

Warm Wife 331

[Chapter 331](#)

There was constant crying in the room, and the people outside the room were uncomfortable.

Tang Yuze clenched his hand. He didn't expect the truth to be like this. A year ago came to the appointment, Xia yueqian happened that kind of thing. This is a big blow to Mu Yun's heart.

Huo Dongyang saw Tang Yuze's Distressed eyes. He said, "let's go to the living room."

"Uncle, if I can, I still want to be here with Mu Xin." Tang Yuze didn't want to go away. He wants to be here to guard Yun Muxin. After the truth is revealed, the saddest thing is definitely Yun Muxin. He didn't want to let Yun Muxin suffer in silence.

Huo Dongyang did not force Tang Yuze to leave. In fact, Huo Dongyang understands Tang Yuze's mood at the moment. He once had a similar experience. That feeling is really bad. But now the situation is not the same as he was at that time, because Yun Muxin and Tang Yuze are now male and female friends, and there is a Xia yueqian between them. Huo Dongyang can now understand the meaning of the sentence that Xia yueqian said to himself when he woke up after the operation. Don't tell Yun Muxin.

Originally Xiang Xia yueqian doesn't want to use this fact to circle Yun Mu Xin. He doesn't want to let Yun Muxin carry more. He would rather bear these in silence and live a miserable life every day. Xia yueqian got better for half a year, and then they had no news of him. Or Xia yueqian doesn't want to have contact with them, or he doesn't want to hear about Yun Muxin from their mouths. Huo Dongyang thinks that Xia yueqian should know about Yun Muxin and Tang Yuze, so he will make such a decision.

Huo Dongyang went to the living room and sat down. Huo Jiang and Mary are also worried.

"William, now admirer knows. So what would she do? " Mary thought it was a problem for Yun Mu Xin. Now this Tang Yuze is also good, but Xia yueqian there is that.

"Grandma, what we say is useless. We have to let Mu Xin solve it by himself." Huo Dongyang replied.

Huo Jiang also agreed with Huo Dongyang, "Mary let them solve it by themselves. It's OK for us to support silently behind our backs. "

Mary nodded and she looked back at the room. In fact, Xia yueqian and Tang Yuze are both good. It is certain that Yun Muxin will be entangled.

In the room, Yun Muxin has been crying. Because the heart is afflicted, Xia yueqian happened such a big thing, she unexpectedly did not know. She felt very mean to think of it. This year's happiness is actually stolen back.

"Auntie, I want to see him." This is the first sentence that Yun Muxin cried.

Qiao Wei holds Yun Mu Xin's hand. "Mu Xin, have you decided?"

"Well! Anyway, I should go and see him. " Yun Muxin is also determined to see Xia yueqian. She had to make sure that he was in the right situation before she could really relax.

Qiao Wei has not contacted Xia yueqian for a long time, and Xia yueqian has also intentionally cut off contact with them. Mobile phones and other means of communication have changed. So now we can only find Xia yueqian through Yun Yiyan. Qiao Wei looked at Yun Mu Xin, "Hmm! OK, I'll get in touch with you. You have a good rest

Qiao Wei nodded, and then stood up, "I'll cook some porridge for you first, and you'll have something to eat."

Qiao Wei opened the door of the room, and Tang Yuze immediately got up. Looking at Qiao Wei eagerly, he seems to ask if he can go in now. Qiao Wei can also see that Tang Yuze is really worried about Yun Muxin. She also thinks that Tang Yuze and Yun Muxin need to have a good chat. This is what makes Qiao Wei embarrassed. It is whether Yun Muxin's mental state is suitable for talking now.

"Mu Xin's state is not very good now, so..." Qiao Wei wanted him to go later, but Tang Yuze was not one of those people who retreated. He immediately said, "Auntie, don't worry, I won't stimulate my admiration."

Qiao Wei saw such a calm and mature Tang Yuze or to refuse, and cloud Mu Xin seems to listen to Tang Yuze's words. "You go in!" With that, Qiao Wei also left space for them.

Seeing the door of the room open again, Yun Muxin raised his head mechanically. When she saw Tang Yuze, she was very nervous. She bit her lips, facing the present Tang Yuze, her mood is more complex.

Tang Yuze saw such Qiao Wei, also felt uncomfortable. He went to the bed and sat down. "Mu Xin, you didn't apologize to me! Don't look at me like that. "

Cloud Mu Xin's tears flow out, and she reaches out to hold Tang Yuze and cry again. If Tang Yuze is not nice to her, she may feel better. She was too careful and considerate to say no to him.

Later, Yun Muxin fell asleep again on Tang Yuze's shoulder. Tang Yuze holds Yun Muxin and lies down. He gently pulls the hair off her face. "Have a good sleep."

Tang Yuze has been holding Yun Muxin's hand, so quietly accompany Yun Muxin. Fortunately, this time, she slept soundly. This reassured Tang Yuze a lot. He whispered in a low voice: "admiration, in fact, I am jealous! Although this happened to Xia yueqian, it can't be the reason for us to break up. Do you understand? "

In addition, Qiao Wei also called Yun Yiyan. "Call me so late. What's up?" Yun Yiyan knows that Qiao Wei must have something to call him.

Qiao Wei said, "Mu Xin has already known about the senior."

Hearing Qiao Wei's words, Yun Yiyan was silent for a while before making a sound, "so what's the situation now?"

"She wants to meet the senior." Qiao Wei conveys the meaning of Yun Mu Xin.

But I heard a sigh from Yun Yiyan. "My brother should not see admirers."

"Why?" Asked Jovi at once.

"She's the only one who knows why." Yun Yiyan replied. "I can't understand what he has done since he broke contact with you at that time."

"Can't you hear from the voice of Qiao Yiyan

"Neither good nor bad." Yun Yiyan gave an ambiguous answer. In fact, only Xia yueqian knows whether it is good or not. Other people really don't know.

Qiao Wei's eyes darkened, "so is it really gone? This is the last chance. "

"What do you mean by that?" Yun Yiyan immediately asked.

"Tang Yuze and Mu Xin came back to talk about marriage. If we relatives don't have any opinions, his parents will come to the bride price immediately. You know what that means, so I don't want them to not even have a chance to meet. I don't think it's what you want to see! " Joe Wei simply said it.

Yun Yiyan was silent again. He didn't make a sound. It was so quiet that people felt that the line was broken.

"Yi Yan!" There was a cry from Jovi.

"Well, I am." Yun Yiyan replied. "I'll talk to my brother. Wait for me."

"Good!" Joe nodded.

The next day.

When Yun Muxin didn't get up, her mobile phone rang. She reached out to touch her mobile phone. She was also in a daze, almost closed her eyes to answer the phone.

"Hello..."

"Still sleeping?"

Hearing this sound, cloud mu heart suddenly spirit up.

[Chapter 332](#)

Yun Muxin immediately sat up and looked at the phone number.

"Awake now!" Cloud Mu Xin answers.

"Well, I won't tell you for the sake of jet lag. At noon, you and that Tang Yuze come to the restaurant on XX road. " The voice of Yun Yiyan came again. After that, he quickly added, "don't be late at noon. You should know that I don't like to be late."

Yun Muxin used it several times, "Hmm! It won't be late. " In fact, she wants to know whether Xia yueqian will appear or not. If Yun Yi Yan asks him to come, he should not come.

After yunmuxin's grooming, he immediately walked out of the room, as if he had slept, and the whole person was in a lot of spirits. Go to the living room, you can see Tang Yuze and the children playing, but no one else!

"What about them, uncle?"

"Out." Tang Yuze replied. "But I should be back soon."

Yun Muxin walked to the sofa and sat down. She took a look at the two children. "How can they trust you to give them to you?"

Tang Yuze said with a smile, "that's because I have a kind face and the children like me."

The way they get along seems to be the same as before. It seems that there is no change at all. No one mentioned yesterday's matter, so or feel comfortable. Tang Yuze looked at Yun Muxin and said, "would you like to have breakfast?"

