

Warm Wife 591

[Chapter 591](#)

City a in a month.

Xia Yunqiao and usual to go to work, but helpless this morning, has been uncomfortable.

Xia Yunqiao forgot how many times he walked into the bathroom and vomited. Seeing himself in the mirror, he looked pale and surprised. Xia Yunqiao touched his face and kept thinking about what he had eaten wrong yesterday!

But she didn't eat anything at all yesterday. It should not be that she ate something wrong. Moreover, she ate all the food cooked by her father. Unable to find any reason, Xia Yunqiao walked out with the help of the wall. Then she called Maggie and said that she was not very comfortable today, so she didn't go to the studio.

Xia Yunqiao lay down and slowly closed his eyes. But as soon as I close my eyes, Xia Yunqiao will think of Tang Yixuan. He has not called himself for several days. What will happen!

Xia Yunqiao always has a kind of uneasiness in his heart. Now he thinks that he is stupid. Why did he nod his head and let him go to f country? If he always insisted, he would not go! Now I have to face everything by myself. I can't help feeling lonely.

Or physical discomfort, so people also become vulnerable. Xia Yunqiao's tears naturally flowed out from the corner of his eyes and whispered: "Yixuan, I miss you so much. When on earth will you be back? "

Slowly, Xia Yunqiao fell asleep, as if he was asleep, so his body was not so uncomfortable. But this whole sleep to the afternoon, until yunmuxin came back to find that Xia Yunqiao did not go to work today.

Yun Muxin looks at the pale Xia Yunqiao and is distressed. Tang Yixuan still hasn't come back. It seems to have disappeared in the past few days. There is no news at all! Such a situation is really worrying and wishful thinking.

Xia Yunqiao woke up to find yunmuxin sitting by the bed. "Mom..."

"Wake up, isn't it uncomfortable?" Yun Muxin immediately asked with concern.

"My stomach doesn't feel well today. I've been sleeping all day." Xia Yunqiao sat up.

After hearing this, Yun Muxin immediately reached out to touch Xia Yunqiao's forehead. Fortunately, he did not have a fever. "What's wrong? Let your father show you later

Xia Yunqiao shakes his head. "I've been sleeping all day and I'm much better."

"What is the exact situation?"

"Just want to vomit." Xia Yunqiao replied.

Hearing Xia Yunqiao say he wants to vomit, Yun Mu Xin's eyebrows wrinkled. Xia Yunqiao's health has been good, so yunmuxin is worried about another problem. Yun Muxin looks at Xia Yunqiao seriously.

"Little Joe, is your big aunt here?"

Xia Yunqiao was stunned and soon understood the meaning of Yun Muxin. With surprise on her face, she reached out and touched her stomach.

Cloud Mu Xin, I saw Xia Yunqiao's reaction, she was more sure of her guess. "Xiao Qiao, go to the hospital for an examination tomorrow."

Xia Yunqiao nodded, and now the situation still needs to be checked. If you are pregnant, then it is another plan.

The next day.

Yun Muxin accompanies Xia Yunqiao to the hospital for examination. Of course, Xia yueqian knows about it. So Xia Yunqiao's inspection results or to Xia yueqian where, see the inspection results, Xia yueqian has been calm face.

Xia Yunqiao has been pregnant for two months, but she has no idea. Now Tang Yixuan is not in, so how should she face it alone? It's not a good thing for them.

Xia yueqian looked at the test sheet in front of him, but he really didn't know how to say it. Tang Yixuan, who has been to f country for a month, has not come back. Maybe he has changed his mind. When he thinks of it, Xia yueqian gets angry! What makes his daughter so hard!

Yun Muxin knocks on the door. As soon as he enters the door, he sees Xia yueqian's expression that is so serious that he can't be more serious. Yun Muxin knows the result.

"Where are you staying?"

Xia yueqian looks at Yun Muxin, and he is angry in his heart. "I should not have let Tang Yixuan go. Now what should Little Joe do? "

"Is little Joe really pregnant?"

Xia yueqian gave a hum, then continued to nag. "Yes! There is still a long way to go! This is the beginning! If Tang Yixuan doesn't come back, what do you think Xiao Qiao should do? "

Yun Muxin is not as worried as Xia yueqian. "There's nothing to worry about. We can raise our daughter, and we can raise this grandson together. It's just eating with one more mouth. "

Xia yueqian certainly understood the truth. "But the children who don't have a father still owe some father's love!"

"The more humble, children will understand! Don't come back now! "

"I didn't think he would come back." Xia yueqian almost said in a positive tone.

Yun Muxin does not want to continue to discuss this issue with Xia yueqian. "I'll see little Joe."

Xia yueqian's heart followed by a soft. "Mu Xin, you must take good care of Xiao Qiao from today on. The first three months are very important."

"Well, of course I know." Cloud Mu Xin nods.

When Xia Yunqiao knew that she was really pregnant, she cried. This is the first time in a month that she has let out her emotions. Before Tang Yixuan left, she did not cry, but now she really can not control their emotions. She just wants to cry! Yun Muxin felt more distressed when she saw her daughter like this. She reached out to hold Xia Yunqiao, "Xiao Qiao, cry! Cheer up after crying. You also want to be a mother, so you should be stronger in the face of anything! "

Xia Yunqiao hugs cloud mu heart to cry aloud, Miss Tang Yixuan more and more deeply! When on earth will he come back!

Xia yueqian stood behind them, and his heart felt bad. The complaint to Tang Yixuan is deeper! If this boy dares to betray his daughter, he will surely go to country f directly. He doesn't care who he is from Nangong family!

Back home, Xia Yunqiao shut himself in the room. She took out her mobile phone to call Tang Yixuan, but it was blocked. Xia Yunqiao put the mobile phone tightly in the mobile phone, "Yixuan, what happened to you. Why suddenly there is no news! "

Think of here, Xia Yunqiao's tears flow out again.

Just as the news of Xia Yunqiao's pregnancy spread, an explosive international news shocked everyone.

Xia Yunqiao saw the news on the mobile phone and forgot the reaction. The princess of state f is about to get married: the mysterious prince finally emerges. Xia Yunqiao saw a familiar name, that is Nangong Yixuan.

All of a sudden a breath did not come over, the mobile phone fell to the ground. Xia Yunqiao's eyes are dark, and the whole person falls forward

Just before losing all consciousness, Xia Yunqiao felt as if someone was holding him, and then he completely lost consciousness.

hospital.

Xia Yunqiao lies on the hospital bed, eyes closed, face extremely bad.

Around the hospital bed are people, Xia yueqian, Yun Muxin, Qin Zichen, maiziqi, Huo yunxun and Huo yunnuan. Huo Dongyang and Qiao Wei are still on their way to the road. All of them are worried.

Xia yueqian sees his daughter like this, in the heart wants to tear Tang Yixuan. That boy is really brave. He really goes back to f country to marry the princess. He wants to be the prince of F country. It's really OK!

"Let little Joe have a good rest. Let's all go back first." Xia yueqian opened his mouth.

Qin Zichen then opened his mouth. "Uncle, I'll stay and take care of Little Joe."

Xia yueqian nodded. "Well, then you stay." In fact, when Xia Yunqiao fainted, Qin Zichen found her and sent her to the hospital.

Seeing the others leave, Qin Zichen sits down. He looked at Xia Yunqiao and said, "Xiao Qiao, you are a fool! I said a long time ago that Tang Yixuan and you are not suitable, you just don't listen. Now you see how it ends! He will soon become the prince of F! But you? In the future, you may have to take the baby by yourself. "

When Qin Zichen saw Xia Yunqiao like this, he felt uncomfortable.

And Mai Ziqi, standing at the door of the ward, listened to Qin Zichen's words and felt very uncomfortable. Tang Yixuan left, Qin Zichen also has an excuse to take care of Xia Yunqiao. Such him, but let oneself very heartache. Why not talk to Xia Yunqiao face to face!

Maggie quietly turned around, thinking of giving time to the two of them. In fact, so many things have happened recently. Maggie also wants to know, or she should also hide her feelings. To see Xia Yunqiao and Tang Yixuan become like this, it can be said that it is beyond everyone's accident.

