

Warm Wife 41

[Chapter 41](#)

Yunzhou nodded. "Yes

Fu Qing really did not think that his son, who had been raising for 28 years, was actually the son of the mayor's family. This identity is no worse than the second young master of the cloud family.

"Yunzhou, your mouth is tight enough!" Although Fu Qing put down the knot in her heart, she did not forgive Yunzhou.

Yunzhou also knew that he was wrong to do so, but he had no way. "Xiaoqing, when Yun was investigated, Xia Mingde was the condition."

"So over the years, have you been working closely with each other?" Fu Qing finally understood. "It's no wonder that the projects related to the government can be easily won by Yunshi. It's because you and Xia Mingde have off-stage transactions and even collude with each other!"

"Xiaoqing, it's not the time to get rid of old scores. The man is back. We have to go out all the time, or we really can't get a share of the money. "

Reminded by Yunzhou, Fu Qing can only temporarily put these aside. Maybe they still have a place to live in.

"Is it really him to see that man today?" Fu Qing asked in turn. She was not very impressed. At that time, she had just married to the cloud family.

In fact, Yunzhou himself is not sure, "I am not sure, but I think the old man should not admit his mistake."

"If it's really her, then he's coming back for only one purpose."

Yunzhou nodded, although it was nearly 20 years ago. However, he vaguely remembered the beautiful woman with a child about ten years old to the cloud home.

The cloud family on that day was earth shaking, but later I heard that the woman died in an accident, and her son also disappeared.

Yunzhou has a plan in mind. For now, he knows the identity of the man today.

Fu Qing's heart also has its own plan, "Yunzhou, today that person seems to have relations with Qiao Wei."

"Yes Cloud State also think of a Lai, see Qiao Wei as dependent on him, the relationship between the two is certainly not general.

"Do you think Jovi is his vanguard?" Fu Qing said his guess.

Yunzhou shook his head. "Not like it! Qiao Wei is only Qiao Qingdong's chess piece at most. If she is the person of that person, it is impossible that there has been no activity in the past two years. Or is it just an accident? "

Fu Qing also followed nodding, according to Qiao Wei's character also can't do anything important. What she thinks of is senqiao. She doesn't have any consciousness of a woman. Otherwise, Yun Yiyan will not treat her like that.

When it comes to Yun Yiyan, Fu Qing has a headache.

"How to solve Qiao Xin's problem?" Fu Qingfang came to ask.

Today, YUNZHUO dismissed the Qiao family on the pretext of physical discomfort. But this matter has to be solved.

Yunzhou sighed. "Cloud Yiyan how so no vision and Qiao Xin mix together."

"I think this is a trap set by Liusu's mother and daughter. The purpose is to let Qiao Xin replace Qiao Wei's position in the cloud home. I know Liu Su's trick Fu Qing said Liu Su was disgusted.

"I also put the words here, I do not agree with Qiao Xin to see the door of the cloud family." Fu Qing replied.

At the beginning, she stopped Yun Yiming from marrying Qiao Wei, but she didn't want her son to get involved with the Qiao family. That's why she let Yun Yiyan carry this pot, but the development of things was beyond everyone's expectation.

"Xiaoqing, don't worry. I'll take care of it! "

Fu Qing heard the words of Yunzhou, although she was a little stable, but she would not believe it. Once bitten by a snake for ten years, Yunzhou cheated himself once. So she can't trust him with all her heart.

So she will still follow her plan. All she wants is the property of the cloud family. Everything else is not important.

Yunzhou left the room and went back to his room.

Fu Qing called his son and told him some things.

Yun Yiming said directly on the phone, "Mom, I think it might be more helpful for us to let Yun Yiyan and Qiao Xin be together."

"No way!" Fu Qing denied it even if he didn't want to. "Yi Ming, you don't know Liu Su's means. If his daughter is to be married to the cloud family, the property of the cloud family may be divided into half of her. "

"Mom, the future of the cloud family is up to me." Yun Yiming said confidently.

"Son, you must listen to your mother! Liu Su was able to kill Su Lirong at that time. Her means were not simple. Only Qiao Qingdong, the fool, can't see Liu Su's true face. I'm really waiting to see how Qiao Qingdong will look when he knows all the truth. "

"Mom, what are we going to do now?"

"Wait!" Fu Qing replied. "Let your father take the lead and we'll wait for the profits."

Although Yun Yiming is a little reluctant, he has to wait. After all, he really doesn't know about Huo Dongyang.

The back garden of the cloud family.

Yun Muxin put a cup of refreshing tea on the table.

Yun Yiyan raises his head and sees Yun Muxin sitting on one side.

"Second brother, private please." Yun Muxin said with a smile. Seeing his sister, Yun Yiyan had a bitter smile in his mouth. "Now it seems that you are the only one willing to talk to me."

Cloud mu heart see cloud Yi Yan's mind, "second brother, in fact, you like Qiao Wei, right?"

If he didn't like it, he would not show that expression today, especially when he saw the man holding Qiao Wei.

"I don't know."

Cloud Mu Xin looked at Yun Yiyan, "second brother, this time you really made a mistake. That Qiao Xin is really bad! "

"Well, I know. It's also a mistake of my overconfidence. "

"Second brother, do you want me to teach her a lesson?"

"Mu Xin, you really don't have to do such a thing for the second brother." Yun Yiyan stops Yun Mu Xin.

Cloud Mu Xin raised his head and looked at the night sky, "second brother, I think the people at home are strange. Everyone has a secret. "

Yun Yiyan also noticed this, especially after seeing the man who took Qiao Wei away. Everyone becomes strange. Who is this person? Why do you make them look like that.

Yun Muxin then said, "second brother, who is that man in the afternoon? I think my grandfather and his parents all know him. Even big brother seems to know who he is. It seems that only the two of us don't know anything about this family. It seems that they are redundant people

"Don't think too much about it." In fact, Yun Yiyan also had such an idea, but he didn't say it.

Cloud Mu Xin looked back at Yun Yiyan, "second brother, if you like Qiao Wei, you can chase her back! I'm not going to bully her this time

"She should have seen everything about the cloud family. Do you think she will come back?"

Yun Muxin didn't answer this question. She had her own ideas. This family is too repressive.

"Second brother, you should have a rest earlier."

Yun Yiyan nods. "You go and have a rest."

After Yun Muxin leaves, Yun Yiyan is lost in thought.

[Chapter 42](#)

The next morning.

Joe opens his eyes at eight o'clock in the morning.

She looked at it with her mobile phone for a while, and it should be time to go to work. She immediately lifted the quilt and wanted to hurry to wash.

But it wasn't until a while before she came to her and her movements stopped. She seemed to think of what happened yesterday, and she seemed to go to the cloud house in a muddle.

Then it seemed that Huo Dongyang appeared, and then she came back?

"What do you want to stay there?" Behind me came a magnetic male voice.

Joe Wei turned around and saw huodongyang standing at the door of the room in casual clothes. She looked at huodongyang in a daze, so yesterday she was not a dream. He really came back.

"Dongyang?" Joe Wei's tone was also uncertain.

Huodongyang smiled, and he took a few steps to go to Joe Wei. "What? I don't know you for a few days?"

"

Feeling the temperature of huodongyang's hand touching his face, Joe Wei reached out and held it, "no!"

"Now that I wake up, I'll get out for breakfast."

"OK, I'll go and wash it." Joe nodded.

When Joe Wei came to the dining room, she looked at the breakfast, Chinese food and Western food, which was full of food, which was full of disbelief.

Joe blinked, and even rubbed his eyes with his hands. Where can I finish so many breakfast?

"What else to watch, sit down and eat." Huodongyang urged.