"Well!" Yun Muxin felt hungry and wanted to eat. "Of course I will. I've Digested everything I ate last night."

Tang Yuze immediately went to make breakfast for yunmuxin. Yunmuxin smelled the fragrance and felt warm in his heart. Every day I feel that I live in a carefree life. In the United States, in addition to Tang Yuze, there are Jason and John who take care of them. There are uncles here to take care of. Although her former home was scattered, now she feels that she has gained more relatives.

"Come and eat." Tang Yuze called.

"In a minute." Yun Muxin immediately ran over. Seeing that Tang Yuze is still preparing eggs, ham and milk for himself, Yun Muxin smiles. Although it is the same breakfast for thousands of years, Yun Muxin still feels delicious.

"Eat slowly." Tang Yuze said softly. Or really because of hunger, Yun Muxin's speed is very fast, less than a few minutes to eat up. Tang Yuze looked at her fondly, "do you want it?"

"No more. I can't eat too much, because I want to keep my stomach and eat my second brother's meal at noon Yun Muxin tells Yun Yiyan about a meal.

Tang Yuze was a little nervous after listening, "what do I need to prepare?"

Yun Muxin felt his chin, then looked at Tang Yuze from head to toe, "I think it's OK to take people."

Later, they came back from the market and bought a lot of delicious dishes. However, he was told that yunyiyan wanted to have dinner at noon. Qiao Wei heard, she looked up at Huo Dongyang, only Huo Dongyang nodded, meaning to let Yun Muxin and Tang Yuze go.

If Yun Yiyan asks them out, Xia yueqian should not appear. If it is Yun Muxin, it is hard to say. Now they are yunmu and Tang Yuze. So the probability that Xia yueqian will appear is very low. But it's better than shrinking.

Yun Muxin and Tang Yuze also set out at a later time, saying that they were going to buy some gifts for Yun Yiyan, so they set out early. After seeing two people start, Huo Dongyang and Qiao Wei just sit down.

"Dongyang, what do you think Yi Yan will say to them?" Asked Jo.

"I don't know." Huo Dongyang replied. The answer is only known to them.

XX restaurant.

Yun Yiyan had already come in advance, but as soon as he went in, he saw that they had arrived first. This was really surprising to him. You should know that Yun Muxin had never been on time before, and being late was a common occurrence. I've been waiting for it early today.

Yun Yiyan walked over and sat down, "it's rare! My third lady is not late. I'm going to wait for you for half an hour! I'd be happy if you could be there in half an hour. I didn't expect you to be late this time. "

Yun Muxin immediately replied, "of course, you said not to be late?"

Yun Yiyan's eyes fall on Tang Yuze. This man, he went to investigate before he came. Tang Yuze is the third generation of the Tang family, a famous family in C City. At the age of 18, he went abroad to study abroad and started a small company in the United States. His career was also very good. It would be nice for Yun Muxin to follow him, and there is a Tang family behind him. Everyone knows how the Tang family in C city exists. The reason why it is called a noble family is because there were royal relatives and relatives on the Tang family ancestor, but it declined later.

Until Tang Yuze's grandfather Tang Sheng's generation, he was made a general because of his meritorious service in the war and his brilliant achievements. So the Tang family got attention again. However, Tang Sheng did not choose a high position, but chose to return to the field and return to City C to provide for the aged. Although he is retired, his achievements are here. Even if they don't know who the mayor is, they don't know the Tang family.

To Tang Yuze's father, Tang Yichen, this generation is bringing the economy of city C. Tang Yichen also has a military rank, but he chose to retire to establish the ty group. The establishment of ty group promotes the development of C City. More intriguing is Tang Yichen's wife. There are many rumors about her. Some people say that she is the princess of F country, but others say that she is only the daughter of ty group's partners, and even the most ridiculous one is that she once had a problem with a girl, but she was just the adopted daughter of a certain family. Tang Yuze, who grew up in such a background, did not choose a home business, but also started his own business in the United States alone. It is also rare. Tang Yuze seems to be the second child of Tang Yichen and his wife. The children of Tang family are also mysterious. No one ever knows their real identity. It seems that only tangyuze is only one in the semi public. These news is also cloud Yi Yan took a lot of effort to find. The stories of Tang family are always legends, and they are not much real.

Some worry about yunyiyan is that yunmurin is really with tangyuze, and it is estimated that the day is not so easy. Such a strong family background is really not easy. And still a family that can not touch the edge.

Tang Yuze knows that yunyiyan is always looking at himself. But it was all normal, and he was ready for this time. For yunmurin, he must bear whatever happens.

Yunmurin felt embarrassed, "second brother..."

"Well?" Cloud Yi Yan will catch the eye.

Yunmurin received a lively atmosphere. "If you don't know your orientation is normal, I'll doubt you. I know Kevin looks good, but you can't stare at people like that. "

Said by yunmuring, yunyiyan spewed a mouthful of water directly, "poof..."

[Chapter 333](#)

Yun Yiyan's saliva was directly sprayed on the table, which made him look a little embarrassed.

"What did you say?" Yun Yiyan said as he wiped his mouth.

Since Tang Yuze and Yun Muxin contact, as long as there is any cold, she will always say some explosive words. It's just that this time, the response is a little big. Yun Muxin can also choose the time, but when Yun Yiyan drinks water, he says such words.

Yun Muxin looked at Yun Yiyan innocently, "am I wrong? You've been staring at Kevin all the time. It's like. Second brother, you don't think you have failed to pursue Xiaolan sister, so you really want to change your orientation? "

"Go away!" Yun Yiyan is really angry.

At this time, Tang Yuze also helped Yun Muxin deal with the aftermath. "Second brother, admiration is not intentional. Don't mind."

It can be seen that Tang Yuze is very protective of her, which is quite good. Yun Yiyan looked at Tang Yuze and asked, "I heard that your parents are coming to a city for betrothal gifts? I really want to marry Yun Muxin, a girl who is not big or small, but she has a bad temper. "

"Second brother, do you talk like that?" Yun Muxin stares at Yun Yiyan and likes to tear down every time. "I'm different now."

Yun Yiyan looks at Yun Mu Xin with a look of pride. "What's the difference? I'm not happy about what you just said

Yun Muxin knows that Yun Yiyan wants to take advantage of the opportunity to revenge. She pours discontentedly and looks unhappy. Tang Yuze reached out and pressed Yun Mu Xin, "don't be angry. The second brother is also joking with you."

Yun Yiyan saw that Yun Muxin really changed his attitude because of Tang Yuze's sentence. This Tang Yuze can really hold her, which is a little unexpected at that time. Yunmu's mind once seemed to have no willfulness.

"Second brother, after what you said just now, I have this plan to let my parents come over and give bride price. Of course, it will have to wait for me to pass your approval. " Tang Zeying followed what Yun Yiyan just said.

"What's Huo Dongyang's opinion?" Yun Yiyan wants to see what Huo Dongyang thinks first, so that he can judge.

Tang Yuze replied, "Uncle hasn't made a statement yet."

"What if I don't agree?" Yun Yiyan is also testing Tang Yuze. In fact, his identity is sensitive, and he has no real blood relationship with Yun Muxin, so to tell the truth, he has no position. But he just wanted to see Tang Yuze's attitude.

Tang Yuze smiles, and it is expected that Yun Yiyan will object, because there is also Xia yueqian's relationship. However, he said that he would not let Yun Muxin be difficult to do, so of course he would not refute Yun Yiyan. "I will try my best to prove myself and let my second brother change my view."

"I'm young, but I'm good at life." Yun Yiyan appreciates Tang Yuze's calmness, which has something to do with his family background. "But this is also true, because growing up in the Tang family requires some basic skills. Otherwise, it will be very difficult to survive. "

These words let Tang Yuze's face have some changes immediately, but he also recovered quickly. It seems that Yun Yiyan has already investigated himself, otherwise he would not have said such a thing. "My family is very simple, not so complicated."

Yun Muxin also knows that Yun Yiyan is making trouble for Tang Yuze. "Second brother, I met Kevin's parents. Their parents are very easy to get along with."