So Maggie's heart also with a retreat, this world is really very few true love! Maiziqi just walked to the door of the hospital and saw Huo yunnuan blocking the people of the Tang family in front.

Huo yunnuan and Xu Nan are quarrelling, while Tang Sinian and Bai Xi on the side should take tension on their faces. It seems that they are coming from C City. Maggie went over and knew what they were talking about.

Huo yunnuan doesn't want to let the people of the Tang family see Xia Yunqiao. After all, Tang Yixuan now makes such a thing. As relatives of Xia Yunqiao, they must be very angry. It happened that Qin Zichen appeared in time today, otherwise the consequences would be unimaginable.

"Miss Huo, please let us meet the young lady." Xu Nan said with Huo yunnuan.

Huo yunnuan said nothing. "No! Joe won't let me see you. Now seeing you, she will only think of Tang Yixuan, that heartless man

The year of Tang Si went forward. "Miss Huo, I think there must be some misunderstanding. Yixuan is not like that."

"No?" Huo yunnuan sneered. "Now the news is out! Is there a fake? I think Tang Yixuan is a person who changes his mind. At the beginning, he could repent, and now he can leave little Joe without conscience! In the future, he will become the prince of state F. this identity must be more brilliant, so he wants to completely separate himself from us. Otherwise, how can you promise to go back to country f. I don't think he can remember who we are now

Xu Nan frowned and listened to Huo yunnuan's words, "young master is not that kind of person!"

"Well, isn't it?" Huo yunnuan sneers. "Then let him be clear. I think now he's cut us off! "

Huo yunnuan's words make Xu Nan and Tang Sinian unable to refute. Bai Xi also wanted to speak for her son. But what Huo yunnuan said is the fact that Tang Yixuan has not contacted them for some time. And after watching the news, they have contacted him many times, but there is still no news.

Huo yunnuan saw that the Tang family couldn't say a word. She continued: "please leave! You are not welcome here! "

"We want to see little Joe." Bessie said. "Anyway, Xiao Qiao is also the daughter-in-law of our Tang family."

"Little Joe is not your daughter-in-law! Mrs. Tang, I remember how strongly you opposed Xiao Qiao and Tang Yixuan together. Huo yunnuan said politely. "Now you see that Xiao Qiao is pregnant, so you think about admitting the relationship between Xiao Qiao and Tang Yixuan."

Bai Xi knew that Huo yunnuan spoke very well, but this time she couldn't flinch. "Miss Huo, Yixuan and Xiao Qiao have obtained the certificate, and they have already been the husband and wife of the Tang family. Of course, they are also the daughter-in-law of our Tang family. This relationship will not change!"

Huo Yun's warm eyes lit up, "yes, you are right! But now Tang Yixuan doesn't exist, so Xiao Qiao is also free! "

"Miss Huo, how can you talk like that?"

"Am I wrong?"

At this time, Huo Dongyang and Qiao Wei appeared. Seeing such a situation, Huo yunnuan also converged.

Seeing Huo Dongyang and Qiao Wei come, Tang Sinian also immediately followed the opening. "Hodgson, we want to meet Joe."

Huo Dongyang takes a look at his daughter. Then he asked, "how's Little Joe?"

"I'm a little weak when I'm stimulated. It's good the baby's okay. Now Zichen is taking care of her. "Hear Xia Yunqiao is OK, Huo Dongyang and Qiao Wei are also a little relieved. On the way to the hospital just now, they will be very anxious. That is OK if you have no trouble!"

"Since little Joe is OK, let's give her a good rest first." This is what Huo Dongyang said.

Tang Sinian knew that it was Tang Yixuan's problem this time, so he must suffer losses in theory, so he could only nod his head. "Let's see Joe again tomorrow."

Huo Dongyang then said to Tang Sinian, "you are tired from coming from C City. Find a place to have a good rest."

Xu Nan takes Tang Sinian and Bai Xi to leave first. The more this time, he should be calm. The more chaotic he is, the more likely he is to make mistakes.

Huo Dongyang noticed that Huo yunnuan's eyes had been moving with Tang Sinian. Such a look was really out of line with his usual appearance. And Huo Dongyang found that his daughter's eyes are with Xu Nan after moving, eyebrows are not controlled to wrinkle! In the heart some fluke, hoped is not oneself thought that.

It's in country f at this time.

Tang Yixuan only saw the news on the Internet. He was completely shocked. Who sent out the news? How could he not know he was going to get married!

Tang Yixuan's mobile phone fell on the ground a few days ago and broke. He has taken it to repair it, so he has not contacted anyone in recent days. But now he can't sit still when he sees the news on the Internet. novelupdates.com

See the hot discussion on the Internet, then Xia Yunqiao there must have known. At this time, how should he explain this matter to Xia Yunqiao and them? They will not believe that they are innocent. So think about it, Tang Yixuan also feel that he should go back to explain himself! And it's almost time before he and Joe agreed.

Tang Yixuan just walked out of the door and saw Zhao Liya.

"Yixuan, where are you going

"I'm going back!"

"Here comes the princess." Zhao Liya continued.

[Chapter 593](#)

Hearing Zhao Liya's words, Tang Yixuan stopped his own pace.

Tang Yixuan looked at Zhao Liya suspiciously, "how could she come? What have you done behind my back? " Tang Yixuan's heart is very dissatisfied, he came so long, they seem to be in their own unknown situation secretly arranged some things.

This time, it must have something to do with them. Tang Yixuan realized this and couldn't help feeling that his original decision was wrong. "I'm going back to city A. I promised Little Joe to go back."

Zhao Liya frowned. She looked at Tang Yixuan and said, "Yixuan, don't you really want to admit that you are from Nangong family?"

"Yes, I have never said that I am from Nangong family. These things are just wishful thinking! Even you have worn away my sincerity. I will not take part in your affairs. "

"Yixuan..."

When Zhao Liya wants to continue talking, Tang Yixuan has no mood to stay. He turned and left, completely oblivious to things that had nothing to do with him. Because he is just Tang Yixuan.

When Tang Yixuan entered the garden of Nangong's house, he saw a woman in a long white dress standing not far away. She looked like she was waiting for herself. If there is no wrong guess, then she should be the princess of F country.

Seeing Tang Yixuan stop, Li Mengyao walks to Tang Yixuan and looks at Tang Yixuan carefully. Then she touched her chin and went around Tang Yixuan again.

"Are you Nangong Yixuan?" Li Mengyao spoke.

Tang Yixuan shakes his head. "I'm not Nangong."

"You're really good-looking." Li Mengyao did not seem to pay more attention to Tang Yixuan's answer, but continued to talk about his own topic. "Nangong's family has really laid down a lot of blood this

time, and brought back such a handsome man as you. It is said that you are Nangong Chao's son who has been missing for many years? "

Tang Yixuan kept silent. The princess was different from her own imagination. However, she said that she was not so dignified as the rumor, but more of a personality.

"I heard you are from a city, so I want to ask you about someone. He should be from city A, too. "

"Who?"

"I don't know his name. I only know his English name." Li Mengyao replied.

When Tang Yixuan heard this, she felt that the princess was a little fanciful. She had only one English name. She wanted to find someone. It's not easy to talk about! And there are many people of the same name and surname.

When Li Mengyao saw Tang Yixuan's expression, she knew that Tang Yixuan didn't want to. "Nangong Yixuan, if you don't want to show such an expression! In fact, this princess is not bad

Tang Yixuan nodded, "of course, you are a princess. You are really good in country F. But in my eyes, I only have my wife

Tang Yixuan's words shocked Li Mengyao, and a lot of questions appeared, "what? Your wife? You are married. Now that you are married, why do you promise to marry me? "

"Yes! I'm married! My wife is in a city. As for my marriage to you, you should ask the Nangong family. "

Hearing Tang Yixuan's words, Li Mengyao felt more and more that something was wrong. "Are you not Nangong Yixuan?"

"My name is Tang Yixuan! I have nothing to do with Nangong family! " Tang Yixuan explained.

Li Mengyao is not a fool. After a conversation with Tang Yixuan just now, she knows that there must be something wrong with it. The Nangong family is even more problematic. This Tang Yixuan and Nangong Chao do have some similarities, but it is not difficult to distinguish his mood from his tone.