Joe nodded, then went up and pulled the chair apart and sat down. "Have you eaten it?"

Huo Dongyang put down his financial magazine and shook his head. "No, wait for you."

"You prepared all this?" Joe really doesn't know what to eat.

Huodongyang smiled and saw her difficulties, and immediately helped her make a decision. He reached out to help Joe to serve a bowl of porridge.

"Have some porridge first."

"OK."

Huo Dongyang didn't start, just sat next to watch Joe eat. Seeing that she had all the Chinese breakfast, she had a bottom in her heart.

Joe Wei ate almost, only to find huodongyang did not do it.

"Why don't you eat it?" Joe bit the bun in his mouth, so he didn't speak very clearly. But huodongyang has heard it all.

Huo Dong Yang smiled, "I think I'll be full when I look at you to eat."

Joe was blushing immediately, and she dodged Huo Dongyang's eyes. The eyes were a little flustered on the table, and then he poured a cup of bean milk to Huo Dongyang.

"This soymilk is good." "Said Joe in a small voice.

Huodongyang reached for him. "Thank you."

"You're welcome."

Huodongyang took a drink with his cup, which was really good. Then he ate something else himself.

Joe Wei found huodongyang didn't eat much, and she asked, "not appetite?"

Huodongyang shook his head. "No! Eating is also life-sustaining for me. "

This sentence made Joe Wei tremble in her heart, and she admitted that she was a little shocked. Many people are very persistent about food, even in order to pursue a delicious food to walk all over the streets, but to him has become so understatement. Food is just life-sustaining for him.

Huodongyang wiped his mouth with a paper towel, and saw Joe Wei's expression, and he felt soft in his heart. Why does she show such a look? This kind of cherish eyes, since his mother died, he has not seen it for many years, but today he sees it again here in Joe Wei.

"Don't look at me with such a look." Huo Dongyang is worried that he will have weaknesses.

Joe Wei's eyes are blurred, huodongyang exactly what experience, even eating such simple seems to be a luxury.

"What's wrong?" Huo Dongyang didn't expect her words to make her feel so much.

Joe Wei reached out and held huodongyang's hand. "Dongyang, if you don't want to abandon, I will accompany you to dinner every day."

Huo Dongyang heard such warm words, he was unable to restrain, this woman is really easy to step on their own restricted area. But he was not angry or dissatisfied, but he followed her.

When Joe had a headache how to deal with this breakfast, Xiangqing and South came.

"I'll introduce you." Huodongyang stood to introduce Joe Wei to the two.

"This is south. You've seen it before. He's a driver. " "He said.

Joe nodded, and the last time he sent himself home, she was impressed.

"Hello, this is Joe Wei."

"Good madam!" To the south, it was like greeting.

Huo Dongyang tried to say, "this is Optimus, my assistant."

Of course, huodongyang did not tell their real identity, one is not to worry about her, the other is afraid that she can not accept at this stage.

Joe nodded, "Hello!"

"Good madam!" The item took a little bit. "Are they brothers?" Qiao Wei looks at two people a bit similar, whether it is after standing posture or action manner are almost the same.

Huo Dongyang shakes his head. "No

"But don't they all have sex?" Qiao Wei thinks he should have heard correctly.

"Homophones."

Then Qiao Wei took Huo Dongyang's business card. After seeing the business card, Qiao Wei found out. It turns out that there is a surname item and a surname to.

"Save their numbers and call them if you can't reach me."

"Good!" Joe nodded.

Huo Dongyang then said, "all the breakfast on the table is finished."

Xiang Qing took a look at Huo Dongyang, and returned to a city with such a good welfare that even breakfast was ready.

See Xiang Qing and South are sitting at breakfast, Qiao Wei reaches out to pull Huo Dongyang's hand.

"Dongyang, I want to tell you something." Qiao Wei also struggled to tell Huo Dongyang about his family.

However, she was worried that Huo Dongyang would look down on herself when she knew that, so she had a long time of contradiction. But after yesterday, she wanted to tell him everything.

Because he is the only person she can rely on now, and those trivial matters have been too much for her to breathe. She also wants to find someone to say it.

Huo Dongyang took Qiao Wei's hand and entered the study.

"I'll leave you all my time today." Huo Dongyang pressed Qiao Wei on the chair.

Looking at him sitting down opposite him, Qiao Wei suddenly felt as if he knew what he was going to say.

Huo Dongyang reached for Qiao Wei and poured a cup of tea.

Joe smelled the fragrance of jasmine, and she was stunned to see the teacup in front of her. Huo Dongyang knows he likes jasmine tea!

"Jasmine tea, try it."

Although Qiao Wei doubts, but still took a cup of tea and sipped. It tastes better than I've ever drunk before.

Looking at the scented tea, Qiao Wei did not know where to start.

Huo Dongyang saw Qiao Wei's mind, she didn't know to start from.

"It's complicated. I don't know where to start?"

"Well!" Joe nodded.

[Chapter 43](#)

Huo Dongyang also did not force Qiao Wei to say, sitting on the side waiting for her.

After a cup of tea, Joe said.

"In fact, I married Yun Yiyan for a reason." Qiao Wei's voice is not big, but it is clear.

In fact, Huo Dongyang already knew about them, but he did not interrupt Qiao Wei, but listened to her quietly.

Qiao Wei said the causes and consequences of his marriage with Yun Yiyan, and told Huo Dongyang everything about his family.

Huo Dongyang saw Qiao Wei stop, and then he spoke. "So you don't have a good time at the cloud house."

"Everyone in the cloud family has secrets." Jovi continued. "Yun Yiyan once said to me that it's very difficult to get a foothold in the cloud family with my skills, so they have a reason to look down on me."

Huo Dongyang's eyes also seem a little complicated. Can such Qiao Wei really accept that truth in the future?

"Dongyang, in fact, Yun Yiyan and I are only married in the name of marriage, we do not..." Qiao Wei thinks that men should be more concerned about this, but she feels embarrassed to say this by herself.

Qiao Wei's words made Huo Dongyang cry and laugh. Really a fool. "I don't mind that."

Qiao Wei bit his lips, but he didn't expect that he could be so calm. Either he really doesn't mind, or he doesn't care about himself at all.

"Qiao Wei, do you feel aggrieved to marry me?"

Qiao Wei didn't think Huo Dongyang would suddenly come to such a question, and she couldn't answer it.

Huo Dongyang felt sad when he saw such a scene. I seem to have asked an extra question.

"I don't feel aggrieved." Jovi answered.

This reversed, and Huo Dongyang was stunned. Qiao Wei's reply made him a little caught off guard.

"Really?"

"Well!" Qiao Wei nodded seriously, "yes."

Huo Dongyang took a look at Qiao Wei. If the truth is revealed later, will she still say so?

Xiang Qing knocked on the door.

"Sir

"Come in."

Xiang Qing opened the door and nodded to Huo Dongyang, "Mr. Qin Hao is coming."

Qiao Wei knew Huo Dongyang was busy, and she also quickly stood up. "I'll go out first."

"Well, if you feel tired, go to sleep again."

When Qiao Wei went to the living room, he saw a man in a straight suit standing there. He didn't look like an ordinary person.

Qin Hao and Huo Dongyang smile. "Who told you I was going on a business trip?"

"Well? Isn't it? " Qiao Wei really didn't think of it.

Huo Dongyang sighed, "I will stay in a city recently."

"Really?" Joe's eyes brightened.

"Well, it is possible that the company will open a branch in a city." Huo Dongyang said.

Hearing this news, Qiao Wei's heart is also happy. "Dongyang, what company are you?"

