Demon, became a little fox.

Hu Sanniang felt utterly hopeless.

She knew well the fate that awaited demons caught by the Heavenly Realm Tribulation-Elders!

"Kill her..."

Lin Mu said flatly, just a mere demon, not worthy of his attention.

If Hu Sanniang hadn't "voluntarily" jumped out, he would have long forgotten that the Heavenly Square Queen was a demon.

"No... Lin Wudi, don't kill me, I know a big secret concerning your life and death!"

Hu Sanniang was scared out of her wits, quickly begging.

She'd already grown to love life in the Heavenly Realm, much more vibrant than the Demon Realm's savagery.

She didn't want to die just like this.

Though she had Demon Crystals preserved in the Demon Realm, if she died and returned there, she would never have the opportunity to enter the Heavenly Realm again.

"Concerns my life and death?"

Lin Mu smirked, skeptical.

He did not believe there was anything in the Heavenly Realm capable of threatening him.

An instinctive awareness, a crisis sensing, allowed him to avoid all fatal dangers.

"I'm telling the truth! It's related to your Six-Colored Divine Light treasure!"

At this, Hu Sanniang dared not hide anything, revealing the biggest bargaining chip for her life.

Lin Mu's expression shifted upon hearing this.

Nine Tripod Fragments?

Hu Sanniang knew secrets involving the Nine Tripod Fragments?

He had used many magical treasures.

If Hu Sanniang had spoken of the Sea-Suppressing Pearl or the Yulong Sword, even the Nine Cauldrons and Thirteen Stars, he wouldn't be surprised.

But it was precisely the Six-Colored Divine Light's Nine Tripod Fragments.

Zhen Yuyang realized that the matter Hu Sanniang spoke of had caught Lin Wudi's notice, quickly reminding him through a transmission: "World Master, you mustn't be beguiled by this little fox! Although you are guilty of killing Heavenly Realm Guards, that only means opposing them; if you fall for this little fox's seduction, you'd be fighting against the entire Heavenly Realm!"

The Heavenly Realm has always maintained zero tolerance towards the Demon Race.

Involving the Demon Race nearly always implicates the entire clan.

Even exterminating entire Holy Lands would be within their capacity!

If Lin Wudi was accused of colluding with the Demon Race, he'd find it impossible to take a step in the Heavenly Realm!

Just as in the case of Grand Governor Ji Lian and The Venerable of the Enforcement Team on Nanbotuo Continent.

The two were wary of Lin Wudi's Great Fate Bearer status and thus gathered all Heavenly Realm Guard forces of Nanbotuo Continent, forbidding them from taking action against Lin Wudi.

Yet should Lin Wudi be accused of collusion with the Demon Race, even if reluctantly, they would personally take action, killing Lin Wudi!

By that time, even Zhen Yuyang wouldn't be able to protect him!

Lin Mu was not bothered by this.

He flicked his finger, releasing nine Second-Stage Tribulation Thoughts.

Then, honing a Dharma Seal, those nine Thunder Tribulation Thoughts slowly changed shape, forming a large seal.

Lin Mu coldly instructed Hu Sanniang: "Open your mind."

Hu Sanniang's heart trembled.

Though unaware of Lin Wudi's intention, she could feel an unexplainable threat from that large seal.

It was as if she would regret it forever once she opened her mind.

But circumstances forced her hand.

If she didn't open her mind, she would have no future.

This Lin Wudi dared to kill both Enforcement Team and the prestigious family members.

She, a mere demon, stood no chance of evoking Lin Wudi's sympathy!

Hu Sanniang, eyes brimming with tears, humiliatingly opened her mind.

Those unaware might think she was being ravaged by Lin Wudi.

"Seal!"

Lin Mu pointed a finger, and that large seal shot into Hu Sanniang's mind.

Immediately, Hu Sanniang sensed a mysterious connection forming between her and Lin Wudi.

A sudden impulse arose within her—an insatiable urge to please Lin Wudi by any means.

"What... what have you done to me?"

Hu Sanniang's seductive charm vanished, her complexion pale, body trembling in fear.

Chapter 1123: Life and Death Are Mine to Decide!

"Beast Taming Seal!"

Lin Mu said indifferently.

The Beast Taming Seal is a technique used by Immortals of the Immortal Realm to control their mounts, so controlling a mere member of the Demon Race is naturally no issue.

"The Beast Taming Seal, why do I... I..."

"Why do you feel an uncontrollable urge to give everything for me, even sacrifice your life?"

Lin Wudi interrupted Hu Sanniang with a half smile.

Hu Sanniang shivered.

It was indeed due to this so-called Beast Taming Seal.

If only she could kill him...

Just as this thought arose in Hu Sanniang's mind, a searing pain surged from the depths of her soul, making her tremble!

"Ah!"

Hu Sanniang screamed in agony.

If Zhen Yuyang hadn't held her, she would have been writhing in pain on the ground.

Even a proud master of the Five Tribulations could not endure such suffering!

And that wasn't even the most terrifying thing for her.

The true moment of terror was when a voice echoed in her mind.

"You should offer everything, serve him, protect him, respect him!"

Yet she felt this voice was very reasonable.

A feeling of surrender and worship arose towards Lin Wudi.

This helpless sensation made Hu Sanniang shudder.

Lin Mu said to Zhen Yuyang, "Old Zhen, you can let go of her now."

Once marked by the Beast Taming Seal, life and death are under my command!

Zhen Yuyang skeptically released the Hand of Tribulation Thought.

Hu Sanniang gracefully knelt, "Greetings, Master..."

As she spoke, she didn't even dare to look up at Lin Mu, her face flushed with excitement and reverence.

Zhen Yuyang was dumbfounded, looking at Lin Mu in shock.

What kind of technique is this that it can make the Demon Race submit like this?

Moreover, Zhen Yuyang could see that Hu Sanniang's submission seemed genuinely from the heart, not forced by threat.

How is this possible?

Zhen Yuyang, with his cultivation level of Six Tribulations, felt a shiver down his spine.

"Old Zhen, since I have this guardian now, you don't need to follow. Return immediately to the Heavenly Battlefield and find a secret place to transcend your tribulation!"

Lin Mu instructed.

Zhen Yuyang nodded with a bitter smile.

Unexpectedly, after subjugating the demoness, he was replaced.

But this was fine, the sooner he advanced to the Seventh Tribulation, the more he could truly assist Lin Mu.

In the Heavenly Tribulation, the Seven Tribulations is already peak combat strength!

Even the Eighth Tribulation must show some respect.

Once he ascends to the Seventh Tribulation, the issue of Lin Mu killing the Heavenly Realm Guard might be resolvable.

"In that case, World Master, take care!"

After bowing, Zhen Yuyang left.

The Five Decays of Heaven and Man has plagued him for hundreds of thousands of years, and he also wishes to be liberated soon.

Hu Sanniang was shocked again when she heard their conversation.

Indeed, her feelings were accurate, Zhen Yuyang can indeed transcend the tribulation anytime!

If Lin Wudi had the protection of the Seven Tribulations Overlord, then recognizing him as master might be a good choice.

"No, no, no... Hu Sanniang, you can't think like this! You are a proud master of the Five Tribulations, how can you willingly recognize him as your master..."

Hu Sanniang's expression was conflicted as she wrestled with her thoughts.

But she could feel her resistance waning.

Perhaps in a few decades, she would forget the current humiliation and truly become a maid willing to die for Lin Wudi!

The Beast Taming Seal is too terrifying!

If this secret technique was mastered by the Heavenly Realm, the Demon Realm would be doomed!

The only comfort for Hu Sanniang is that her new master is not accepted by the Heavenly Realm.

The art of Beast Taming seems unlikely to be known by the Heavenly Realm!

"To Tianhai Wharf!"

Lin Wudi commanded as he led the way with the Tribulation Thunder Thought.

Hu Sanniang unconsciously followed behind, not daring to overstep.

Slap!

Hu Sanniang slapped herself.

"Hu Sanniang, you're so cheap! You're not this person's maid, he's your enemy!"

But, an enemy can also become a friend.

With Lin Wudi so powerful, if he could be drawn to the side of the Demon Realm, then...

Hu Sanniang's charming face twitched with muscle spasms, oscillating between submission and anger.

She realized the terrifying aspect of the Beast Taming Seal was its ability to use seemingly reasonable thoughts to brainwash her.

Like an idea of drawing Lin Wudi to the Demon Realm.

This sounded reasonable, and even Hu Sanniang was tempted.

If it could truly be done, the Demon Realm would gain incredibly.

Lin Wudi is a peerless genius akin to Daoist Master Yellow Springs!

