

Warm Wife 111

[Chapter 111](#)

Hear Huo Dongyang's voice, Qiao Wei's action is one Zheng.

She slowly raised her head and saw Huo Dongyang standing in the crowd. At that moment, she felt incredible.

"Qiao Wei!" Huo Dongyang called again.

Qiao Wei really listened to him this time. She laughed at Huo Dongyang.

Next to the nurse, looked back, and then said to Qiao Wei: "give me the child, you go over!"

The nurse took the child from Qiao Wei's arms, "get over there!"

Jovi nodded and stood up. It is estimated that he sat cross legged for a long time, but he didn't stand firm.

Huo Dongyang saw Qiao Wei stagger that, he immediately walked over.

Qiao Wei stand firm, see Huo Dongyang came to his side. "Dongyang, why are you here?"

Huo Dongyang's eyes reflected a piece of red, Qiao Wei's white shirt front is all red. "You're hurt?" he said

Joe shook her head slightly. She was just a few bruises. She was pushed and fell to the ground just now. In fact, it was not in the way.

She went to Huo Dongyang and stretched out her hand to smooth his frown.

"I'm fine."

"Nothing?" Huo Dongyang looked closely at Qiao Wei's dyed shirt, and his heart was shaking.

"It's not mine." Joe Dongyang is really worried.

Huo Dongyang was relieved to hear that. He stretched out his long arm and drew Jovi directly into his arms.

Hold Qiao Wei tightly in his arms, feel her temperature, then feel that this is real.

"I'm really scared by you." Huo Dongyang's voice is very light.

Qiao Wei showed a happy smile, because she heard the heartbeat of Huo Dongyang. The heartbeat was not as steady as usual. This time it was disordered. So Qiao Wei knew that Huo Dongyang was really worried about himself.

She buried her head deeply in Huo Dongyang's arms, and she held Huo Dongyang tightly.

Although at noon, she was a little depressed, because of the words of muling. But at the moment, the depression has gone. She believes that Huo Dongyang is good for himself and that he has feelings for himself.

After a long time.

Huo Dongyang let go of Qiao Wei, reached out to check that she was really not hurt. It soon turned out to be a bloody wound on her arm.

"No injuries?" Huo Dongyang became serious.

"Bruise. I fell down just now." Replied Jovi. "It's really nothing."

Huo Dongyang clenched Qiao Wei's hand, "go, go to the hospital."

"I really don't need it. I can just wipe it when I go home." Explained Jovi.

The nurse next to me was really envious of this situation. "You're so affectionate!"

Qiao Wei turned to look at the nurse who helped the child to deal with the wound, she quickly squat down to help pick up the child.

"It's OK. It won't hurt for a while." Said Joe in a soft voice.

At this time, another ambulance came, and soon several nurses and doctors came down.

"How are things now?" One of the male doctors asked.

Qiao Wei raised his head, when he was ready to speak, he was stunned.

"Learn A student? "

Xia yueqian also looked at Qiao Wei in surprise. "Slightly?"

Qiao Wei smiles and says, "Well! I really didn't expect that we would meet in such a situation. "

"Are you all right?" Xia yueqian is also concerned about Qiao Wei's blood red clothes are really conspicuous.

Joe shook his head slightly. "I'm fine."

Xia yueqian reached out and hugged the child in Qiao Wei's arms, and then put away his personal emotions.

"I'll go first."

Knowing that Xia yueqian is coming with responsibility, Qiao Wei nods and then quietly retreats to one side.

Seeing Xia yueqian's skillful technique and serious expression, we can see that he has become more outstanding. On the way to realize his dream, he seems to have reached the end. The scenery and experience along the way can only be known by those who have passed by.

Standing beside Qiao Wei, Huo Dongyang is full of five flavors. Her own woman should show such adoring eyes to another man! I feel uncomfortable for a moment.

He narrowed his eyes and reached for Jovi's hand. "Let's go!"

Qiao Wei raised his head and looked at Huo Dongyang's serious expression. "What's the matter?"

Huo Dongyang said: "there are professional people here to deal with it. You are not needed any more."

Huo Dongyang took Qiao Wei's hand and had great strength. He didn't know why he was angry in his heart. Xia yueqian seems to be a threat to himself.

He Huo Dongyang's women will never give up to others! It won't be taken away!

Qiao Wei frowned, Huo Dongyang's hand is really big. "Dongyang, pain!"

Heard Qiao Wei cry pain, Huo Dongyang stopped his own pace.

"Where does it hurt?" Huo Dongyang asked nervously. Qiao Wei slightly extended his finger and Huo Dongyang grasped his wrist. Huo Dongyang let go of his hand, but saw the scratch on Qiao Wei's wrist.

Huo Dongyang is a little guilty. He lost his sense of propriety just now and exerted himself excessively.

"Are you all right?"

"What's the matter with you?" Qiao Wei did not know that Huo Dongyang would suddenly change a person.

Huo Dongyang closed his eyes and took a deep breath. He reached out to Qiao Wei and clasped him around his waist. "Qiao Wei, don't you leave me! You are mine

Qiao Wei blinked, did you understand the meaning of Huo Dongyang's words. But she just noticed that Huo Dongyang seemed to be upset. She reached out and patted Huo Dongyang on the back, "Hmm! I'm not going. "

Huo Dongyang took Qiao Wei back to the place where he was waiting. When he saw Qiao Wei in the south, he immediately asked, "madam, are you ok?"

Qiao Wei shook his head. "It's OK."

"Go back!" Huo Dongyang immediately ordered.

"Yes

Huo Dongyang takes Qiao Wei's hand to get on the bus, and holds Qiao Wei's hand tightly all the way.

Back to Jiangwan villa.

Southward and Xiangqing stopped almost at the same time.

Huo Dongyang got off first. He went around the car to the other side and opened the door.

Qiao Wei put his hand on Huo Dongyang's arm and got out of the car.

Thank you

Huo Dongyang looked at Qiao Wei and bent down to pick up Qiao Wei. The standard Princess hugged him.

"Dongyang!" Qiao Wei wants to say that South and Xiang Qing are in such a bad situation.

The corner of Huo Dongyang's mouth is raised. "I'm home. There's nothing to be ashamed of!"

With that, Huo Dongyang directly carried Qiao Wei into the villa.

Xiang Qing and south to look at, "boss, domineering!"

Huo Dongyang holding Qiao Wei a door, Lin Juan immediately came over.

"Come back, sir and Madame."

"Bring me the medicine box!" Huo Dongyang said as he put Joe on the sofa.

Lin Juan nodded, but saw Qiao Wei clothes that a large piece of blood.

"Madam, you are..." Lin Juan's face changed.

Joe looked down at himself, which was really frightening. "It's not mine."

"Hurry up!"

Lin Juan nodded and turned to get the medicine box.

"Give it to me!" Huo Dongyang takes the medicine box.

Lin Juan looked at Qiao Wei with a worried face. She stood on one side waiting for dispatch.

Huo Dongyang reached out to untie Qiao Wei's shirt.

"Dongyang, I can do it myself." Qiao Wei reached out and pressed Huo Dongyang's hand. "And I want to change first."

Huo Dongyang looked at Qiao Wei for a few seconds and then compromised, "let sister Juan accompany you to change."

Lin Juan stepped forward to help Qiao Wei, "madam, slow down."

[Chapter 112](#)

ten minutes later.

Lin Juan all came down from upstairs, and took Qiao Weigang's clothes.

Huo Dongyang stretched his neck, only to see the figure of Lin Juan.

"And Jovi?"

"Madame said to take a bath first." Lin Juan's voice is not big, she also knows Huo Dongyang's worry.

Huo Dongyang immediately frowned when he heard that. She had a wound and wanted to take a bath. His eyes fell on the white shirt dyed red, his heart could not help but tremble, fortunately, these are not her!

"I lost my clothes." Huo Dongyang directly ordered.

Lin Juan is in some difficulties. "Madame just said that this dress is borrowed from a colleague. She will wash it herself later."

"How do you wash the clothes? Even if it is washed clean, will that person still want it? " Huo Dongyang really doesn't understand Qiao Wei.

Lin Juan also felt that Huo Dongyang had a point, so she really lost it!