"HD。 "

Qiao Wei searched her head for a moment. She seemed to have heard the name, like a big foreign enterprise. Qiao Wei also did not continue to ask, she felt that Huo Dongyang such an excellent person, should also be a manager level. At this moment, she really did not think that Huo Dongyang is the big boss behind Hd!

In the afternoon, when Joe was washing clothes, her mobile phone rang.

Huo Dongyang casually picked it up. This phone call is from Qiao Qingdong.

Originally wanted to press, but the next second Huo Dongyang picked up. Zhang

at the other end of the phone, Qiao Qingdong immediately roared, "you unfilial girl has finally answered the phone? When such a big event happens at home and in the company, you hide quietly. Are you still from the Qiao family? "

Huo Dongyang frowns, such a family, this fool is how to come.

"You don't think you can do everything by hiding in one place." Qiao Qingdong continued to speak hard.

"What is Mr. Joe going to do

[Chapter 44](#)

Qiao Qingdong heard Huo Dongyang's voice and immediately stopped.

"Who are you?" Qiao Qingdong asked.

Huo Dongyang disdains to talk to him at all, "you don't have to know who I am."

"You took Jovi the man yesterday, didn't you? What have you done to my daughter? " Qiao Qingdong asked aloud. "I warn you, if you do anything to my daughter, I will not let you go."

Huo Dongyang sneered, "Mr. Qiao, do you still have the energy to deal with me? As far as I know, you have a lot of worries at home and abroad! It's supposed to be a way to deal with the problem, but to call a daughter who you've driven out of the company and your family. "

Qiao Qingdong was silent.

When Huo Dongyang was ready to hang up, Qiao Qingdong said, "Sir, I don't think you are an ordinary person. If you're interested in my daughter, then we can talk. She and Yun Yiyang are divorced. If you want her, we can discuss the price. "

Huo Dongyang narrowed his eyes. He had never seen such a shameless person. He really regarded his daughter as a bargaining chip. But if you want to strike a stroke from Huo Dongyang, it's a dream!

"What? If you don't say a word, I'll take it as your promise. "

"Sorry, I have no money."

"No money? Do you want my daughter to support you? I didn't expect you to be a model. You are a soft eater. You can get Joe to answer the phone right away, or I'll call the police. "

Huo Dongyang hung up the phone directly. He was angry.

After leaving the room, Huo Dongyang called Qin Hao.

"Get me a plan to buy senjo right away."

"Dongyang, are you sure? Now senjo's reputation is so bad that we really don't have to spend the money

"That's with the lowest budget, or you can find a way to take it without spending a cent."

"I think you've really become irrational for Qiao Wei."

"Execute!"

"Yes, boss!"

Qiao Wei dry clothes, see Huo Dongyang to go out.

"Are you going out?"

"Well, I'll be back soon."

"Then be careful."

Huo Dongyang did not go far, just to the villa next door.

As soon as he entered the door, Xiang Qing came over. "Boss, you let Qin Hao buy senqiao?"

"Well!" Huo Dongyang, like an emperor, sits in front of many screens.

Soon the monitor was connected to the U.S. headquarters. A handsome man with blue eyes and yellow hair appeared.

"boss!"

"Jason, report."

"OK!" Two people communicate in English, basically around the work.

"Jason, keep an eye on the situation over there."

"Boss, don't worry!"

At the end of the US call, Qin Hao's sad face appeared on the screen.

"boss。 "

"All the plans are ready?" Huo Dongyang raised his head with one hand.

Qin Hao shakes his head. "How can it be so fast."

"What do you want from me

"The latest news, received a minute ago. It seems that Yun Yiming is going to attack senqiao as well. "

After listening, Huo Dongyang reached out and touched his chin. "Yun Yiming?"

"Yes. It's said that he has been looking for several shareholders of senqiao alone just now. It seems that he has discussed some conditions, and it seems that he is quite certain. "

Hearing Qin Hao's words, Huo Dongyang thought for a moment. "In this case, let them discuss it first, and we will wait for the results to come out before we start."

"Boss, I think it's a good thing if Wynn takes senjo. As long as we get Wynn, then senjo will get it

Huo Dongyang thinks Qin Hao has a point, "then do as you say."

"Good!"

After explaining everything, Huo Dongyang stood up and prepared to go home. He can't come out for a long time now, and Qiao Wei is at home alone. He is not at ease.

The next morning.

Qiao Wei received a call from YUNZHUO, hoping to meet Qiao Wei.

When Qiao Wei told Huo Dongyang about this, Huo Dongyang did not agree with her to go out.

"Qiao Wei, I don't want you to contact the people of the cloud family again."

That's what I said, but for YUNZHUO, she couldn't do it.

"Dongyang, can't you really go?" Asked jo in a low voice.

"Well!" Huo Dongyang nods. "Jovi, I said that last time. Since you and Yun Yiyan are divorced, you should put everything down. Last time you said you wanted to go back, I didn't stop you. But this time, no! "

Huo Dongyang knew that YUNZHUO asked Qiao Wei to go out just to inquire about his own affairs. And he doesn't want to let Qiao Wei know his identity.

Next, there will be more and more situations like this. He doesn't want Qiao Wei to know about himself from the cloud family population. Qiao Wei understood Huo Dongyang's meaning and married him. But for the sake of the Qiao family, she can't make it public. Now that the divorce has been exposed, there is no reason for her to go to the cloud family.

"I see."

Huo Dongyang came forward and hugged Qiao Wei, "thank you for your consideration."

Qiao Wei leans in Huo Dongyang's arms, she shakes her head. "No, I should thank you for your tolerance."

Huo Dongyang hugged Qiao Wei and felt guilty about her, but he had been waiting for 20 years for this opportunity. He could not make any mistakes.

Qiao wei jue Huo Dongyang seems to have something to hide from himself, but she did not ask. There are so many secrets in him that it's hard to get closer to him. In the seclusion, Qiao Wei feels that he also seems to have a relationship with the cloud family.

Because just on the phone, YUNZHUO also asked about Huo Dongyang. From his tone, it is not difficult to tell that he is very interested in Huo Dongyang.

Qiao Wei buried her head in Huo Dongyang's arms. She didn't want to make any guess. No matter what happens, it will not change one thing, that is, Huo Dongyang is his husband.

When YUNZHUO received a call from Qiao Wei that he couldn't come out for the appointment, he felt uncomfortable. But he didn't force Jovi.

Walking to the window on crutches and looking up at the sky.

"You must have seen all this in the sky, haven't you? Do you think I deserve it? "

YUNZHUO sighed heavily. It was time to pay off his debt.

I called the law firm.

"Lao Yang, let someone pick me up."

YUNZHUO goes out by car. Fu Qing immediately calls Yun Yiming.

"Yi Ming, your grandfather is out. You should go to the law firm. "

"Is grandfather going to change his will

"It's very likely that you and your father will come and have a look."

"Good!"

Fu Qing clenched his mobile phone. Did the old man really intend to give everything of the cloud family to that outsider?

If that's the case, she can't wait to die. At this time, she has to start first.

She must not let the property of the cloud family fall into other people's hands, these belong to her son!

Fu Qing thought for a moment, and she called Qiao Wei.

[Chapter 45](#)

Received Fu Qing's call, is Qiao Wei unexpected.

"Hello

"When you are free, let's have a chat." Zhang

Qiao Wei thinks that Fu Qing wants to talk to her about Yun Yiyan, but she is hesitant. Before she also promised Huo Dongyang not to pay attention to the matter of the cloud family. But she still agreed to meet Fu Qing. "Why don't you sleep?" Huo Dongyang took a bath and saw Qiao Wei sitting by the bed.

Huo Dongyang came over and sat down beside Qiao Wei.

Qiao Wei's heart beat faster. She put down her mobile phone and just wanted to find a topic. As a result, she saw Huo Dongyang wiping her hair.