With such a plausible reason, her resistance continued to wane.

...

Tianhai Wharf.

Ku Lou looked at the elderly man in front of him, his gaze indifferent.

"Your Azure Holy Land wishes to interfere with the matters of the Heavenly Realm Guard?"

Not long ago, this Five Tribulations Overlord named Xu Hun, claiming to be from Azure Holy Land, had come to discuss and wanted to take over Lin Wudi's matters.

Ku Lou had directly thrown him out.

Mere Holy Lands daring to meddle in the affairs of the Heavenly Realm Guard, who gave them such courage!

Unexpectedly, barely half a month later, he returned again with the same request!

Xu Hun wore an enigmatic smile and said, "Our Lord Wuming will arrive at Tianhai Wharf in three months, and by then, it won't be up to the Garrison Commander to decide!"

"Are you threatening me?"

Ku Lou's aura grew cold.

Lord Wuming was a Six-Tribulation Overlord of Azure Holy Land, famous around the Sea of Heaven.

During his time guarding Tianhai Wharf, Ku Lou had heard this name many times.

But so what!

The Heavenly Realm Guard will not bow to a Six-Tribulation Overlord!

If Xu Hun could summon a Seven-Tribulation Overlord, perhaps then he would show some face!

Lin Wudi is related to breakthroughs beyond Six, even Seven Tribulations, how could he give that up just by Xu Hun's words.

"Guard Ku Lou, those who know when to retreat are truly wise..."

Boom!

Before Xu Hun could finish, Ku Lou had already struck fiercely!

As he struck, it was with a Tribulation Thought Blade composed of seven thousand Tribulation Thunder Thoughts!

"Impossible!"

Seeing the flashes of thunder, like miniature worlds, made up of seven thousand Tribulation Thunder Thoughts, Xu Hun was filled with disbelief.

The number of Tribulation Thunder Thoughts forming the Tribulation Thought Blade directly determines the power of a Tribulation Transcender!

The same Five Tribulations Overlord, the more Tribulation Thunder Thoughts in their Tribulation Thought Blade, the stronger they are!

Even for someone from an Ancient Holy Land like Azure Holy Land, Xu Hun's limit was only three thousand five hundred!

Seven thousand versus three thousand five, what a disparity!

This nearly equates to Ku Lou's Tribulation Thought Blade's strength and attack power being double that of Xu Hun!

If they were truly to fight, it would be an absolute crush!

"A frog at the bottom of a well dares to compete with me for opportunities! Leave! Or I'll cripple you!"

Ku Lou's gaze was cold, full of disdain.

The Heavenly Realm Guard are the true rulers of the Heavenly Realm!

Mere Holy Lands daring to challenge the Heavenly Realm Guard!

If you want Lin Wudi, let a Six-Tribulation Overlord snatch him!

Xu Hun's expression turned unsightly, about to leave in a huff, when his expression suddenly changed.

Opposite him, Ku Lou's expression also drastically altered.

Rumble!

In the sky, thunder suddenly rumbled.

The next moment, two enormous phantoms slowly descended from the sky.

One was a plaque obscuring the heavens, the other a longsword spanning the void.

Meanwhile, seven-colored light cascaded from the sky.

An indescribable sorrow welled up in both Ku Lou and Xu Hun's hearts.

"Phenomena descending, heaven and earth mourn together, this means an overlord-level powerhouse has fallen!"

"Plaque, longsword, these belong to the Enforcement Team and the famed family!"

Their hearts trembled with disbelief.

They couldn't remember the last time an overlord had fallen in the Heavenly Realm.

Perhaps it hadn't been since a million years ago during the rise of Daoist Master Yellow Springs.

"Could it be Su Zhen?"

Chapter 1124: This Man Is Too Uncanny!

Enforcement Team, Overlord!

Combining these two, Ku Lou first thought of Su Zhen!

But he was somewhat unsure.

If only Su Zhen fell, it's easier to explain!

But what's with the overlords from prestigious families?

Ku Lou frowned deeply, suddenly having a bad premonition in his heart.

However, Lord Xu Hun no longer lingered and directly turned to leave.

At the very moment of leaving Tianhai Wharf, he crushed a jade pendant!

To capture Lin Wudi and acquire his fortune, Lord Wuming must hurry!

In recent years, due to Lin Wudi's appearance, the changes in the Heavenly Realm have baffled even overlords like him who have undergone five tribulations.

Today, two overlords have fallen simultaneously!

If this shocking event is related to Lin Wudi, then Lin Wudi's danger level needs to be increased!

Before Lord Wuming arrives, Xu Hun plans to stay out of Lin Wudi's affairs!

This Lin Wudi is too uncanny!

The fall of two overlords could be sensed by the whole Nanbotuo Continent.

Everyone looked at the sky, bewildered.

It was only under the reminder of the Tribulation-Crossing Ancestor that many realized it was the fall of overlords!

And two at once!

"The Heavenly Realm is going to change!"

A Tribulation-Crossing Ancestor lamented.

After lamenting, swiftly leaving Tianhai Wharf.

Because of the fall of two overlords, Nanbotuo Continent has become a place of strife.

In just a few days, over half of the people at Tianhai Wharf left.

At a tavern within Tianhai Wharf.

Lady Xin Thirteen and four women, with Hui Yao, also felt the sorrow of the overlords' fall.

"Could this be related to Master?"

Li Lingqing murmured softly.

According to the original plan, Lin Mu should have arrived at Tianhai Wharf two months ago.

Due to Lin Mu's late arrival, the talisman failed, forcing them to abandon the Imperial Sky Flying Boat and stay low.

Now, seeing the fall of overlords, Li Lingqing first thought of Master Lin Mu!

Hui Yao's mouth twitched, saying nothing.

Even if he maximizes the estimation of Lin Wudi, he doesn't think the fall of the two overlords has anything to do with Lin Wudi.

These are five tribulation overlords!

One could annihilate the entire Li Mo Continent!

Such powerful figures, how could they fall at the hands of Lin Wudi who has only undergone one tribulation.

No matter how marvelous Lin Wudi's magical treasures are, it's impossible!

Lady Xin Thirteen, however, remained very calm.

She calmly said, "If this matter is related to Benefactor, then within seven days, he will definitely appear at Tianhai Wharf!"

Hui Yao's expression changed.

If it is true, it might be as Lady Xin Thirteen said.

At this time, Langya, who had been silent, suddenly put down the wine glass and said: "We should leave Tianhai Wharf!"

Everyone was stunned, not understanding what she meant by this.

Langya said: "Haven't you noticed that the atmosphere at Tianhai Wharf has been off these past months?"

"What do you mean?" Lady Xin Thirteen frowned and asked.

"If I'm not mistaken, there might be powerful figures at the Tianhai Wharf waiting for the master to throw himself into the net!"

Langya's voice was icy!

This time Li Lingqing also understood Langya's meaning, stood up and said: "We should immediately leave Tianhai Wharf!"

Seeing that even Mia Qing was doubtful, Li Lingqing gravely said: "If Master arrives and clashes with that strong adversary, we might get caught in the crossfire!"

Only then did the three understand Langya and Li Lingqing's meaning.

However, understanding was one thing, but Hui Yao felt a bit weary.

These two women are assuming the fall of the two overlords is related to Lin Wudi?

Moreover, for it to affect the entire Tianhai Wharf, the fight likely involves Overlord-level figures.

How, in just a few months, has Lin Wudi become capable of fighting an overlord-level person?

Hui Yao was doubtful.

Mia Qing's expression changed, and she calculated a bit.

A wisp of white hair appeared at her temples.

"It is indeed possible that the World Master is involved! Continued presence here would pose a threat to our lives!"

Having spent nearly a year together, Lady Xin Thirteen now greatly trusts Mia Qing's Divine Calculating Heavenly Secret technique.

Upon hearing this, she immediately stood up.

"Go! Leave Tianhai Wharf immediately!"

Hui Yao, helpless, could only follow the four in leaving.

As they stepped out, they discovered that they were not the only ones leaving.

Due to the fall of two overlords, many became aware of the danger and chose to leave in droves.

After weeks of stirring.

Especially with Feilin City's mass evacuation, the Heavenly Realm Guard's wanted fugitive Lin Wudi rumored to appear at Tianhai Wharf, has become not so secret anymore.

Coupled with the fall of the two overlords, many people found it very ominous.

They began to retreat.

Ku Lou stood in the sky, watching the people below retreating one after another, his expression unpleasant.

Down below, even Tribulation-Crossing Ancestors, and Integrate Dao Divinity Transformation figures sensed the threat, how could he, a five tribulations overlord, not be aware?