Huo Dongyang went upstairs directly and heard the sound of water in the bathroom when he came to the room. He sat down on one side, his eyes fixed on the bathroom door.

He still feels a little trance up to now. It seems that everything just happened is not true. If Qiao Wei didn't get out of the car to buy a cake at that time, she might have gone to another world now.

As long as Huo Dongyang thinks of this, his heart will still rise slowly!

The bathroom door opened, but also interrupted Huo Dongyang's thoughts.

See wrapped in a bath towel out of Qiao Wei, Huo Dongyang immediately stood up.

Qiao Wei saw Huo Dongyang stand up, she stopped at the door.

Huo Dongyang went to Qiao Wei, and his voice was not loud. "Done?"

"Well!" Joe nodded.

Looking at Qiao Wei's hair still dripping water, Huo Dongyang went into the bathroom and took a towel to help Qiao Wei wipe his hair.

Qiao Wei did not dare to move, because she was afraid that she would loosen the towel when she moved.

"I'll do it myself." Qiao Wei wants to reach for the towel in Huo Dongyang's hand. As a result, Huo Dongyang pulled him into his arms. "Qiao Wei, I want to tell you something."

"Well, you say."

"If anything happens in the future, you must inform me as soon as possible!" Huo Dongyang opens his mouth. He really can't stand the second time that such a thing happens, and his painstaking efforts will be less.

Qiao Wei raised his head and looked at Huo Dongyang. His blue gray eyes had a different worry than usual.

Holding out his hand and touching Huo Dongyang's face, Qiao Wei gave Huo Dongyang a reassuring smile. "This time it really happened suddenly. I didn't have time. But I promise you that I will come to you as soon as I have something to do! "

Huo Dongyang was relieved. He buried his head on Qiao Wei's shoulder. His nose smelled that her identity was sending out the fragrance after bathing, and there was something strange in his eyes.

His kiss fell gently on Joe's smooth shoulder.

"Itching!" Qiao Wei's voice is soft.

Huo Dongyang a smile, open the mouth directly in Qiao Wei's shoulder to bite.

Qiao Wei's goose bumps all over his body instantly, and then he felt the pain. She frowned, "Dongyang, what do you do?"

Huo Dongyang let go of Qiao Wei. He looked at the teeth mark on Qiao Wei's shoulder. He used some force just now. "I want to leave a mark on you that belongs to me. Only in this way will those men know that you are in charge

When Qiao Wei heard Huo Dongyang's words, he suddenly felt that he was a little naive. She pushed Huo Dongyang aside. "There is no man!"

"Why not?" Huo Dongyang's answer is still a bit delicious. Before that Xia yueqian is one, and there is Yun Yiyan. Maybe there will be other men in the future.

Qiao Wei looked at Huo Dongyang for a long time before opening his mouth. "Dongyang, are you jealous?"

Huo Dongyang raises eyebrows out of the consideration of man's self-esteem. He would not admit it in front of Qiao Wei.

"I'm just talking about a fact." This is Huo Dongyang's answer. "When you meet other men in the future, you should show the fact that you are married!"

"Can I meet other men now?" Qiao Wei asked.

"Why not?" Huo Dongyang's eyes narrowed. "The more modest that summer is, it will be rare in the future."

Qiao Wei heard and then laughed, Huo Dongyang this should be jealous.

Looking at Huo Dongyang, Qiao Wei thinks of Mo Ling. After seeing Mo Ling, she also knew that the woman who liked Huo Dongyang would not be bad or less! Moling is a good example.

See Qiao Wei trance, Huo Dongyang stretched out his hand to hold her face.

"Qiao Wei!"

"Well?" Qiao Wei sees Huo Dongyang who suddenly becomes serious. "What's the matter?"

Huo Dongyang's hands let go of Qiao Wei's face and pressed directly on her shoulder. "I have nothing to do with moling!" He didn't want to make Qiao Wei feel ill at ease, nor did he want to make her misunderstood.

Qiao Wei didn't expect Huo Dongyang to suddenly say such a word. After Wei Zheng, she showed a smile. "I know! You won't lie to me. "

After getting Qiao Wei's reply, Huo Dongyang relaxed. "Your wound is medicated."

"How fast the topic turns

After finishing, Huo Yang also gives Lin dongjuan the medicine again. Qiao Wei knew that Huo Dongyang did not eat, so he took Huo Dongyang to eat together.

They had a meal like this. They didn't know whether it was dinner or supper. Qiao Wei was also discussing with Huo Dongyang about the work of tomorrow.

The traffic accident in the city is being reported on TV.

Qiao Wei bit his chopsticks and watched the news report intently. More than a dozen people were killed in the accident, several of them were seriously injured, and some of them were minor injuries. Overall, they were quite serious.

Even the mayor rushed to the scene to direct the work after the accident, and the reporter also interviewed Xia Mingde. The mayor also said that he would find out the cause of the accident and give a satisfactory explanation to the public.

Huo Dongyang saw Qiao Wei stop his own action, he used his chopsticks to Qiao Wei clip vegetables. "Eat first!"

"This accident is really serious." Qiao Wei sighed.

Huo Dongyang took a look at Xia Mingde on TV, which was the first time he saw him! Such a person seems to be upright and responsible. I didn't expect that he had done such a thing.

Joe lowered his head and took a few more bites. "Uncle Xia must have a headache this time! He, the mayor, should bear the brunt of such a thing. "

"Do you know him?" Listen to Qiao Wei's address, Huo Dongyang also asked more.

Qiao Wei nodded. "Yes

"I can't see you still know the mayor, that's good." Huo Dongyang casually praised a sentence.

Qiao Wei swallowed the food in his mouth, "he is the father of senior high school!"

As soon as this sentence comes out, Huo Dongyang's action of sandwiching vegetables stops instantly. He looked at Qiao Wei immediately and asked, "what did you say just now?"

Repeated Jovi. "He is Xia yueqian's father! He is a good father and a good mayor

Huo Dongyang really didn't know what kind of expression he should have. Xia yueqian's father is Xia Mingde! Xia Mingde and Yunzhou behind the scenes of those activities, if you take out, then he this good mayor is also completely finished!

And Xia Mingde and Yunzhou also hide a big secret, that is, Yun Yiyang! This and Xia yueqian are half brothers. How does this play end?

[Chapter 113](#)

A few days after the accident.

Qiao Wei received a call from Xia yueqian, saying it was an offer to go to dinner with Qiao Wei.

"Where is the appointment?" Asked Qiao Wei.

"The old place." Xia yueqian said.

Qiao Wei smiles. "Schoolmaster, the old place you mentioned has been closed for a long time. Choose another place. "

"No! That shop collapsed? " Xia yueqian's tone also carries a pity.

After the two agreed on a place, the call ended.

After work, Qiao Wei called South to let him not come to pick up himself.

Qiao Wei went to the appointed place by car, but she didn't know that she always followed her to the south.

Since the accident, Huo Dongyang also issued an order to protect Qiao Wei.

Qiao Wei is sitting on the bus, looking at the familiar scenery outside. The car soon arrived at the appointed place, which was also the shop that Qiao Wei often came to when they were reading.

Qiao Wei stood in front of the shop, she looked up at the renovated signboard, which was twice as big as before. The past scenes, but people have changed.

"Slightly!"

When Qiao Wei heard the voice, he immediately turned back.

Xia yueqian is wearing a casual dress today. He looks like he was when he was reading, but he is becoming more mature and stable.

Until Xia yueqian walked in front of him, Qiao Wei said hello. "Schoolmaster, you are here."

Xia yueqian looks at Qiao Wei. He reaches out and touches his chin, as if he is also thinking about something.

Qiao Wei saw Xia yueqian's expression, she also looked down at himself. "What's wrong with me?"

Xia yueqian really nodded as if he had something serious. He looked left and right. He said after a few tut: "Weiwei, have you been to cosmetic surgery recently? Or did you take any medicine? The whole person's state and style are different. "

"You're just cosmetic surgery and taking medicine!" Qiao Wei retorted directly.

Xia yueqian shakes his head. "If not, it would be even more wrong!"

In front of Qiao Wei and two years ago is not the same, it is not her eyes in the clear, no change, he also a little afraid to recognize her!