Qiao Wei stood up and took the towel from Huo Dongyang's hand. She helped Huo Dongyang wipe his hair.

Such a natural action, so that Huo Dongyang also has a moment in his heart.

Thank you

Hear Huo Dongyang's voice, Qiao Wei's hand is stunned. What the hell is she doing.

Feeling Qiao Wei's hand stopped, Huo Dongyang stretched out his hand and held her wrist.

Qiao Wei's reaction over, she just lowered her head on Huo Dongyang's eyes. That pair of blue and gray eyes, reflecting their own at the moment.

Huo Dongyang's eyes tightly lock Qiao Wei, he also sees himself from Qiao Wei's eyes.

He pulled a little harder, and Joe jumped forward. The two noses came together.

Clearly feel the breath of each other, as if the temperature of the surrounding air is gradually rising.

"I..." Qiao Wei felt that his heartbeat had reached an unbearable load.

Know Qiao Wei want to avoid, Huo Dongyang reaches out to buckle Qiao Wei's waist. A turn over, Huo Dongyang pressed Joe under his body.

"What's the matter with you?" Huo Dongyang's voice is very attractive at this time.

Qiao Wei felt that his self-control was on the verge of collapse. "I..."

Huo Dongyang raised the corner of his mouth, "we seem to be missing a wedding night?"

Qiao Wei's face flushed instantly, and she turned her head to the other side. She was worried that she would catch Huo Dongyang if she was not careful.

"Qiao Wei, are you shy?"

Joe shook his head slightly. These things should be between husband and wife. She doesn't want to be ostracized, she's just worried about not doing well. After all, she has no actual combat experience.

Huo Dongyang smiles, reaches out and pinches Qiao Wei's chin, lets her look directly at oneself.

"Jovi, look at me!" Before the face of beauty, Qiao Wei held back her saliva and bit her lips.

See such Qiao Wei, Huo Dongyang's below also react. Originally, I just wanted to tease her, but I got angry.

Qiao Wei looks at Huo Dongyang quietly, she reaches out to touch Huo Dongyang's face. Is such a perfect husband really his own?

Huo Dongyang at this time, he also some uncontrollable, low directly grabbed Qiao Wei's lip.

At the beginning, Qiao Wei couldn't accept it. Huo Dongyang's kiss was different from before. He now this kiss with a strong offensive, each time to bring his own throb, and gradually Qiao Wei feel lost in such a kiss.

Huo Dongyang's hand slowly downward, he put his hand into Qiao Wei's clothes.

At first, Qiao Wei felt shivering all over, but soon she found that every inch of the place swept by Huo Dongyang's fingers was inexplicably hot. And this feeling is out of my control.

Huo Dongyang's kiss also transferred from his lips to his neck, as if to leave his own mark on Qiao Wei's body. After hearing her voice, she couldn't believe it was her own voice. She wanted to put her hand over her mouth.

But Huo Dongyang held her hand and said, "I like listening."

Qiao Wei gasped and looked at Huo Dongyang. She didn't know that she had a problem with her head, so she would kiss Huo Dongyang on her own initiative.

This time, Huo Dongyang seems to be out of control. He reached for Jovi's pajamas and pulled them off.

Seeing Qiao Wei's intoxicating eyes, Huo Dongyang admits his heart, so heart is not as good as action
Chapter

"ah!" Zhang

Qiao Wei screamed, she frowned her brow, it was really painful!

Huo Dongyang also stopped here. She didn't know how long the time passed. Qiao Wei fell asleep.

Huo Dongyang took Qiao Wei into his arms. Although this is not his original intention, but since he has done it, he has nothing to regret. And one thing he found out was that Jovi was very interested in himself.

He kisses on Jovi's forehead, "sleep!"

This night, Qiao Wei and Huo Dongyang both slept very well.

Morning.

When Huo Dongyang heard the sound outside the window, he suddenly opened his eyes.

Seeing the shadow flashing through the window, he let go of Jovi and sat up.

He reached for his nightgown on the ground. Huo Dongyang went to the window and drew the curtain.

Looking back at Qiao Wei who was still sleeping, his eyes became gentle. He went over to tuck her in and saw the marks on her neck. He nodded with satisfaction. Last night really hard for her, know she is the first time, but he still can't control to ask her several times. Knowing that she was tired, he didn't wake him up. Huo Dongyang went into the bathroom to wash.

When Huo Dongyang appeared in the living room, Xiang Qing was already standing there.

"You don't have to watch at night."

Xiang Qing lowered his head and thought of what happened last night. He felt embarrassed. In fact, he did not mean to peep, who let his listening good.

"Boss, I didn't mean to, and I didn't see anything."

Xiang Qing to tell the truth, when he heard Qiao Wei that one, he realized the situation, quickly flash. Morning just routine inspection, but do not want to carefully touch the window, the result was Huo Dongyang found.

Huo Dongyang did not go into it, "what's the news?"

"Boss, there's really news."

"Say it."

"Mr. Yun went to the law firm to change his will yesterday. But it seems to have been discovered by Yunzhou. Later, she and Yun Yiming also went to the law firm. "

Huo Dongyang frowned and didn't really expect YUNZHUO to do so.

"Keep watching."

"Yes."

Xiang Qing went on to say, "boss, last night when you were taking a bath, Fu Qing called and asked his wife to meet at 3:00 p.m. Do you think it has something to do with the will

"Fu Qing looking for Qiao Wei?"

"Yes."

Huo Dongyang reached out and touched his chin, "Fu Qing, this woman can't be underestimated. I'll go with you in the afternoon."

Xiang Qing nodded, "boss, I'll withdraw first if it's OK."

Huo Dongyang waved to let Xiang Qing out.

[Chapter 46](#)

It was eleven o'clock in the morning when Jovi woke up.

With her eyes open, she turned over and felt as if she had been run over by a car. This is the consequence of indulgence.

Qiao Wei reached for the bedside table and struggled. Finally, I sat up and felt that my bones and heads were scattered.

Feeling a cool body, Qiao Wei just found that he did not wear anything. Last night those limited level pictures, all of a sudden, the front of his mind, feel his face hot.

Bending down to pick up clothes on the ground, but behind the voice of Huo Dongyang. "Wake up."

At his voice, Jovi was stiff.

Huo Dongyang naturally also saw Qiao Wei's back suddenly stiff. He walked over with a smile.

Qiao Wei hears the footstep sound, hastens to pull the quilt to wrap oneself up.

Huo Dongyang went to Qiao Wei and saw her wrapped into zongzi. Can't help but chuckle, "still shy? I've seen what should be seen, and last night I saw what I shouldn't have seen. "

"It's not the same." Qiao Wei refutes. But when she saw Huo Dongyang Na's smile, she forgot everything.

To be cute, Huo Dongyang tore off the quilt on Qiao Wei's body, and then picked her up, the standard princess.

Joe is so handsome.

Huo Dongyang took Qiao Wei into the bathroom, put her next to the bathtub, and then put hot water for Qiao Wei to take a bath.

"Well, you take a bath and then come out to eat."

Qiao Wei stretched out his hand and pulled Huo Dongyang to say thank you. The result is Huo Dongyang preempted a sentence, "need me to help you wash?"

"No

Huo Dongyang bent down and put his head in front of Qiao Wei. "I don't mind if we wash together?"

"No more."

Huo Dongyang quickly kisses Qiao Wei's lips. "I'll go out and wait for you."

"Well!"

Huo Dongyang Bao bathroom door closed, Qiao Wei reached out to try the water temperature. The temperature is just right, I have to admire Huo Dongyang's consideration.

Meimei takes a bath and Qiao Wei comes out with a bath towel. I saw a new suit on the bed.