Li Mengyao looked at Tang Yixuan and said, "since you are married, then our engagement does not exist. I remember a saying that it is not sweet to be forced. I'll make it clear to my father when I go back

Tang Yixuan was stunned and never thought that the princess was so kind. This is really beyond my imagination. "Really?"

"Well!" Li Mengyao nods. "But you have to promise me a condition first."

"Sure enough, there is no free lunch." Tang Yixuan knows this. "Tell me first."

Li Mengyao went to Tang Yixuan's ear and whispered. "I want you to help me find someone in city A. His English name is Steven, and his last name is Huo. I don't know his full name. "

"Princess your highness, this is a great test for me. Is there no more specific information? "

"No. If so, do I still need you? "

Tang Yixuan has no choice but to remember the information given by Li Mengyao. "OK! I'll keep an eye on it for you. "

"Tang Yixuan, if you are more positive, maybe I can help you leave f country."

Tang Yixuan did not expect such a good thing. "Seriously?"

"Who am I? Of course, my words are true. " Li Mengyao said with a smile. "It's just that you have to help me find this man."

At this time, Tang Yixuan will definitely nod his head. If there is anything else, he has to leave f country again. So he has only this choice. If he can't make up his mind after returning to city a, he can only ask for help from Huo Dongyang. It is absolutely not difficult for him to come forward."Good! A deal

When Li Mengyao heard Tang Yixuan promise herself, she could not help feeling better. Her bright eyes twinkled and she believed that she would see him again soon!

Next, Li Mengyao's speed is very fast, immediately Tang Yixuan ticket processing. She asked Tang Yixuan out and gave him the ticket.

Thank you, your highness

Tang Yixuan's mood is excited, looking at the ticket in his hand, and finally can go back to meet Xia Yunqiao. This month has been a torment for him every day. It's really exciting for him to go back now.

Li Mengyao holds the cheek, she sees Tang Yixuan in the eye to reveal the sentiment, also really some envy. I don't know if he is married. If he does, he has been waiting for a few years in vain. Thinking of this, Li Mengyao is inevitably a little lost.

"What's the matter with you, your highness?" Tang Yixuan saw Li Mengyao's appearance and asked.

"Tang Yixuan, I'll go to city a with you." Li Mengyao continued.

Tang Yixuan was once again unprepared by Li Mengyao's thinking leaps. "Your Highness is going to city a with me?"

Li Mengyao nodded continuously. "Yes! Only in this way can you leave country f without any worries. Otherwise, you think the Nangong family will be so obedient and let you go! "

"So you mean, our engagement is not broken?"

Li Mengyao nods helplessly. "Well, my father doesn't know which one is wrong. He just wants me to marry you! So I thought about it and thought about it. I'll go to a city with you, they won't doubt it! In this way, when we get to city a, we can do our own things separately. Isn't that good? If I look for that person, then I can better persuade father

Hearing Li Mengyao's words, Tang Yixuan thinks it is also reasonable. "Your Highness, how can you be so sure that this man is in city a?"

"I knew him when I went to study abroad. At that time, he just went to visit the school, but he helped me out. After inquiring, I found out that he came from city A Li Mengyao's eyes are full of yearning.

Tang Yixuan smiles. "Love at first sight?"

[Chapter 594](#)

In the face of Tang Yixuan's question, Li Mengyao's face is rarely red.

But Tang Yixuan is not such a gossip person, so he will not ask anything. After all, this is also Li Mengyao's private affair.

"Tang Yixuan, when shall we start?" Li Mengyao asked.

"I want to go at once." Because his appointment with Xia Yunqiao has less than 24 hours left, so he does not want to continue to delay time, and there is no his business here.

Li Mengyao saw Tang Yixuan in such a hurry that she was envious. What kind of woman let Tang Yixuan give up everything in Nangong family. If she could, she would like to meet.

But if you want to leave immediately, there is no flight. So Li Mengyao used her Princess privilege to use the Royal private plane directly.

Tang Yixuan didn't really feel relieved until he was on the plane. He could get rid of everything now. This is a good thing. He said to himself, "Joe, wait for me. I have come back. "

Hospitals.

Qin Zichen looks at Xia Yunqiao who has already woken up, but at this time she has no previous look, which can be described with no God in her eyes.

"Little Joe, do you have to do this?" Qin Zichen couldn't help asking.

Xia Yun Qiao moved, and then looked at Qin Zichen, "brother Zichen, what time is it now?"

"One o'clock in the afternoon."

"Six hours to go." Xia Yunqiao then said such a sentence.

Qin Zichen frowned, he did not understand the meaning of Xia Yunqiao's words, "what six hours."

Xia Yunqiao turned his head and looked out of the window. In fact, she already knew that Tang Yixuan would not come back! The news has come out, his marriage with Princess f has been settled, how can he come back! These days, he did not call, she knew something. But still with expectations, because she always believed that Tang Yixuan would not be such a heartless person.

Qin Zichen looks at Xia Yunqiao that empty appearance, he knows Xia Yunqiao is thinking of Tang Yixuan again. Think of Xia Yunqiao this month to bear all, Qin Zichen is heartache to can't. What good is Tang Yixuan worth sacrificing himself again and again.

"Xiao Qiao, Tang Yixuan will not come back again!" Although he knew this was cruel, Qin Zichen had to say it. Because it's also true.

Xia Yunqiao blinked, "I know! In fact, you don't want to hurt me, so you've been holding back

Qin Zichen didn't expect Xia Yunqiao to say so. He didn't know what to say!

Xia Yunqiao takes back her eyes, her eyes fall on the mobile phone. It was a while before she spoke.
"Brother Zichen, I want to leave a city."

Qin Zichen was stunned. She didn't expect Xia Yunqiao to make such a decision, because she always showed that she believed Tang Yixuan. Now she wants to leave a city because of him! Because Tang Yixuan will not come back!

Qin Zichen's heart has some of his own greed, "where do you want to go?"

"To America?" Xia Yunqiao didn't really decide where to go. I just want to leave here, because there are too many memories of myself and Tang Yixuan. As he said at the beginning, if Tang Yixuan doesn't come back, she will divorce him and make him unable to find himself in this life.

Today is the deadline. If he still doesn't come back, it proves that he will not come back. Xia Yunqiao doesn't want to hold on to say that there will be a big reversal in the next few hours. These usually only appear in TV dramas, there is no such coincidence in reality.

Qin Zichen sighed, "OK, I know. I'm going to get ready. Just a few days later, I'm going back to America to see my parents. Are you with me

Xia Yunqiao did not respond, just nodded. "You can arrange it!"

"OK!"

Xia Yunqiao just went to sleep for a while when her mobile phone rang. Qin Zichen picked up her mobile phone and looked at it. Xia Yunqiao did not save the number. She hesitated for a while and Qin Zichen picked it up.

"Hello

Hearing Qin Zichen's voice, the other side has not made a sound. Qin Zichen's eyebrows wrinkled up, and then feed a few. Just as he was about to end the call, he heard the voice of the other party, "are you Qin Zichen?" *NOvelusb.COM*

Qin Zichen heard the familiar voice, with a touch of hate in his eyes. "Yes Tang Yixuan called, but this time is not already late.

"I'm Tang Yixuan. Where's Xiao Qiao?" Tang Yixuan's voice is worried.

Qin Zichen looked at Xia Yunqiao, who was already asleep, and then said, "Xiao Qiao, I'm already asleep."

"What's wrong with little Joe?"

"Well, Tang Yixuan, you should not be qualified to ask these questions now." Qin Zichen said coldly.
"Since you're going to break up with Joe and marry the princess of country f, you really don't have to call. Joe will send you the divorce agreement tomorrow

"I'm not going to divorce Joe!" Tang Yixuan affirmed that there was no room for discussion.

Qin Zichen didn't want to waste words with Tang Yixuan, so he ended the call directly. Tang Yixuan looked at the prompt that the call had ended. He was stunned. Something must have happened, otherwise Qin Zichen would not talk like this!

Li Mengyao looked at Tang Yixuan standing on one side, "it seems that your face is not good!"