Now Qiao Wei looks younger than two years ago, and the whole person will show a different mentality. Dress style also changed from the previous dust unchanged two color system to now diversified, now she is much more beautiful.

"Beautiful!" Xia yueqian finally said these three words.

Qiao Wei smiles. Thank you

Xia yueqian put down his hand, "if I knew you would become like this, I should have gnawed at you this piece of jade! So now everything will be different! Ah, I really regret that I had no eyes! What a pity

Qiao Wei helplessly looked at Xia yueqian. She ignored him and went directly into the store.

After two people sit down, Xia yueqian or chatter endlessly.

"Schoolmaster, if you continue like this, I will go back first." Qiao Wei put down the cup in his hand.

Xia yueqian immediately raised his hands, "OK! I surrender. I won't say it. "

The next two people are cold, Qiao Wei looked down at the menu.

Xia yueqian can't stand the atmosphere. "You see, that's it if you don't talk."

Qiao Wei handed the menu to Xia yueqian. "I'll order it."

Xia yueqian looked at Qiao Wei and asked the waiter to place an order.

"Are you and Yun Yiyan finished?" Xia yueqian put aside the appearance of teasing and forcing just now. Now he really cares about his sister like a brother.

Joe nodded. "Well! We officially divorced a few months ago. "

Xia yueqian did not know what happened until he finished the rescue work of the accident. These days, he also spent some time to understand.

Although two years ago, he made comments on Qiao Wei and Yun Yiyan's sudden marriage. At that time, he once said that they were not long. Now that it has become a reality, he also feels a bit of a pity.

In fact, he met Yun Yiyan two days ago and heard something from him. Yun Yiyan is not very willing to talk about the causes and consequences of divorce with Qiao Wei. He just told himself that Qiao Wei and he had been together with the HD president after their divorce.

Xia yueqian also saw the man at the scene of the car accident that day. It can be seen that he is so kind to Qiao Wei. Look at the man's appearance, he should have arrived after the event!

"How are you now?"

"Good!" Joe nodded.

Xia yueqian hears Qiao Wei's words, in the heart also some cannot say the feeling. In fact, she had a good life, everything else was unimportant.

Out of concern, Xia yueqian also asked: "is that man sincere?"

After listening to Qiao Wei, she looked at Xia yueqian. "Don't you know all about it, schoolmaster? You should have heard about him, and you think he's good, so you don't start swearing! "

"Stinky girl, if you know it, you know me!" Joe nodded. "Yes! It's because he is so familiar with you that Yun Yiyan thinks we have a problem. "

"What do you mean?"

After listening to Qiao Wei's words, Xia yueqian directly scolds, and the nature of diaosi comes out again. "How can he look at us like that? If you know that he is so small, I won't let you marry him! Damn, you suspect we're having a fight? So when I left, he thought I was hurt and went away from home? "

The more you want to get angry, Xia yueqian goes on to say: "that boy and Qiao Xin that file is broken matter how also don't give everybody an explanation, he still has reason!"

Regarding this matter, Qiao Wei already did not want to pursue.

"Weiwei, you will be better in the future!"

"Well! I'm very well now. Don't worry, schoolmaster. "

Seeing Qiao Wei's state, he was really relaxed. "That man is really good to you, so I can rest assured. Take it out sometime and let me have a look at it. Why can't you be so hasty this time! "

"Schoolmaster, in fact, I am married to him." Qiao Wei didn't hide Xia yueqian.

Summer Yue Qian a Leng, "what?"

"I married him." Repeated Jovi. "I don't want to hide it from you. I didn't say anything else

Xia yueqian reached out and patted his forehead. "My good schoolgirl! Are you in such a hurry this time? Can't we talk about it more accurately? Are you so anxious to marry yourself out? "

"Because of love."

Xia yueqian first heard Qiao Wei say such words. "Are you in love with him?"

"Yes Jovi nodded very frankly.

At this time, Yun Yiyan also took Yun Muxin into the store.

As soon as he entered the door, he saw Jovi sitting face to face with a man. He frowned, and immediately walked over.

But hear Qiao Wei say a word: "schoolmaster, you don't worry. He and I will go on! "

When Yun Yiyan heard this sentence, his heart was filled and he couldn't help saying, "can you and he really go down?"

Qiao Wei and Xia yueqian raise their heads at the same time and see the cloud Yiyan with a black face.

"Why are you here?" Xia yueqian asked first.

[Chapter 114](#)

Yun Yiyan ignored Xia yueqian's words.

His eyes were so straight at Joe Wei, "you really want to go down with him? Joe, are you naive too? "

Facing the question of Yun Yiyan, Qiao Wei takes back his sight, but she answers. "Yes!"

"Joe Wei! You really don't have a vision! " Said Yun Yiyan angrily. "How much do you know about huodongyang? I dare to say that. "

Joe Wei now heard this, it seems that he is immune. She looked down and looked at a certain point on the table.

"In fact, even if you know more, but this person's heart has no place for you, is this all not a white tie?"

Hear Joe Wei words, cloud Yi Yan eyes have a fire in the fire. "Joe Wei, you are really good now!"

Yun murxin heard Joe Wei's words, and she was not feeling in her heart. She was angry when she walked up. "Joe Wei, how can you say such a thing in front of your second brother? Are you really so emotional with Huo Dongyang? Or you just see him rich, and want to go down with him! Joe Wei, that huodongyang is actually using you! "

Joe Wei looks up at yunmuring. "It's also my personal affair with him. Even if he wants to use me, I don't care. "

"Joe Wei, you are now overwhelmed by love." Cloud murmuring head. She was disappointed with such a Joe.

Yun Yiyan clenched his hand, and Qiao Weizhen was just as before. But why do you want to stand here? And I'm so damn I want to see her a few more.

Don't ignore the face of the whole person Xia yueqian is not good, he stood up. As the older of them, Xia yueqian said, "OK. It's a public place here. You cloud family don't want face, I want to! "

Yun Yiyan only saw Xia yueqian at this time, and he came back. No wonder Joe Wei will come out with a man alone. It seems that the summer yueqian still has some face, but he even let Joe Wei come to the appointment.

"You're back?" The voice of cloud Yiyan is very weak.

"Ha ha!" Xia yueqian really ha ha two. "Yunyiyan, you won't see me now?"

Yunmuring also saw Xia yueqian at this time, and saw their three expressions, and they seemed to know it.

"Brother two, who is this?"

Cloud Yi Yan Yu Guang still looks at Qiao Wei. "Xia yueqian, the mayor's son."

Yunmuring looked at Xia yueqian again. The man was also handsome. He seemed to have a fight with his second brother. They were also like sitting together. But he was the son of sharminghad.

But he is not the same as the mayor he imagined. Xia yueqian is still very grounded, and looks like a friend, and doesn't look like a deputy or a second generation. This should be the original picture that Joe Wei would like to contact with him!

Xia yueqian saw Yun muring staring at himself all the time, and he raised his mouth. "Miss Yun looks at me like this, I will be sorry! I know I have a face, but I am still not used to being watched so. But if you like, I don't mind if I have another fan girl in my back up. "

Yunmuring was said for the first time, and suddenly, he felt hot. "What do you say! My hall Miss cloud family will see you kind of rascal, you go home to look in the mirror

Xia yueqian is also very active. "Yo! It turns out to be a little pepper. So sorry, I like gentle water, you such as not qualified to join! Iamsosorry!"

"Roll thick!" Yunmurin replied.

Qiao Wei looks at two people like this you say a word, it seems to be the first time to see a girl and Xia yueqian raise bars. Cloud murxin PK summer more modest, as if also some look. Just who will win?

Xia yueqian also took up his gentleman's suit in the face of yunmurun. "Who is going to roll now? Obviously you first see me, how dare not admit that brother has a face? "

"You don't smell good. My second brother is much more handsome than you. "

"Your second brother is inferior to me, which is also a few grades! If you don't know the situation, go back and read more books for a few years! "

Yunmurin was indignant and was taught such a lesson directly. "Xia, don't think you are the mayor's son! I am not rare! You have such a stinky bag at most, and your brain is grass! "

"Yo Yo! I wipe, originally do not want to care with you such a big chest and brain-free people, but you dare to challenge my brother and me first! I have always won by connotation, and my face is the second

Joe Wei looked at their quarrel and suddenly felt funny. Actually, their work in the mouth is quite equal! Look at it, Joe smiles. Is it really necessary for the two? Let each step not be good!