It fits unexpectedly.

Out of the room, I can smell the smell of food, and my stomach is cooing. Suddenly I feel that this life is really beautiful.

"Are you doing these?" Qiao Wei looked at the food on the table in amazement.

"Sit down and eat."

Qiao Wei really can't believe that Huo Dongyang's cooking is so good, and the taste is good.

After eating, Qiao Wei took the initiative to wash the dishes and dishes, his heart was full of moving.

"Qiao Wei, I have something to go out this afternoon."

Qiao Wei looks back to see Huo Dongyang has been dressed up ready to go out. She dried her hands.

Go to Huo Dongyang and help him tie his tie.

See Qiao Wei skilled technique, Huo Dongyang in the heart some not taste. "You used to tie Yun Yiyang like that?"

"No, he never wears a tie." Replied Jovi.

Hear Qiao Wei's reply, Huo Dongyang's mood is a little bit better. "It's not like it was the first time you played it."

"I learned it when I worked in a clothing store." Replied Jovi. "All right

After helping Huo Dongyang tidy up, she nodded with satisfaction.

Huo Dongyang reached out to take Qiao Wei into his arms, lowered his head and gave Qiao Wei a deep kiss.

After a while, Huo Dongyang released Qiao Wei with satisfaction.

"I'm out."

Qiao Wei took Huo Dongyang's hand. "Dongyang, I'm going out this afternoon. Yun Yiyang's mother said she wanted to talk to me about something. "

Huo Dongyang did not speak, but Qiao Wei confessed to himself, which was enough.

"Well, be careful and call me if you need to."

"Good." Joe nodded.

After Huo Dongyang goes out, Qiao Wei also prepares to go out.

After arriving at the place agreed with Fu Qing, Qiao Wei found a good seat and sat down.

Fu Qing appeared on time, Qiao Wei stood up, "Mrs. cloud."

"It's strange to hear you call me that." Fu Qing took off his sunglasses and said, "sit down!"

After ordering their own meal, Fu Qinggang wants to speak, but he sees a kiss on Qiao's neck. It seems that her relationship with that man is really extraordinary.

"It looks like you've been very comfortable these days."

Qiao Wei was stunned, but he didn't answer and didn't know what he was going to say.

"Are you really going to end up with Yun Yiyan?" Fu Qing asked.

Joe nodded. "Yun Yiyan and I actually planned to divorce a year ago, and we didn't go through the formalities until last month."

Fu Qing took a sip of coffee. "It's a pity."

"Mrs. Yun, this matter is decided by us together." Qiao Wei doesn't want Fu Qing to misunderstand Yun Yiyan more. "You still care about him." Fu Qing said with a smile. "But this time, he did something wrong."

See Qiao Wei has been silent, Fu Qing is not good how to speak. "What do you think about Qiao Xin?"

Qiao Wei holds the coffee cup. "If they really love each other, I still hope you can help them."

"Jovi, you know it's impossible." Fu Qing also showed his own attitude. "Qiao Xin's children can't be taken."

"Why?" Qiao Wei really don't understand, is the cloud family really so cruel? After all, the child of Yun Yiyan.

There is no trace of pity on Fu Qing's face, but some are dissatisfied. "It's also her fault. She can't blame anyone else."

"Mrs. Yun, Qiao Xin's stomach is after all the children of the cloud family."

"So what? Are we responsible for the cloud family? " Fu Qing looked scornful. "Liu Su and Qiao Xin are not good people. This time, they united to set a trap for Yun Yiyan. "

Hearing this, Qiao Wei also felt that there was nothing to say.

"Qiao Wei, those rotten things of Qiao family, you'd better leave it alone. You've been used so much these years, do you want to continue to live like this? " Fu Qing asked Qiao Wei in turn.

Qiao Wei looks at Fu Qing, from meeting to now, she seems to have been deliberately in circles. It seems that what she wants to talk to herself is not about Yun Yiyan and Qiao Xin. What else would she like to talk to herself about besides this?

Fu Qing looked at the time and felt that he had not continued to turn. "The matter of Yun Yiyan and Qiao Xin will be dealt with by the old man. I've come to see you today, but there's something else. "

"Mrs. cloud, please."

"Who was the man who took you away yesterday?" Fu Qing asked tentatively. Because she has no idea what role does Qiao Wei play in the whole thing?

Qiao Wei took a look at Fu Qing. It seems that this is her main purpose. Just now those are just opening remarks. "Mrs. cloud, is this important? I'm divorced from Yun Yiyan. I don't have any cheating behavior. "

Seeing Qiao Wei a little excited, Fu Qing also realized that Qiao Wei wanted to protect the man. "Your relationship doesn't seem to be normal!"

Qiao Wei clenched his hand, "Mrs. cloud, everyone has his own privacy. I don't think I have the obligation to tell you. "

"Qiao Wei, in fact, you are a person who knows the current affairs. There are some things I hope you can analyze carefully. "

Fu Qing's words seem to have several meanings.

[Chapter 47](#)

At this time.

Huo Dongyang appeared in the coffee shop. As soon as he entered the door, he saw Qiao Wei and Fu Qing.

Xiang Qing followed him. "Boss, there they are."

Huo Dongyang nodded, but he stood still. He saw that Qiao Wei's face was not very good.

What did Fu Qing say to her and let her show such an expression?

"Boss, shall we go there?" Xiang Qing didn't understand why they didn't take action since they all came here. The boss's mind is really not easy to guess.

Huo Dongyang went to a nearby position and sat down. Xiang Qing is really a little dizzy around Huo Dongyang. What's the situation.

Fu Qing is waiting for Qiao Wei's answer. What is Qiao Wei estimating? If she's smart, she shouldn't spend it with herself.

"Jovi, do you think about it?"

Qiao Wei looked at Fu Qing, "Mrs. cloud, I just said this, I can't tell you!"

"Jovi, you're not going to like that man, are you?" Fu Qing asked with a smile. Because that's the only reason she wants to protect the man.

Qiao Wei did not answer, neither denying nor affirming.

Fu Qing was acquiesced by Qiao Wei. "I guess I was right. If you give up your marriage with Yun Yiyan for his sake. You are smart! Because you have a very important chip

"Mrs. cloud, what do you mean by that?"

"How much do you know about that man, Jovi. This man is not simple at all Fu Qing continued. "I also kindly remind you today, don't lose everything at the end."

Qiao Wei frowned. Listening to her, she knew Huo Dongyang, and even knew his identity.

"Mrs. cloud, do you know him?"

Fu Qing smiles, but this smile is full of reverie.

"Qiao Wei, actually I can help you, as long as you promise me a condition."

Qiao Wei felt as if he had fallen into a big whirlpool, which contained many secrets. And the truth behind these secrets should shock everyone!

"Mrs. cloud, what do you want me to help you with?" Qiao Wei's voice is very small, she even thinks that this is a thing that she can't accomplish.

Fu Qing took out an agreement from his bag. "As long as you help me, I won't treat you badly. After all, you were my daughter-in-law. "

Qiao Wei saw the agreement pushed in front of her, but she quickly pushed it out.

"Sorry, I can't do that." In fact, Qiao Wei didn't see the content of the agreement clearly, but she knew that as long as she signed it, everything would change.

Fu Qing didn't expect Qiao Wei to refuse, which was the highest price he could offer. "Don't you think you have enough money?"

"No!" Joe shook his head slightly. "I am not a noble man, but there is one thing I want to do. That is to be worthy of one's conscience. That's what my mother told me

Fu Qing pressed his hands on the agreement. "It is in this way that Su Lirong sticks to these rules and regulations that she will get to that point. Even to death, they are supporting for their own face. That's exactly what Liusu did to kill your mother

Qiao Wei's pupil enlarges, this moment, she admitted that her head is a blank.