But he couldn't just leave without a concern!

Having pursued Lin Wudi for nearly a year, if he left with nothing, he would be laughed at by everyone, never able to lift his head again.

More importantly, he did not believe the fall of these two overlords was related to Lin Wudi.

Lin Wudi was merely of the one tribulation level!

If one tribulation could reverse-cut down five tribulation overlords, Ku Lou felt then he might as well die on the spot!

If such a small chance occurrence could happen, it speaks to his poor fortune!

Yet, if he didn't push forward and left dejectedly like this, he wouldn't be satisfied.

"Ku Lou, you asked someone to contact me for what purpose?"

Xu Hun's silhouette appeared beside him, full of puzzlement.

He had already planned to lay low temporarily, waiting for Lord Wuming to arrive before making plans.

Unexpectedly, Ku Lou unexpectedly sent someone to invite him.

"Let's wait a moment..."

Ku Lou stood in the void with hands behind his back, a faint killing intent emanated from his body.

No one dared to approach within several dozen miles.

Swoosh!

A bolt of lightning thundered.

"Ku Lou, Xu Hun!"

A woman in purple appeared before them.

"East Victorious Divine Continent, Rune Holy Land, Li Fu!"

Xu Hun recognized the woman's identity, also a five tribulations overlord, famed in the Heavenly Battlefield.

Rune Holy Land's people specialize in talismans, possessing formidable prowess.

Capable of fighting two foes simultaneously!

Why did Ku Lou bring this woman over?

"I want to invite you both to join hands with me to subdue Lin Wudi!"

With Ku Lou's first sentence, both were shocked to the core.

Days ago, they had suggested capturing Lin Wudi to Ku Lou, who had adamantly refused.

Unexpectedly, within days, Ku Lou took the initiative to make the invitation...

"I said to cooperate with both of you, not with the holy lands behind you!"

Ku Lou's eyes flickered.

"What do you mean?" Li Fu asked with a frown.

Xu Hun, enlightened, exclaimed: "You wish to monopolize Lin Wudi's fortune?"

Ku Lou nodded, saying coldly: "If we send Lin Wudi to our respective forces, how much benefit could we receive? So, I suggest we three work together, capture Lin Wudi, and split the fortune among ourselves. What do you think?"

Xu Hun showed a gleeful expression.

If monopolizing Lin Wudi's fortune, he may even hope to break through six or seven tribulations!

Lin Wudi's artifact cultivation technique and special attack methods are fortunes strong enough to make them undefeated among peers!

Li Fu's beautiful eyebrows furrowed at Ku Lou's boldness.

"Why don't you act yourself? It's merely one tribulation, why do we three overlords need to join forces?"

Li Fu asked, puzzled.

Chapter 1125: Lin Wudi, Wanted Criminal!

Ku Lou did not speak, only looked at Li Fu with an expression as if he were an idiot.

Li Fu was initially stunned, then suddenly understood and exclaimed in shock, "You... you suspect that the fallen Enforcement Team Overlord is Commander Su Zhen?"

Xu Hun was also surprised, looking at Ku Lou.

Ku Lou still remained silent, but his gaze conveyed a cold indifference that suffocated both of them.

If the fallen Overlord was Su Zhen, it would mean that Lin Wudi or someone by his side could kill a Five Tribulations Overlord!

Thinking of this possibility, the two of them couldn't help but shiver.

Even if the Enforcement Team's Su Zhen was killed, they didn't think they were much stronger than Su Zhen!

At this moment, Ku Lou slowly spoke, "The situation is not as bad as you think. I just suspect that the aristocrats have meddled in Lin Wudi's affairs!"

Only then did Xu Hun and Li Fu realize.

So it is!

The more they thought about it, the more they felt Ku Lou's words made sense.

The two Overlords fell at almost the same time.

If Lin Wudi or someone by his side really killed them, it would imply the combat power of a Six-Tribulation Overlord!

A Six-Tribulation Overlord could not possibly collude with Lin Wudi!

Even a fool would know that Lin Wudi is now a wanted criminal by the Heavenly Realm Guard!

Joining forces with Lin Wudi means opposing the Heavenly Realm Guard!

Are you tired of living?

"Alright! Then the three of us will join forces! But let me say first, if things go awry, I will leave immediately!"

Li Fu's eyes flickered as he made a decision.

The temptation of Lin Wudi's opportunity was too great!

So great that he's willing to gamble once!

Xu Hun also nodded heavily!

A hint of a smile appeared on Ku Lou's indifferent face as he said calmly, "There's no need for you two to be so nervous, here's the plan..."

Ku Lou shared the plan he had devised with the two of them.

Upon hearing it, both gave Ku Lou a wary glance.

This guy, with such a coarse name and bold appearance, unexpectedly had such a meticulous mind.

"Alright! Let's do as Director Ku suggests!"

The figures of Li Fu and Xu Hun suddenly disappeared.

Ku Lou silently watched the retreating crowd at Tianhai Wharf, a mocking smile flashing in his eyes.

Then, his figure also suddenly vanished.

A day later!

Suddenly, there was a commotion at Tianhai Wharf.

An Imperial Sky Flying Boat appeared over Tianhai Wharf.

"It's the Heavenly Realm Guard! Why are they coming to Tianhai Wharf? Is it to investigate the fall of that Enforcement Team Overlord or to hunt Lin Wudi?"

"In these times, the Heavenly Realm Guard still dares to show up, such audacity!"

"The Heavenly Realm Guard now is worse off than a featherless Phoenix..."

Those still at Tianhai Wharf were all audacious folks.

When mentioning the Heavenly Realm Guard, their words were full of ridicule.

In the past two years, the Heavenly Realm Guard has indeed suffered several major setbacks!

First, it was a Director of Third Tribulation, then a Centurion of Fourth Tribulation.

Now even the Overlord of the Enforcement Team has fallen!

In both the Northern Jambu Continent and the Nanbotuo Continent, the Heavenly Realm Guard has become completely disgraceful!

The once impressive air of the Heavenly Realm Guard is no more.

Whoosh, whoosh, whoosh!

Eight figures appeared from the Imperial Sky Flying Boat!

"The wanted criminal Lin Wudi from the Heavenly Realm Guard is likely hiding at Tianhai Wharf. We are conducting a search. Everyone cooperates with the investigation!"

Among the eight people, one spoke aloud.

The rebellious individuals at Tianhai Wharf were about to mock them, but someone beside them tugged them fiercely.

"All of them are Centurions! Don't cause trouble!"

"What? They deployed eight Fourth Tribulation officers at once. Truly worthy of the Heavenly Realm Guard, experts abound!"

Seeing these eight people's attire clearly, the faces of the people at Tianhai Wharf changed significantly.

Who would have thought the Heavenly Realm Guard would still be this formidable!

They deployed eight Centurions from the Heavenly Realm Guard at once!

Such power is enough to sweep across any Central Continent!

The Heavenly Realm Guard truly deserves its reputation!

The recent decline of the Heavenly Realm Guard was somewhat reversed by the appearance of the eight Fourth Tribulation Centurions.

Everyone at Tianhai Wharf was angry but dared not speak and could only wait quietly for the inspection.

The eight Centurions split into groups of two to search.

Some people clearly looked uneasy upon the inspection of the Heavenly Realm Guard.

This was not unexpected.

Truly good people would have already left Tianhai Wharf.

No ordinary person would dare to linger in a place where even an Overlord fell.

Those who remained in Tianhai Wharf had their reasons that necessitated their stay.

Most of them could not see the light of day.

As soon as the Heavenly Realm Guard began the inspection, conflict immediately broke out.

A Fourth Tribulation Holy Master from the Holy Lands of the Central Continent refused to cooperate with the inspection of the Heavenly Realm Guard!

Boom!

The Heavenly Realm Guard, two per team, directly attacked the Holy Master.

"Bastards!"

"Those bastards!"

The surrounding people cursed loudly and hurriedly began to retreat.

Three Fourth Tribulation Overlords fought, which was no joke.

Within a few moves, the surrounding dozens of miles turned into ruins!

The shockwave from the explosion swept in all directions.

In a regular shop at Tianhai Wharf.

"Ku Lou, are you sure this plan will work?"

Li Fu asked a bit uncertainly.

At the beginning, both thought Ku Lou's plan was fine and could be considered insidious.

Unexpectedly, just as the plan started, there was a deviation!

The appearance of eight Centurions did not stabilize the situation.

Some dared to fight back against the Heavenly Realm Guard.

Ku Lou's gaze remained calm as he said blandly, "Don't worry, the process is not important, the result is!"

