The Dominance of the Son-in-Law: My Wealthy and Beautiful Wife

Chapter 12 - 12 All Free!

In fact, Qin Feng had already informed Wei Yunxiang that the whole meal would be free of charge.

It's just that it's hard to explain to his wife.

So he pretended to go pay the bill.

At this moment, Xiao Man burst into laughter: "Wow, Yunxiao, did your husband just run away? I'm dying of laughter, haha..."

"..."

Xu Yunxiao was furious.

She knew exactly how much money Qin Feng had in his pocket, how could he possibly afford it?

What's infuriating is, he thought about running away?

How shameful is this!

At this time, Sun Xudong lit a cigarette and casually said, "Just today, Wanfu Building has changed owners, I don't know if you've heard."

"Of course, I heard that the new owner has a very mysterious background, a real big shot!"

Someone chimed in.

The big event of Wanfu Building changing owners, people in the upper circles basically got the news.

Many people asked Boss Ma who took over.

But Qin Feng didn't let him reveal it, nor did he dare to speak out, the people he feared naturally held an extraordinary status.

Thus, everyone unanimously believed that the new owner was a big shot!

"This mysterious new owner has promoted my cousin Wei Yunxiang to be the General Manager of Wanfu Building."

Sun Xudong said with a proud smile.

"What?!"

Everyone was amazed.

The name "Wei Yunxiang" was already well-known.

Although the previous owner of Wanfu Building was surnamed Ma, it became a gathering place for the elites of Lake City largely because of his secretary Wei Yunxiang!

Although Wei Yunxiang had no background or power, she was also a prominent figure in the upper circles of Lake City.

Unexpectedly.

She turned out to be Sun Xudong's cousin and moreover, has been promoted to the General Manager of Wanfu Building!

"Sun, Mr. Sun, your future is limitless!"

People couldn't help but flatter.

As his girlfriend, Xiao Man was also extremely delighted, her eyes sparkling with excitement as she leaned on him and softly said, "Honey, tonight you can have whatever you want..."

Sun Xudong took a proud puff of his cigarette, crossed his legs arrogantly, and said to Xu Yunxiao: "What I'm saying is, if you don't sign the agreement, you won't be able to leave tonight."

"..."

At that moment, Xu Yunxiao's heart turned ice cold.

Wei Yunxiang was completely beyond what she could afford to offend, even the entire Xu family wouldn't dare to offend such a person.

She was thinking previously, if there was no other way, she would beg the family, beg grandma to come and pay the bill first.

Now it seems.

With grandma's character, she would definitely not come, and might even disown her to clear the family's name!

"What to do, what should I do..."

Xu Yunxiao felt utterly helpless.

At this moment.

Qin Feng came back from outside.

Seeing this, Xiao Man laughed and said, "Wow, isn't the scaredy-cat supposed to have run away? Why did he come back? Or did he realize he couldn't escape? Hehehe..."

"What escape?"

Qin Feng asked blankly.

He didn't know that just now, everyone thought he had run away.

At this moment, Xu Yunxiao's eyes were red with rage as she glared at him, too angry to speak.

Qin Feng frowned, feeling pain and said, "Wife, I've already paid, let's go home first!"

"Paid?"

Everyone was stunned.

Right after.

Xiao Man clutched her stomach and burst into big laughter: "Did you hear that? It's hundreds of thousands, and he said he paid, hahaha, can you not be so funny..."

"I'm dying of laughter too, he really acts well, hahaha..."

"..."

Xu Yunxiao was so angry she wanted to slap him to death.

Seeing this, Qin Feng locked his brows and coldly said to Xiao Man: "Since you don't believe it, then call the manager over, see if we can leave! If not, we'll sign the agreement! But if we can leave..."

"If you can leave, then I'll acknowledge you as 'Master', cover your bed, warm it, and be your slave, how about that?"

Xiao Man excitedly said.

She had inquired beforehand, Xu Yunxiao had no money left to borrow, so they definitely couldn't leave!

"Also add one more condition, the money for this meal, you have to transfer it to my wife."

Qin Feng added.

Originally, he invited these people to a meal for his wife's sake, but since they didn't give face, why should he?