"What did you say?"

"Qiao Wei, don't you notice all this?" Fu Qing enlarges the move, she does not believe Qiao Wei can sit still.

Qiao Wei's face turned white. When her mother died, she was still young. Once she suspected her mother's death, but she didn't expect it.

Fu Qing pushed the agreement to Qiao Wei again. "Qiao Wei, you sign the agreement and help me get what I want. Then I will tell you the truth of your mother's death."

Qiao Wei trembled slightly all over, "Mrs. cloud, I won't believe what you said."

"Qiao Wei, you don't even want to know about your mother now, for the sake of a man who has known him for a long time?"

Fu Qing really didn't expect Qiao Wei to be so ungrateful, "that man is worthy of your protection. You should know that he is..."

"Qiao Wei!"

Qiao Wei heard the magnetic voice. She raised her head and saw Huo Dongyang come to him.

Have been forced to endure tears, instant burst of the embankment.

Huo Dongyang goes to Qiao Wei. "What's the matter with you?"

Qiao Wei quickly shakes his head, she does not want to let Huo Dongyang know just now. "Why are you here?"

"I happen to have a date here, too." Huo Dongyang replied.

Qiao Wei wiped away his tears, "then you go to be busy!"

Huo Dongyang looks back at Fu Qing, then reaches out to pull Qiao Wei up. "You go back with Xiang Qing first."

"Well." Huo Dongyang said softly, it seems that he didn't want to let Qiao Wei continue here.

"But..."

"Be obedient."

Xiang Qing saw Huo Dongyang's eyes, he immediately came forward, "Miss Qiao, let's go back first." Qiao Wei looks at Huo Dongyang, does not have many words, then follows the item Qing to leave.

After seeing Qiao Wei leave, Huo Dongyang sits down in Qiao Wei's just sitting position.

Fu Qing also felt surprised that he met Huo Dongyang here. And when I was facing him, I was a little stage fright.

Huo Dongyang glanced at the agreement on the table top. He reached out and took it. There was no expression on his face.

"Mrs. Yun, it's really a little bit of a reward for needing help."

"You

Huo Dongyang laughed, "am I wrong? In my opinion, Jovi is not so cheap. "

Fu Qing clenched his hand. The boy had grown up. His face is relaxed, but he is full of tension.

"Do you really want that?"

"What's wrong with me?" Huo Dongyang asked with a smile. "I'm just talking about a fact. Mrs. Yun's threat is not very clever. "

Fu Qing's face was embarrassed, and there was no retort.

"Mrs. Yun, this time I am too anxious. If the plan is not enough, Zhou Xiang will rush out, and sometimes it will only be self defeating. "

"You

Huo Dongyang tore up the agreement on the handle, and the smile on his face also gradually closed with the agreement.

Fu Qing immediately stood up, "what are you arrogant about? At best, you are the illegitimate son of the cloud family."

Huo Dongyang's eyes are awe inspiring, and the whole person is emitting cold air. "Mrs. cloud, I'm not a cloud. Please don't label me. My name is Huo Dongyang. I have nothing to do with the cloud family. "

Fu Qing certainly won't believe what Huo Dongyang said. He must have come back for the property of the cloud family.

"Huo Dongyang, aren't you close to Qiao Wei just to enter the cloud family? You and I know that. Why hypocrisy. " Fu Qing opened the skylight to speak up.

Huo Dongyang raised the corner of his mouth, "isn't Mrs. Yun's enduring humiliation for so many years, but also for the property of the cloud family?"

[Chapter 48](#)

Huo Dongyang raised his head and looked around. Many people had seen Fu Qing's sudden rise.

"Mrs. cloud, if you want to continue to attract attention, then you can always stand."

Fu Qing also saw the surrounding situation, but she could only sit down again.

"Huo Dongyang, what do you want to do

Huo Dongyang narrowed his eyes, "I hope you don't disturb Qiao Wei in the future."

Fu Qing pick eyebrows, really did not expect that he would put forward such a request. Just now Qiao Wei was protecting her like this, and now Huo Dongyang has done the same thing. The relationship between the two is intriguing.

"Do you have a leg?" Fu Qing wants to take the initiative.

Huo Dongyang shook his head. "We have several legs. What leg does Mrs. Yun refer to?"

"You're a bed relationship." Fu Qing certainly remembers the kiss on Qiao's neck just now. "You do have the means to find such a son as Qiao Wei. The fate of all of us seems to be tied to her, and she is the key. If she chooses to help, maybe everything can be turned over now. "

Huo Dongyang certainly will not tell Fu Qing or other people about his real relationship with Qiao Wei at this time. How they guess that's their business. What he and Jovi should do and what to do.

Fu Qing felt that he was right. So go on. "Do you know Jovi's past? Her death is her dead mother. "

Huo Dongyang knows that Fu Qing wants to play psychological warfare with himself, but he doesn't want to spend time with her here.

"Mrs. Yun, don't be too confident in everything." Huo Dongyang replied. "The old man's property is also your grave. You know what I mean

Fu Qing bit his lips. Huo Dongyang is really hard to deal with. He's like a king now. He's even looking down on everything. And they're just clouds in his eyes.

Fu Qing took a deep breath. "Huo Dongyang, it's not so easy for you to go back to the cloud home."

"I have said that I have no relationship with the cloud family, and I have no interest in your property." Huo Dongyang once again reiterated. "I just want to have some safe days."

"That's not true." Fu Qing replied. "I still remember the look in your eyes when you left 20 years ago."

"People change, too."

Fu Qing stood up. "Huo Dongyang, I don't think we need to continue talking."

Huo Dongyang also stood up. "I wanted to talk about a deal with Mrs. Yun. But I don't think you're interested. "

"Huo Dongyang, what kind of medicine are you selling in the gourd?"

"I thought it should be what Mrs. Yun wanted." Huo Dongyang replied. "But I don't want to talk about it today."

Seeing Huo Dongyang going, Fu Qing couldn't help speaking. "Wait a minute. Talk about your terms. "

"I want the Qiao family's handle, including the truth you just said about Qiao Wei's mother's death."

Fu Qing did not expect that Huo Dongyang would make such a request, "what can I get?"

"The property of the cloud family. I hear that the old man has changed his will What Fu Dongyang cares about most is Fu Dongyang.

Fu Qing didn't say anything. It seems that Huo Dongyang knows everything about them. But she was not sure whether Huo Dongyang really wanted it or not. And he is now completely Mantis Catch Cicadas, yellow finches.

Meiyang made no decision to move forward.

When Fu Qing reacts, Huo Dongyang has gone.

She chased out, Huo Dongyang has got on the car, and the car has started.

Xiang Qing looked at Fu Qing outside the car, "boss, the woman has come out."

"Go." Huo Dongyang said a word.

Xiang Qing didn't talk much. He drove away immediately.

Huo Dongyang looked at the time, "where is she?"

"Send your wife South and go back first." Xiang Qing replied.

"You'll send someone to look up what happened to Qiao Wei's mother."

"Yes

"What's more, I have to be on guard about my marriage with Qiao Wei. It's not the time for exposure. "

Xiang Qing nodded, "yes."

Huo Dongyang closed his eyes, it seems that a lot of things are about to start. Qiao Wei is sure to be involved in it, so can he really protect her?

Huo Dongyang is really a little tangled now, and the balance in his heart is also slowly starting to tilt.

Xiang Qing looks at Du Huo Dongyang for the first time, showing such an expression. In fact, his burden is very heavy. Can Qiao really share it for him? If Qiao Wei knows everything, will he still choose to stay with the boss?