Yun Yiyang saw Qiao Wei, who started from the heart of the smile, was surprised. Her smile was so beautiful, and it made people feel better. I haven't seen Joe Wei so sincere smile before, it is really comfortable.

I forgot to take back the hidden feelings in my eyes for a while. Yunyiyang looked at Qiao Wei in this way. Also seems to be disturbed by Qiao Wei's smile, summer yueqian and cloud Mu Xin also stopped.

"What's the matter?" Xia yueqian wants to know why Qiao Wei laughs.

"You two seem to be a happy couple." Said Joe, smiling.

Xia yueqian immediately refused such a label. "I said," sister Joe, you give my brother a face. Don't label me casually. Your sister-in-law will surely scold me! "

"Sister in law? Are you married When Qiao Wei heard the news, he stopped immediately.

Hearing this, Yun Muxin seems to feel a little uncomfortable. I didn't expect him to get married!

Xia yueqian smiles. "There's no marriage yet, but there are a lot of people."

Qiao Wei a Leng, what does this mean? A lot of people?

Xia yueqian knew that Qiao Wei didn't turn the corner, he explained with a smile. "Now the fans have their own stars! Of course, I can choose one from my support club Make complaints about

Yun Mu Xin. "Big radish with flower heart!"

"I'm not a flower. And I am very dedicated to feelings! OK?" Xia yueqian reiterated a point.

Cloud Mu Xin one side disdain, such a person is really just superficial, a little connotation is not added superficial!

Cloud Yiyan's eyes have been looking at Qiao Wei, as if it is so glued to Qiao Wei's body.

This also makes Huo Dongyang not happy standing in the distance. Yun Yiyan's eyes are definitely with special intentions!

Huo Dongyang shook his hand, even the neck Qing standing behind him did not dare to breathe. This should be the calm before the storm!

Huo Dongyang stepped forward, until he came to the back of several people, he said: "Qiao Wei!"

[Chapter 115](#)

Hearing this magnetic and familiar voice, Qiao Wei immediately raised his head.

Seeing Huo Dongyang standing behind Xia yueqian, her eyes became gentle.

"Why did you come?" Jovi stood up immediately.

And in Huo Dongyang's eyes, Qiao Wei is the only one who can't see any other people.

"I've come to pick you up and go home." Huo Dongyang replied. "Sister Juan made a lot of your favorite dishes today."

Qiao Wei smiles at Huo Dongyang. "Really?"

Huo Dongyang nodded, "if it's almost over here, go home!"

"Well!" Qiao Wei nodded and turned to pick up the bag.

"Schoolmaster, I'll go back first." Qiao Wei said to Xia yueqian, "I'll invite you to dinner next time."

Xia yueqian also looked at Huo Dongyang standing in front of him. He was even a little higher than himself, and his aura was quite enough.

In particular, his blue gray eyes, like X-ray, directly transmitted through the human body. This man is of mixed blood, and he also has a little European Court temperament.

Huo Dongyang lightly points his head to Xia yueqian, which can be regarded as a greeting.

Qiao Wei goes to Huo Dongyang. "We can go."

Huo Dongyang droops his eyes and sees Qiao Wei standing beside him. He reaches out his hand and holds Qiao Wei's small hand in his own hand.

Qiao Wei's face was also a little red, she lowered her head and did not dare to look at other people's expressions.

Qiao Wei's performance is to successfully please Huo Dongyang, holding her hand a little harder.

Xia yueqian sees such Qiao Wei for the first time. The little bird nestles in Huo Dongyang's side. As a result, the two people are still special, which makes people feel compatible!

Yun Yiyan is also the first time to see Qiao Wei like this. If she was willing to do the same to herself before, it is estimated that there is no such thing now, and it is impossible for him to take the responsibility of Huo Dongyang.

Cloud Mu Xin suddenly envies Qiao Wei. She is also a woman, so she knows. When you really meet such a wonderful man, your tenderness will only bloom to him alone. It seems that Qiao Wei is really in love with Huo Dongyang.

She looks at Huo Dongyang, and now her feelings about Huo Dongyang are complicated. This man robbed his second brother's wife. He should have hated him, but he was actually his own uncle. The relationship between them really became a little complicated. But he has no hostility to Huo Dongyang. Or there is such a little blood relationship!

Huo Dongyang's eyes also skip the cloud Mu Xin, stayed on her body for a few seconds and then took it back.

"I'm leaving with Jovi first." Huo Dongyang opens his mouth.

At the time when everyone has not returned to God, Huo Dongyang has taken Qiao Wei out.

After Xia yueqian reacts, immediately chases out.

When he reached the door, he saw that Qiao Wei had already got on the bus. Xia yueqian immediately called out: "wait a minute!"

Huo Dongyang put his hand on the side of the door and looked back to see Xia yueqian running over.

"May I have a word with you?" At this time, Xia yueqian was serious and serious.

Huo Dongyang nodded to Xia yueqian. "OK!"

Qiao Wei a listen, in the heart also some worry, she also wants to follow the car.

"You wait for me in the car." Huo Dongyang said according to Qiao Wei's head.

Xia yueqian takes a look at Qiao Wei. "Little, don't worry. I don't eat people. I'll just have a word with him

Qiao Wei frowned, she knew that Xia yueqian would not be good for Huo Dongyang, but she was still worried.

The door was then closed by Huo Dongyang. Qiao Wei was lying on the window and watching Huo Dongyang and Xia yueqian walk to one side.

Or know Qiao Wei to look at, two people's eyes at the direction of the car at the same time.

Qiao Wei was surprised and immediately sat down and did not dare to continue to see. Pick up the mobile phone and brush the micro blog absently. What did Xia yueqian say to Huo Dongyang? I'm really curious!

Just after Qiao Wei finished the micro blog, the door was opened.

Qiao Wei saw Huo Dongyang sitting in, then he said to the south to drive.

"Finished?" Asked Qiao Wei.

Huo Dongyang nodded, "just a few words."

Qiao Wei looked back at the window and saw Xia yueqian standing on the side of the road, also in the direction of the car.

Huo Dongyang did not stop Qiao Wei, sitting on the side did not speak.

Until can't see Xia yueqian's shadow, Qiao Wei just sits upright. "What did the schoolmaster tell you?"

Huo Dongyang looks at Qiao Wei. "Want to know?"

"I want to know, if you don't want to say so." Replied Jovi.

Huo Dongyang's mouth slightly raised, "also did not say what. He told me to take good care of you! Or you'll be rude to me. "

"It's always the case with the senior student. Don't take him seriously." Replied Jovi. "He's serious and serious, but he's a bit of an outspoken person."

Huo Dongyang also nodded his head after listening to it. He also noticed when he and Yun Muxin were fighting each other. But just now Xia yueqian was a serious expression and said those words to himself!Huo Dongyang also has an accident. Qiao Wei will tell Xia yueqian about the marriage. From this, we can see that she has an invisible trust in Xia yueqian. Therefore, Huo Dongyang will be polite to him in the future.

"Dongyang, I have one more thing to tell you." Jovi was a little upset.

"What's the matter, you say."

"I came here to have dinner with my schoolmaster. I really didn't expect to meet Yun Yiyan and Yun Muxin." Qiao Wei explained to Huo Dongyang. She didn't want Huo Dongyang to misunderstand herself.

Huo Dongyang reached out and held Qiao Wei's hand, "Hmm!"

When Qiao Wei heard Huo Dongyang's words, he was relieved. In fact, when she was inside, Qiao Wei knew that Yun Yiyan had been staring at her all the time. She also pretended to be invisible.

Qiao Wei doesn't know what Yun Yiyan means, and she doesn't want to guess. So when Huo Dongyang appeared, she was relieved.

Because she was worried that she would face to face with Yun Yiyan. And she also felt that Huo Dongyang should have noticed these when he came in.

That's why she chose to tell Huo Dongyang these, as long as he knew it well!

"Jovi, I found something today." Huo Dongyang continued.

"What?" Qiao Wei looks at Huo Dongyang and asks.

