Chapter 42 Kang Li Feels a Bit Uneasy

Mrs. Qi said this and introduced the three siblings to Kang Li and the others, "This is Comrade Luo's eldest son, his name is Ming Rui; these two are twins, one is called Ming Han, the other is Ming Wei. Ruirui is five years old this year, Hanhan and Vivi are two and a half years old."

"Hello, Ruirui, Hanhan, Vivi."

Kang Li knelt on one knee and greeted the three children, then she smiled with her eyes, gently rubbed the tops of their heads, stood up, and introduced Captain Kang and the other two to Mrs. Qi and Comrade He Feng, "Comrade Qi, Comrade He, this is my father, and these two are my big and little brothers."

"Hello Comrade Kang, and hello to the two young comrades."

Mrs. Qi released the hands of the twins and shook hands with Captain Kang, Big Brother Kang, and Kang Guoan respectively.

Comrade He Feng also shook hands with Captain Kang and the others.

"Welcome to North City. Shall we? We can talk more back at the courtyard."

As Mrs. Qi spoke, she was about to take the twins' hands again, when, unexpectedly, they stood motionless. They looked up at Kang Li, and then the little Milk Bun, Ming Wei, raised her milky voice:

“Mama, are you Vivi’s mama? Mama, you’re so pretty, just like a fairy in the sky. Vivi likes mama, does mama like Vivi?”

Kang Li knew she was coming to North City to have three stepchildren and that she would become their stepmother, but still felt a little awkward when suddenly called “mama” by the little Milk Bun in that instant.

However, her strikingly beautiful face revealed no sign of discomfort; instead, her smile remained as she bent down to nod at the Milk Bun, “Yes, I am mama, and mama likes Vivi too!”

“Mama, I’m Hanhan, your most well-behaved and smartest Hanhan~”

Seeing his mom talking with his sister, Xiao Ming Han immediately grinned and made sure to get his face in front of his mom to get noticed.

“Good! Mama knows you’re little Hanhan!”

Kang Li gently pinched the little Milk Bun’s cheek, intending to stand up straight, but then Xiao Ming Wei tugged at her pant leg. “Mama, Vivi wants mama to pinch her too.”

She offered her clean, little face willingly.

Kang Li's eyes sparkled, and she directly picked up the little girl, not only pinching the Milk Bun's cheek but also planting a kiss on it.

Seeing his younger siblings being pinched and hugged by this woman who was to be their new mother, Ming Rui humphed softly in his heart. He didn't care for it at all!

He turned his head and moved his little hand, which was held by Song Xuan, indicating to his Brother Xuan Xuan that it was time to leave.

"Kang Li, let younger brother hold the child!"

Xiao Ming Han was lifted into He Feng's arms, and seeing Kang Li hold Xiao Ming Wei, Kang Guoan handed his luggage to Big Brother Kang to carry and then walked over to Kang Li to extend his hand.

"I'll hold her."

Mrs. Qi said at that time.

To avoid any misunderstanding, Kang Guoan hurried to explain, "Comrade Qi, my sister has always been frail, and I'm worried she won't be able to handle holding the child for too long."

“Little brother, my health has improved a lot recently, and Vivi is just a little bun, so holding her isn’t tiring for me at all.”

Smiling softly, Kang Li shook her head at her younger brother Kang Guoan.

“Little Uncle hold Vivi.”

Xiao Ming Wei was undoubtedly smart; she had already figured out her relationship with the big brother, second brother, and Captain Kang when Kang Li introduced them. And there she was, blinking her adorable big eyes and reaching out her arms to Kang Guoan, “Vivi likes Little Uncle.”

Mama is a Little Fairy and must not be tired out by her.

“Didn’t Vivi like mama just now? You wouldn’t have changed your mind already, would you?”
