The Dominance of the Son-in-Law: My Wealthy and Beautiful Wife

Chapter 8 - 8 Fang Wudi!

At this moment, another person stepped up to challenge, and the atmosphere at the scene seemed to change.

Everyone became excited.

"Is that him? I heard he is a descendant of the former Muay Thai King Basong, and he's fought underground, very formidable!"

"Yes, it is said that in the past two years, seventy-two people were crippled by him!"

"This is going to be an exciting match!"

"..."

It began!

The Muay Thai expert, under the excited gaze of the audience, directly attacked Coach Fang with a standard Elbow Strike. Coach Fang dodged by swiftly moving to the side, exchanged blows with him, and in just a few moments, they fought over a dozen rounds, neither gaining an upper hand.

"Die!"

The Muay Thai expert found an opportunity, delivered a back kick directly at Fang Youcai's face.

But Coach Fang deliberately showed the opening and was ready, he lay down and swept the opponent's legs, knocking the Muay Thai expert to the ground, then leaping up, and slammed his knees heavily into the chest of the expert!

The Muay Thai expert vomited blood.

The match ended.

The whole hall erupted in excitement!

Defeating the successor to the Muay Thai King, how prestigious was that?

"Fang Wudi!!"

"Fang Wudi!!"

"Fang Wudi!!"

"..."

People shouted Coach Fang's name frantically.

"His original name was 'Fang Wudi'?"

Qin Feng asked puzzledly.

Isn't his name Fang Youcai?

"Of course not." Yang Junchao proudly said, "Since Coach Fang has defeated all his opponents across the world, he changed his name to 'Wudi' which means invincible, impressive right?"

"Impressive, impressive..."

Qin Feng sweat profusely.

Turns out this Fang Youcai is quite narcissistic.

At this moment.

The host came to the stage. The full series is hosted on My Virtual Library Empire, known as

"...Unfortunately, despite many masters coming today, such as Muay Thai successor Acai, Judo Master Wang Hong, Boxing expert Li Lizhang, Sanda Champion Sun Wei, and twelve other challengers, none could defeat Master Fang Wudi, so I declare..."

"Wait a minute."

Fang Wudi, with a Grandmaster's demeanor, smiled and gestured with his hand, said, "I want to add one more match. Anyone present who wishes to challenge can come up. This not only gives everyone another chance but also proves the sincerity of hosting this challenge match."

Upon hearing this, the audience praised him for not only being skilled but also having the magnanimity of a Grandmaster.

He then stealthily signaled to Yang Junchao in the audience.

During the previous rounds' intermission, he had been bribed by Yang Junchao with a hefty sum to beat someone severely.

Why not do a favor while at it?

Yang Junchao, understanding this, immediately pushed Qin Feng with a sneaky grin: "Quick, it's your time to shine, go for it!"

"Alright."

Qin Feng walked towards the stage.

The crowd began to stir, looking towards him and saying, "Is this guy a fool? Master Fang Wudi is so powerful, and he still dares to challenge?"

"Hey? Isn't this the Xu family's son-in-law who mooches off his wife?"

"That's right, it's him. What is he doing challenging?"

"I heard his wife only gives him six hundred yuan a month, probably he's gone mad from poverty and wants to try his luck."

"Well, he's in luck then, hahaha..."

"..."

The audience below the stage started mocking.

There was no help.

His wife is the number one beauty of Lake City, too famous, and hence this man who mooches off his wife also became famous.

Qin Feng reached the stage.

Fang Wudi announced to everyone, "I declare this to be the final challenge match. If anyone wins, they can directly go to the podium and take 'Heart of the Blue Sea'!"

The audience erupted.

They started shouting to defeat Qin Feng.

Yang Junchao was even more excited, already impatient to see Qin Feng get beaten up!

Very soon.

The two competitors came to the center of the ring.

As the referee rang the bell to start, Fang Wudi rushed towards Qin Feng, wanting to unleash his strongest, most stylish, and graceful series of kicks, to severely beat him up both to vent Young Master Yang's anger and to put a perfect end to this challenge match.

But...

Just as he approached Qin Feng and saw his face clearly, it was like a bolt from the blue!

"You, you are..."

Fang Wudi stopped, staring blankly.

Those frivolous yet profound eyes, that exceedingly handsome face, that graceful demeanor...

No, no mistake, it's him!

Thud!

Fang Wudi knelt heavily in front of Qin Feng: "Mas, Master..."

The audience was in an uproar!

Everyone was dumbfounded, utterly bewildered.

At that moment, Qin Feng quickly glared at him.

Fang Wudi, cleverly understanding Qin Feng didn't want to reveal anything, swallowed back the word "Master."

At this moment, he felt an urge to cry in his heart.