"Yun Muxin, have you met other people's parents?" Yun Yiyan answers immediately.

"Last time Kevin's parents went to America to see him, I just met him. They are very easy people to get along with. " Cloud Mu Xin explains.

Yun Yiyan nodded. "Yun Muxin, do you know the background of others? That's not comparable to several cloud families. "

Yun Muxin frowns and looks at Yun Yiyan. "Kevin is not as complicated as you said. I know all about him. Second brother, please don't make trouble for Kevin! Otherwise, this meal can't be eaten

"I grew up." Yun Yiyan replied. "If you don't believe it, go back and ask your uncle."

Tang Yuze doesn't want to let Yun Muxin and Yun Yiyan quarrel. "Muxin didn't have breakfast. Let's eat!"

After that, Yun Yiyan was a little polite to Tang Yuze and did not mention the Tang family. The meal finally passed safely. After dinner, watching Tang Yuze go to the bathroom, Yun Yiyan looked at Yun Muxin and said, "Qiao Wei said to me, do you want to meet my brother?"

So suddenly, Yun Muxin didn't have any psychological preparation. She didn't think there would be such a topic today. "What's wrong with him now?"

"I don't know." Yun Yiyan replied. "He went to another city to do research two months ago. I can give you the phone number if you need it! But I also have a word. If you decide to stay with Tang Yuze, don't make this call. "

Yun Muxin stares at the number written on the post it note by Yun Yiyan. She watches Yun Yiyan finish the phone number all the time. In fact, in this process, she has memorized the phone number by heart.

"Here you are!" Yun Yiyan hands the post it to Yun Muxin. "Finally, I need to remind you that Tang Yuze's family is not ordinary. It will be very hard for you to come to his home, and the pressure will be great. Go back and ask your uncle to check it. I think he will find more than mine Yun Muxin is said by Yun Yiyan, and seems to have some doubts in his heart. To tell you the truth, Tang Yuze seldom talks about home. She thinks that she doesn't want to mention it, so he doesn't mention it. But what Yun Yiyan said just now really made her have a question.

Yun Yiyan looks at the time. "It's about time. You go back first! I have to wait for a client here. "

Knowing that Yun Yiyan has a job, Yun Yiyan and Tang Yuze are not easy to disturb.

"Second brother, let's go first." Yun Muxin said to Yun Yiyan.

"Well, go to the company when you have time. I'll wait for you to take over and take a vacation." Yun Yiyan replied.

Yun Mu Xin is really in a dilemma. "Can you talk about this later? I haven't graduated yet. My uncle also allowed me to play a little longer

"Well, I don't think the company will go if you get married." Yun Yiyan has determined this result several times.

Yun Muxin makes a face at Yun Yiyan, and then pulls Tang Yuze away.

After they left, another door in the room opened, and out of it came a thin man. He was wearing a white shirt, the whole person looked very fresh, but his eyes were a little sad, his eyes were always looking at the door.

They left like this. Today, I am so close to her, but feel so far away from her, she is still not changed at all, or so lively and active. It's a pity that the people around her are others now. His eyes, which had no look at all, were even darker. His hands trembled slightly before he could hold them tightly.

Yun Yiyan stood up. "Brother, are you ok?"

[Chapter 334](#)

Xia yueqian looks back at Yun Yiyan. He is powerless to hook up the corners of his mouth and seems to be saying that he is OK.

Yun Yiyan frowned. There would be nothing wrong with this situation. Last night, he didn't agree with Xia yueqian. But in order to get closer to Yun Mu Xin, he decided to come.

Yun Yiyan helps Xia yueqian to his seat and then pours a glass of water to Xia yueqian. "Brother, what are you going to do next?"

"She felt happy." Xia yueqian gave this answer. That Tang Yuze seems to be really good at cloud, so it's OK. The other things don't make any sense.

Yun Yiyan can clearly see that Xia yueqian is not well, but insists on saying so. "Brother, what would you do if Mu Xin called you?" Yun Yiyan is not sure that Yun Muxin will make this call, but with his understanding of Yun Muxin, this call should still be able to make.

Xia yueqian doesn't think so. It doesn't matter whether yunmuxin will call now. "Yi Yan, is Tang Yuze's home really so complicated?" Just now he heard Yun Yiyan say something about the Tang family in the next room, which attracted his attention.

Yun Yiyan did not answer, just handed his mobile phone to Xia yueqian. "I found some information, but very little. It's more of a legend. I think the Tang family is more complicated than the cloud family. It

took me a lot of effort to find out. When the Tang family arrived at Tang Yuze's generation, there was almost no news. "

Listening to Yun Yiyan's words, Xia yueqian is also worried. "Can you really be sure that Tang Yuze is from the Tang family in City C?"

"This should be certain." Yun Yiyan did not dare to use a very positive tone. "If we really want to find out, we can only ask Huo Dongyang to investigate."

Xia yueqian lowered his eyes and worried. If this is the case, Yun Muxin will be very hard. He even thought of some pictures of the future, and thought that Yun Muxin would suffer, and Xia yueqian's heart felt uncomfortable. He stretched out his hand and pressed his heart. After the accident, as long as he was excited, his heart would be uncomfortable.

Yun Yiyan also looked at Xia yueqian nervously, "brother, what do you think? Is it uncomfortable? " Xia yueqian reaches out to block Yun Yiyan's hand and shakes his head at him. "I'm fine."

"You can't, brother. These things can be big or small. " Yun Yiyan said with a face but a heart.

"I can't die." Xia yueqian replied. A year ago, it was so serious that I couldn't die, so I can't die now. So he didn't worry, but he ignored a little, so the heart death is the biggest sorrow.

Later, Yun Yiyan sent Xia yueqian back to have a rest. After seeing Xia yueqian sleep, Yun Yiyan left his room. In the living room, Yun Yiyan sees Xia Mingde drinking tea alone. "Dad, I went to the company first."

Xia Mingde opens his mouth to stop Yun Yiyan. "Yi Yan, come and have a cup of tea with Dad!"

Yun Yiyan seems to know that Xia Mingde has something to say to himself. He goes to the opposite side of Xia Mingde and sits down. "Dad, what are you going to say to me?"

"How is your brother today?" Replied Xia Mingde.

Yun Yiyan said with a smile, "what's good or bad about this. I don't think his condition is good, but he just says he's OK

"Is Yun Muxin really going to marry that man?" That's what Xia Mingde only cares about. I really didn't expect that she chose someone else. A year ago, her son just wanted to see her and became what she is today. Once such an excellent doctor, but now become a decoration.

Parents want to think of here, of course, angry, are heartache for their own son. If you didn't go out that day, it's all right now. But his son really like cloud Muxin that girl, so he can only accept such a result. Now Yun Muxin wants to marry another man, which is a stimulus to Xia yueqian, so Xia Mingde will not be happy.

Yun Yiyan understood Xia Mingde's meaning, "Dad, I understand what you mean. No matter what the result is, I hope you will not interfere in this matter

"I'd like to intervene, but your brother has said several times that I'm not allowed to take care of it." When Xia Mingde said it, he felt oppressed.

Yun Yiyan took a sip of his tea cup. Now they really can't do anything, because Huo Dongyang is still watching. At least they can't stand on the opposite side with Huo Dongyang. Now, unless Huo Dongyang is on their side of the Xia family, everything is hard to say.

As soon as Yun Yiyan arrived at the company, he was told that Huo Dongyang had come and had been waiting for him for almost an hour. Yun Yiyan immediately went to his office, pushed the door in and just saw Huo Dongyang sitting on the sofa.

"Boss, how can you come here today?" Yun Yiyan went to do it.

Huo Dongyang put the mobile phone away and said, "I happened to be nearby, so I said to come and have a look."

Yun Yiyan smiles. He is half suspicious of Huo Dongyang. It is suspected that he came to inquire about the lunch. The other half is that Yun Yiyan really saw Huo Dongyang put several documents on the desktop. It seems that he should have come from Qin Hao. Because these files have the logo of QH. "Does the boss seem to have finished his business?" Yun Yiyan asked. "Or I'll think you're here for information."