Huo Dongyang looks at Qiao Wei, and the smile at the corner of his mouth gradually disappears. Qiao Wei felt that the air around him was good and a few degrees lower.

"What's the matter?" Joe asked in a low voice

"Don't get in touch with the people of the cloud family in the future." Huo Dongyang said.

Joe nodded. "OK."

Originally thought that this was the end, Qiao Wei also wanted to talk about the topic of relaxation. But wan wan thought that Huo Dongyang's next sentence would say: "Yun Yiyan just looked at you in that look, I don't like it!"

Qiao Wei a Leng, she also intends to play silly. Qiao Wei didn't dare to look at Huo Dongyang, his eyes began to dodge, "what kind of eyes?"

"The way he looked at you! You don't know?" Huo Dongyang asked deliberately.

Jovi blinked a little and nodded his head. "I don't know."

Huo Dongyang didn't expose Qiao Wei to his face. He held out Qiao Wei and pressed it in his arms.

"I'll let you go this time." Huo Dongyang said in Qiao Wei's ear.

Qiao Wei just raised his head, Huo Dongyang's kiss was ready to fall

[Chapter 116](#)

A few days after this happened.

Qiao Wei, who originally said he would not see the cloud family, was blocked by Yun Yiyan at the bottom of the company this time.

Qiao Wei looks at cloud Yi Yan, the whole person all frowns.

What happened to Yun Yiyan recently? In the past, when he was married, he appeared less frequently than now. He means a few things now, nothing appears in front of him.

Qiao Wei doesn't want to talk to Yun Yiyan. She bypasses Yun Yiyan and looks for another way.

"Qiao Wei!" Yun Yiyan reached for Qiao Wei's hand.

Jovi tightened his brow. "Yun Yiyan, what do you want?"

Yun Yiyan wants to pull Qiao Weiqiang into the car, "you go to a place with me."

"I'm not going with you. Let go Said Jovi at once.

When Qiao Wei is about to be pushed into the car by Yun Yiyan, he goes to the south in time and buckles Yun Yiyan's arm.

Yunyi derivative gas to want to hit the south, the result of two or three times was southward pressed on the car body.

"Are you all right, madam?"

Joe shook his head slightly. "I'm fine."

"Ma'am, wait for me in the car." South to Qiao Wei said.

Qiao Wei looked at the cloud Yi Yan that eats ache, "south, let him go!"

It's hard for him to go south. If so, it's hard for him to communicate with the boss.

Qiao Wei also saw the difficulty of going south. "I'm fine, you let him go. We are missing one thing. "

South also let go of Yun Yiyan, a cold look at Yun Yiyan.

Joe spoke. "Don't come to me again."

"Qiao Wei, you and Huo Dongyang are impossible! Do you know who he is? " Yun Yiyan is really not reconciled. Huo Dongyang actually prepared a bodyguard for Qiao Wei. I can see that he really attaches great importance to Qiao Wei. However, as long as he thinks of his identity, Yun Yiyan is uncomfortable.

Qiao Wei then said, "yunyiyang, you go!"

Finish saying, Qiao Wei turns around, don't pay attention to cloud Yi Yan.

Yun Yiyan pressed his arm which had been sprained to the South with one hand, and said to Qiao Wei's back: "Huo Dongyang's being with you is actually using you to return to Yun's house. In fact, he belongs to grandfather..."

In the last two words, Yun Yiyan stopped abruptly. Because he saw Huo Dongyang who appeared with Qin Hao.

Huo Dongyang looks at Yun Yiyan with cold eyes, and there is a threat in his eyes. "What did Yun Er Shao want to say just now?"

"Huo Dongyang, you are really mean enough!" Every time it happens, is it really intentional or unintentional?

But this time, Yun Yiyan doesn't want to shrink back. "Huo Dongyang, do you dare to say that you have nothing to hide from everyone?"

"Yun Yiyan, everyone has some private affairs that nobody knows." Huo Dongyang continued.

Then he came to Yun Yiyan's face, and his voice was low: "don't think you know something you can take out to threaten people. You know that's just the tip of the iceberg, and it's not a threat to me. But I have evidence in my hand that can completely subvert the cloud family or the cloud family. Do you think for yourself which is more important? "

Yun Yiyan is even more reluctant to do so. "Huo Dongyang, you are really cruel!"

Huo Dongyang raised the corner of his mouth. "Is it?"

"Qiao Wei and you are not suitable at all. Why do you have to pester her This time, Yun Yiyan is ready to throw away his money.

Huo Dongyang didn't answer immediately. He went to Qiao Wei and said, "by the way, I forgot to tell you something. I'm married to Jovi! So please don't disturb us again

This news seems to have completely destroyed Yun Yiyan's heart with a trace of hope. Huo Dongyang and Qiao Wei are actually married?! This news is amazing!

Huo Dongyang also saw the disillusionment of hope in Yun Yiyan's eyes. He has given Yun Yiyan several opportunities. Now he doesn't know how to cherish it. So don't blame yourself for being ruthless this time.

Qiao Wei was also stunned. She didn't expect Huo Dongyang to say this to Yun Yiyan.

"We're home." Huo Dongyang took Qiao Wei's hand and left.

Qin Hao took a look at Yun Yiyan and expressed a little sympathy for him, "yunyiyan, you can do it yourself!"

With that, he turned and left.

Yun Yiyan leans on the car. He raises his head and his eyes are hot.

Yunjia.

Once again, Yun Yiyan came back with a body of wine.

Today, they all went to a party in Yunzhou, so they were not at home.

YUNZHUO sat in the living room watching TV. When he heard the door open, he looked back.

"Why are you drinking again?" YUNZHUO can smell the wine on Yun Yiyan.

Yun Yiyan sat down on the sofa, "grandfather, I just had a few drinks, not drunk!"

YUNZHUO doesn't know why Baiyun Yiyan drinks, but judging from his recent performance, it shouldn't be! It should be something happened.

"What's the matter?" "Grandfather, they used to say that drinking makes people forget everything. It's just that the more I drink, the clearer I get. " Yun Yiyan's tone is also with self mockery.

When YUNZHUO hears these, he is distressed by Yun Yiyan. "What happened?"

Yun Yiyan opens his eyes and looks for YUNZHUO. "Grandfather, is that Huo Dongyang your son?"

YUNZHUO's face changed. How could Yun Yiyan know this.

Seeing Yun Zhuo's expression, Yun Yiyan also laughed. "Granddad, you're really hiding a lot!"

YUNZHUO looks at Yun Yiyan with a heavy face. He is not sure whether he is sober or drunk.

"Grandfather, everyone in this family knows. Hehe, and I'm the last one to know Yun Yiyan continued.

"Grandfather, why is that man Huo Dongyang? Why did Qiao Wei choose him? "

When YUNZHUO saw Yun Yiyan like this, he was not happy. One is his own son, the other is his grandson.

The balance in my heart is wrong no matter which side it inclines to! He is also in a dilemma.

"Grandfather, why should Huo Dongyang choose Qiao Wei Yun Yiyan then asked. "He wants to use Qiao Wei to return to the cloud home, right?"

YUNZHUO wrung his brow. Will he come back? With his achievements at this time and today, he does not care at all!

"He should not come back." YUNZHUO sighs. Although he had been looking forward to his return.

Yun Yiyan smiles. "Grandfather, I went to see Qiao Wei today. As a result, Huo Dongyang told me one thing. "

"What's the matter?"

Yun Yiyan's eyes become blurred, and the whole person seems not very sober. He leaned his head against the sofa. "He told me that he and Jovi were married. Grandfather, you see his speed is really fast! "

YUNZHUO was also shocked by the news. Huo Dongyang actually married Qiao Wei. It's really not on guard!

They got married! YUNZHUO has been replaying this sentence in his mind. I used to think they were just together, but I didn't expect that they would get married.

YUNZHUO really didn't know whether to cry or to laugh.

[Chapter 117](#)

Jiangwan villa.

Huo Dongyang in the study processing documents, Qiao Wei brought him a cup of ginseng tea.

"Dongyang, I just found out that there is no coffee at home. I'll go and buy some tomorrow

Huo Dongyang stopped his hands and said, "no! I won't drink coffee anymore. "

Qiao Wei was surprised to hear the news. "Why not

"Bad stomach." Huo Dongyang casually replied.