"Well!" Tang Yixuan nodded. "It's really bad."

Hearing Tang Yixuan's words, Li Mengyao couldn't help but feel a touch of sympathy on her face, "it seems that your wife really doesn't intend to wait for you. Is there anyone else you can look for at this time? If not, let's go to a hotel to have a rest and make plans? "

Tang Yixuan holds Li Mengyao's mobile phone. He thinks about it and calls Huo Dongyang. At this time, only he can help himself!

Li Mengyao stood aside and continued to wait for Tang Yixuan to call. She looked up at the buildings of city A. the city he lived in turned out to be like this! In fact, I should come earlier. Li Mengyao's heart is full of expectation, hoping that he is still single!

In less than a minute, Tang Yixuan handed the mobile phone to Li Mengyao.

"So fast?"

"Well, let's wait here. We'll be picked up later" Tang Yixuan replied.

Li Mengyao nods. Anyway, she is not familiar with the place of life, so she can only follow Tang Yixuan.

Within half an hour, a car stopped in front of Tang Yixuan and Li Mengyao.

Tang Yixuan soon saw Xiang Qing, "Uncle Xiang."

"Well!" Xiang Qing nodded. "The boss asked me to pick you up."

Tang Yixuan opened the door, and then let Li Mengyao get on the car first, and then he followed.

Xiang Qing takes a look at Li Mengyao. It turns out that the princess of state f looks like this. Compared with Xiao Qiao and Xiao Nuan, Xiang Qing is still on her side.

The car stopped in front of Jiangwan villa, Xiang Qing just saw Huo yunxun's car back. He simply stopped the car and let Huo yunxun's car go first,.

After a while, Huo yunxun stopped the car and got off the car. Seeing the people on the car, he was also surprised, "Tang Yixuan?"

"Uncle, I'm back." Tang Yixuan nodded.

Huo yunxun also wanted to say when, a touch of figure directly rushed into his arms. Huo yunxun was also frightened by the unexpected situation.

"You are..."

"I finally found you!" Li Mengyao looked up at Huo yunxun and said.

[Chapter 595](#)

In the face of such a situation, not only Tang Yixuan was stunned, but also Huo yunxun, who had always been calm.

Li Mengyao hugged Huo yunxun, worried that once he let go, he would disappear again. He may not remember that side at that time, but he remembers it clearly. She fell in love with Huo yunxun at first sight.

So in the past heard of Tang Yixuan's origin, her heart also lit up hope. Hope to find him through Tang Yixuan, almost no longer holding much expectation of her, really meet him like this, even to their own surprise.

Huo yunxun looked at the woman in front of him and he opened his mouth. "Miss, can you let me go?"

"I've been looking for you for a long time." Li Mengyao looks up at Huo yunxun. "I finally saw you today!"

So Li Mengyao's implication is that he doesn't want to let go. This makes Huo yunxun frown, he seems to really do not know her! So he turned his eyes to Tang Yixuan, with doubts in his eyes. Think about how this is going on!

Tang Yixuan saw the appearance of Huo yunxun and Li Mengyao, and instantly understood it. Combined with the information that Li Mengyao asked her to find people before, now she is finally trying to figure out the causes and consequences. Li Mengyao is looking for Huo yunxun. Tang Yixuan's corner of the mouth smoked, the world is really small! There are such things.

"princess, please open your uncle first." Tang Yixuan again received Huo yunxun's eyes and then opened his mouth.

After hearing this, Li Mengyao realized that she was too excited. Then he let go of Huo yunxun, "I'm sorry, I'm so excited." But her eyes never left Huo yunxun! Anyone who read knows Li Mengyao's mind! She likes Huo yunxun!

Tang Yixuan went to Huo yunxun and began to introduce him. "Uncle, let me introduce you. This is princess F's Royal Highness, Li Mengyao! "

"Princess highness, this is my wife's uncle, Huo Yunxun."

Li Mengyao nods with a smile. "So your name is Huo yunxun. I heard them call you Steven!"

Huo yunxun was at a loss. He thought when he would know the princess of country F. however, from what she said, she didn't seem to be telling a lie. Because my English name is Steven!

"We know each other?"

"I know you. You may have forgotten." Li Mengyao said with a smile. "I'll tell you in detail when you are free."

Huo yunxun did not pay too much attention to these, he took a look at Tang Yixuan. "Yixuan, what do you mean by bringing the princess back this time?"

"The princess came back with me to find someone." Tang Yixuan replied, and this person is you!

Huo yunxun immediately understood Tang Yixuan's meaning, but he really did not remember what he and Princess f had in common. Today is the first time they met. Thinking of this, Huo yunxun frowned uncontrollably.

Tang Yixuan immediately thought of Xia Yunqiao, "uncle, where is Xiao Qiao?"

"Go in and talk about it!" Huo yunxun will also think about business.

Walk into the villa.

Huo Dongyang has been waiting in the living room. When he sees Tang Yixuan and Li Mengyao appear together, he is also a little surprised.

Huo Dongyang's eyes fall on Tang Yixuan. "You're back at last."

Tang Yixuan nodded. "Yes, uncle! I delayed my return because of some problems

"This is..." Huo Dongyang has some conjectures in his mind, but he is not sure.

Li Mengyao looks at Huo Dongyang and smiles. She introduces herself. "Hello! I'm Li Mengyao! "

Huo Dongyang is stunned by this name. If he remembers correctly, Li Mengyao is the princess of state F. Huo Dongyang slowly stood up. "Your Highness?"

"You know me. Hello, Huodong Li Mengyao said with a smile.

"Sit down, please." Huo Dongyang immediately asked Li Mengyao to sit down.

Huo Dongyang didn't expect to meet Li Mengyao under such circumstances. He took a look at Tang Yixuan and Huo yunxun and seemed to want to ask what was going on here!

Huo yunxun pushed everything to Tang Yixuan. He said, "Dad, I still need to deal with things. Excuse me first!"

Hearing that Huo yunxun was leaving, Li Mengyao quickly stood up. "Huo yunxun, where are you going?"

"My company has something to deal with." With that, Huo yunxun turned around and left.

Li Mengyao's eyes follow a dark, in the heart feel that Huo yunxun doesn't like himself very much, and his mood is a little lost. These all entered Huo Dongyang's eyes, the princess and her son know each other?! How could that be possible?!

Tang Yixuan doesn't want to waste time. "Uncle, where's Little Joe? I used to call Xiao Qiao, but Qin Zichen answered the phone

Huo Dongyang saw Tang Yixuan anxious, also did not delay. "Before I answer you, should you tell you something about yourself?"

saw Huo Dong Yang's gaze on Li Mengyao's body. Tang Yixuan understood what he meant. "I'm not going to get married with your royal highness!"

"Then how did you come back together?" Li Mengyao will speak for Tang Yixuan, "I come back with Tang Yixuan. There are two main things. The first is to explain clearly to you my marriage with Tang Yixuan. The news was released by my father and Nangong Chao without our knowledge

"What?" Huo Dongyang really didn't expect the result to be like this. "In that case, why don't you call and make it clear!"

"Tang Yixuan is under house arrest, and his mobile phones are all detained." Li Mengyao continued. "If it wasn't for me, he would not have come back!"

When Huo Dongyang heard this, he had some bottom in his heart. "So Yixuan is because you can come back?"

"So to speak!" Li Mengyao nods. "That's my second purpose in city A. So Tang Yixuan and I have the same goal, that is to return to city A. We had to play a play in front of the others. "

Huo Dongyang understood, it seems that before they all wrongly blame Tang Yixuan. Nangong people really want to be beautiful, such things can be imagined. "Regret having followed Zhao Liya back?"

Tang Yixuan did not answer, just lowered his head.

Huo Dongyang knows that Tang Yixuan's heart is not good, so there is no too much blame. "Little Joe fainted when he saw the news that you were going to get married. Now in the hospital! "

This news, let Tang Yixuan's heart to pick up. "How is little Joe now?" *noVeltusB.com*

"She's pregnant." Huo Dongyang looks at Tang Yixuan and says.

This heavy news let Tang Yixuan for a long time no response, his mind is constantly repeating Huo Dongyang's words. Little Joe is pregnant! So he's going to be a father soon!