Huo Dongyang smiles, "this is not fake. Because I really came to ask for information

"Did Jovi ask you to come?" Because Yun Yiyan knows that Huo Dongyang is not a gossip like that. Only women can nag about these things. And Huo Dongyang, a good husband, will certainly go out.

Huo Dongyang did not deny it and asked directly, "how is the situation?"

"Huo Dongyang, I suggest you check Tang Yuze." Yun Yiyan also comes to the point.

Huo Dongyang raises eyebrows, these things he seems to have ignored. "Do you think there is a problem?"

Yun Yiyan stood up and handed a document to Huo Dongyang from his desk. "Look at this first."

Huo Dongyang reaches out to pick up the document in Yun Yiyan's hand, and he immediately sees the photo of Tang Yuze. "So you should have checked it?" After reading those simple introductions, the others are legends. Huo Dongyang frowned. "That's all?"

"Yes! That's all. " Yun Yiyan nods. "What's more, you can see that Tang Yuze's basic information is incomplete and his date of birth is nothing. The only way to prove Tang Yuze's identity is that he was photographed with Tang Sheng at a reception. Otherwise, no one knows that Tang Yuze is from the Tang family. "

After listening to Huo Dongyang, he looked down at the contents of the document again. If it's really like what Yun Yiyan said, it's really necessary to understand Tang Yuze's family background. You can't push Yun Mu Xin into the fire pit.

"Huo Dongyang, anyway, Mu Xin and I have been brothers and sisters for more than 20 years. I also hope that she will be happy! My ability is limited, only so much can be found. If Tang Yuze is really a member of the Tang family, I hope you think your uncle's identity prevents this marriage. That house is too complicated and mysterious. "

Huo Dongyang understands the meaning of Yun Yiyan. If this is the case, he really needs to reconsider!

[Chapter 335](#)

Jiangwan villa.

Huo Dongyang came back to find that Yunmuxin and Tang Yuze did not come back. Qiao Wei looks at his face is not good, "what's the matter?"

Huo Dongyang took Qiao Wei to sit down. "Haven't they come back yet?" Seeing Qiao Wei nodding, Huo Dongyang told Qiao Wei what he heard from Yun Yiyan.

After listening, Qiao Wei was stunned and didn't seem to believe it was true.. She looked at Huo Dongyang. "Is that true?" She is also worried that if this is the case, it will be a great test for Yun Muxin and Tang Yuze. Seeing that Yun Muxin and Tang Yuze have such a good relationship, they are not good at doing these things.

"Dongyang, what are you going to do? Do you really want to investigate Tang Yuze as Yi Yan said? " Joe spoke. "It would be hard for admirers to know about it."

Huo Dongyang would not have done any investigation because he believed in Yun Muxin's choice. He didn't like the old-fashioned way. He asked all other people's family background so clearly, as long as he was clean. Now it involves a mysterious Tang family. It will be hard to say after that.

"Dongyang, you'd better check it out! At that time, when Mu Xin asked, he said it was what I meant Qiao Wei saw Huo Dongyang's dilemma, so he also helped him out. If Tang Yuze and his colleagues ask at that time, they can also avoid part of the suspicion.

Huo Dongyang smiles. "Good!" Huo Dongyang's action is very fast, immediately let the item Qing to check.

In the evening, Yunmuxin and Tang Yuze came back. They went to buy a lot of things, but most of them were children's toys.

Qiao Wei saw or said. "They already have a lot of things. How can they buy so much?"

"Auntie, didn't I come back empty handed? Anyway, it will be their birthday in two days, just as a birthday present. " Yun Muxin said with a smile. "None of these things are expensive."

Qiao Wei hears cloud Mu Xin's words, still really not easy to say what. "Don't do that next time. There are so many things that I can't hold on to now. "

"Your uncle and I are cooking. We can eat it soon." Said Joe, smiling. "You go and play with your brothers and sisters."

Back in the kitchen, Huo Dongyang has already finished. Seeing Qiao Wei come in, Huo Dongyang asked, "are they back?"

Qiao Wei nodded and then said, "and bought a lot of things for my brother and sister. I think that's what Tang Yuze meant

Huo Dongyang didn't say anything and went out with the dishes. He won't say much until there is an answer to everything. At this time, saying more is only a joke.

During the meal, Qiao Wei also followed the topic and asked about Tang Yuze's family. "Kevin, how many people are there in your family? So we can also prepare gifts

"You're welcome, aunt. My parents have everything. " Tang Yuze has some answers. Qiao Wei suddenly asked, could it have something to do with Yun Yiyan? Yun Yiyan asked himself today because he found something. Maybe he told Qiao Wei about it. Or all of them already know what's going on at home.

Said Joe, smiling. "As you say, it's a good home. What do parents do? "

"My father has his own company, and my mother occasionally goes to the company to help." Tang Yuze blurry answer, did not say very clearly, but also is to answer Qiao Wei's question.

Qiao Wei also want to continue to ask, Huo Dongyang stopped. Because he could see that Tang Yuze was suspicious. If you ask again, you will have an accident, so Huo Dongyang starts first and throws out a sentence directly. "What do you say about your marriage to Mu Xin?"

Huo Dongyang's words let everyone be stunned, dare to feel Huo Dongyang, this is already agreed?! Tang Yuze is also surprised to return to God, "if Uncle agrees, I will let my parents come to discuss marriage."

"I'll have time in a few days. I can arrange it." Huo Dongyang replied.

Qiao Wei frowned. She didn't expect Huo Dongyang to say such a thing. Isn't this still under investigation? How did you become a parent? This change is too big!

"OK, I'll tell my parents." Tang Yuze agreed generously.

After dinner, Qiao Wei pulls Huo Dongyang into the room. "Dongyang, this matter is not clear, how can you let Tang Yuze's parents come over? It will be my brother's and sister's birthday party in two days. We are busy there

Huo Dongyang certainly knows what Qiao Wei means, but sometimes, they also have to take the initiative to know the truth earlier. This is also an opportunity, whether the Tang family will soon know.

In the next two days, Qiao Wei was busy with his son and daughter's birthday party. Other things seem to be put aside, even to forget about Tang Yuze's parents.

But Huo Dongyang has been waiting for the news of Xiang Qing, but it has been two days, and there is no news at all. This forced Huo Dongyang to make some bold ideas.

The night before his birthday party, Tang Yuze came to see Huo Dongyang and told him that his parents would go to a city two days later. Huo Dongyang looked at Tang Yuze and asked, "where did they start? I'll have someone pick them up But Tang Yuze asked Huo Dongyang with a smile, "uncle, don't you know? They started from city C

Huo Dongyang thought not to move his face, but in Tang Yuze said such words, he also clear. It seems that Tang Yuze already knew that he was going to investigate his affairs. Otherwise, that would not have been said.

"Well, I see. They are welcome. I will arrange the accommodation Huo Dongyang did not pierce.

Tang Yuze shakes his head, "these should be arranged by me, don't bother uncle."

"All right." Huo Dongyang certainly will not rush to do such a thing.

After Tang Yuze went out, Xiang Qing also came out of the dark. "Boss, this boy is very good."

Huo Dongyang nodded with a smile, "have you found it?"

"Boss, it's really rare to check this time. It's almost the same as Yun Yiyan's investigation." Xiang Qing replied.

Hearing this, Huo Dongyang's face is not good-looking. "Is there really no news?"

"Only one thing is different from Yun Yiyan. Tang Yichen has only one child, Tang Yuze. So Tang Yuze should not be the second child. "

Huo Dongyang thinks that there must be some problems in this, otherwise there will not be such a big difference. Xiang Qing continued: "the legend is the same as Yun Yiyan, saying that Tang Yuze has a brother, but no one has ever seen him. It seems that there are many secrets hidden in the Tang family. There are all kinds of strange things, which are quite mysterious. "

Huo Dongyang really doesn't believe in such words, fantasy?! He only believes in reality and science. If you can't find it, then you will have to wait until you meet Tang Yuze's parents, and you will find out.

