The Dominance of the Son-in-Law: My Wealthy and Beautiful Wife

Chapter 9 - 9 Qixi Love!

"Of course, I am willing!"

Qin Feng exclaimed with joy.

On normal days, Xu Yunxiao would never travel with him. This was the first time she had asked him for a ride.

What he didn't know was that Xu Yunxiao needed to borrow money this time, and she would definitely be drinking, so she couldn't drive. The hotel was very close by; it would take longer waiting for a taxi than if they just rode an electric bike.

"Honey, how do we get to Wanfu Building?"

Qin Feng curiously asked while riding the electric bike.

He didn't know that Xu Yunxiao hadn't opened those two suitcases yet. She was going to treat her classmate Xiao Man to a meal to borrow money, and Xiao Man was her arch-enemy who insisted on going to Wanfu Building.

"I've told you, we're going there to treat someone to a meal," Xu Yunxiao said, getting angry just thinking about it. "If it weren't for you, maybe I wouldn't have had to go at all!"

"Because of me?" Qin Feng was puzzled.

"Tell me, did you hit Yang Junchao?" Xu Yunxiao interrogated.

"I did," Qin Feng nodded.

"He was here to help, what were you doing hitting him? More harm than good!" Xu Yunxiao scolded angrily.

"Who doesn't know his ulterior motives? I don't want him meddling in my wife's affairs," Qin Feng declared.

"But..."

Xu Yunxiao wanted to scold him more.

But she also felt that there was nothing wrong with his stance. Who would want their wife to be coveted by another man?

"Forget it, just speed up a bit. It wouldn't be good to be late."

Xu Yunxiao sighed from the back seat.

Sigh, he loves me, but sadly he's just not successful!

"Alright!"

Qin Feng suddenly sped up.

As a result, she wasn't seated stably and her upper body directly squeezed onto Qin Feng's back.

Qin Feng's body stiffened, and he immediately felt as if he had entered an immortal realm.

This was the first time in three years that they had been so close; it was simply too wonderful, making him feel like he was in a different world, reluctant to leave.

Unfortunately, the journey was too short.

Soon they arrived at the front door of the Wanfu Building Hotel.

"That's it, you can go back now."

Xu Yunxiao got off the electric bike.

At that moment,

a BMW parked at the entrance, and a heavily made-up woman with large earrings, Xiao Man, got out of the car and greeted her, "Wow! Yunxiao, you're quite early... This must be your legendary door-to-door husband, right?"

Xu Yunxiao, sensing the mockery in her tone, looked a bit embarrassed but still forced a smile and said, "Yes."

"Perfect, let's go together," Xiao Man said, and her boyfriend got out of the car, dressed in a white suit, looking handsome and clearly a successful man.

Seeing this, Xu Yunxiao hurriedly said, "No need, he has other things to do."

There was no way around it.

Compared to her boyfriend, her own husband really couldn't compete.

"Why not? Come on, let's go together!"

Xiao Man's mouth curled up with a malicious smile.

Xu Yunxiao hastily gave Qin Feng a look, signaling for him to say he had something else to do and to leave quickly.

Qin Feng, not wanting to be involved in this situation either, said, "I really do have other things to take care of, so I won't go."

"Is it to go back and do laundry for Yunxiao?" Xiao Man scoffed, "Yunxiao, I'm really jealous you have such a considerate husband. I'm not so lucky."

"..."

Xu Yunxiao's face turned extremely embarrassed, and her resentment towards Qin Feng grew more and more.

"By the way, Yunxiao, a few of my friends are also coming. You don't mind, right?"

Xiao Man said.

"No, not at all."

Xu Yunxiao said verbally, but her heart tightened.

Initially, she had planned for a meal with just Li Jie, Xiao Man, and Xiao Man's boyfriend, where thirty thousand yuan would just barely suffice. Even one more person would make it tight.

"Not many, just seven or eight."

Xiao Man said with a smile.

"What?!"

Xu Yunxiao was shocked.

Seven or eight!

Including them four, that would make twelve people. Anywhere else would be fine, but at Wanfu Building, this meal can't go without spending tens of thousands!

"How, any problem?" Xiao Man asked indifferently.

"No, no problem..."

Xu Yunxiao hurriedly answered.

There was no choice.

Now, being the one asking for favors, she could only think of another way.

At this moment, Li Jie also rushed over here.

After exchanging some perfunctory pleasantries, they were about to enter.

Xiao Man then said to Qin Feng, "Hey, aren't you coming with us? Inside, a meal costs an ordinary person's annual salary, you know. I heard you're from the countryside, never had it before, have you?"

"Well..."

Qin Feng, who was pushing his electric scooter, hesitated slightly then set the scooter down and said, "Then I'll go too!"

Seeing this, Xiao Man couldn't help but burst into laughter, "Hahaha, Yunxiao, your husband is so funny!"

Her boyfriend, Sun Xudong, couldn't help laughing as well.

Xu Yunxiao's face was full of embarrassment, she almost wanted to slap Qin Feng; it was too embarrassing!

Li Jie even directly said, "Qin Feng, have you no shame! Haven't you eaten before? So embarrassing!" Your support on * keeps this series going.

"..."

Qin Feng, embarrassed, said, "I actually was..."

Before he could finish explaining,

Xu Yunxiao no longer paid attention to him and strode into the hotel.

Qin Feng gave a wry smile.

He stayed behind, sensing that his wife seemed awkwardly stretched after Xiao Man mentioned bringing more people.

With him there, the meal could be free.

At this moment,

Qin Feng and the others entered the lobby, finding the guests all gathered in front of a wall.

There was a projection wall,

playing a promotional video titled "Qixi Love."

The video featured the lavish newly constructed rooftop restaurant at Wanfu Building, luxurious and brilliant crystal chandeliers, beautifully elegant decorations, looking luxurious, romantic, and magnificent!

It left many guests enraptured and lost in the video.

In such a luxurious and dreamy setting, to admire the moon with a loved one, how wonderful!

Moreover,

the video also mentioned that Wanfu Building would invite popular stars to sing exclusively for couples!

"Fantastic!"

Li Jie, hands clasped in front of her chest, said with eyes full of intoxication, "Did you see that? Even the diamonds used in the decorations there are real! Whoever invites me to dine there on Qixi, I'll definitely marry him, it'd feel amazing!"

Not just her.

Other women were also full of longing.

"Honey..."

Xiao Man looked eagerly at her boyfriend, Sun Xudong, "On Qixi night, can you take me here, please?"

"...Okay."

Sun Xudong was a bit reluctant, but he nodded.

He knew it was just Wanfu Building's ploy to further boost its reputation. In all of Lake City, only one couple could dine there, making it highly coveted; only the children of Lake City's top wealthy families could compete for the chance.

Though wealthy, he was not inflated enough to compete with the children of top powerhouses.

But he agreed first,

and would later find an excuse, saying the reservation was made too late.

Hearing his response, Xiao Man excitedly buried herself in his embrace.

The surrounding people were also full of envy at this moment.

Including Xu Yunxiao.

Her eyes glittered with immense envy and longing.

Beside her, Qin Feng, looking at her extremely beautiful face, found it stunningly beautiful and softly asked, "On Qixi night, would you like to come here?"

"I would."

Xu Yunxiao blurted out.

Her beautiful eyes, unwaveringly fixed on the screen, like dazzling stars!

"Then we shall come here."

Qin Feng said.