After a while, Tang Yixuan began to ask Huo Dongyang, "uncle, is this true?"

"Really!" Huo Dongyang nods. "It's just that you're in some trouble now!"

Tang Yixuan a stiff, Huo Dongyang's meaning he understood, is that he let Xia Yunqiao sad, want to return to her side is not an easy thing.

hospital.

Qin Zichen just went to the door of the ward and saw Tang Yixuan. He still came back. It seems that I came back in a hurry, otherwise I would not come to the hospital so late.

"Where's Little Joe?" Tang Yixuan wants to go in, but is blocked by Qin Zichen.

Tang Yixuan glared at Qin Zichen, "what do you mean now?"

"Little Joe doesn't need you. You can go." Qin Zichen said coldly. When Xia Yunqiao needed him most, where was Tang Yixuan? He even announced his marriage to other women in order to climb the branch. These things are unforgivable in Qin Zichen's eyes!

Thinking of this, Qin Zichen's fire rubbed out for a moment, or for the sake of Xia Yunqiao, it would be estimated that he had already started. "Tang Yixuan, you go! Little Joe doesn't want to see you

Tang Yixuan looked at the time, and now it's less than five minutes away from the month he and Xiang Yuqing have set. So he would like to see Xia Yunqiao very much. He must explain it to Xia Yunqiao.

"I'm Joe's husband!" Tang Yixuan said strongly.

"Not soon!" Qin Zichen said sarcastically.

Tang Yixuan was stunned, "what do you mean by that?"

"Don't you understand? Little Joe said he would divorce you Qin Zichen replied. "I think you should get the divorce papers tomorrow!"

Hearing this, Tang Yixuan is angry. He glared at Qin Zichen, "what role are you playing in it?! I'll tell you again, I won't divorce Joe! So you don't want to be with Joe

Qin Zichen sneered. "Well, it depends on how little Joe decides. Tang Yixuan, you and Xiao Qiao are really not suitable. Now that you are going to marry the princess, what are you doing back here? If you really love little Joe, you won't let her wait so long! For a month, do you think you can just call once in a while? "

Tang Yixuan knows that he is in the wrong. He really makes Xia Yunqiao sad. These are his faults. Can want him and Xia Yunqiao divorce, this is absolutely impossible! He worked hard for so long, all for the future of him and Xia Yunqiao.

Qin Zichen saw Tang Yixuan did not speak, he also stood there waiting for Tang Yixuan. The more he arrived at this time, the more he wanted to hold Xia Yunqiao.

In the confrontation between the two, the door of the ward suddenly opened.

"Little Joe!"

Seeing Xia Yunqiao appear, Tang Yixuan and Qin Zichen call at the same time. Different is the expression of two people, Tang Yixuan's face with surprise, and Qin Zichen's face with anger. Every time there is a problem at such a critical time.

Xia Yunqiao took a look at Tang Yixuan, and her eyes gradually changed from surprise to disappointment. "Why did you come?"

So strange tone, let Tang Yixuan heart a tight. "Little Joe, I'm back!"

"Come back for what?" Xia Yunqiao looks at Tang Yixuan and asks. "You and the princess are going to get married. How can you come back when you have time?"

Tang Yixuan was stunned. "Joe, you have to believe me! I said I would only marry you in my life. "

"Is it? The prince said that, and the princess would have no problem? " Xia Yunqiao asked coldly.

Tang Yixuan in the face of such a Xia Yunqiao, there is no way. He knew that this time he really hurt Xia Yunqiao. "Little Joe, even if you really want to sentence me to death, you should give me a chance to explain!"

Xia Yunqiao shakes his head. "I don't think it's necessary. At the beginning, we agreed that if you can't come back within the specified time. Then we are divorced! So it's no use saying anything now! You and I can't go back! "

Tang Yixuan heard Xia Yunqiao's words and felt hurt in his heart. "Joe, in the last second, I have kept my promise and come back! And I saw you, too

Xia Yunqiao was stunned and didn't quite understand the meaning of Tang Yixuan's words. "What do you mean?"

"You said I'd wait for me for a month, and now I'm back in accordance with my appointment." Tang Yixuan really has no way, so even if he is a rogue, he will do so.

Xia Yunqiao frowned. "It's so clear every minute! But in my opinion, the time has passed! "

"Joe, you're not giving me a chance."

"Yes Xia Yunqiao and Tang Yixuan fight for the first time, with excitement on his face. "That's what I am! It's good for you to come back. Then we'll make an appointment to get the divorce certificate tomorrow, and we'll be all right in the future. "

Tang Yixuan also want to speak, Xia Yunqiao forced the door of the room closed, refused to do any communication with Tang Yixuan.

"Little Joe!" Tang Yixuan patted the door, "you open the door, I have something to say to you."

Qin Zichen sees this, he comes forward and pulls Tang Yixuan, "Tang Yixuan, since Xiao Qiao has made it clear, please leave! If there's anything else, we'll talk about it tomorrow when we make an appointment for divorce! "

Tang Yixuan pushed Qin Zichen aside. "You don't have to deal with me and Xiao Qiao!"

"Tang Yixuan, accept the reality! Once Joe has made a decision, he will not turn back easily Qin Zichen continued to warn Tang Yixuan, let him know to retreat in the face of difficulties! Tang Yixuan is calm. "I believe in a reunion!"

"No way!" Qin Zichen replied.

"As long as you don't get in the way, I think it's possible!" Tang Yixuan retorted. "Little Joe is still pregnant with my baby!"

Qin Zichen said, Tang Yixuan said a reason he couldn't refute, that is, the child in Xiao Qiao's stomach was his. No one can refute this fact.

Seeing Qin Zichen not talking, Tang Yixuan said to Xia Yunqiao in the room: "Xiao Qiao, I know you are angry with me. I really hurt you this time! Anyway, I want you to give me a chance to explain

Xia Yunqiao did not respond, Tang Yixuan can only bear. This time it's his fault, so Xia Yunqiao is understandable! Tang Yixuan is standing in front of the ward like this, he can't leave easily now!

Xia Yunqiao in the room quietly in tears, she curled up in the hospital bed, heart is very chaotic. I don't know what to do! Just now when I woke up, I heard Tang Yixuan's voice. She even thought it was her own auditory hallucination. But when I heard his voice clearly, I was excited. He's really back!

When she wants to rush out, she hears Qin Zichen's words to Tang Yixuan. She immediately stopped her own pace, how can she forget an important thing, that is, Tang Yixuan is about to marry the princess of F country, she is about to become the prince of F country.

Thinking of this, she felt her heart hurt so much! He wants to marry another woman, so what should he do? What about their children? Later, I heard Tang Yixuan and Qin Zichen's tone both heavy, worried that they would fight, so she opened the door.

To tell you the truth, she wants to see Tang Yixuan! Xia Yunqiao buried her head on her knee. She must admit that she can't let Tang Yixuan go.

[Chapter 597](#)

After a while, heard the footsteps outside the ward, Xia Yunqiao slowly raised his head, did he go after all?

Think of here, Xia Yunqiao's heart is again tight, in fact, he really does not need to be like this, Xia Yunqiao feel that these are self seeking. Is it really going to be nice to leave here? Some things can't be forgotten at all.

Xia Yunqiao tears, heart is more uncomfortable. Or really cry tired, Xia Yunqiao fell asleep.

After a while, the door of the ward was opened.

In the heart of Xia Yixuan, I can't see Tang Yixuan's tears. Reach out to gently wipe Xia Yunqiao's tears, Tang Yixuan sits down on one side. This time he is really wrong, no matter what the cost, he will return to Xia Yunqiao.

Because he had been on the plane for several hours, he was really tired. Tang Yixuan fell asleep on the edge of the hospital bed.

The next morning.

Xia yueqian came to the ward with breakfast. Seeing what happened in front of him, he stopped. How can Tang Yixuan be here? When did he come back? And what is the reason why he came back this time?

Xia yueqian doesn't want to make more guesses. He goes to wake Tang Yixuan directly.