Qiao Wei heard Huo Dongyang's answer, she showed a worried face. "Do you want to see a doctor?"

"No. I'll pay attention to it myself. " Huo Dongyang replied.

"No! You must have never paid attention to it before. You must eat on time Qiao Wei is really worried about Huo Dongyang's physical problems.

Huo Dongyang reached out and held Qiao Wei's hand and stretched out his hand to pull her to himself.

"Don't worry! I'll pay attention! Because I have to take care of you, so I won't let myself be in trouble. "

Hear Huo Dongyang's assurance, Qiao Wei's brow just loosen. "That's what you said."

"Well!" Huo Dongyang nodded, "I said that."

Qiao Wei looks down at Huo Dongyang. In fact, she wants to ask him something. That's why he told Yun Yiyan that they were married.

Huo Dongyang looks at Qiao Wei, her expression is something to ask. "What's the matter?"

"How could you tell Yun Yiyan about our marriage today?" Qiao Wei still asked. She's always holding back, and she's uncomfortable.

Huo Dongyang stood up. "Jovi, you are my wife. It's a fact that can't be changed. It's just that Yun Yiyan has been confused about the situation, so I choose to say it out. "

Qiao Wei also thinks that this is a way, but in this way, the people of the cloud family all know it? Is this really a good thing for Huo Dongyang?

"Dongyang, I'm just worried about the impact on you." Said Joe in a low voice. "Because my former identity is there!"

It seems that this is also the heart of Qiao Wei can not cross the ridge. Huo Dongyang reached for Qiao Wei. "I married not your identity, but you. So don't think about it. "

Qiao Wei relies on Huo Dongyang's arms, but she is not optimistic. Huo Dongyang doesn't mind, but it doesn't mean other people don't mind. Last time, Mo Ling said that Huo Dongyang's grandfather would not agree.

"Jovi, just remember. You're going to live with me, and nothing else matters at all

Qiao Wei did not answer Huo Dongyang's words. There was an uneasiness in her heart, which had become more and more intense recently. If something really happens, she hopes to be directed at herself, not to Huo Dongyang.

"What are you thinking?" Huo Dongyang felt Qiao Wei in trance.

"Nothing." Replied Jovi.

Huo Dongyang hugged Qiao Wei, "Qiao Wei, I can't always be by your side. You must take care of yourself. "

"If I want you to take care of or protect me all the time, then I am a waste man." Said Jovi, laughing at himself. She will also study hard to be a wife worthy of Huo Dongyang.

Huo Dongyang knows that Qiao Wei is not that kind of delicate person, but after being with her, he always hopes to give her the best, and wants to take care of and protect her!

He knows where Yun Yiyan is going to take Qiao Wei today? That's why he came forward to deal with it. To say that he and Qiao Wei got married was to completely stop Yun Yiyan's idea of remarriage.

The next day.

Jovi opened his eyes and it was dawn.

Just remembered, Huo Dongyang's arm buckled Qiao Wei's waist. "A little more sleep."

Qiao Wei raised his head and looked at the time on the wall, "it's not early. I'll be late for work."

Joe moved a little, struggling to get up. As a result, Huo Dongyang turned over and pressed under his body.

"I've been so energetic in the morning. I don't mind doing a morning exercise with you." Huo Dongyang said with a smile.

"No..." That to the word has not been said, has been Huo Dongyang's mouth.

In the morning, the hearts of the people in the room resounded

Qiao Wei went to work two hours late. She went into the office with a red face and a low head.

"Don't you feel sick today, madam? How did you come to work? "

Qiao Wei a Leng, uncomfortable? She didn't! Just in the morning with Huo Dongyang, so I arrived late.

Jian LAN comes out of Qin Hao's office and sees Qiao Wei sitting in his seat and asks the same question.

"Why are you here? General manager Huo has not already called manager Qin. "

Joe blushed, nodded, and could only follow the lie. "I feel better, so I come."

"Don't spell it too hard." Jian Lan said to Qiao Wei.

"I know."

Jane LAN smiles. "Tiny, you and Huo total feelings are so good, this class also can not go." Joe shook his head slightly. "No! I can't let Dongyang keep it! I also want to rely on my own efforts to make some achievements

"You're a laborer."

Today, Qin Hao gives Qiao Wei a new task. Is to do a new planning, but also familiar with their own real estate.

Qiao Wei looks at the information in front of him, HD unexpectedly also wants to enter this piece of real estate. It's not clear if this is what Huo Dongyang means or what others mean.

Now the real estate of a city is actually the world of Yunshi, and senqiao is no longer available now. It can only be said that Qiao moring's last struggle can be said.

Qiao Wei can see that Yun Yiming doesn't really want to help senqiao. Yun Yiming wants to eat senqiao.

Looking at the information in front of him, Qiao Wei felt pressure. She reached out and pressed her temple. This case is really hard to do.

At the end of the day, everyone else is off work. Qiao Wei is still sitting in the position, lowering his head is still sorting out the information.

"Jovi, are you not going back?" Qin Hao looks at Qiao Wei and asks.

Jovi raised his head. "I'll have a little more." She wanted to clear her mind before she left.

Qin Hao didn't say much, and later he also reported to Huo Dongyang.

When Huo Dongyang came, Qiao Wei had fallen asleep on the table.

Qin Hao saw Huo Dongyang coming, so did he.

"Here you are."

"How long have you been sleeping?"

"For a while."

Huo Dongyang didn't speak any more. He bent down and picked up Qiao Wei.

"Help me clean up her things."

"OK."

Qin Hao tidies up Qiao Wei's things and follows Huo Dongyang downstairs.

Seeing off Huo Dongyang and Qiao Wei, Qin Hao sees an unexpected person when he turns around.

Two people stand like this, silently looking at each other.

Qin Hao has so many questions in his heart that he should come here. It's just what's his purpose this time?

[Chapter 118](#)

Qin Hao took a few steps forward and stopped in front of him.

"Why are you here?" Qin Hao asked.

"I'll see them."

Qin Hao nodded, "they just left."

"Well, I see. They look like they're really doing well. "

Qin Hao smiles, "yes, Dongyang and Qiao Wei are very good."

"Are they really married?"

"Well." Qin Hao replied. It seems that Yun Yiyan went back to tell him, so he came to prove it.

Qin Hao looked at the time, "does chairman Yun want to go to the office and have a seat?"

YUNZHUO shook his head. "I'm going back. I just came to see them today. "

"Does chairman Yun really want to see Dongyang?"

"Well! You can make me an appointment. I want to talk to him YUNZHUO replied.

Yes, he really wants to sit down and have a talk with Huo Dongyang. This is what he has been looking forward to for so many years.

You can see YUNZHUO's desire, but Qin Hao is not sure Huo Dongyang will see YUNZHUO. "I'll talk to him. As for the result, I can't guarantee it!"

Thank you

"You're welcome."

Before YUNZHUO returned to the cloud home, he received a call from Huo Dongyang. His mood is incomparably excited, this time he even took the initiative to call himself.

The hand holding the mobile phone trembled slightly and could not say a word.

"I heard Qin Hao say you want to meet with me?"

"Yes..." YUNZHUO only returned one word. There was a lot to say, but it turned out that a complete sentence could not be said.

Huo Dongyang's voice did not recognize any emotion. "Where is the appointment?"

At this time, YUNZHUO felt that he was listening to a phantom. Huo Dongyang asked where he was going to make an appointment. Did it mean that he was willing to come out to meet him?

"Would you like to see me?" YUNZHUO's voice trembled.

"Tell me when and where you set it." Huo Dongyang added.

Feel Huo Dongyang to hang up, YUNZHUO immediately reported the time and place, and then waiting for Huo Dongyang's reply.

"Good! I'll be there on time

Although Huo Dongyang has hung up, but he is still reluctant to put down the mobile phone, the mood is also very excited.

Over the past 20 years, he has finally been willing to see himself. Does this represent a good start?

Jiangwan villa.

Huo Dongyang stood in front of the window with his back. Xiang Qing stood behind him, but he didn't expect Huo Dongyang to see Master Yun. Did he really come to the time to meet? [novelusb.Com](http://novelusb.com)

"Boss, are you sure you want to meet YUNZHUO?"