[Chapter 336](#)

The birthday party of Huo yunxun and Huo yunnuan is still held at home, but there are not many people coming this year, only family members.

Qin Hao and Jian LAN went out to discuss cooperation, but did not come back. Huo Dongyang also received a red envelope from Qin Hao early in the morning. Seeing that the red envelope was quite large, he did not argue with Qin Hao too much. Jason and they couldn't come back because of something, and their gifts were received in the morning.

Only Yun Yiyan will come this evening, others will not. When Qiao Wei called Yun Yiyan, he also asked about Xia yueqian.

"Qiao Wei, I think you are a long winded mother." Yun Yiyan seems a little impatient.

"That's it with me." Replied Jovi.

"Then think about it with your head. Under such circumstances, will my brother go? Isn't it a handicap to yourself? If I hadn't promised you to go there earlier, I don't think I would Yun Yiyan is also rejecting.

Qiao Wei was really angry when he heard that. "Whatever you want!" Is not a Tang Yuze, as for everyone is so concerned? I think I feel angry. These men's measurement is also a little bit.

Joe hung up the phone angrily. If you don't come, you won't come! She's a little more relaxed. She doesn't have to cook so much.

Huo Dongyang walked into the kitchen and saw Qiao Wei look angry. "Who makes you angry?"

"Yun Yiyan said he didn't want to come." After that, Jovi turned and went on cooking dinner.

Huo Dongyang holds Qiao Wei from behind. "Don't get angry. If we don't come, we'll take it easy." Huo Dongyang took over Qiao Wei's work and said, "I'll come!"

When the dinner was ready, Yun Yiyan arrived as promised and brought two gifts.

Qiao Wei is still angry when he sees Yun Yiyan. "Don't you say no?"

"I can't think of it. But on second thought, if you don't come, you'll be fired tomorrow. I'm working for the boss now. I have to bear with my job. "

Qiao Wei knows that Yun Yiyan is talking about scenes. How can he come here for this reason! Looking here with two presents in his hand, Qiao Wei of course also knows that half of Yun Yiyan is on behalf of Xia yueqian.

In the courtyard, Yun Yiyan sees Tang Yuze who is helping. He didn't mean to do things seriously.

"I didn't expect that you are very skillful in your movements. It seems that you have not exercised less." Yun Yiyan spoke first. "My sister really can't do anything. It's you who will work hard in the future. "

Tang Yuze looks at Yun Yiyan and greets politely. "Second brother, are you here? Sit down quickly. "

Yun Yiyan went to Tang Yuze and said, "do you really regard yourself as your own? I heard from Huo Dongyang that your parents will come to a city tomorrow? "

"Yes, my second brother is really well informed." Tang Yuze said with a smile.

Yun Yiyan sat down on one side. "My news is not well informed. This is what Huo Dongyang told me. He said that when the two families meet, let me go together."

"Uncle said that as well as taking you as family." Tang Yuze replied.

Yun Yiyan smiles and doesn't say anything. Huo Dongyang knows himself well. These also need to be said or evaluated by others. He didn't like these affectation tricks the least.

Huo Dongyang then appeared in the yard, "what are you talking about?"

"He's asking why I don't call you uncle." Yun Yiyan replied.

Tang Yuze didn't expect that he would be attacked by Yun Yiyan. He knew the relationship between Yun Yiyan and Huo Dongyang before, and now he can't say what he said.

"This uncle won't, and I don't like it either." Huo Dongyang's answer seems to have helped Tang Yuze out.

Yun Yiyan said with a smile, "did you hear that? He just let Mu Xin call him that. Maybe that's what you call it. He's very uncomfortable. Because they call him old, they are just a few years older than us. "

Huo Dongyang looks at Yun Yiyan and looks at Yun Yiyan all the time. He seems to be telling him not to keep his mouth shut! Yun Yiyan shrugged, of course, did not continue to tease Tang Yuze.

The birthday party ended happily afterwards. Before Yunyiyan went back, he was stopped by Huo Dongyang.

"Something?"

"Tang Yuze has the results of the investigation." Huo Dongyang said to Yun Yiyan.

Yun Yiyan is also excited. "Really? Any new news? "

Huo Dongyang shakes his head. "No, but it's a little strange..."

Yun Yiyan's brows are tight. Huo Dongyang and his own are different. So is it true that Tang Yuze's identity is false? If it's a fake, then who is he? "Huo Dongyang, according to you, we need to doubt Tang Yuze's identity."

"He is a child of the Tang family, which should not be wrong." Huo Dongyang replied.

"No! I don't think it's easy. " Yun Yiyan's intuition tells him that Tang Yuze is definitely in trouble. "Huo Dongyang, don't take it lightly."

Huo Dongyang knows that Yun Yiyan is also worried about Yun Muxin, but his words are also reasonable. After all, they don't know anything about the Tang family now! It seems that only after Tang Yuze's parents come, can we make other plans. The next day.

Yun Muxin goes out to buy gifts for Tang Yuze's parents. She drives out in Huo Dongyang's car. The first time he drove out alone, Yun Muxin was still a little nervous. While waiting for the red light, Yun Muxin inadvertently looks at the side, and finally sees a familiar figure.

Although I haven't seen him for a year, Yun Muxin still recognizes that the man is Xia yueqian. He looks thinner than before. Is he not in good health? He still likes to walk back as before.

Summer should go home for a long time! Last night, Yun Yiyan also said that Xia yueqian was not in city A. now it seems obvious that he is lying. Xia yueqian is in a city, or he has never left.

Cloud Mu Xin's eyes have been staring at Xia yueqian's side, also forget that he is waiting for the red light, the green light has been on, the car behind has been honking. Yun Muxin immediately starts the car, but her route is not to buy gifts, but to follow the direction of Xia yueqian.

Look at Xia yueqian's back, cloud Mu Xin's heart feels uncomfortable. Thinking of the accident, her heart was still pounding. Fortunately, he was alive, otherwise he would really feel guilty for a lifetime.

In fact, Xia yueqian always knew that there was a car following him. He thought it was just an accident, but now he saw the car following him all the time, and he felt strange. So at the next intersection, Xia yueqian stops.

Sure enough, the car also stopped, Xia yueqian staring at the car, the car seems to have seen there. Suddenly, Xia yueqian remembered that this was Huo Dongyang's car, but how could Huo Dongyang always follow himself?

At this time, the door also opened.

Xia yueqian looks at the person who appears in front of you, is a face surprised!

[Chapter 337](#)

Cloud mu heart quietly looking at Xia yueqian, ghosts just know what she just experienced.

Looking at him like this, it seems like the next year, a year gone, like a sudden half a life feeling. When he found out just now, Yun Muxin's heart rate index can be said to be out of his watch. He felt like this for the first time.

Looking at the thin face like this, my heart suddenly felt uncomfortable. Once that sunshine love to tease people, like to be enthusiastic and meddling in his affairs, unexpectedly become like this. Now he has no vitality, some are just cold, and his eyes have no glory of the past. How can it not hurt? Or because of this heartache, yunmuxin decided to get off the bus.

Cloud Mu Xin looks at Xia Yue Qian's face surprised, it seems that is really did not think it is their own. Yun Muxin suddenly had the idea of making fun of Xia yueqian. She closed the door and took two steps forward. "Long time no see."

When Xia yueqian heard the face-to-face voice of Yun Muxin, he really felt that he was dreaming. He even felt that he saw the mirror. He blinked, then rubbed his eyes with his hand, "is it really you?"

Yunmu heart acid, nose itching, eyes also slightly feel moist. The idea of making fun of him just now disappeared. "Xia yueqian, you tried to kill me two days ago, but you don't know me today?"

"I'm going to kill you?" Xia yueqian's face was muddled and forced. From there, he loved her too late. How could he be willing to kill her! Even if you want to kill yourself, how can you kill the people you love. "Where can I start with that?"

"It begins with the meeting of you and me!" Cloud Mu Xin answers.