Tang Yixuan raised his head to see Xia yueqian's angry eyes, and immediately got up. "Dad

Xia yueqian has a cold face. "Father, take it back! Our family is not up to the prince of F now. "

Hearing Xia yueqian's tone with anger and ridicule, Tang Yixuan immediately explained. "Dad, it's not like that! Of course you'd like to hear my explanation. "

"The news has been broadcast for a few days, is there still a fake?" Xia yueqian retorted, "what do you mean by coming back now?"

"Dad, of course I'm back with little Joe. I won't go this time!"

"Well, your promise is worthless. Do you know how long Joe has been waiting for you? But what did her pay and forbearance bring? Get out of here now. You're not welcome here! Your current identity is not suitable to appear here

Xia yueqian's tone is very strong, even think Tang Yixuan can't be forgiven! How dare to bully his daughter like this, he said will not agree! "Can't understand people? I'll do it! "

"Dad..."

"Go away!"

Xia yueqian's voice is very loud, so Xia Yunqiao wakes up. Hearing Xia yueqian's words to Tang Yixuan, she reached out and took Xia yueqian's hand. "Dad

Hearing his daughter's voice, Xia yueqian asked nervously. "Awake? Do you feel any discomfort? "

Xia Yunqiao shakes his head. "I'm fine, but I'm a little tired." Finish saying, Xia Yunqiao looked at Tang Yixuan one eye, "you go! I need a quiet environment. "

Tang Yixuan heartache, do not want to go, but think of Xia Yunqiao pregnant, so he can not stimulate her. "Joe, I can go. But one thing I want to tell you is that I won't divorce you

In Xia Yunqiao has not answered, Tang Yixuan immediately went out. But seeing his firm back, Xia Yunqiao blurred his eyes again. Why do you want to do this? Come back when you make up your mind. What is this!

Xia yueqian saw such a fragile daughter, some do not adapt. He reached for Xia Yunqiao and handed the paper towel. "Little Joe, everything will be OK!"

"Dad, I can't put it down at all." Xia Yunqiao tells the truth. If you can really say like that, forget to forget, then she and Tang Yixuan's feelings are not sincere at all.

Afternoon.

Qin Zichen came with Xia Yunqiao's passport and ticket. Xia Yunqiao saw Qin Zichen put these things on the table. He didn't expect that he would finish it so soon.

"Brother Zichen, how fast you are Xia Yunqiao did not know why he wanted to say such a sentence.

Qin Zichen sits down and sees Xia Yunqiao's reaction. He knows Xia Yunqiao wants to change his mind. Although I don't want to admit this, it is an irrefutable fact. Tang Yixuan is back, Xia Yunqiao's mood will also change.

Xia Yunqiao quietly looked at the ticket and passport on the table. Is it really good to leave like this?

"Xiao Qiao, do you need me to ask a lawyer to talk to Tang Yixuan about the divorce?" Qin Zichen directly asked, after all, at this time, he wanted to force Xia Yunqiao to make this decision.

Xia Yunqiao raised her head and saw a different Qin Zichen. After a while, Xia Yunqiao's heart was tight. Suddenly realized that Qin Zichen's feelings for himself.

Xia Yun Qiao horse staggered his eyes, she did not dare to continue and Qin Zichen. "Brother Zichen, I'm tired and want to sleep. Go back first

Qin Zichen is not a fool, of course found Xia Yunqiao that dodgy eyes. But at this moment, his heart is very calm. She found her secret after all, and it was time to uncover it.

Qin Zichen stretched out his hand to pull the hand of Xia Yunqiao, but he was soon dodged by her. Qin Zichen's mouth with self mockery. "Joe, your reaction is too blunt. If we go on like this, our relationship will change. "Xia Yunqiao did not go to see Qin Zichen. She said, "brother Zichen, you are my brother." She had no other ideas.

"But I didn't think of you as my sister since I was a child." Qin Zichen confessed. "In fact, you are slow enough to find out until now!"

"Brother Zichen, I only have Tang Yixuan in my heart!" Xia Yunqiao directly rejected Qin Zichen. "You should go to someone better!"

Qin Zichen smiles. "Then tell me, where are the better people?"

Xia Yunqiao heard this sentence, immediately looked at Qin Zichen, "Qiqi likes you, and likes you for a long time!"

This news makes Qin Zichen's smile froze. Maiziqi likes herself?! But over the years, why didn't he find out. Silence for a while, Qin Zichen suddenly found someone as stupid as himself.

"Brother Zichen, although Tang Yixuan and I are going to divorce, we can't be together. I always think of you as my brother

"I know!" Qin Zichen nodded. "So I don't want too much, I just want you to be happy!"

Xia Yunqiao was relieved when he heard Qin Zichen's words. Or he thought too much, Qin Zichen didn't mean that at all. He should have worked hard these years! "Brother Zichen, thank you!"

Qin Zichen reached out to the ticket and passport on the table. "Think it over and tell me the result!"

"Well!" Xia Yunqiao nodded.

Qin Zichen stood up, now all over the body become relaxed, finally do not need to hide and hide like this, on the contrary, let himself relaxed, the burden in the heart also disappeared.

As soon as Qin Zichen came to the door, he saw Li Mengyao.

"Are you?" I think she's a little familiar.

"Is Xia Yunqiao in, please?"

[Chapter 598](#)

Li Mengyao nods to Qin Zichen and then shows a smile.

"I'm Li Mengyao. I'm from F country."

In the face of Li Mengyao's sudden appearance, both Qin Zichen and Xia Yunqiao are shocked. In addition, they were surprised to hear her self introduction. In fact, before in the news, they have seen the photo of Li Mengyao, but the real person and the photo are really some different.

Xia Yunqiao looks at Li Mengyao standing at the door. How can she come to the hospital? No, I should ask her how she came to a city. Tang Yixuan came back, she also came, so only one point can be explained, that is, they came back together!

Did they come back together to tell themselves that they were going to get married! Besides this, Xia Yunqiao can't think of any other reason.

Qin Zichen frowned. Of course, he and Xia Yunqiao had the same idea. Li Mengyao's sudden appearance is by no means accidental. She must have followed Tang Yixuan back. "What's your advice, Princess Royal?"

Seeing a serious face of Qin Zichen, Li Mengyao said with a smile. "You don't have to be so serious, and you're not in public right now. You don't have to call me princess. Just call me by my name."

"It's not good. What should be called respectfully should be called. " Qin Zichen replied, indicating that he was keeping a distance from Li Mengyao.

Li Mengyao shrugs, a casual his meaning. Then she looked at Xia Yunqiao, "are you Xia Yunqiao? Can I have a word with you alone

Qin Zichen immediately blocks in front of Li Mengyao, for fear that Li Mengyao will do harm to Xia Yunqiao. "Your Highness, Little Joe, you're not feeling well."

Li Mengyao nods. "I know that. Last night I heard from Huo Dong that Xia Yunqiao was pregnant."

Xia Yunqiao always felt that something was wrong. "Has your highness met your uncle?"

"Well! I stayed at home last night Li Mengyao replied. "Huo Dong and Mrs. Huo are very kind to me."

Xia Yunqiao and Qin Zichen look at each other, always feel like they are missing something. What the hell is going on here? Things seem to be different from what they think!

Li Mengyao saw two people's doubts, "Xia Yunqiao, do you really don't want to talk to me?"

Xia Yunqiao knows that Li Mengyao must be ready to come here. If you don't talk to her today, it's not like being stingy. "Yes, please sit down."

Qin Zichen closed the door of the ward and hesitated for a while before he left. He knew that Li Mengyao and Xia Yunqiao could not do without Tang Yixuan. As for the result, it was no longer important for him.

Qin Zichen went to the door of the hospital and met maiziqi. He couldn't help but think of Xia Yunqiao's words. So when he saw Maggie, he wanted to avoid it.

"Brother Zichen, are you going back?" Maggie said hello first.

"Well!" Qin Zichen's expression is not natural.

Of course, maiziqi noticed Qin Zichen's attitude towards herself, but she thought that Qin Zichen should have run into a wall in Xia Yunqiao, so she was in a bad mood! "Brother Zichen, what's the matter with you?"

Seeing the sudden approach of maiziqi, Qin Zichen stepped back and immediately opened the distance between them. "I'm fine!"