Huo Dongyang didn't turn around. He just stood quietly. "I'll see you sooner or later! So I went ahead. "

"So what are you going to do for the rest of the cloud family?"

"Concrete analysis of specific problems." Huo Dongyang replied.

Xiang Qing thinks that Huo Dongyang is really planning to make an official move this time. Is this a silent war or a scene of swords and swords? Now everything is an unknown.

It's time to meet.

On this day, Huo Dongyang did not wear a suit, but chose a casual suit and simply went out.

Huo Dongyang went to the appointed place in advance to wait for YUNZHUO. He had a pot of tea and some snacks.

Soon after that came the sound of crutches. Huo Dongyang knew it was him.

The voice went from far to near, and then stopped behind him.

YUNZHUO's voice came. "You are so early."

"You are very early, too. Please have a seat Huo Dongyang said.

YUNZHUO walks to Huo Dongyang with crutches and sits down. He sees what Huo Dongyang has ordered. He gave a slight smile.

"Do you need more?" Asked YUNZHUO. He was worried that Huo Dongyang was not used to eating them.

Huo Dongyang shakes his head. "No more."

YUNZHUO has a lot to say, but I don't know where to start.

"I thought you were coming with me."

Huo Dongyang picked up a cup of tea, "you all like to take Qiao Wei as a breakthrough. Everyone talks to me, always moves her out first as the beginning. It's really nothing new. "

YUNZHUO is stunned, or worried about the cold, so he can only start from familiar people. "I'm sorry!"

"I'm sorry for that." Huo Dongyang replied.

YUNZHUO was a little restrained. He didn't know how to put his hands. After all, it was the first time for him to sit down with Huo Dongyang face to face in so many years, but there was nothing to say.

"I already know about your marriage with Wei Wei." YUNZHUO went on.

Huo Dongyang was not surprised. "Yun Yiyan told you! So what would you do? Qiao Wei's identity has changed. I don't think your family can accept it! "

YUNZHUO frowned. At first, he took a fancy to Qiao Wei. In fact, he also wanted Huo Dongyang to be with her. Just at that time, it happened that something happened about Yun Yiyan and Qiao Wei, so he made such a decision. What I didn't expect is that Qiao Wei still came together with Huo Dongyang after a circle, so fate is really wonderful. So he also hoped that they could grow old together and face all kinds of problems hand in hand.

Seeing the expression on YUNZHUO's face, Huo Dongyang then opened his mouth: "it seems that Chairman Yun is still the baby's grandson."

"No!" YUNZHUO will be back soon. "Weiwei is a very good child. I'm very happy that you are with her. That's what I want to say. Don't get me wrong. "

Huo Dongyang did not answer, he just quietly looked at the cup of tea in front of him.

YUNZHUO doesn't know what his son thinks, but he is willing to come out today, which is actually a good start.

"Dongyang, I really don't mean anything. Please don't think about it. " YUNZHUO added.

Huo Dongyang took a look at YUNZHUO, "I know! I'm meeting you today to say one thing. "

YUNZHUO nodded repeatedly. "Well, say it! If I can do it, I can do it. "

"Let the people of the cloud family seldom appear in front of me and Qiao Wei." Huo Dongyang said directly. "Qiao Wei doesn't know about those things, and I don't want her to know. I think you should know why. "

YUNZHUO looks at Huo Dongyang, especially his eyes. It's really like his mother! Of course he knew the reason, but his days were not many, and he wanted to see his son more. Is this also extravagant hope?

"Dongyang, I hope you can go back to the cloud home." YUNZHUO still said.

Huo Dongyang showed a meaningful smile. "Do you think I'll go back? The cloud family has nothing to do with me. "

"But you are..."

"Chairman Yun, my name is Huo." With that, Huo Dongyang also looked at the time.

"I'll be busy later. I said what I should have said. I hope you will abide by the agreement. "

Huo Dongyang stood up. "I've paid for this meal. You can have whatever you want."

"Dongyang!" YUNZHUO frowned. As a result, he couldn't go further. He still left.

This scene happened to be seen by Yun Yiming. I didn't expect to see such a picture when I came to have a meal.

Grandfather really met Huo Dongyang if he knew they were here. He should have come earlier. Maybe you can hear what they say!

[Chapter 119](#)

Yun Yiming stands not far away and looks at Huo Dongyang who has left.

He also saw YUNZHUO sitting in his seat sighing.

How did the two meet, or did grandfather let Huo Dongyang go back to the cloud house? This should be the main purpose of their meeting!

Yun Yiming clenches his hand. It seems that he can't wait to die. If he doesn't act, he will surely have nothing.

Yun Yiming gives up eating, turns around and goes back to the company to discuss with Yunzhou.

When Yunzhou heard what Yun Yiming said, he was quite angry. "Sure enough, they met. It seems that the old man wants that man back to the cloud house! "

"Dad, what should we do? If Huo Dongyang returns to the cloud home, we must all stand aside. "

Yunzhou is silent. It seems that the plan will be advanced. Yunzhou's heart also made a decision. "Dad, don't blame me. You forced me to do this. If you really want to blame, you can only blame yourself. "

Yun Yiming didn't wait for Yunzhou's answer, so he was very worried. "Dad, you have to say something!"

"I know, I will not let them succeed!" Yunzhou also talks. "Don't worry! From now on, we are going to drive the old man out of the cloud family. "

Yun Yiming is happy to hear this. "Dad, did you really decide?"

"Yes Yunzhou nodded. He had been waiting for this opportunity for many years. Now the old man himself brought this opportunity to himself. He certainly will. noVelo.usb.com

Mo Ling passed by the office and was just about to hear what was behind. Her heart a tight, the two father and son are ready to seize power!

It seems that Yun's Dynasty will change soon. She must tell Huo Dongyang about it. These two father and son are cruel enough!

John also received a message from moling in ten minutes. Then John immediately informed Huo Dongyang.

"Boss, what are we going to do next?" John asked.

Huo Dongyang did not speak, just sat quietly, as if thinking about something.

Qin Hao looked at John. "We don't know what Yunzhou father and son want to do with YUNZHUO."

John followed. "If they are cruel, they are killing people."

This sentence let Huo Dongyang's eyes flash, but he also quickly put his emotions away. Is Yunzhou really brave enough to let the old man die? But I think it's possible that there is no family relationship in front of interests.

John peeked at Huo Dongyang secretly, hoping that he could speak.

"Get moling out." Huo Dongyang opens his mouth.

John was stunned. "Really get out? We want to say the data is not available yet. "

Huo Dongyang nods. "That doesn't matter anymore. Yunzhou and yunyiming are also cautious people, how can they be so easy to get! We also know the internal structure of Yunshi, and it's not a difficult thing to do it! "

"But if we get that financial information, maybe everything will be easier." In fact, this is also a key opportunity. Once they want to act, they will certainly relax some of their vigilance.

Huo Dongyang takes a look at Qin Hao. "I know what you think. But moling has to get out. "

"Boss, what are you doing this for?" John was puzzled.

Huo Dongyang knew his identity would be found soon. If moling knew this, it would be an obstacle. It's not a good thing for him and Jovi.

Huo Dongyang's attitude is also tough. "Execute the command! If she doesn't listen, cut off all contact between us immediately. "

"Boss, do you mean to cut off our relationship with moling?"

"Yes Huo Dongyang replied.

When John told Mo Ling about Huo Dongyang's instructions, she was not willing to accept them.

"My task is not finished. Why should I go? " Mo Ling didn't understand. In fact, this is also an opportunity. Yunzhou father and son are ready to deal with YUNZHUO, and will certainly relax their vigilance to the company. So she might be able to get the financial statements.

Mo Ling's reaction is really the same as Huo Dongyang said, she really did not listen.

John also appears helpless, if so, it is really a pity, moling.

"The boss said that if you don't withdraw, you should not contact us in the future. You're just yourself. You have nothing to do with us. Do you understand? "

When Mo Ling heard this, his heart was cut. Huo Dongyang is really cruel and gives himself such a difficult problem. It's not to let her in, nor to retreat!

If she leaves, her task is not completed, so what she shows up in front of Huo Dongyang.

If she doesn't leave, she will violate Huo Dongyang, and her chances of appearing in front of him will be zero.