"Xiang Qing, drive seriously."

Although Huo Dongyang closed his eyes, he still noticed that Xiang Qing was distracted.

"I'm sorry, boss."

Huo Dongyang didn't answer. He closed his eyes and seemed to be asleep.

The car stopped at the door of the villa."Boss, here we are."

Huo Dongyang opened his eyes, he pushed open the door to go to the other side, but saw Qiao Wei sitting at the door waiting.

Seeing Qiao Wei standing up, Huo Dongyang also came to her.

"Why don't you go in?"

Qiao Wei stretched out his hand and pulled Huo Dongyang's hand, "Dongyang, Fuqing didn't embarrass you?"

"No

Qiao slightly relieved, "Dongyang, you must not promise her anything because of me. It's really unnecessary!"

Huo Dongyang could see that Qiao Wei was really worried about himself. He put his hand on Qiao Wei's hand, "don't worry, I didn't say anything to her. I had an appointment, so I didn't lose time. "

Hear Huo Dongyang's words, Qiao Wei is at last at ease. The people of the cloud family, she knows! She didn't want Huo Dongyang to be involved with them. But they all seem to be interested in Huo Dongyang.

"Let's go in! You see, you're sweating a lot. " Huo Dongyang reached out to wipe the sweat off Qiao's forehead.

After taking a bath, Joe went to bed.

Huo Dongyang walked into the room and found that Qiao was sleeping slightly. It seems that he was really tired last night.

Sitting beside the bed, Huo Dongyang gazed at Qiao Wei's appearance. He suddenly bent over Qiao Wei's lips and left a kiss.

"Sleep

Huo Dongyang's room door closed, ready to deal with some things. Just opened the computer, but heard the doorbell ring.

Huo Dongyang just raised his head and saw Xiang Qing come in.

"Who's here?"

"Boss, it's Yun Yiyan."

Huo Dongyang put his hand on the keyboard and put it away. What is Yun Yiyan doing here? It looks like it's for Joe.

"Boss, I'll send him away!"

Huo Dongyang shakes his head. "No! Let him in. "

Xiang Qing really didn't expect Huo Dongyang to meet Yun Yiyan.

"Yes

Huo Dongyang tidied it up, then pressed on the computer to start the sound insulation system of the room.

He doesn't want Qiao Wei to know that Yun Yiyan is here, let alone let her know his conversation with Yun Yiyan.

Then he stood up and walked out of the study.

Walking to the living room, I just saw Xiang Qing and Yun Yiyan come in.

[Chapter 49](#)

When Yun Yiyan sees Huo Dongyang wearing a family suit, his eyes flash with anger.

Huo Dongyang doesn't pay attention to Yun Yiyan's expression at the moment. These cloud family members really don't have an oil-saving one.

"Yuner Shao, welcome to visit."

Yun Yiyan went directly to the front of the sofa, and then cocked up his feet.

Huo Dongyang slightly frowned, this cloud Yiyan is really who he is!

Xiang Qing also can't see down, just want to have action, but Huo Dongyang reaches out to stop.

Yun Yiyan showed a look of disdain, "in a city, you are new."

Huo Dongyang Ming, Baiyun Yiyan. He is warning himself that those who know the current situation are heroes.

"It seems that Yun'er Shao knows who I am."

"Qin Hao of HD-QH design company."

Huo Dongyang raises the corner of his mouth, it seems that Yun Yiyan is checking the information of the house registration. Huo Dongyang bought the villa in the name of Qin Hao at the beginning, but also in order to hide people's eyes.

After hearing this, Xiang Qing also held back a smile. Yun Yiyan is really a fool.

Huo Dongyang goes to the sofa and sits down. He reaches out and pours a cup of tea to Yun Yiyan. After all, visitors are still guests.

Yun Yiyan took a sip from the cup and suddenly felt that the taste of the tea was familiar. Jasmine tea, it seems to be

Huo Dongyang saw that, he went on to say: "she likes jasmine tea."

Although Huo Dongyang didn't explain who she was, Yun Yiyan seemed to know who it was. He put the cup on the tea table.

Is Jovi here? Yi Yun asked directly.

Huo Dongyang drinks tea leisurely, and he is not in a hurry to answer Yun Yiyan's question.

Yun Yiyan looks at Huo Dongyang. It seems that this half foreigner is not easy to deal with. "You let Joe come out, and I'll take her back."

Huo Dongyang put the cup down gently, "where does Yun'er Shao want to take her to?"

"Home, of course."

Huo Dongyang looks at Yun Yiyan. His blue gray eyes reflect different light. "Which house are you going back to? Qiao's? Or Jinhong garden? Or your apartment?"

Yun Yiyan frowns. Qin Hao seems to know his own business.

Huo Dongyang poured another cup for himself, "it seems that it's really good to drink more tea."

Yun Yiyan also heard something in Huo Dongyang's words.

Xiang Qing also felt that the two men were fighting in secret. But of course he thinks his boss will win. So he didn't plan to join in the party and leave quietly.

Huo Dongyang also knew that Xiang Qing left. He picked up his tea cup and took a sip.

"Yun'er Shao, don't like tea?"

"I'm here to take Jovi back today." Yun Yiyan opens his mouth.

Huo Dongyang has a smile on his face. "She's not here."

"Who are you lying to? She's been living here." Yun Yiyan replied. He found out that Qiao Wei moved here after his divorce.

Qin Hao doesn't know what his intention is to Qiao Wei.

Huo Dongyang nodded, "OK! Even if Joe lives here, what qualifications do you have to take her back? You don't seem to matter now

Yun Yiyan clenched his fist. This man is really annoying. "How old are you to talk to me like that?"

Huo Dongyang can't help shaking his head in his heart. Yun Yiyan is actually a poor man. No one loves at home, and I don't know why? If he had not indulged himself in this way, he would have achieved something. Originally, he didn't want to quarrel with Yun Yiyan too much, but his attitude was very unpleasant.

And today he seems to have touched his bottom line. It seems that his politeness is totally ignored by him.

"Yun Yiyan, I'll give it back to you sooner or later!" Huo Dongyang said coldly.

Yun Yiyan snorted. "Even if you're the president, it's a small company with little reputation. Compared with cloud family, it's a small company. If you don't hand over Qiao Wei today, your company will close down tomorrow! "

Huo Dongyang seems to have heard a joke. He ignores Yun Yiyan's blasphemy.

"Jovi, I won't give it to you."

"So you mean to fight me?"

"Whatever you want." Huo Dongyang replied.

Yun Yiyan stood up. "Surnamed Qin, the divorce of Qiao Wei and I has not been announced."

"But you and Qiaoxin have enough to deal with. Qiao Wei doesn't owe you. Why bother her with divorce? "

"Qin Hao, why do you rob a woman with me?"

Huo Dongyang said with a smile, "do you think I need to rob? Yun Yiyan, you'd better go back to deal with Qiao Xin first. "

"Qin Hao, even if Qiao Wei is divorced, she is also my Yun Yiyan's woman. This ex-wife is also a wife. "

Huo Dongyang's face sank, a good ex-wife is also a wife! "Yun Yiyan, this is what you forced me to do."

See Huo Dongyang did not answer, cloud Yiyan with proud eyes. "I'll take care of Qiao Xin. I'll pick her up in a few days."Huo Dongyang looks at Yun Yiyan with a cold face. He squints his eyes.

After that, Huo Dongyang asked people to release the news of the divorce of Yun Yiyan and Qiao Wei. In addition, what happened between Yun Yiyan and Qiao Xin before, was widely reported by the media. Public opinion soon showed a one-sided situation, and Yun Yiyan's reputation was completely ruined.