Suddenly, Xu Hun's expression changed slightly.

"An Overlord has arrived!"

With his words, thunder suddenly boomed in the sky.

Kaboom!

The huge rumble made the vast Tianhai Wharf tremble.

The three fighting individuals also stopped simultaneously, looking over with uncertainty!

The thunder slowly dissipated.

Two figures appeared before everyone.

A young man in white stood with his hands behind his back, looking like an Immortal banished to mortality.

Behind the young man was a woman in a gauze dress, charming and enchanting, standing like a servant.

Seeing the newcomers, all eight Centurions' expressions changed drastically.

Among them, two even twitched at the corners of their mouths.

According to the plan, their task was to lure Lin Wudi out.

They had thought Lin Wudi would hide and secretly sneak into Tianhai Wharf.

Who would have thought Lin Wudi would be so bold, appearing openly before everyone.

In so doing, almost all their plans were shelved.

The two exchanged glances, bracing themselves to step forward.

"In search of the Heavenly Realm Guard's wanted criminal, Lin Wudi, you two, come down for inspection."

One of them spoke solemnly, but his voice trembled as he spoke.

Seeing this scene below, the people at Tianhai Wharf were a bit dumbfounded.

Are the Heavenly Realm Guard guys crazy?

Don't they see these are Overlords?

A few Centurions daring to inspect an Overlord, have they grown tired of living!

Lin Mu stood with his hands behind his back, his gaze indifferent.

Hu Sanniang inexplicably felt a sense of absurdity.

Searching for the wanted criminal Lin Wudi?

Lin Wudi is standing right there before you, unhidden!

Are these Heavenly Realm Guard folks fools?

At this moment, one of the Heavenly Realm Guards suddenly pulled out a revealing mirror and aimed it at Hu Sanniang and Lin Mu.

"Damn it!"

Hu Sanniang was furious!

She recognized that the mirror was a Revealing Mirror!

It served two main purposes: one, to show the true strength of the person in the mirror, and two, to reveal the form of the Demon Race!

If caught in the Revealing Mirror and shown in demon form, even Lin Wudi couldn't protect her!

Chapter 1126: I Must Protect My Master!

The speed of a Five Tribulations Thunder Tribulation Overlord is fast, but still not as fast as a flash of the Revealing Mirror.

A beam of golden light shot onto Hu Sanniang's body.

Hu Sanniang flared up like a fox struck by an arrow, her fur standing on end in an instant!

Just as Hu Sanniang was about to go all out and slaughter everyone in front of her, Lin Wudi's voice sounded by her ear.

"Calm down, watch and wait."

That single sentence was like a spring of clear water, dousing the anxiety and anger in Hu Sanniang's heart.

Master's voice sounds so nice...

Hu Sanniang thought to herself.

"No... no, he's not my master, I'm just being manipulated by him..."

Hu Sanniang's face turned pale as she realized she was losing control of herself more and more.

"Five Tribulations Thunder Tribulation Overlord?"

That Heavenly Realm Guard Centurion saw the cultivation level shown on the Revealing Mirror and felt greatly relieved, then immediately made a covert hand signal to those behind him.

Inside the shop, Ku Lou and the other two showed joy on their faces.

"Ha! This Lin Wudi really is stupid! He actually dares swagger around Tianhai Wharf with just a Five Tribulations!"

"Looks like this idiot had nothing to do with that Overlord falling a few days ago!"

Xu Hun and Li Fu both looked at Ku Lou with even more respect in their eyes.

Up in the void, after the Heavenly Realm Guard Centurion finished his hand signal, his expression suddenly changed drastically.

"Demon Race! That woman is Demon Race!"

The moment these words came out, the scene erupted in an uproar.

The onlookers on Tianhai Wharf all changed color together and subconsciously retreated backward.

Demon Race.

In the Heavenly Realm, it's practically a taboo!

Every time the Demon Race appears, it brings a storm of blood and slaughter!

Hu Sanniang looked like "so it really came to this," her face full of despair.

She'd hidden in the Heavenly Realm for so many years without being exposed, only to be revealed on the spot because of this foolish master.

Lin Mu looked at those Heavenly Realm Guards with a hint of amusement in his gaze.

The Heavenly Realm Guards really would stoop to anything to deal with him.

He knew very clearly that once the Beast Taming Seal had been applied, so-called Revealing Mirrors and Demon-Exposing Mirrors could never show Hu Sanniang's true form!

These Heavenly Realm Guards were purely throwing filth at him, pushing him into opposition with everyone in the Heavenly Realm.

Sure enough, the next moment, that Centurion shouted loudly: "You... you're Lin Wudi! You slaughter Heavenly Realm Guards and even collude with the Demon Race! You deserve a thousand deaths!"

Boom!

The atmosphere on Tianhai Wharf exploded in an instant!

The name Lin Wudi had spread all over Nanbotuo Continent these past few months.

With one sword strike he killed two Fourth Tribulation Thunder experts, slaughtered the Li Mo Continent Heavenly Guards, and wiped out a Heavenly Realm Guard Centurion!

In just a few short months, Lin Wudi's name was more resounding than many Blacklist Assassins.

No one had expected Lin Wudi to actually be colluding with the Demon Race!

They had thought he was a Heavenly Realm Tribulation-Elder, a lone hero standing against the Heavenly Realm Guards, but it turns out he's a traitor colluding with the Demon Race!

"Kill him!"

"Traitors must die!"

"Kill the traitor!"

On Tianhai Wharf, someone shouted out.

"Kill the traitor!"

Moments later, like a giant wave, everyone was shouting for the Heavenly Realm Guards to kill Lin Wudi.

In an instant, those who had originally supported Lin Wudi stood over on the Heavenly Realm Guards' side instead.

The humiliation the Heavenly Realm Guards had suffered over these past months was almost instantly reversed!

Inside the shop.

Xu Hun and Li Fu watched the surging crowd, feeling even more admiration in their hearts.

Ku Lou's plan was downright vicious!

After today, even if Lin Mu doesn't die, he'll become a target for all, a Human Race traitor spat on by everyone.

No one will ever help Lin Wudi again!

"Time for us to make our move!"

Ku Lou's gaze was icy cold.

With only a Five Tribulations Thunder Tribulation Overlord at Lin Wudi's side, the three of them felt no fear at all!

"Hahaha, Commander Ku, your divine strategy is unparalleled! We're sure to win this time, just don't forget your previous promise!"

Xu Hun laughed loudly, looking utterly confident of victory.

Up in the void, eight Heavenly Realm Guard Centurions struck a pose of bravely dying for the Heavenly Realm, blocking the way in front of Lin Wudi and Hu Sanniang!

Cold light flashed in Hu Sanniang's eyes, her demonic aura about to burst forth.

"They're only framing you; they haven't actually discerned your true form. Don't use demonic aura."

Lin Mu's voice sounded by Hu Sanniang's ear again.

Hu Sanniang's eyes widened in astonishment.

Impossible!

The other side clearly...

The next moment, she understood as well.

"These Heavenly Realm Guards really are shameless!"

Hu Sanniang cursed out loud!

Most likely, those Heavenly Realm Guard Centurions hadn't expected their frame-up to accidentally hit the mark.

Otherwise they wouldn't dare stand so "heroically" in front of a Five Tribulations Demon Race Overlord!

A Demon Race member getting slandered as Demon Race.

Could anything be more absurd than that!

Just then, a voice sounded from afar.

"Lin Wudi, I didn't expect you to be this kind of despicable scum! A traitor of the Human Race deserves death at everyone's hands!"

With the voice, Ku Lou, clad in Heavenly Guardian Commander armor, appeared in the void, looking mighty and imposing.

The people at Tianhai Wharf saw the Heavenly Guardian Commander descend and cheered in unison.

"The Commander is right! Kill this traitor!"

"Kill!"

Lin Mu looked with interest at the Heavenly Guardian Commander before him.

It seemed that today's farce was born of this man's scheming.

Compared to Jing Zixuan and the others, this fierce-looking Commander clearly had more brains.

"Lin Wudi, will you surrender now, or shall I take you down myself?"

Ku Lou's gaze was icy, killing intent boiling off him, cold, piercing energy flooding heaven and earth.

He stood there like a war god, towering before Lin Mu and Hu Sanniang!

Lin Mu spoke calmly: "I won't let you die that easily..."

As Lin Wudi's words fell, Hu Sanniang attacked without hesitation!

She'd long been itching to act.

She had hidden in the Heavenly Realm for years without being discovered, and now all her efforts had gone to waste, being "slandered" as Demon Race!

