Chapter 102 Luo Yanqing: I Will Return

Pondering to herself, but a moment later, Kang Li pulled her thoughts back and heard Xiao Ming Wei saying, “Mom, Dad looks so good!”

“Yes, Dad is very handsome.”

Kang Li nodded, took the photo from Xiao Ming Wei’s hands, and passed it to Xiao Ming Han.

After Xiao Ming Han had a look, she handed it to Xiao Ming Rui, “Ruirui, you take a look as well.”

Hesitating for a brief moment, Xiao Ming Rui took the photograph, pursed his lips as he gazed at it for a while, then handed it back to Kang Li.

“You’ve all seen Dad’s picture, now lie down properly, and Mom will tell you a story...”

Sitting on the chair nearby, Kang Li’s gentle and soothing voice slowly began to fill the room.

Listening to her story, it wasn’t long before the three little ones entered their dreams.

Seeing this, Kang Li’s voice stopped. She stood up, switched on the small desk lamp, and before she left the room, she also pulled the light string down, dimming the room’s light in an instant.

...

In an office at the research institute where Luo Yanqing was, Elder Song's expression was grim as he stared at the young man before him and said, "You must go back home first thing tomorrow morning. I've already called Auntie Qi to pass the message to Comrade Xiao Kang, telling her you will be coming home early tomorrow. Did you hear me clearly?"

I've arranged the car for you. The leave is for one month. Spend quality time with Xiao Kang at home and also with the children. Don't turn your home into something akin to a hotel,

Doing that not only hurts Xiao Kang but also harms your own children. Speaking of which, your previous marriage..."

The words were not yet finished when the young man, Luo Yanqing, interrupted Elder Song, "I will go back." Although he said so, his eyes betrayed no emotion, as if the home Elder Song mentioned had nothing to do with him.

"That's good to hear."

Elder Song nodded in relief and continued, "I will say it again, Comrade Kang is a good comrade. When you meet her, you will definitely be satisfied with the life partner the organization has arranged for you."

As for Kang Li's personal files and other household details, they were thoroughly investigated clear as day when Director Wu proposed to Team Leader Kang to arrange a match for the original Kang Li, and the information was passed on to Elder Song.

The next day.

Around seven in the morning, Kang Li and Xiao Ming Rui finished breakfast, tidied up the house, and then, with a vegetable basket in hand, took the three little cubs out the door.

"Mommy, can't Vivi and big brother and second brother really not come along?"

Xiao Ming Wei looked up at Kang Li as she locked the gate, her large, grape-like eyes filled with anticipation.

"No, they can't!"

After locking the gate, Kang Li met the little girl's gaze, her eyes soft and gentle: "Mommy is going to buy vegetables. It's not convenient to bring you along. Be good and play with Grandma Qi and Brother Xuan Xuan at her place, and wait for Mommy to come back and pick you up."

"I'll be very good. Please take Vivi along!"

Xiao Ming Wei tugged gently at Kang Li's skirt, her eyes blinking coquettishly as she pleaded.

“Be obedient.”

Kang Li pinched the little girl’s nose affectionately with a doting look in her eyes.

“But Vivi wants to go!”

Xiao Ming Wei continued to whine.

“Mommy, Hanhan also wants to go with you to buy veggies!”

Xiao Ming Han joined in on the fuss.

“Not today, wait till your father is home, then our whole family can go together.”

The vegetable supply point wasn’t very far from the compound, but it was still a good distance of over one stop, and it was the busiest time of day. She couldn’t guarantee she would be able to keep an eye on all three little ones.

After all, she had to buy vegetables, and it was very likely she would have to queue.

Among the three little ones, Ruirui was steady and well-behaved, unlikely to run around, but with the twins, it was not so certain, especially the little girl who was more impulsive than her brother Hanhan of the same age.