Since many years ago, after being instructed by Qin Feng, his martial arts skills greatly improved. Even though Qin Feng never acknowledged him as a student, he dared not forget, even prided himself on it!

Whenever he told anyone his master was from Dragon and Tiger Village, people would be extremely envious.

Because Dragon and Tiger Village was a place full of hidden dragons and crouching tigers.

Having a connection with someone from there meant soaring to the heavens!

At this moment.

The whole venue was silent, you could hear a pin drop!

Everyone was staring blankly at the scene, not knowing what had happened.

"Let the competition begin!"

Qin Feng said at this moment.

How could Fang Wudi dare to challenge Qin Feng!

But at this moment, he couldn't just do nothing, so he held his chest, with an extremely painful expression, and cried out, "By, by your Inner Strength, I've been shaken, internally injured..."

After saying this.

He closed his eyes and "fainted".

Instantly.

Everyone, on and off the stage, was dumbfounded and completely bewildered!

What on earth was going on?!

"..."

Qin Feng was also extremely speechless.

This excuse, this acting, was too damn fake!

The competition ended.

Qin Feng took the opportunity while everyone was still in shock to go directly to the podium to fetch the "Heart of the Blue Sea".

"It really is beautiful!"

He gazed at the necklace, a flash of astonishment flitted across his eyes.

The necklace, both in terms of the gemstone and the workmanship, was indeed a masterpiece.

He had seen many wealthy and powerful people go to Dragon and Tiger Village, presenting that old man with numerous rare treasures, but this necklace looked even more exquisite and luxurious, like an oasis in the desert, like the Sky Realm, giving a refreshing and ethereal beauty.

"It perfectly complements my wife's refined and elegant demeanor!"

Qin Feng said with satisfaction.

The staff, seeing him reaching to take it, hurriedly stopped him.

"What is it?" Qin Feng frowned.

"..."

The staff member stammered, not knowing what to say.

He still couldn't believe Qin Feng had won.

That scene on the stage was too bizarre, absolutely inconceivable.

Moreover, the staff was Fang Wudi's man, knew that this was a treasure Fang Wudi had obtained with difficulty, intended to be used as a prize for the challenge competition to boost its fame, he never thought it would be lost to someone else.

At this moment.

Fang Wudi, who had faked an "internal injury," opened his eyes and shouted to the bewildered staff member, "Hurry up and give the prize to this master! Don't you see that I lost? Do you think I can't accept defeat?"

"Oh, oh..."

The staff member finally let go.

Qin Feng picked up the "Heart of the Blue Sea" and strode away from there...

After a while.

Everyone finally came back to their senses.

One by one, they began to curse enviously, "Damn! It must be because Master Fang Wudi, after fighting twelve expert masters, was already exhausted, and that guy just got lucky!"

"That's right, it must be!"

"If only I had known, I would have gone up; that necklace is worth twenty million!"

"Damn, that guy's got too much luck..."

"..."

Of course.

The most frustrated person was Yang Junchao!

Originally wanting to see Qin Feng get beaten up, in the end, he picked up a huge bargain!

That "Heart of the Blue Sea" was worth a full twenty million!

Moreover, with Xu Yunxiao's Company's crisis resolved, his chances were even slimmer!

"Damn it!"

The more he thought about it, the angrier he became, clenching his fist, he seethed, "I must break one of his arms or legs!"

Then.

He immediately went home, found his father, and said, "Dad, lend me your personal bodyguard for a moment, I..."

Slap!

Before he could finish his sentence, his father slapped him across the face with a "slap" sound.

"Dad, what, what's wrong?"

Yang Junchao asked bewilderedly.

Normally his dad doted on him the most, even reluctant to scold him, why would he slap him today?

"You, did you cause trouble again!" Father Yang trembled with anger, "Our family's company is completely ruined! All clients and suppliers have ceased cooperating! Word from the top said you offended someone you shouldn't have!"

"No, not at all..."

Yang Junchao blankly said.

Racking his brains, thinking hard, he had not caused any trouble recently, except for Qin Feng, that gigolo.

But it couldn't possibly be him!

Slap!

His father slapped him again, "Quickly damn say it! Who did you offend!!"

...

The sun set.

Xu Yunxiao, dressed up for a rare occasion, wore a white blouse and a pencil skirt, looking sexy and charming, ready to go out, saw Qin Feng riding his electric bike back with a beautifully wrapped gift box in hand, and asked, "What are you holding?"

"Oh, it's nothing."

Qin Feng smiled.

He couldn't reveal the "Heart of the Blue Sea" now; he'd wait and give it to her as a surprise on her birthday!

Xu Yunxiao didn't bother to ask further, and said, "Good, take me to Wanfu Building for a romantic dinner."

"Ah?"

Qin Feng was momentarily taken aback.

"What, you don't want to?" Xu Yunxiao's eyebrows furrowed.