Xia yueqian felt that Yun Muxin's words made his long silent heart live. On the day they met, they were still fighting with each other, but now they do not seem to go back to that time.

Although they were only a few steps apart, neither of them took that step forward to bring each other closer, and the atmosphere was a little stiff.

Xia yueqian tried to make himself not so excited, but the jumping heart was not under his control. At this time, I really feel that what I should say at this time will not make me so embarrassed. "When did you come back?"

Yun Muxin has been waiting for a long time for such a sentence. He really feels depressed. If it was him before, it would not be like this. Well, in this case, I can only come by myself. If I take the initiative, I won't lose a piece of meat.

"Don't you already know I'm back?" Yun Muxin said directly. "My second brother should have told you that I want to see you. Why, you don't know? "

Xia yueqian is said by Yun Mu Xin, as if there is really nothing to refute, with a helpless smile on his face. "You seem to be getting smart."

"Of course! What I say is that I have studied abroad. This IQ must be online. " Yun Muxin said confidently.

Xia yueqian's mouth showed a smile. "IQ is not on the line, this is still difficult to say."

"You don't look down on people." Yun Muxin continued.

"I never look down on people." Xia yueqian replied. Especially you, I've always been more important than anything.

Yun Muxin really felt that Xia yueqian was not as energetic as before. Did that accident bring him an unimaginable blow?! "Xia yueqian!"

"Well?" Xia yueqian looks at Yun Muxin and thinks that she has something to say, but she does not continue to say. "What's the matter?" He also saw that Yun Muxin's desire to speak stopped, and he was actually looking forward to what she wanted to say.

Yun Muxin tangled for a long time, and finally followed his heart. She took the initiative to shorten the distance, she went to Xia yueqian step by step. She looked up at Xia yueqian, closer look more obvious, a lot less flesh on the cheek. "You are thin."

"Busy with work." Xia yueqian saw cloud Mu Xin standing in front of him. He used a lot of willpower to make himself bear not to hold her. He also saw himself from the eyes of Yun Mu Xin, a morbid. He also believed that Huo Dongyang would not tell Yun Muxin about the incident a year ago, so he made such an excuse to get close to his work.

Cloud Mu Xin knows Xia yueqian lies, in addition to heartache or heartache. She suddenly reached out to hold Xia yueqian, and her voice was dumb, "Xia yueqian, I think you are a fool. How have you been through the year? "

In fact, cloud Mu Xin called Xia yueqian before, and the phone was connected, but Xia yueqian didn't answer. Or he knows it's his own, so he doesn't answer it. I didn't expect to meet him in this way today. She hugged Xia yueqian harder. "Xia yueqian, I'm sorry!"

Xia yueqian is suddenly held by Yun Muxin, and the whole person is surprised to be speechless. He didn't react until he heard Yun Muxin say sorry. "Why say I'm sorry?"

"Because I don't know anything. Why don't you tell me? " Yun Muxin really complains about Xia yueqian.

Xia yueqian couldn't say a complete word. He slowly raised his hand to hold Yun Mu Xin, but his helpless hand could not be too hard. His hand wanted to tighten, but he became powerless. "Mu Xin, I don't want you to have a burden." Cloud Mu Xin feels the hardship of Xia yueqian. She buries her head in Xia yueqian's arms, and she can still smell the medicine on him. "What burden can I have, and I am one of those great men. You should have heard that the third lady of the cloud family is famous for her willfulness and arrogance. So what burden can I have

Xia yueqian smiles. "Fool!"

"You are the fool Yun Muxin counterattacks. "Xia yueqian, you are the most stupid fool in the world."

"A fool and a fool are a couple." Xia yueqian almost blurted out. After he finished speaking, he reacted or came to say something wrong.

Cloud Mu Xin heard such a sentence, the heart is bound to palpitation. If she had known this a year ago, it would have been impossible for her and Tang Yuze.

At this time, cloud Mu Xin's mobile phone also just rings. The ringtone of the mobile phone is specially set by Yun Muxin, so she knows that the call is made by Tang Yuze.

Xia yueqian seems to be dissatisfied with this disruptive phone call. Seeing Yun Mu Xin's expression, he also knows whose phone this is. He let go of Yun Mu Xin, "answer the phone!"

Cloud Mu Xin raised his head and looked at Xia yueqian with some disappointment in his eyes. She let go of Xia yueqian and took out her mobile phone from her pocket.

"hello!"

"Mu Xin, I got my parents. I'll take them to the hotel first. " Tang Yuze's voice came.

"Yes. I'll be there later. " Cloud Mu Xin answers.

Yun Muxin put the mobile phone away. She also saw Xia yueqian's evasive eyes. "Xia yueqian, next time I call you, please answer the phone. I have a lot more to say to you. "

"If you have something to do, do it first."

Yunmu thought that Xia yueqian would keep himself, but he didn't. He said in his heart, "I'll send you home, don't say no!"

With that, Yun Mu Xin turns to drive. In fact, she doesn't want to hear Xia yueqian's refusal.

[Chapter 338](#)

On the bus, the two people were silent, and the atmosphere was a little awkward.

Xia yueqian, who didn't really plan to get on the bus, obviously saw that Yun Mu Xin was not happy, so he got on the bus. Another reason why he chose to get on the bus was that he wanted to see Yun Muxin more often. But after coming up, I didn't know what to say, so I just sat there. Xia yueqian didn't know what Yun Muxin was angry about. He didn't say a word until now.

Yun Muxin's focus is on driving. Now there is a person in the car. She has to be careful and serious. She even looked at the front with a straight face, so there was no time for anything else, which also made Xia yueqian feel that she was angry. The first time Yun Muxin returned home to drive, the road conditions here are not the same. There are many cars and many people. You really need to pay attention to 100% of the time. Otherwise, accidents will happen easily.

Yunmuxin's speed is not fast. It took nearly twice as long to get home as soon as she could. When yunmuxin parked her car at the door of Xia's house, she dared to breathe a sigh of relief. "Here it is."

Seeing the suddenly relaxed yunmuxin, Xia yueqian realized that Baiyun Muxin was not angry, but was too focused on driving. "Thank you for sending me back," he said

Cloud Mu Xin looked at Xia yueqian, "Xia yueqian, do you really have nothing to say to me?" She doesn't know what changes will happen after meeting Tang Yuze's parents this time, but one thing is certain,

that is, she and Xia yueqian can't go back. Or once those words that can't be said have no chance to say again, so Yun Mu Xin doesn't want to take any regrets.

Xia yueqian has a lot to say to Yun, but all the words are stuck in his throat and can't speak any voice. He felt bad too! Don't let Tang Yuyun want to marry her Many, many, but these words in his own present situation, still really can't say.

Cloud Mu Xin sees such Xia yueqian also to suffer. Or he has hurt him, so he really has nothing to say to himself, and she can understand these things. So she did not force Xia yueqian again.

"I'll go first." Xia yueqian held back for a long time to say such a sentence.

"Well!" Cloud Mu Xin nods. "Goodbye!"

Xia yueqian pushed open the door, after getting off, he turned to Yun Muxin and said, "drive carefully."

"I'm sure I'll be careful. If my uncle knows that I drive his car at this speed, he won't let me drive next time." Cloud Mu Xin answers.

"Be careful!" Xia yueqian became serious. At the beginning of their own is because too much believe in themselves will happen like that. He doesn't want yunmuxin to have an accident. If something happens to yunmuxin, he will certainly lose his support point.

Yunmu nodded. "Don't worry! I'm going. "

Xia yueqian looks at Yun Muxin and drives the car away. In his heart, he is calling silently, don't go! Xia yueqian is really not brave enough to ask Yun Muxin to stay! But he also knew that if he didn't open his mouth this time, he and Yun Mu Xin would be more impossible.

"Why not keep her!" Behind him came Xia Mingde's voice.

"No Xia yueqian replied and walked into the door.

Xia Mingde looks at his son and shakes his head. Just now he saw a car stop and he just came out. Unexpectedly, he saw such a picture. Yun Muxin actually sent Xia yueqian back, which immediately made him happy. But now my son has no action at all. He heard from Yun Yiyan that Tang Yuze's parents came to city a today, so it must be about marriage.