Maiziqi saw Qin Zichen's evasion, and felt uncomfortable! Qin Zichen is on guard against himself. What's wrong with him? Thinking of this, she didn't want to make Qin Zichen uncomfortable, so she took a step back.

"I'm going to see little Joe."

Seeing maiziqi going away, Qin Zichen reached for her arm and said, "Xiao Qiao is meeting guests!"

Maiziqi looks at Qin Zichen holding his hand. She blinks a little. What's the matter?! "Brother Zichen, you are a little strange today!"

"No, don't think about it." With that, Qin Zichen let go of maiziqi's arm. "I'm going ahead of time."

Maiziqi looks at Qin Zichen's back and thinks what's wrong with him today? Is Xia Yunqiao unwilling to go with him? In the morning, she passed Huo Dongyang's villa and just heard what Huo Dongyang and Qiao Wei said. From their conversation, she learned that Tang Yixuan was back, and that the princess of F country was coming back together.

Because of this worry, Maggie rushed to the hospital. With a sigh, Maggie turned. It seems that their plan to advance, Xia Yunqiao is pregnant now, the work of things will certainly reduce. Originally worried that Xia Yunqiao would not accept Tang Yixuan, but now Tang Yixuan comes back, then they still have a chance!

In this case, I should go! It's time to leave city A.

Maggie came to Xia Yunqiao's ward, but saw Xia Yunqiao alone in a daze. Didn't Qin Zichen say someone came?

"Little Joe!"

Hearing the sound, Xia Yunqiao raised his head. "Kiki?"

Maiziqi walks to Xia Yunqiao's side and sees her lost soul. She holds Xia Yunqiao's hand. "What's wrong with you? Do you want to call a doctor

"I'm fine." Xia Yunqiao shakes his head.

"Who came just now."

Xia Yunqiao will also calm down. "Princess of country f, Li Mengyao!"

Maggie excited, she immediately check Xia Yunqiao. "Are you really OK? What is she doing here? To stimulate you? ""No, no! She just came to tell me something Xia Yunqiao replied.

Maiziqi frowned, "what happened to Tang Yixuan? I know they come back together! Today, when I passed the Huo family, I heard what Huo Dong and his wife said

Xia Yunqiao nodded, "yes, they come back together! Tang Yixuan came last night, but I didn't see him! "

Maggie sat down again. "What are you going to do, Little Joe?" Yu Guang swept to the table with his ticket and passport, "do you still want to go?"

Xia Yunqiao's eyes also fell on the table, his eyes were not hesitating, "don't go. Escape won't solve the problem, so I'll stay! "

Maggie laughed after listening. "Joe, I support you! I don't think Tang Yixuan is such an ungrateful person. "

"How can you be so sure?" Xia Yunqiao's mood is much better, with some smiles on his face.

"For the sake of him waiting for you for twenty years!" Maggie replied. "Little Joe, there are not many men who can do it in the world, so cherish it! Although he is such a jerk that you have to wait for a month, but you think that this month is really much worse than 20 years! Or you should give him a chance to explain! "

Maiziqi's words made Xia Yunqiao suddenly cheerful. Yes, how could she forget it! Tang Yixuan has been waiting for himself for 20 years, but he has been waiting for a month. What kind of heart has Tang Yixuan been waiting for in the past 20 years?

Seeing Xia Yunqiao's eyes, Maggie's face also showed a smile. "Little Joe, don't wait for the loss to regret! It's not easy for a husband and wife to come, so you should know how to cherish it! "

"I know how to do it!"

"That's how I know little Joe! Full of spirit, full of fighting spirit Maggie said with a smile. In this way, you can also go at ease if you want to go.

Jiangwan villa.

After Li Mengyao came back, she saw Tang Yixuan in a daze in the yard. She went over and wanted to tell him that she had met Xia Yunqiao in the hospital today. But as soon as she approached, she heard Tang Yixuan sighing.

Li Mengyao doesn't like men. She sighs when they're OK. She thinks men shouldn't be like this. "You want to give up when you encounter such a little thing?"

Tang Yixuan turns back and sees Li Mengyao. He turns his head back and doesn't want to respond to Li Mengyao. He is now in a bad mood, think of Xia Yunqiao, he is very sad.

Li Mengyao sat down beside Tang Yixuan. This matter has something to do with herself, so she said something. "I don't think Tang Yixuan used to be like this! Encounter a little setback certainly won't flinch! Now that we have been waiting for 20 years, why not insist on it once more? "

Tang Yixuan's eyes are somewhat empty, "some things are not useful if you insist on them. This time I let little Joe completely sad, she was disappointed with me

Li Mengyao stretched out her finger, looked at it leisurely, and said casually, "actually, I just came back from the hospital."

Hearing that Li Mengyao came back from the hospital, Tang Yixuan finally had a reaction. "Did you go to the hospital?"

"Well!" Li Mengyao nodded, "and I also met Xia Yunqiao!"

Tang Yixuan immediately got excited, "how can you stimulate Xiao Qiao at this time? Is she OK?"

Li Mengyao saw Tang Yixuan's anxious look. Her eyes were calm and she could not see any emotion. "If you are nervous, you should not groan here, or your wife will be taken away!"

Tang Yixuan's face sank, "what do you mean by that?"

"Don't understand?"

"Is that Qin Zichen your rival in love?" Li Mengyao thinks that sometimes men are more stupid than women. Because they are more worried about their face.

Tang Yixuan did not answer, of course, but also refused to answer this question. But his heart secretly become very nervous, if Xia Yunqiao really follow Qin Zichen, then it represents that he really ignored?

Li Mengyao continued: "when I went there, I saw the ticket and passport to America on the table!"

"What!" Tang Yixuan was stunned. Does Xia Yunqiao really not give himself a chance to explain? So she's going to America with Qin Zichen?

See Tang Yixuan that helpless expression, Li Mengyao a smile. Men are the same. They can't stand the stimulation. Women are much better at resisting stress. "Tang Yixuan, I have said so much. Why are you still here. If you don't pursue it, you'll only regret it! "

Tang Yixuan ran away after being reminded by Li Mengyao. He wants to use the fastest time to get to the hospital, he doesn't want Xia Yunqiao to leave with Qin Zichen! Now he is still Xia Yunqiao's husband, and he certainly has the right to let his wife stay.

Tang Yixuan left less than a minute, Li Mengyao ready to go back to her room to rest, after all, she got up early this morning, and now she needs to catch up on sleep! Just turning around, Li Mengyao saw Huo yunxun. With a bright eye, Li Mengyao immediately went to Huo yunxun. "Steven, when did you stand here?"

In the face of Li Mengyao's enthusiasm, Huo yunxun is obviously not adapted. "Return to your highness, I have been here for a while."

Li Mengyao was dissatisfied with Huo yunxun's estrangement. "You can call me by my name, or by my English name, Michelle!"

"Your Highness, it's against the rules!"

"There are so many rules. I say it's OK." Li Mengyao's voice rose immediately. She doesn't want to be friends with Huo yunxun. Now that she was face to face with him, Li Mengyao immediately seized the opportunity to ask, "Huo yunxun, do you have a girlfriend? Or do you have a marriage partner

Li Mengyao's directness and frankness made Huo yunxun irresistible, "Your Highness, why do you want to ask this?"

"Of course! It's important to me! " Li Mengyao replied. "Otherwise, I will not follow Tang Yixuan to a city."

Huo yunxun did not speak, but he was clear that Li Mengyao seemed to have expectations for himself.

Seeing that Huo yunxun did not respond, Li Mengyao reached for Huo yunxun's hand. "Huo yunxun, if you don't have a marriage partner, then I'll chase you!"

"Thank you for your love. I have no intention of looking for someone! "

Li Mengyao is happy for a moment. Huo yunxun's words have actually given him a reply. She clenched Huo yunxun's hand. "I don't know how girls in a city express their feelings, and I, Li Mengyao, don't like muddling around! Huo yunxun, I like you! If you have no marriage partner, then you can consider me! "

A burst of applause interrupted Huo yunxun's answer. Huo yunxun clapped his hands and walked in front of them. She first looked at Li Mengyao and admired the courage of the princess of F country. For the first time, a woman dares to confess in front of her elder brother.