These bastard Heavenly Realm Guards deserved death!

"Bold Demon Race! You dare raise a hand against the Heavenly Realm Guards! Commander Ku, I will assist you!"

A Demon-Subduing Pestle composed of three thousand Tribulation Thunder Thoughts descended from the sky, smashing toward Hu Sanniang!

Despicable!

Hu Sanniang cursed inwardly and forcefully changed her move!

Boom! Boom!

Two waves of power exploded!

One longsword composed of four thousand Five Tribulations Thunder Thoughts slashed toward Ku Lou.

The other longblade composed of four thousand Five Tribulations Thunder Thoughts chopped toward the Demon-Subduing Pestle!

Xu Hun, who was controlling the Demon-Subduing Pestle, felt his heart lurch.

Who was this woman, to possess a Cultivation Technique capable of wielding four thousand Tribulation Thunder Thoughts!

Even within the Divine Continent Sacred Ground of the Four Great Divine Continents, only top Banished Immortal Level geniuses had Cultivation Techniques of this tier.

Ku Lou's pupils shrank sharply as well.

The Overlord at Lin Wudi's side was far stronger than he'd imagined.

She actually possessed a top-tier Cultivation Technique not inferior to the Heavenly Realm Guards'!

He secretly rejoiced in his heart.

If he hadn't brought Xu Hun and Li Fu to join forces, he really might not have been able to take down this woman and Lin Wudi together.

"Slash!"

Ku Lou gave a low shout.

Seven thousand Five Tribulations Thunder Thoughts formed a terrifying skull, surging with dense black qi, lunging at Hu Sanniang!

"Seven thousand Five Tribulations Thunder Thoughts! Monstrous Grade Technique!"

Hu Sanniang's expression changed drastically.

Everything really was going wrong today.

First she got slandered as Demon Race, and now a terrifying enemy using a Monstrous Grade Technique pops up!

Her first instinct was to run.

"No, I still have to protect Master!"

In her mind, a voice drowned out her survival instinct.

Red light flashed in Hu Sanniang's eyes as two Blades of Thought composed of four thousand Five Tribulations Thunder Thoughts met the skull head-on.

Chapter 1127: With Invincibility, I Suppress the Ten Thousand Realms!

Bang bang!

Thunderous collision sounds erupted almost simultaneously.

The world between heaven and earth changed color as storms gathered.

Two terrifying energy storms swept out from the point where the Tribulation Thought Blade collided!

"Not good, retreat quickly!"

"Escape!"

Those who were clamoring to kill Lin Wudi only now realized they should flee!

Rumble!

Frightening shockwaves with astonishing destructive power, like two apocalyptic tornadoes, obliterated everything in their wake.

Whether shop defensive formations or the Imperial Sky Flying Boat, they were fragile as paper before the bombardment of the Five Tribulations' Thunder Thought.

"Ah... my Tribulation Thunder Thoughts!"

Hu Sanniang's face turned pale, nearly spitting blood.

Her Sea of Consciousness boiled as if brought to a rolling boil.

The Tribulation Thought Blade, composed of seven thousand Tribulation Thunder Thoughts, had nearly double the power of Hu Sanniang's Tribulation Thought Blade!

Even though Hu Sanniang had two Tribulation Thought Blades with a total of eight thousand Tribulation Thunder Thoughts, it was useless!

In one strike, Hu Sanniang had at least three thousand Tribulation Thunder Thoughts shattered!

Xu Hun also spat blood, flying backward.

He was no match for Hu Sanniang, either.

But he had successfully entangled Hu Sanniang's attack.

"Die!!"

Xu Hun pressed his advantage, launching the Demon-Subduing Pestle again.

This time, four Demon-Subduing Pestles targeted Hu Sanniang!

Ku Lou's skull head also let out a silent roar, continuing its advance!

The previous strike had barely harmed Ku Lou!

The skull head, composed entirely of Five Tribulations' Thunder Thoughts, was eerie and shadowy.

Its eye sockets seeped with a ghostly green light, becoming even more horrifying.

An irrepressible fear rose in the hearts of all who saw the skull head.

"There's actually such an attack method? Is this the Heavenly Realm Guard's cultivation technique?"

"A Tribulation Thought Blade with a Divine Sense Attack?"

"This Ku Town Guard's strength is simply terrifying!"

Everyone at Tianhai Wharf was awed by Ku Lou's eerie cultivation technique, their hearts shaken.

A silent roar stirred the deepest fear in people's hearts.

Hu Sanniang's heart wavered with retreat.

But voices in her mind insisted she protect her master at any cost.

Even knowing it was the Beast Taming Seal's influence, she was helpless.

"I'll fight to the death with you all!"

Hu Sanniang roared, unleashing all her Tribulation Thunder Thoughts!

As she released all her Tribulation Thunder Thoughts, a voice emerged in the void.

"How could Rune Holy Land be absent when slaying the Demon Race!"

With the voice, a gigantic talisman, made of Five Tribulations' Thunder Thoughts, descended with astounding power.

The void trembled, and Spiritual Energy boiled.

This realm seemed upturned by the talisman.

The talisman's target was not Hu Sanniang but a by-standing Lin Wudi!

On the talisman, swords and blades seemed to cut through the air, forming a cage enveloping all around.

Each blade seemed to consist of thousands of Tribulation Thunder Thoughts.

Containing unmatched power!

Li Fu's secret art from Rune Holy Land, the Great Talisman Technique!

One of the few methods in the Heavenly Realm that could integrate Dao Arts with Tribulation Thunder Thoughts!

The power was formidable.

She had lain in ambush for long, waiting until Hu Sanniang had exhausted her strength, unable to protect Lin Wudi, before seizing the chance to strike!

Three overlords' plot must not let Lin Wudi escape!

Seeing this, Hu Sanniang felt conflicting thoughts surge within her.

Pain!

Relief!

Sorrow!

Exhilaration!

She wanted to save her master but was already too late!

"If Lin Wudi is killed, would I also suffer?"

Such a thought flashed through Hu Sanniang's mind.

In the next instant, a dragon-like soft hum sounded through the world.

Zheng!

An unparalleled treasure blade appeared before everyone.

Nine Cauldrons and Thirteen Stars, appearing in the Heavenly Realm for the first time!

Ku Lou didn't know what power this magical treasure possessed.

But the moment Nine Cauldrons and Thirteen Stars appeared, a foreboding premonition arose in his heart.

Though it seemed a cracked treasure on the verge of breaking, Ku Lou felt a deathly sense of crisis.

"Li Fu! Use all your strength, kill Lin Wudi!"

No longer capture alive!

No longer dared to hope for capture!

This magical artifact was too terrifying!

The Sea-suppressing Pearl suppressed the Three Tribulations.

The Yulong Sword slew the Four Tribulations.

Could this mysterious magical treasure threaten the Five Tribulations Overlord?

If not entangled by Hu Sanniang, Ku Lou would've wanted to flee!

Hearing this, though puzzled, Li Fu still released all her Tribulation Thunder Thoughts as instructed!

Three talismans, in the shape of a product character, pressed toward Lin Wudi.

Each talisman was dreamlike and crystalline, filled with intricate and mysterious patterns.

A single talisman forming an array, three talismans shaking the skies of Rune Holy Land!

With the release of three talismans, Spiritual Energy in the void instantly disrupted.

Even Hu Sanniang, Ku Lou, and Xu Hun were affected, their attack power reduced by twenty percent!

This was the power of talismans.

"Hahaha..."

Lin Mu suddenly laughed skyward, his voice filled with oppressive dominance.

"Today, I shall let the Heavenly Realm know that I, Lin Wudi, need not collude with the Demon Race."

"I alone am the law!"

"I alone am the tribulation!"

"I alone, fear not the Heavenly Realm Guard!"

I assert my invincibility over ten thousand realms!

As Lin Mu spoke, all six stars on the Nine Cauldrons and Thirteen Stars blade lit up.

Six fragments of the Nine Cauldrons began to release limitless energy.

In the sky above, it was like six suns rising simultaneously, brilliant and dazzling.

Lin Mu gripped the blade handle with an astral hand, gaze filled with uncontainable excitement and confidence.

"Nine Cauldrons Technique, Third Form!"

"Annihilate All Beings!"

The first form of Nine Cauldrons, Heaven and Earth Sunder, broke the heaven and earth skies, an unmatched offensive.

The second form, Sever Time, slashed time's cycles, diminishing lifespans.

The third form, Annihilate All Beings, annihilated all beings across realms, born solely for slaughter!

A radiant light illuminating heaven and earth shone on the blade of Nine Cauldrons and Thirteen Stars.