"Agreed!!"

Xiao Man immediately said.

Xu Yunxiao, upon hearing this, anxiously yelled at Qin Feng, "You, you... who allowed you to agree? Have you gone mad!"

"Honey, trust me!"

Qin Feng looked at her, his eyes serious.

At this moment, Xiao Man couldn't help but laugh joyously, saying, "I recorded what was just said, so no backing out now!"

Then.

She immediately asked the waiter to call the manager over.

Momentarily.

A manager arrived, and Xiao Man pointed at Qin Feng with a smile, saying, "Manager Gao, this gentleman here wants to have a 'Boss Meal.' What will be the consequences?"

As she spoke.

She looked towards Xu Yunxiao, feeling extremely pleased with herself.

She was about to gain shares in Xu Yunxiao's Company and become her boss.

Xu Yunxiao was utterly despairing at this moment.

She silently swore to herself.

Once home, she must divorce him!

At this time.

Manager Gao respectfully said, "It's like this, all expenses for this private room today are on the house."

"What?!"

As soon as these words came out, everyone was dumbfounded.

On the house?

How is that possible!!

Xu Yunxiao and Li Jie were also stunned at this moment, feeling like they were dreaming.

No wonder Qin Feng dared to make a bet. The full series lives on My Virtual Library Empire (*).

He must have learned about the free meal when he stepped out earlier.

"Manager Gao, what's going on?"

Xiao Man asked in a daze.

"This was personally instructed by President Wei, who mentioned there were honored guests here today, and thus all expenses are on the house,"

Manager Gao reiterated.

"..."

Xiao Man was dumbstruck, what does this mean?

If it's on the house, then Xu Yunxiao and her group could just leave directly?

She'd lose the bet!

"You've lost."

At this moment, Qin Feng smirked coldly, saying, "Well, isn't it time you started calling me 'Master'? Also, from now on, you're my slave."

"You..."

Xiao Man was so angry that her face turned red.

At this time.

Sun Xudong stepped forward, addressing Manager Gao, "Is my cousin Wei available? Could you pass on a message that she doesn't need to do me any favors, whatever the cost of the meal is, it should be paid in full."

Upon hearing this, Xiao Man immediately cuddled up to Sun Xudong's shoulder, excitedly saying, "Husband, you are the best!"

Not only excited about winning the bet.

But also thrilled that Sun Xudong actually had such pull to arrange a free meal right here!

Manager Gao silently cursed these two fools.

Considering their status, how could President Wei possibly waive the bill? Ridiculous!

Actually, Sun Xudong was also quite clueless.

Talking of which, Wei Yunxiang was just a distant cousin and they weren't very close; perhaps it was because she just took the position of a General Manager today, she was happy and thus offered the meal on the house.

At this moment, Xu Yunxiao felt the weight in her heart sinking again.

It turned out it was because he was Wei Yunxiang's cousin, that's why the meal was on the house; otherwise, how could Qin Feng have afforded it?

If she knew about the bet earlier, she would definitely have been on their side!

Just when she saw hope, it turned out to be despair all over again...

Xu Yunxiao was in despair.

Right then, the door of the private room opened.

Everyone looked up, and to their surprise, it was Wei Yunxiang who had arrived!

Beneath a head of wavy curled long hair was a simple white shirt and a small suit, especially her skirt-wrapped beautiful legs that were incredibly enticing.

Her appearance immediately made those wealthy young masters' eyes pop out.

This kind of intellectual and sexy look was every man's desire.

"Cousin, what brought you here?"

Sun Xudong exclaimed happily.

He was well aware that although Wei Yunxiang was a distant cousin, Sun Family was also a second-tier family in Lake City, and since Wei Yunxiang usually mingled with top luxury figures and rarely interacted with the Sun family, she wouldn't come to see him over such a trivial matter.

Now, in front of his girlfriend and so many friends, she really came.

It made him feel incredibly favored and very prestigious!

However.

Wei Yunxiang just gave him a brief glance without any acknowledgement and then turned to approach Qin Feng, slightly bowing and respectfully saying, "Mr. Qin, any negligence was unintentional, I sincerely apologize."