Want to take here, Xia Mingde also walked into the room. As soon as I went in, I saw Xia yueqian lying on the sofa, feeling a little depressed. He went over and said, "how are you and Yun Muxin?"

Xia yueqian closed his eyes, "nothing."

"Why didn't you keep her? You don't know! Tang Yuze's parents are here, and their families are going to talk about marriage. "

"I know. She thinks happiness is enough. " Xia yueqian replied. He also knew that Tang Yuze was really kind to Yun. Thinking of this, my heart is aching again.

See Xia yueqian frown, Xia Mingde nervously asked: "is there any uncomfortable place?"

"Dad, I want to be alone."

Xia Mingde sighed and stood up. He went back to his room in silence, leaving space and time for his son.

Xia yueqian pressed his hand on his heart. What's wrong with this heart today? Is it a pain or a heartbeat? It seems that after seeing Yun Muxin today, it seems that it has become a little different. This is not the endless pain before, but the jump to get reborn.

Home phone rings, Xia yueqian opened his eyes, he sat up to answer the phone.

"Hello..."

"Brother? Are you at home?" Yun Yiyan seems to be surprised that Xia yueqian answers the phone.

"Well, what's the matter?" Xia yueqian is worried about Yun Yiyan's tone.

"Where's dad?" Yun Yiyan asked.

"Room."

"Let dad answer the phone." Yun Yiyan continued.

Xia yueqian goes to knock on Xia Mingde's door, "Dad, Yi Yan's phone." He opened the door and went out to answer the phone. Xia yueqian wants to go to the bathroom and go to bed. But just after the living room, I heard Xia Mingde and Yun Yiyan talking.

"I know the mayor of city C. I had dinner together before. Well, I'll ask him. "

Xia yueqian stops, wondering how Yi Yan mentioned the mayor of City C with his father? It's so hard that something really happened? Then he heard it again. "Yi Yan, do you really suspect that Tang Yuze's identity is false?"

"Well, I understand. I'm not going to ask that explicitly. Don't worry

Looking at Xia Mingde put the phone down, Xia yueqian walked past. "Dad, what did you mean? What identity of Tang Yuze is false

See Xia yueqian has opened his mouth to ask, he did not continue to hide, cloud Yiyan's suspicion told him. After hearing this, Xia yueqian turned pale. "Is that Tang family really so mysterious?"

"Well! It is said that the ancestors of the Tang family used to be high priests in charge of the royal family. They knew witchcraft. It's also the magic curse of decline. " Replied Xia Mingde. He also inquired about these through some personal connections, and the truth is still uncertain.

Xia yueqian frowned. He was a scientific worker and would not believe these things. "Can you believe these things?"

"There are true and false legends." Xia yueqian replied. "Now your brother suspects that Tang Yuze's identity is false. It's because Huo Dongyang got different results. "

Hearing this, Xia yueqian is even more worried about Yun Muxin's situation. If Tang Yuze is really a fake, what should yunmu do? If it is, he must stop Yun Muxin and Tang Yuze from being together.

[Chapter 339](#)

Superior room of XX hotel.

Tang Yuze sat with his parents. But he seems absent-minded, the whole human soul is not here.

Tang Yichen looked at his son and said, "son, what are you thinking about?"

"Nothing." Tang Yuze replied.

"Thinking of the girl who admires her Asked Tang Yichen. "Didn't you say you were coming? How come it hasn't arrived yet? "

Tang Yuze looked at the time. It seems that this time is really some long. It really worries people. What will happen?

"Son, would you like to see it?" Mother said.

Tang Yuze nodded. "Mom and Dad, take a break and I'll go out and have a look."

After Tang Yuze leaves, Tang Yichen and his wife Yuxi take a look at each other. Gong Yuxi said: "also Chen, now this matter seems to be difficult to say."

"Let the children decide." Tang does not want to interfere too much. It's rare that my son likes a girl so much. Of course he wants to support him. But thinking of their Tang family, not everyone is willing to marry their daughter in.

Gong Yuxi clenched Tang Yichen's hand. Women's intuition was always accurate. She felt that there was a change in the marriage. Suddenly, I feel a little sad about my son, because a Tang family makes him carry too much. And they feel sorry for their son. If he was not born in the Tang family, his life would be easier.

"Xiao Xi, what are you thinking?"

"Yichen, how much do you think they have found out?"

Tang Yichen smiles. There are so many legends about the Tang family. They are true and false. Those who believe will believe, and those who do not believe will not. None of this can be said. However, this time there are also thorny problems, the other party is the president of HD Huo Dongyang, as well as cloud Yiyang of the cloud family of city A. The two people don't seem to communicate well.

Of course, Tang Yichen knows that Yun Yiyang and Huo Dongyang went to investigate Tang Yuze before. It is estimated that they will have some ideas after seeing the investigation results. Under such circumstances, they should not be so easy to agree to the marriage. I hope that this time he and Gong Yuxi's arrival can make them feel sincere.

Jiangwan villa.

Huo Dongyang also asked Jason to check Tang Yuze's situation in the United States, but he got very little information.

"Boss, what's wrong with Kevin? I've met John a few times before, and he's a great admirer. You can rest assured of that. "

Huo Dongyang looks at the information sent by Jason in silence. Tang Yuze's company registered in the United States really can't see anything. "His people are OK, just a little suspicious of his family background."

"Kevin's family seems to be very good, absolutely worthy of admiration." Jason replied.

"OK, go ahead. I'll get back to you if you need something

After the video chat with Jason, Huo Dongyang felt more and more strange. The more simple and clean the information was, the more suspicious he felt. It seems that we can only make a decision after meeting Tang Yuze's parents.

At this time, Huo Dongyang heard the sound of the car. He stood up and went to the window to have a look. As a result, he saw Yun Muxin driving back. She didn't go to see Tang Yuze's parents?

When Huo Dongyang went downstairs, he just heard Qiao Wei's voice, "Mu Xin, how can you come back?"

"I was a little tired, so I came back."

Then heard the sound of closing the door, Huo Dongyang walked behind Qiao Wei. "What's wrong with her?"

Qiao Wei looked at Huo Dongyang and shook his head, "I don't know. I see that she is unhappy and doesn't know what happened."

Huo Dongyang immediately went out of the house after listening, and then turned on the monitor installed in the car to see, but saw that the camera shot Xia yueqian. Huo Dongyang quickly takes out the monitoring memory.

Just want to go back to the house, but see Tang Yuze also in a hurry back. "Uncle, is mu Xin back?"

"Well, it's a bit uncomfortable to sleep." Huo Dongyang replied. "Why are you back? Did you get your parents? "

Tang Yuze nodded. "Well, yes, they are resting at the hotel. Mu Xin originally said that she wanted to go, but I didn't wait for her, so I came back to have a look

When Huo Dongyang heard Tang Yuze's explanation, he suddenly understood something. It seems that after seeing Yun Muxin and Xia yueqian, something must have happened, so she didn't go to Tang Yuze.

"I think she drove out by herself today. She was so nervous that she felt tired." Huo Dongyang gives Yun Muxin an excuse. "Let her have a rest."

Since Huo Dongyang said so, Tang Yuze certainly has no opinion. "OK."

Yun Muxin really went to sleep, but he didn't sleep well. In the dream, there were fragments of himself and Xia yueqian and Tang Yuze. It was like a movie that played the little bits and pieces of himself and the two of them had known each other. Yun Muxin felt headache after sitting up. She put out her hand and pressed her head.

"Mu Xin, are you awake? It's dinner. " Qiao Wei came to ask Yun Muxin to have dinner.

"Oh, here it is." Yun Muxin answers immediately. She picked up her mobile phone and looked at the time. She didn't expect to sleep all afternoon. Yun Muxin changed his clothes and went out to dinner. He found that everyone looked strange at his expression. And Yun Muxin also found that Tang Yuze was not there.

"And Kevin?"