Blade light like a star river transformed into the power of annihilating all living creatures.

As though, with Lin Mu's strike, he mastered life and death, traversed reincarnation!

Under a single strike, all beings bowed!

This strike encapsulated all the power of Heavenly Emperor Nine Steps, along with the terrifying might of Three Slays of Demons.

All the power concentrated in this one strike.

Swoosh!

One strike, unleashed!

The first to bear the brunt was Ku Lou's skull head composed of seven thousand Tribulation Thunder Thoughts.

This strike, as if capable of shattering the world.

The world within Ku Lou's Tribulation Thunder Thoughts was entirely crushed!

The defense formed by seven thousand Tribulation Thunder Thoughts was torn apart instantly!

Ku Lou groaned, his Sea of Consciousness heavily damaged, his eyes becoming vacant and lifeless.

"How could this be!"

In his bewildered stupor, only this thought echoed in Ku Lou's mind.

Lin Wudi's magical treasure was so powerful, it could shatter seven thousand Five Tribulations Thunder Thoughts in a single blow!

This wasn't just a magical treasure; it could rival an Immortal Artifact!

The second to suffer was Li Fu's three talismans!

The art of talismans, if faced with other Thunder Tribulation Overlords, naturally could use its miraculous power to gain absolute superiority.

But the strike of Annihilate All Beings broke strength with force!

One strike to annihilate all beings, one strike to shatter everything!

In burst after burst of explosive sounds, the three talismans were destroyed as if collapsing rapidly!

Under absolute destructive power, the art of talismans was vulnerable to a single blow.

"No!"

Li Fu let out a shrill scream, as her Sea of Consciousness exploded!

Chapter 1128: Borrowing from Heaven and Earth, the Road to Hell Opens!

All Tribulation Thunder Thoughts obliterated; it's almost no different from death!

Not to mention, Li Fu's Sea of Consciousness was blasted through.

The Divine Soul just flew out from the shattered Sea of Consciousness, only to be shredded into nothingness by the residual blade aura!

Under one strike, a Five Tribulations Overlord, dead!

Xu Hun witnessing this was scared to the heavens, trying to withdraw the Thunder Tribulation Thought, but it was already too late!

Booming sounds echo!

The obliterating strike ultimately lands!

Crackling!

Xu Hun's Tribulation Thought Blade is also destroyed by the blade aura!

Near ten thousand Five Tribulations Thoughts extinguished cleanly like candles in the wind!

Xu Hun's head explodes with a bang, leaving a horrifying fissure.

Although a bit better than Li Fu, as his Sea of Consciousness isn't blasted through, it's still riddled with wounds.

Xu Hun's mind buzzes with chaos, standing there dumbfounded!

At this moment, the obliterating strike finally reaches Ku Lou!

Boom!

The Tiger Talisman on Ku Lou shines with a brilliant golden light, blocking the last of the obliteration!

Even so, in his dazed state, Ku Lou spurts blood, with his bones almost entirely crushed!

"Ah!"

Ku Lou roars, awakening from his stupor.

Seeing the scene before him, he is immediately overcome with terror!

Just one strike,

Kills one!

Breaks one!

Injures one!

Lin Wudi is simply not human!

Just the Second Thunder Tribulation, yet so formidable!

Escape!

No more delusions in Ku Lou's heart, he steers the Thunder Tribulation Thought attempting to flee.

At this moment, a sharp crackling sound suddenly reaches everyone's ears!

Following the sound, the Nine Cauldrons Thirteen Stars Longsword shatters!

The blade tip around five inches splits apart instantly!

Other parts are also full of cracks, as if they could break at any moment.

Ku Lou's form about to flee suddenly halts.

"Could it be! This defiant weapon is ruined?"

Just as this thought arises, Lin Wudi coldly shouts, "What are you standing there for, kill!"

Boom!

The broken tip of the sword shoots like a hidden weapon towards Ku Lou.

Despite Ku Lou's Five Tribulations Overlord speed, he cannot evade.

Poof!

The blade tip pierces into Ku Lou's body.

"What the hell is this thing!"

Ku Lou only feels a terrifying energy emanating from the blade tip.

This energy devastates, wrecking havoc inside him thoroughly.

Muscles, bones, True Qi!

Anything touching the blade tip's glow melts away like snow.

He releases five hundred Thunder Tribulation Thoughts to stop it, but they're likewise crushed instantly!

Smashing another five hundred Thunder Tribulation Thoughts, Ku Lou's Sea of Consciousness bursts with a crack.

At this moment, Hu Sanniang finally regains some composure.

"How can this be! How can this weapon be so strong! How can Lin Wudi be so strong!"

She can hardly imagine, in this world exists such a terrifying weapon.

One strike kills one, breaks one, injures one.

And they're all Five Tribulations Overlords!

What kind of defiant weapon is this!

Hu Sanniang trembles all over!

She originally thought that the reason Lin Wudi could survive Jing Zixuan and Feng Huiyang, return to Feilin City alive, was all because of Zhen Yuyang of Six Tribulations.

Now it seems, just Lin Wudi's own strength can easily kill a Five Tribulations Overlord!

Once Tribulation, inverse battle Four Tribulations!

Twice Tribulation, inverse battle Five Tribulations!

Lin Wudi is simply the Lord of Destiny, the Child of Fortune!

"Could he be the next Lord of the Heavenly Realm?"

This thought flashes in her mind, Hu Sanniang doesn't hesitate at all.

She now dare not defy Lin Wudi!

Previously dared not, just because of the Beast Taming Seal's influence.

Now dared not, because Lin Wudi can kill her!

Angering Lin Wudi, the fate of Li Fu follows!

Li Fu, famous in the Heavenly Realm from the Rune Holy Land, wiped out in one move!

All Tribulation Thunder Thoughts shattered!

Even if Li Fu has a Thunder Tribulation Consciousness Avatar, he absolutely cannot survive this!

Terror!

This person is too terrifying!

Whoosh!

A Blade of Thought formed by a thousand Five Tribulations Thunder Thoughts instantly pierced through Xu Hun's Sea of Consciousness.

The Sea of Consciousness was riddled with holes, and the muddled Xu Hun did not have even the slightest reaction before being annihilated.

Divine Soul and Tribulation Thunder Thoughts were all easily destroyed by Hu Sanniang!

At this moment, Hu Sanniang unleashed all remaining Tribulation Thunder Thoughts towards Ku Lou!

"How dare you!"

The newly awakened Ku Lou couldn't even release his Tribulation Thunder Thoughts, helplessly watching three Blades of Thought slashing towards his Sea of Consciousness.

Puff, puff, puff!

The three Blades of Thought directly shattered Ku Lou's Sea of Consciousness.

"No..."

Ku Lou roared in despair, as Tribulation Thunder Thoughts and Divine Soul explosively shattered!

Hu Sanniang was stunned.

She could swear that she only shattered Ku Lou's Sea of Consciousness and did not destroy his Tribulation Thunder Thoughts and Divine Soul.

"Why did this guy die?"

Hu Sanniang looked anxiously towards Lin Wudi.

Lin Wudi had said earlier that he wouldn't let Ku Lou die so easily.

Wouldn't she be in trouble for this?

Just before she unleashed that blade which extinguished all lives, Hu Sanniang only felt resentment towards Lin Wudi.

Now there was a hint of fear!

Lin Mu furrowed his brows; Ku Lou's death was also unexpected to him.

Someone had placed a prohibition in Ku Lou's Sea of Consciousness.

As soon as Ku Lou's Sea of Consciousness shattered, his Divine Soul and Tribulation Thunder Thoughts would be destroyed.

This was to prevent others from conducting a Soul Search on Ku Lou!

In other words, Ku Lou has secrets!

"In front of me, playing such tricks?"

Lin Mu sneered coldly, reaching out sharply.

"Borrowing from Heaven and Earth! Pursue the soul and seize the spirit, open the path of Hell, let the living soul return!"

Boom!

Lin Wudi's hand seemed to stretch into a black hole.

Ahh... ahhhh...

From within the black hole came terrifying and anguished roars.

Beside him, Hu Sanniang seemed struck by the Heavenly Tribulation, clutching her head in agony, collapsing to the ground.

The sound of the roar was such that even the Five Tribulations Thunder Overlord could not resist.

Lin Mu's face also turned somewhat pale.

Yet his hand suddenly retracted!

A dark shadow was pulled out from the passage by him.

Ahhh...

The roar within the passage grew increasingly painful, mixed with angry snarls.

Bang!

The rear half of the dark shadow directly exploded.

The front half was forcibly yanked from the passage by Lin Mu.