We finally learned the truth. Yunyiyan and his sister-in-law mess, and then sister-in-law pregnant. In order to help his sister-in-law right, he divorced his wife ruthlessly and even let his wife go out of the house. What's more, the rumors about yunyiyan and other women have been dug out again before, which proves that Yun Yiyan has cheated more than once in marriage. As soon as the negative news came out, it was bright and beautiful, and in the hearts of women, the God turned into a slag man.

Because of this, the cloud family has also been seriously affected, and even the cloud family has become a hot topic after dinner.

The cloud family fell into a haze.

YUNZHUO looks at yunyiyan, who is sitting opposite, and shakes his head helplessly.

"Yi Yan, what are you going to do?"

"Granddad, I think someone must have done this on purpose. I've sent someone to look it up."

Yun Zhuo sighed, "Yi Yan, you really let grandfather down this time."

"Grandfather, I know I'm wrong."

Yun Yiming knocks on the door, "grandfather, I have found it."

"Who did it."

"The Qiao family."

Hearing this answer, YUNZHUO frowned, "does Qiao Qingdong want to use the media to force me to make this decision?"

"Grandfather, I think the Qiao family wants more than that." Yun Yiming replied.

YUNZHUO closed his eyes, "Qiao Qingdong is too greedy."

Yun Yiming then said, "grandfather, is our cloud family led by his nose like this?"

YUNZHUO opened his eyes and could see that he was tired. "Yi Ming, do you have any good suggestions?"

"Secretly buying senjo. Anyway, senjo has already suffered from internal and external troubles. Now it's a good opportunity. "

Yun Yiyan interrupted Yun Yiming, "big brother, it's immoral for us to do this."

Yun Yiming looked at Yun Yiyan with a sarcastic look on his face. "So it's moral for him to plot against us like this? And what happened to you and Qiao Xin, isn't it their pre-set plot? "

Yun Yiyan is speechless for a moment. Elder brother is really right.

[Chapter 50](#)

YUNZHUO felt a headache when he saw the two brothers quarrel.

"Grandfather, you have an idea." Yun Yiming throws the problem to YUNZHUO.

YUNZHUO propped up his head and had a bad headache. "I still don't recommend taking senjo."

When Yun Yiming heard this, his face changed. Although unwilling, he quickly adjusted his mood.

Yunyiyan is waiting for YUNZHUO's words. In fact, he wants to let Qiao Wei come back.

"I heard Qiao Xin's children can't stay." YUNZHUO said.

"Yes, grandfather. My mother asked the doctor that Qiao Xin had taken a lot of antibiotics because of suicide, and the doctor also advised them not to stay. " Yun Yiming answers.

YUNZHUO looked at Yun Yiyan and said, "what's your plan?"

"Grandpa, Qiao Xin and I can't do it at all." Yun Yiyan replied.

When Yun Yiming heard this, he suddenly felt funny, "no way. You've made people's stomachs bigger."

"Then give them some money." YUNZHUO said. "I don't agree with Qiao Xin's marriage to the cloud family."

Yun Yiming thinks that YUNZHUO's decision this time is the same as his mother's, which saves a lot of things.

"News matters, you discuss to deal with." YUNZHUO replied. "And Yi Yan, you don't want to go to the company recently."

Yun Yiyan was stunned. He didn't expect that his grandfather would deal with it like this.

Yun Yiming is happy in his heart. This time, his grandfather finally stood on his side. He did a good job. Yunyiyan's suspension is a good thing for him and also convenient for him to do things in the future.

Yun Yiming put on an expression of concern for his brother and said, "Yi Yan, listen to your grandfather. This news has a great influence on you. Although we will clarify, I think you should be more safe at home. "

Yun Yiyan didn't think much, "big brother, then the company's business will trouble you."

"It's OK."

"Yi Ming, you are the elder brother. I will leave this matter to you. It must not regenerate branches. "

"Don't worry, grandfather." Yun Yiming nods and agrees.

YUNZHUO waved them out. "I'm tired, too. I want to have a rest."

The two brothers walk out of YUNZHUO's room. Yun Yiming reaches out and pats Yun Yiyan on the shoulder. "Don't think too much. Grandfather is also for you! Qiao's side, if you're not good to show up, elder brother will deal with it for you. "

"Thank you, brother!" Yun Yiyan nods.

"You're welcome. That's what big brother should do. You go and have a rest. I don't think you are in a good mood. "

Seeing Yun Yiyan enter his room, Yun Yiming shows a proud smile. This time, Yun Yiyan is really carrying a stone to hit his own feet.

Then, he turned to find Fu Qing.

"Mom

Fu Qing saw her son come in, and she quickly put away a document.

"What's the matter?" Fu Qing held his son's hand.

Yun Yiming sits down beside Fu Qing with a smile on his face. "My grandfather left the matter to me, and Yun Yiyan was suspended."

Fu Qing's eyes twinkled, but he didn't believe it. "Is that true?"

"Really. My grandfather said it to us

Confirmed, Fu Qing also followed the spirit, "this is good!"

But soon, Fu Qing also calmed down. "How could the old man suddenly leave it to you this time. In the past, he would have made his own decisions on these matters. Is there any problem? "

Fu Qing still thinks that we should be more careful and be careful in everything. If you make a mistake, you will go wrong.

Yun Yiming holds Fu Qing's hand. "Don't worry, mom! There will be no problem. I don't think the old man's mental state is very good. Maybe it was his baby who came back, so he didn't have the spirit to take care of these things

"Yi Ming, even if it's like this, we should be careful, and we can't let people catch hold of it." Fu Qing didn't dare to be too optimistic, and he couldn't be too happy to be sad.

Yun Yiming nods. "Mom, I know. I have also secretly asked people to buy senqiao shares, and soon the whole senqiao will be ours. "

"Good! Yun Yiyan also has some shares in his hands. " Fu Qing suggested.

"Yes. I'll find a way to get it. "

Fu Qing's heart seemed to be a little relaxed, "Well! If we can, Qiao Wei's shares are also obtained, then we are really sure. "

Yun Yiyan felt that his mother had a point. "Mom, do you know where Jovi is? I can talk to her about it

Fu Qing shook his head, "Yi Ming, the shares in Qiao Wei's hands should be kept until the last, and we can't let her know about it. In this way, even if she doesn't give it in the end, we'll buy other people's shares first, so that we can still become major shareholders. She has no words to say

"Mom, you have a point."

In fact, Fu Qing still has some worries. Qiao Wei now has Huo Dongyang to support him. She really didn't expect that these two people would get together, and she couldn't find any information about Huo Dongyang. She always thinks that Huo Dongyang's purpose of coming back this time is not simple, and he must be well prepared. That's the only thing she's worried about. As for Huodong's request, she could not believe it. How could he not want the property of the cloud family?

Yun Yiyan still frowns when he sees Fu Qing. "Mom, what's wrong with you? Is there anything else? "

"No Fu Qing shook his head. "Yi Ming, mom, now only you can believe it!"

"Don't worry, mom! I'll take care of it. " Yun Yiming promised to say.

Fu Qing also showed a little smile. "Good!"

"By the way, mom. I want you to accompany me to Qiao's house. Is it convenient for you? "

Fu Qing nodded. "Convenient! I also want to go to the Qiao's and see what they're doing

"I'll come back to pick you up later. I'll deal with the news online first. "

"Go

Huo Dongyang saw such news, eyebrows slightly pick. You want to overthrow everything in a word? What about filing a complaint? Is it really easy to cover up the fact? There are no doors!

Then Huo Dongyang asked Qin Hao to continue to release new news.

Netizens are still lamenting the cloud family this time, another powerful news was sent out. This time, it is the proof of Qiao Xin's pregnancy. The contents of each item are clearly announced.