"I went to dinner with his parents." Huo Dongyang replied. Fortunately, the girl really fell asleep, or he really did not know how to round the excuse. Because Tang Yuze later really went to Yun Mu Xin's room and made sure that Yun Mu Xin was really asleep before he went out at ease.

Yun Muxin only remembered today's event. Tang Yuze's parents went to a city. She reached out and patted herself on the head. "I want to forget about it."

"Call someone after dinner and say it. Remember to be polite." Huo Dongyang continued. She could forget such an important thing. It seems that Xia yueqian's affair affected her.

Qiao Wei also went on to say, "your uncle has made an excuse for you to say that you are not comfortable sleeping, and other people's parents did not say anything."

Yun Muxin immediately said to Huo Dongyang, "thank you, uncle."

Huo Dongyang looks at Yun Mu Xin seriously. "Have you met Xia yueqian today?"

Cloud Mu Xin a Leng, then nodded a head. "Yes..."

Hearing Yun Muxin's words, the others also stopped. Huo Dongyang has seen the monitoring, but only the part of the car. He has no idea what they said before getting on the bus.

"Mu Xin, what do you think now?" Asked Qiao Wei, worried. "When their parents have arrived in city a, you should think about it carefully."

Yun Muxin raised his head and said, "that Well, would you be angry if I said I wanted to think about marriage again? "

Huo Dongyang put down his chopsticks. "We will give you time. But I don't know if the Tang family will agree or not! "

Yun Muxin immediately lowered his head, which seemed to be too much. But now her heart has not really decided, especially after seeing Xia yueqian today.

"Mu Xin, who do you love?"

[Chapter 340](#)

Qiao Wei's question not only asked Yun Muxin, but also attracted other people's attention.

Everyone seems to be waiting for Yun Muxin's answer, yes! Who does she love? Xia yueqian or Tang Yuze.

Yun Muxin is really a little embarrassed. She has never thought about this answer. Living in happiness every day, I really don't know how to solve this problem.

"All right. Eat first" Huo Dongyang interrupted the crowd. "Eating while thinking is not good for your health."

Yun Muxin looks at Huo Dongyang. She really thanks Huo Dongyang and helps herself every time. But this time, she had to deal with it on her own. It's hard to make a decision, but if you don't make a decision, the more people will be hurt.

After dinner, Huo Dongyang also said a word to Yun Muxin. "Don't make this decision with compassion or pity, because it's also a hurt."

Huo Dongyang actually reminds Yun Muxin that he can't make this decision because of his injury. He hoped that Yun Muxin's choice came from his heart, not from his sympathy.

"Uncle, what do you think of them?" Yunmu wants to hear from Huo Dongyang.

"Listen to me?" Huo Dongyang sits down opposite Yun Muxin. "Won't that affect your judgment?"

Cloud Mu Xin smiles, "I also make a reference opinion. After all, uncle, you don't see the same angle as me. And I'm sure you'll give me a fair opinion. "

Huo Dongyang a smile, this girl seems to be really more mature than before, look at the problem will also be two sides of the analysis, this point is good. Now Tang Yuze's identity is a mystery. Xiang Qing has not got the latest news. If this is the case, he can only meet Tang Yuze's parents and make a reference later.

"Uncle, what do you think?" Cloud Mu Xin sees Huo Dongyang in a trance.

Huo Dongyang heard Yun Muxin calling himself, and he immediately returned to his senses. "Nothing. Xia yueqian's people are good, but now he is a little negative. Tang Yuze is good to you, but his identity is not simple. "

Huo Dongyang has only two sentences, but Yun Muxin hears a lot of information. Today, when I saw Xia yueqian, her heart was full of excitement. To tell Xia yueqian the truth, Yun Muxin felt more heartache than sympathy. He would become like this and had a little relationship with himself.

As for Tang Yuze, when she was with him, she was really happy. It can be said that there was no trouble at all, which was the envy of many women. But sometimes, she would also like to think whether life is too stable, but let herself have no sense of reality.

Huo Dongyang looked at Yun Mu Xin, "Mu Xin, there is no so-called perfect match or perfect marriage in this world. These all depend on oneself and each other to work hard, happy life is not unilateral pay

Yun Muxin understood what Huo Dongyang said. "Uncle, I understand that. On that day, my second brother told me that Kevin's family was very complicated and asked me not to choose Kevin. To be honest, I really don't know anything about Kevin's family. But with him, I will feel happy, he will help me to think well of everything. Over the past year, I also found myself very dependent on him. "

"There is more to life than happiness." Huo Dongyang added another sentence.

Cloud Mu Xin nods. "So when I'm with Kevin, I always feel unreal."

"Xia yueqian?"

Hearing these three words, Yun Muxin suddenly felt different. I remember the first time we met, she and he seemed to have a verbal confrontation. Later, when he had an accident, Xia yueqian always appeared to protect himself inadvertently. Every time I gave myself warmth and hope. Later, because of Yun Yiyang's relationship, she deliberately alienated this relationship, or even avoided it.

After such an analysis, Yun Muxin has an answer to come out. She immediately opened her eyes and her heart beat faster. She was flustered by the thought of consequences that she might not have foreseen.

Huo Dongyang saw Yun Muxin's appearance and knew that she had the answer, but he would not ask Yun Muxin's answer. "Go to bed early! I'll see Tang Yuze's parents tomorrow. "

Yun Muxin raised his head and looked at Huo Dongyang. Every time he cared and reminded himself, what should be done and what should not be done. "Thank you, uncle."

Huo Dongyang nodded, walked a few steps, Huo Dongyang stopped again. "Mu Xin, we always like to see things very complicated. In fact, if we only consider from the perspective of two people, you will find that many things are actually very simple."

"Well?" Yun Muxin did not understand the meaning of Huo Dongyang's words. In the end, he really said something about himself and Xia yueqian, or about himself and Tang Yuze. Cloud Mu Xin just want to continue to ask, Huo Dongyang walked away.

Huo Dongyang would walk away because he almost said the last sentence just now. The following sentence, he wants to let Yunmu choose Xia yueqian. Those things of the Tang family are not acceptable to Yun Muxin. However, he is worried that his words will affect Yun Muxin's judgment and choice, so he must go away.

The next day. Yun Muxin got up early in the morning to have a meal with Tang Yuze's parents.

After dressing up, Yun Muxin walked out of the room and just saw Huo Dongyang and Qiao Wei ready. Three people today tacit understanding wearing a series of clothes, Yun Muxin smile, "it seems that our family is now Dr fans."

Mr. Yun is right. Dr. is now the first choice for many people. Mike is also very intelligent. After successfully entering the domestic market, he immediately launched several clothes suitable for the domestic market. As a spokesman, Qiao Wei also made a lot of efforts, so Mike would send some clothes to Qiao Wei and Huo Dongyang every time, but almost all of them were lovers series.

"I went to Mike's for this one before I came back." Said by Yun Muxin with a smile. I didn't expect to get the same series.

Joe gave a slight smile. "This is the tacit understanding of the family."

"Let's go! You can't keep people waiting. " Huo Dongyang spoke.

"Well!"

Today, I was driving them to the south. Yun Muxin felt a little strange. "Where's brother Xiang Qing?"

"I have to ask for leave." Huo Dongyang replied. Of course, he won't tell Yun Muxin that he let Xiang Qing go to C city to investigate the Tang family's affairs. Now he can only do it quietly.

Although Yun Muxin felt a little surprised, she did not doubt it.

Qiao Wei and Huo Dongyang take a look at each other. Huo Dongyang shakes his head at Qiao Wei and doesn't seem to want Qiao Wei to ask more.

"Mu Xin, what else should we pay attention to later?" Qiao Wei asked Yun Muxin.

"I don't know. Kevin's parents are very easy to get along with. " Cloud Mu Xin answers.

Huo Dongyang then asked, "do Tang Yuze's parents have any special habits?"

"Ask Kevin about this."

So a Tang family can't have no habit, at least Huo Dongyang thinks.

Huo Dongyang continued: "by the way, call Yun Yiyan and ask him not to be late."