Boom!

The passage closed, the dark shadow blurred, seeming as if it could disperse at any moment.

On its flickering face appeared an expression of pain and ferocity.

It was Ku Lou!

Ku Lou's expression was confused, completely unaware of what had happened!

Lin Mu pointed a finger, touching Ku Lou's forehead.

A stream of information instantly surged into Lin Mu's mind.

Boom!

The dark shadow exploded, turning into nothingness.

Lin Mu's expression became all the more strange.

"Unexpectedly, the truth is actually like this. The Heavenly Realm is indeed interesting."

Ku Lou's remnant soul was incomplete, many memories already missing.

Yet Lin Mu still saw quite a bit.

These things ignited a battle intent that had lain dormant in his heart for a long time.

"Master... what just happened?"

Hu Sanniang climbed up in utter disarray, asking with lingering fear.

The strange black hole space earlier was too terrifying.

It gave her, a Demon Race of Five Tribulations Overlord Level, a huge shock.

Moments ago, she was almost unable to resist!

And that was just the sound emitted from within the passage.

Chapter 1129: He Is a God of Slaughter!

After Hu Sanniang asked that question, she unexpectedly realized that, aside from the aftermath noise of the explosion, there was no other sound on the scene.

Everyone seemed to have fallen silent, staring towards this direction.

Hu Sanniang shivered.

She suddenly realized what had just happened!

Without using any demonic energy, she teamed up with Lin Wudi to kill three Five-Tribulation Overlords!

Actually, to be precise, it was Lin Wudi alone who disabled all three of them!

She merely moved her hand a little!

If she hadn't acted, even a casual Four-Tribulation practitioner could have completed the kill!

Today, Lin Wudi slew the Five-Tribulation Overlords at Tianhai Wharf!

Hu Sanniang's mind buzzed.

How unfair the Heavenly Dao is!

Why does it favor the Human Race so much!

Was having an unmatched Daoist Master Yellow Springs not enough, that another brilliant genius like Lin Wudi appeared!

"Escape!"

Only at this moment did the eight Heavenly Realm Guards finally come to their senses.

The three Five-Tribulation Overlords were all slain!

In their shock, they had all forgotten to flee!

"Still want to run?"

Hu Sanniang hadn't forgotten that one of these bastards used the Revealing Mirror on her, "slandering" her as part of the Demon Race!

Bam!

Casually, she waved her hand.

Thousands of Five-Tribulation Thunder Thoughts transformed into several large hands, instantly killing the eight Four-Tribulation Centurions!

If all eight Four-Tribulation practitioners had teamed up to resist, Hu Sanniang would have had to put in some effort.

Alas, they were terrified to the bone, without even the courage to resist!

They were killed with a single strike!

Hu Sanniang retrieved the Revealing Mirror from the body of one and glanced at it with a lingering fear.

Sure enough, as Lin Wudi said, she did not reveal any demonic traits in the Revealing Mirror!

"Beast Taming Seal, it actually has such a function? If every demon had such a Beast Taming Seal, wouldn't they be able to infiltrate the Human Race at will?!"

Hu Sanniang was shocked.

The next moment, she stood with her hands on her hips, feigning righteous indignation.

"The Heavenly Realm Guards are utterly shameless! To slander me as part of the Demon Race! Look everyone, see if I am a demon!"

She casually tossed the Revealing Mirror into the crowd at Tianhai Wharf.

The battle ended too quickly.

Basically, Lin Wudi ended the fight with a single blade.

The damage to Tianhai Wharf was minimal, only one-third was destroyed.

But the remaining people, as if they hadn't seen the Revealing Mirror, just stared blankly at the white-clothed youth in the sky!

What just happened?

A Second Tribulation, killing a Five-Tribulation Overlord with one strike?

The other two were wasted?

How is this possible!

While a First Tribulation reversing against a Fourth Tribulation is heaven-defying, it is still theoretically achievable.

But Five Tribulations, known as overlords.

Is an almost entirely different realm!

The gap between Five Tribulations and Four Tribulations is akin to Divinity Transformation and Peak of Integration!

Now, a junior of mid-Transcending Divinity killed a Great Power of Integration?

This goes beyond heaven-defiance!

It's downright unimaginable!

Whether Hu Sanniang is a demon is no longer important!

To reverse against a Five-Tribulation Overlord with a Second Tribulation existence has no need to betray the Human Race!

Such a person would be worshipped like an ancestor among humans!

Because, if he could grow, he would be another Daoist Master Yellow Springs!

"Greetings, Lin Wudi!"

"Greetings, Lin Wudi!"

Everyone at the Heavenly Wharf bowed in salute, loudly greeting.

Such genius deserves everyone's worship.

Even the few Four-Tribulation practitioners on Tianhai Wharf bowed in salute, sincerely and devoutly!

The existence reversing against a Five-Tribulation Overlord could only be admired!

Thousands of miles away from Tianhai Wharf, a few figures raced through the air.

"He won! Master indeed won!"

"With one stroke, killed the overlord! Master is so awesome!"

"No wonder he is the World Master!"

"Unmatched Benefactor!"

The four women chatted away, filled with admiration for Lin Wudi.

As disciples of Lin Wudi, they felt honored!

But Hui Yao was dazed, subconsciously following through the air.

Only now did he not come to his senses.

Mia Qing and the others were still only at the Integration Path Boundary and did not understand the strength of a Five-Tribulation Overlord.

Even Lady Xin Thirteen, previously only a First Tribulation, had just undergone the Second Tribulation.

Only Hui Yao knew what a formidable existence a Five-Tribulation Overlord was!

The strongest in their Hui Family, Emperor Hui Lunzun, was such a genius and had fortuitous encounters with the Calamity Script Clan, and was, even now, only a Four-Tribulation practitioner!

It could be imagined how difficult it was to advance to Five Tribulations!

What is an overlord?

To suppress a domain, shock the heavens, and dominate a territory, that is an overlord.

Every overlord can open a sect, become a king of the Central Continent.

Such a mighty figure was slain by Lin Wudi, one man killed, two disabled!

That is an astonishing power!

Langya and Li Lingqing revered Lin Wudi as a god.

Chanted his prowess daily into Hui Yao's ears so that Hui Yao now had a notion of Lin Wudi's strength.

He tried his best to overestimate.

He even thought, Lin Wudi, after transcending the Second Thunder Tribulation, could rely solely on his own power to contend with Three and Four Tribulation practitioners.

But he never expected Lin Wudi to be able to kill Five-Tribulation Overlords!

Even with the aid of magical treasures!

"The clan uncle was right! This Lin Wudi, as long as he doesn't die, will certainly be the next Lord of the Heavenly Realm!"

Beyond Hui Yao's excitement was a note of unease.

Now that Lin Wudi has a Five-Tribulation Overlord as a protector at his side, his own Three-Tribulation capabilities seem of little help!

With bitterness in his heart, Hui Yao realized that even a Three-Tribulation practitioner, seeking allegiance now, may not have the qualification!

In the sky, visions appeared: a sword, a talisman, and a Demon-Subduing Pestle fell from the heavens.

Colorful lights flowed.

Heaven and earth grieved.

At that moment, everyone in Nanbotuo Continent felt the distinct image of overlords' fall.

In the Great Governor's Mansion.

Grand Governor Ji Lian and the Law Enforcement Team Venerable paused, fingers on the chess piece.

"Another three?"

"First was the Law Enforcement Team, famous families; this time, it's Heavenly Realm Guards, Gala, and Symbol Yuan! In less than ten days, five overlords have fallen! The Great Fate bearers truly must not be provoked!"

Both were deeply shaken.

"Zhen Yuyang has already returned to the Heavenly Battlefield to transcend tribulation, and Lin Wudi has only one Five-Tribulation mystery man beside him, yet he can slay three overlords!"

"We are truly old now! My only hope is that after Lin Wudi leaves Nanbotuo Continent, he never returns."

This person is practically a god of slaughter!

Both nodded in agreement, feeling the same concern.

After being in Nanbotuo Continent for just a few months, seven Five-Tribulation Overlords have already fallen.

They can't imagine what might happen if Lin Wudi returns to Nanbotuo Continent!

Perhaps a Six-Tribulation Overlord might fall!

"I plan to willingly volunteer for tasks on the Heavenly Battlefield."

Suddenly, Grand Governor Ji Lian spoke.

The Venerable was taken aback, then laughed: "Together! Before Lin Wudi advances to overlord, I don't plan to return."

Given Lin Wudi's current ability to attract trouble, once he advances to overlord, the opponents will likely be Seven-Eight-Tribulation Overlords.

