Chapter 58 Da Minghan (1)

Before Kang Li could continue, Xiao Ming Wei opened her mouth wide and burst into tears, “Mommy is a liar, a mommy is a mommy, you can’t lie to Weiwei, Sister Yueyue is naughty, my mommy is not a stepmother!”

“Alright, alright, don’t cry now, Weiwei. How about you listen to what Mommy has to say?”

Kang Li gently patted the little girl’s back and softly said, “If Weiwei keeps crying, not only will it hurt your throat, but you won’t look pretty either.”

“Weiwei doesn’t want to be unpretty, Weiwei wants to be a little fairy like Mommy, hic... Weiwei won’t cry, Mommy, Weiwei won’t cry anymore... Weiwei wants to be a little fairy...”

Tears sparkled on her long eyelashes as Cute Baby Weiwei tried to stop her sobs, not letting her golden beads fall anymore.

Staring at such a little girl, Kang Li found her both heart-wrenching and incredibly endearing. She said, “Our little baby Weiwei is so good!”

“Weiwei is a good baby!”

Xiao Ming Wei sniffled and lifted her childlike voice, “Listen to Mommy’s words.”

In that instant, Kang Li grew excessively fond of the cute baby. She pulled out a light blue handkerchief from her pocket and, while wiping away the child's tears, she spoke with a smile in her voice, calmly and unhurriedly,

"That sister was not wrong earlier, I am not your birth mother, nor am I the birth mother of your big and second brothers. In other words, you were not born to me. However, I like you very much and, from today on, I will accompany you as you grow up."

She paused for a moment, then turned her gaze to Xiao Ming Rui and Xiao Ming Han before continuing, "As for your birth mother, she is now a star in the sky. And before I met you, she asked me to take good care of you all. She said that if you miss her, you can look at the stars in the night sky... She said she's watching over you from up there!"

Xiao Ming Wei was, after all, just a two-and-a-half-year-old child. She half-understood and asked with a milky voice, "Does Weiwei have two mommies?"

"..." Kang Li froze for a moment, then nodded, "Yes, our Weiwei has two mommies."

Xiao Ming Wei quietly looked at Kang Li, "Then, are you the stepmother?"

At this, Kang Li didn't know what to say. She hadn't expected the child to turn the conversation back to the beginning after her previous explanations.

Suddenly, Xiao Ming Han said with a straight face, “Weiwei! A stepmother is also a mommy!” Following this statement, Xiao Ming Han pressed his lips together tightly, silently questioning Da Minghan, who had suddenly appeared inside him half a month ago.

Yes, it was Da Minghan.

It was Da Minghan who had told him that he was indeed him, his older self.

He also said that he wouldn’t harm him but only wanted to protect him, to be by his side as he and his brother and sister grew up.

It was also Da Minghan who told him that a very beautiful mommy, just like a Fairy Girl, would come to their home and take care of him and his siblings.

Although this mommy was a bit clumsy, not very good at cooking or laundry, she was trying hard to learn how to do those things. Even though they, the three siblings, made her frantic every day, she never detested them and wholeheartedly showed them kindness.

When he first found out that Da Minghan was inside him, he was a little bit scared, but as time went by day after day, he was not afraid anymore.

Because Da Minghan did as he said, he didn’t hurt him, but instead taught him how to read and count. At other times, Da Minghan was very quiet.

“Da Minghan, Da Minghan, am I right?”

Da Minghan: “Of course, you are right.”

Xiao Ming Han: “Da Minghan, I don’t think Mommy is clumsy at all!”

Da Minghan: “Maybe it was really a mistake on my part, I’m sorry.”