If this scene had not been met by herself, she would not have believed that such a day would have come. Huo yunxun has a good impression on Li Mengyao. The princess looks good, not to mention the identity, straightforward personality, dare to do when! And big brother such Muggles together, personality is very complementary!"Are you?"

Huo yunxun said with a smile: "I am Huo yunxun! I heard that your highness lived in my house. I came back specially. I didn't expect such a situation

"Little warm, don't make a mess!" Huo yunxun knows that Huo yunxun is also an uncontrolled person.

"Big brother, I didn't make a mess of it!" Huo yunxun didn't know how cool it was. If there was such a sister-in-law, the days ahead would be wonderful.

Huo yunxun broke his hand and said, "Your Highness, I'll excuse you!"

"Huo yunxun, I don't care, as long as you are not married, I will have a chance!" Li Mengyao doesn't want to give up. Since a few years ago, he reached out a helping hand to help himself out of the encirclement, which is doomed to today's fate.

Huo yunxun turned around and left without even leaving such a sentence. But these are handsome in Li Mengyao's eyes! That's how men are!

Huo Yun's warm eyes turned and then said a word. "Princess highness, my elder brother is like this, you don't mind!"

"I don't mind! I like him like that! "

Huo Yun warm listen, can not help but feel that the princess's heart is really big! But also have to admit, her elder brother does have such capital! Thinking of playing a trick on Li Mengyao, Huo yunnuan became serious, "princess, in fact, I have always loved a woman in my big brother's heart! It's hard for you to chase him! "

Li Mengyao's face suddenly collapsed. "Really? Who the hell is that woman? Is it beautiful? Does she match Huo yunxun? "

"Well! It's good, it's beautiful, and it's very capable! " Huo yunnuan said solemnly. Of course, this woman is also her favorite!

[Chapter 600](#)

Huo yunnuan's words can be said to be a great blow to Li Mengyao. Unexpectedly, in Huo yunxun's heart, there has already been a deep love woman.

"Is that woman so good? In that case, why don't they get married? " Li Mengyao didn't understand. She could tell that this woman had deep feelings in Huo yunxun's heart. It seems that if you want to rob her, the odds are not good.

Huo yunnuan, seeing Li Mengyao's lost expression, really wants to laugh, but he has to hold back, otherwise he will break the mark. "They can't get married, because that one already has an owner." That's her father's favorite. If anyone wants to rob it, he will be responsible for the consequences.

Li Mengyao's eyes suddenly widened, "so you mean Huo yunxun likes that woman and has other men?"

"Well!" Huo yunnuan nods. "That man is excellent, too!"

Li Mengyao is completely surrounded by Huo yunnuan. Hearing such news, she is not good. How could Huo yunxun be such a person, so he would never marry for the sake of this woman? The God in her heart is such a person.

Huo Yun smiled and said, "Your Highness, if there is nothing to do, I will go first."

"Wait a minute!" Li Mengyao calls Huo yunnuan. "Can you tell me where that woman is now?"

Huo yunnuan can't help but feel bad when he sees Li Mengyao's appearance of looking for a theory. I seem to fan up the fire. If my father knows this, I will lose my life. You know, daddy can't accept jokes at all, especially if the jokes have something to do with his women.

"This..."

Li Mengyao saw Huo yunnuan hesitated, and wanted to know who this woman was? She must see this woman!

"What's the matter? You don't know? "

Hearing Li Mengyao's question again, Huo yunnuan felt that he was in trouble. "To know is to know, but I dare not make trouble."

"You mean the man behind that woman is very strong?"

Huo yunnuan nods. "Yes, it's really good!"

"I'm a princess. Do you think I'm afraid?"

Huo Yun warm ventriloquism. "Of course you won't be afraid, but I am!"

Seeing Huo yunnuan's tangled appearance, Li Mengyao wants to know what is sacred about Huo yunxun's deep love for this woman. Now that there is a man, why do you still have a relationship with Huo yunxun?

At this time, Qiao Wei called huoyun warm and Li Mengyao to have lunch.

"Little warm, princess, you can eat."

Huo yunnuan's face turned white, and her dear mother would really choose the time to appear. Huo yunnuan slowly turned back, "Mom!"

Seeing that Huo yunnuan wants to leave, Li Mengyao immediately grabs Huo yunnuan and says, "Miss Huo, you haven't told me who that woman is? I don't like it when you say it half way! "

Huo yunnuan's face was embarrassed, "this..."

Qiao Wei looked at Huo yunnuan and knew that she had done some bad things. "Xiaonuan, are you kidding people again?"

"No, mom!" Huo yunnuan immediately denied. "I dare not speak in front of the princess."

Qiao Wei is Huo yunnuan's mother and knows her daughter. Seeing her daughter's unnatural appearance, she knew what she had just done, otherwise she would not feel guilty. Others do not know Huo yunnuan, she is clear, know female Mo ruo mother! She is really worried that her daughter will not get married in the future.

Knowing that she couldn't ask anything in Huo yunnuan, Li Mengyao turned to Qiao Wei and asked, "Madam Huo, I want to ask you a question!"

"What does the princess want to know?" Said Joe, smiling.

"Is there a woman in Huo yunxun's heart who has loved for many years?" Li Mengyao has a straight heart. He has to ask everything clearly. Otherwise, she would feel uncomfortable.

When Qiao Wei heard Li Mengyao's question, her smile deepened. She looked at Huo yunnuan, who was standing beside her nervously. In an instant, I understood what my daughter said to Li Mengyao.

"Did the princess want to know more about my son, or did she say..."

For this reason, Qiao Wei thinks that he should ask clearly, otherwise the next thing will be difficult to handle. In fact, to her surprise, Li Mengyao likes her son. That kind of strong feeling, Li Mengyao has not covered up half of the point.

Li Mengyao was asked by Qiao Wei, with a rare shyness on her face. But she didn't mince it. Instead, she said it generously. "Madam Huo, I like Huo yunxun! I came to city a this time for him

"You knew Xiaoxun before?" Asked Jovi.

"Yes Li Mengyao nods. "But he doesn't remember me."

Joe figured out exactly what was going on. "So it is."

"Madam, if you know who the woman Huo yunxun loves in his heart, please tell me! I want to see what the woman Huo yunxun has always loved? "

Huo yunnuan worried about the seriousness of the situation, she immediately interrupted. "Princess, I don't think it's necessary! They can't do it anyway! ""But in this way, Huo yunxun will never come out."

Qiao Wei looked at Huo yunnuan and shook his head. If you can say that, you almost had an accident. Qiao Wei looks at Huo Yun warm and lowers his head, a pair of attitude of admitting mistakes. She didn't pursue it too much. "Little warm, you should explain this to the princess clearly. Then come in and eat! "

"Oh Huo Yun answered in a warm, low voice.

After Qiao Wei left, Huo yunnuan immediately apologized to Li Mengyao. "Your Highness, I made a joke with you just now. I'm sorry

Li Mengyao didn't blame Huo Yun for being warm. Instead, she was in a relaxed mood. "So there is no such woman! So Huo yunxun is still single now! "

"It's true to be single. But this woman also exists. " Huo yunnuan continued.

"What do you mean?" Li Mengyao's face sank.

Huo yunnuan looked at Li Mengyao, "in fact, you have seen that woman just now."

Li Mengyao is stunned. Then he recalls what Huo yunnuan said. What he saw just now, combined with the previous information, Li Mengyao analyzed it. Isn't Qiao Wei?!

"Your mother?"

Huo yunnuan gave a dry smile, "yes!"

Li Mengyao frowns. It seems that the direction that he needs to work hard at present is to take Qiao Wei down first. Then there should be no big problem later.

Huo yunnuan takes Li Mengyao into the living room and sees Qiao Wei serving dishes. She goes over immediately. "Madame, let me do this!"

Qiao Wei saw the plate in his hand and Li Mengyao took it away. She was confused. After seeing Li Mengyao put the dishes down, she quickly said, "princess, you don't need to do that, you're a guest!"

Li Mengyao said with a smile to Qiao Wei: "madam, you don't take me as a guest, just treat me as my own."