Those of the "mere" Six-Tribulation Overlords would probably be overlooked by others.

"Ha, now I only wonder if those guys from Southern Spirit Divine Continent are ready to welcome Lin Wudi, this harbinger of disaster!"

Chapter 1130: Is Someone Trying to Harm Me?

After the great battle, Tianhai Wharf returned to tranquility.

The Revealing Mirror was picked up by a bystander, who sneakily used it to look at Hu Sanniang a few times.

When they saw that Hu Sanniang showed no change in the mirror, everyone began to curse the Heavenly Realm Guards!

The Heavenly Realm Guards used all possible means to deal with Lin Wudi!

They even dared to falsely accuse him of collaborating with the demon race, a grave crime!

In the Heavenly Realm, the demon race is an untouchable reverse scale!

This time, the Heavenly Realm Guards have gone too far!

Many people recorded the scenes with Memory Crystals.

Especially the scene where the Heavenly Realm Guards falsely accused the woman beside Lin Wudi as being from the demon race, calling a deer a horse.

These Memory Crystals began to spread rapidly in Nanbotuo Continent.

The reputation of the Heavenly Realm Guards in Nanbotuo Continent is utterly ruined.

Upon learning that Ku Lou was actually a Heavenly Realm Guard from Northern Jambu Continent, the people of Nanbotuo Continent cursed Northern Jambu Continent too.

Our Nanbotuo Continent indeed has an honest and rustic folk culture.

Those villains always come from other regions.

East Victorious Divine Continent's prestigious family, Eastern Victory Divine Continent Fuyuan Holy Land, Northern Jambu Continent's Heavenly Realm Guards, South Spirit Divine Continent Jia Lan Holy Land.

Look, all these bastards from other regions come to Nanbotuo Continent to commit evil!

These two Holy Lands and the prestigious family are now on Nanbotuo Continent's blacklist!

People from these places must tuck their tails when coming here.

Especially those from Northern Jambu Continent, who are too ashamed to show themselves.

Northern Jambu Continent's Heavenly Realm Guards even broke the taboo, using the excuse of colluding with the demon race to slander others!

How shameless!

Anyone heard coming from Northern Jambu Continent would be spat at fiercely.

Out of a desire to compensate, many people brought gifts to pay respect to Hu Sanniang.

In just a few days, Hu Sanniang received a pile of Earth Treasures.

Moreover, each gift giver promised by the thumping of their chest that they would help her with anything in the future.

As long as Hu Sanniang said a word, they were willing to go through fire and water for her.

A lifetime of hidden identity, always cautious.

She even had to use illusion techniques every night to delude that old pervert; Hu Sanniang had never seen such a scene.

Over these days, not only did she receive gifts to the point of overindulgence, but she was also in high spirits!

The group spent a whole month resting at Tianhai Wharf before setting off again.

During this month, Mia Qing and Langya successfully transcended tribulation, becoming first-level Thunder Tribulation Ancestors.

Li Lingqing was slightly inferior, still at the Peak of Integration.

"Farewell Lin Wudi!"

At Tianhai Wharf, tens of thousands of cultivators lined the path to send him off.

Lin Wudi, who was a wanted criminal in the Heavenly Realm Guards, had now become an idol among the people of Tianhai Wharf.

Not only them, but cultivators of Nanbotuo Continent generally had a favorable impression of Lin Wudi.

The Heavenly Realm Guards had been vile in their false accusations against Lin Wudi colluding with the demon race.

Now, the cultivators of Nanbotuo Continent shared a sense of common grievance towards Lin Wudi.

...

"Master, are you going to Gu Yuan Ancient Land?"

Hu Sanniang looked suspiciously at her new master.

Lin Wudi traversed the Heavenly Realm, causing chaos and turmoil among the Heavenly Realm Guards.

She originally thought Lin Wudi was headed to South Spirit Divine Continent to seize treasures or acquire some opportunities.

Unexpectedly, it was to fulfill someone's final wish, to return the remains.

To Hu Sanniang, this was somewhat inconceivable.

Is there truly someone in the Heavenly Realm who values trust and righteousness?

Having lurked in the Heavenly Realm for so many years, she had seen too much machination and deceit.

These cultivators in the Heavenly Realm were already considered good if they didn't secretly set traps for others.

Someone like Lin Wudi, traveling thousands of miles to deliver remains, was simply unheard of.

If the Heavenly Realm Guards were to learn the truth, who knows if they would vomit in anger.

Perhaps no one imagined that Lin Wudi would break through countless obstacles, even at the cost of killing a Five Tribulations Overlord, just to deliver bones.

"Humph!"

Lin Mu snorted lightly upon hearing the doubt in Hu Sanniang's tone.

Hu Sanniang felt a shock and almost covered her head, ready to fall down.

The pride and happiness accumulated over the past few days vanished.

Indeed, following this unlucky master, one couldn't afford a moment's complacency.

"Our demon race also has agents in South Spirit Divine Continent, and according to information, Gu Yuan Ancient Land has one Four Tribulations Thunder Ancestor and nine Three Tribulations Thunder Ancestors. However, this information is over ten thousand years old, and it's unclear whether it has changed now."

Having learned her lesson, Hu Sanniang dared not conceal anything, relaying all the information she knew.

Hui Yao was also shocked to learn of Lin Wudi's purpose in going to South Spirit Divine Continent was to deliver bones, a revelation that shook him to his core.

Such a genius is worth following!

The family uncle indeed had remarkable insight!

If it were someone with a cold-hearted disposition, fighting fiercely might not yield any benefit.

Following someone like Lin Wudi wouldn't disappoint them.

If he can be so trustworthy to strangers, he surely won't treat us poorly!

"Hu Sanniang, use Tribulation Thunder Thought to elevate the Imperial Sky Flying Boat; let's increase our speed."

Lin Mu instructed.

Having a Five Tribulations Overlord is a waste if not used.

Traveling by Imperial Sky Flying Boat would take about half a year to cross the Sea of Heaven to reach South Spirit Divine Continent.

With the speed of a Five Tribulations Overlord, they could arrive in just over ten days!

Hu Sanniang's heart nearly exploded.

She cursed Lin Wudi to her core, but ultimately could only nod unwillingly and respectfully affirm his command.

The women of Langya all stifled their laughter.

This Five Tribulations Overlord had absolutely no dignity in front of the master.

Mia Qing wondered if Miao Yu would be so surprised she'd pop her eyes out upon seeing this.

This journey turned out to be much longer than planned; who knows what's happening with Earth Blessed Land.

Would the Heavenly Realm Guards, having lost four overlords, fly into a rage and implicate Earth Blessed Land?

...

In Earth Blessed Land, inside a cinema.

Miao Yu, who was crying her heart out over the death of the "yellow-hair" in Medicine God, suddenly shivered.

"What's happening? Who's plotting against me? This ominous chill must mean someone bears ill intentions toward me!"

The esteemed Third Seat Head of Jinchen Holy Land suddenly found the popcorn before her unsavory.

Swoosh!

Miao Yu's figure flickered, appearing before a cave dwelling.

"Mother, Miao Yu seeks an audience!"

Miao Yu bowed ceremoniously and then boldly entered the cave without waiting for Miao Jin's reply.

"You brat, why are you disturbing my seclusion again!"

Inside the chamber, Miao Jin opened her eyes helplessly.

In the past two years, Miao Chen has diligently practiced the cultivation technique left by Lin Wudi and, coupled with the superior cultivation conditions of Earth Blessed Land, has successfully transcended Second Thunder Tribulation.

She initially planned to head to the Heavenly Battlefield to undergo Tribulation after this retreat.

But this little daughter persistently bothered her, making her exceedingly vexed.

She regretted not being more forceful then, having Lin Wudi take Miao Yu—the little nuisance—away too.

Since watching Earth's TV dramas and movies, Miao Yu has become utterly unruly.

In the past two years, she hardly cultivated seriously.

If not for her retreat, she'd truly want to give this girl a bit of discipline.

"Mother, I just felt a sense of foreboding, as if someone wants to plot against me! Could Earth Blessed Land be in danger?"

Reflecting on the earlier incident, Miao Yu felt a lingering fear.

Miao Jin nearly laughed in exasperation.

"Stop your nonsense! If you disrupt my seclusion again, I'll let you experience the prowess of Thunder Tribulation Ancestors!"

Even the eldest daughter proficient in the Divine Calculation Celestial Technique doesn't possess such premonitory abilities.

This girl is purely stirring up trouble!

Rumble!

The sound of attacks hitting the Earth Blessed Land's protective shield echoed.