Huo Dongyang really gives himself a big problem. At this time, what should she do.

John looked at Mo Ling, "Mo Ling, you are a smart man. You should know what to do! "

Mo Ling clenched her hand. "John, is he and that Jovi real?" "That's not what you should know!" John stood up. "You should know the boss's temper."

"That woman doesn't deserve him!"

John looked at Mo Ling coldly, "Mo Ling, there are some things we don't talk about. Do you think the boss will not know about your meeting with Qiao Wei? "

With that, John left.

Mo Ling's face is very ugly, originally Huo Dongyang knows. It's just that he didn't say anything. What does it mean?

In a panic, Mo Ling picked up her mobile phone and called Qin Hao.

"You all know about my meeting with Jovi?" Mo Ling immediately asked.

"Well!" Qin Hao answered.

"So why hasn't Huo Dongyang said anything so far?"

"What do you think? Moling has only one chance. I hope you can be obedient this time

"I don't like it!" Mo Ling is really unwilling. "Is he punishing me?"

"Don't speculate. It's for your own good that you get out of here Qin Hao also gave Mo Ling a hint because he was a relative.

Mo Ling put down the mobile phone, tears streaming. She always can't make out Huo Dongyang's mind, so close her eyes and let the tears flow out.

The next day.

Mo Ling looks for Yun Yiming with a black eye.

Seeing Mo Ling's resignation report on the desktop, Yun Yiyan feels very surprised!

"What's the matter with you?"

"Mr. Yun, I'm sorry! I don't think I'm up to the job Mo Ling replied.

Yun Yiming looks at Mo Ling. She is very haggard today. Something should have happened.

Moling's ability, he is very clear, and his side also needs such people.

"Can I know why you want to quit?" Asked Yun Yiming.

Mo Ling showed a helpless smile. "Personal reasons."

Yun Yiming stands up. "You don't want to leave, do you?"

Mo Ling looks up at Yun Yiming. "Mr. Yun, I'm..."

"Mo Ling, I need you!"

[Chapter 120](#)

Mo Ling didn't think of Yun Yiming's words.

It's also the first time that a man talks to himself like this, and I can't help feeling strange.

"Mo Ling, you are the most outstanding assistant among so many assistants. I hope you can stay and help me!" Yun Yiming's words are rare and sincere.

Mo Ling was moved by Yun Yiming's words, and her heart was contradictory.

To stay is to draw a clear line with Huo Dongyang, and he may stand opposite to Huo Dongyang in the future.

If you don't stay, then she has very little chance to get close to him. Now Huo Dongyang still has that Qiao Wei.

But stay, she can make a sum of money for herself, so that she can also take a part home. But after that, she and Huo Dongyang were in complete opposition.

If you don't stay, you don't know where to start. John had given himself a sum of money before, but it was really not much. There is always a time when the flower is finished. If you don't do anything, how can you ask Huo Dongyang?

If you want to see Mo Yiming during the holiday, you can continue to deal with things. But I hope you don't leave Wynn. I have a lot of things I need your help with. "

Mo Ling's face is tangled. In front of her, this is a difficult problem for her to choose love and bread.

"Mr. Yun, I'm..." Mo Ling really doesn't know what to say.

Yun Yiming puts the resignation report into the hands of Mo Ling. "Mo Ling, I can give you a few days to think about it. You are excellent in every aspect. I really need you! "

"Thank you, Mr. Yun!" Mo Ling is really moved by Yun Yiming's appeal. "I will think about it!"

Mo Ling walked out of Yun Yiming's office with his resignation report. For the first time she felt at a loss. She used to know what she wanted, but now she doesn't know.

She came to a city clearly to help Huo Dongyang, but now everything seems to have deviated from the original track.

After leaving Yunshi, moling secretly came to the neighborhood of hd-qh, and she wanted to take a chance to see if she could see Huo Dongyang.

She was sitting in a cafe across the street, waiting quietly.

Maybe it's true that God has eyes. Mo Ling really waited for Huo Dongyang. Huo Dongyang and Qin Hao come back from the outside, and Mo Ling also sees them get off and walk into the building.

Mo Ling continued to sit here and wait, hoping that Huo Dongyang would come down alone this time.

This wait until after work time, Huo Dongyang and Qiao Wei appear in the sight of moling. Hand in hand, they stood on the side of the road waiting for the car to come and pick it up.

Huo Dongyang is very considerate to help Qiao Wei tidy up her clothes, and then gently help to pull the hair off her face. That kind of eyes, that kind of focus, is no one else has.

Qiao Wei is enjoying Huo Dongyang's favor like this. Why! Mo Ling clenched her hand, and her fingernails pinched blood stains out of her palm.

Why does Huo Dongyang let such a woman stay by his side and even give her so much love! What magic does Qiao Wei have to make Huo Dongyang treat him like this.

He has been waiting for Huo Dongyang for so many years, but he has never seen himself in the face. How can this make sense?

See Huo Dongyang help Qiao Wei get on the car, and then follow the car. The car soon drove away, just like my heart was slowly broken with the car leaving, and broken to the ground.

Mo Ling put her hand on her heart, and she closed her eyes. Do you really have to watch them show their love each other? But Mo Ling is not reconciled, why he will lose to Qiao Wei! She really can't understand!

Before, she also wanted to secretly give cloud Yi Yan advice, let him chase back Qiao Wei. But it didn't work! Huo Dongyang's means, she is clear words, so she dare not continue to be blatant.

Mo Ling took out his mobile phone and called Yun Yiming. "Mr. Yun, I can stay!"

"Really? Great Yun Yiming is also very excited. "I knew you wouldn't let me down!"

"But I want to take a few days off and go home to see my parents."

"No problem!" Yun Yiming also readily agreed.

Mo Ling put down the mobile phone, "Huo Dongyang, you forced me to do this! So you can't blame me!"

Mo Ling once again picked up her mobile phone to book a ticket to Korea. She wants to tell Huo Jiang all these things, which is her last big move.

Huo Dongyang is sure to listen to Huo Jiang. In this way, is it possible for him and Qiao Wei? Even if you can't get something, then Qiao Wei also don't want to get it! If it's a big deal, we'll burn all the jade and stone together!

Thinking of Qiao Wei's fate, Mo Ling began to laugh. "Qiao Wei, I'll let you live a few more days!"

In the car.

Qiao Wei can't help but hit a few ha Qiu, she took a tissue to wipe.

"What's the matter? Do you have a cold? " Huo Dongyang asked quickly.

Joe shook his head. "No, just an itchy nose."Huo Dongyang stretched out his hand and pulled Qiao Wei's hand, "recently, the weather has begun to turn cold. You must pay attention to your health! "

"I will. It's the same with you. " Said Joe, smiling.

With that, the two men looked down at their mobile phones. The data that Qiao Wei collates today is very important for making plans.

Huo Dongyang looked at it was John who sent the information about Yunshi, and John also told Huo Dongyang a message that moling did not resign.

Hearing such a news, Huo Dongyang's brow frowned. After all, she chose another way. Then he won't have any other scruples.

Huo Dongyang also told John what he thought and asked him to send someone to watch Mo Ling.

Suddenly the arm heavy, Huo Dongyang looked back. Joe, I didn't sleep enough last night.

Joey, hold the cell phone in hoyang's arms. One hand took Qiao Wei's mobile phone in his hand, and his eyes just aimed at the content of her mobile phone.

Pick up Qiao Wei's mobile phone, Huo Dongyang also quickly browsed once. It seems that she has sorted out a train of thought, but the plan made by this idea is not strong enough, which is easy to be refuted.

Huo Dongyang marked a few points on his mobile phone, hoping that these will help Qiao Wei.

The car suddenly brake urgently, Huo Dongyang also subconsciously hugged Qiao Wei, and then his eyes were very sharp staring at the outside of the car.

See a red BMW in front of the car, Huo Dongyang narrowed his eyes.

"South, go down and have a look."

"Yes

Huo Dongyang lowered his head and looked at Qiao Wei in his arms. He felt relieved. Fortunately, Qiao Wei is OK, otherwise he must not finish.

After a while, we got on the bus south.

"Boss, it's Qiao Xin and a friend of her in that car. Both of them seem to have drunk. They didn't control the car well just now."
