When EX-wife's Identities are Revealed by Natalie Wilson Chapter 29

Reborn. Team up with the CEO for Revenge!

Lillian rolled her eyes.

"I'm just this pushy! If you don't like it, take Beatrice home, and don't let her out!"

Beatrice's face turned pale. She desperately grabbed hold of Zachary's arm for help.

Zachary frowned tightly coldly snorted. "I have limited patience, Lillian. Let's make a deal. If you stop causing trouble for Beatrice, I'll give you a chance to enter the entertainment industry!" "Enter the entertainment industry? Zachary, did your leg recover, and your brain gets sick again?" Lillian crossed her arms, bursting into laughter.

"What kind of rotten deal is that? I won't do it. Let your little sweetheart wait to rot in jail!"

Zachary's hatred grew stronger, and his eyes showed a burst of anger.

"Isn't it true? You willingly degraded yourself and shamelessly pursued Ashton, and abandoned by him, and now you want to be cheap and go after Diana! Do you know what kind of garbage Diana is? Do you know how many girls have been ruined by her?"

Beatrice stepped closer, clinging to Zachary's arm, showing an intimate gesture.

"Zachary, even if it's true, you shouldn't say it. What about her self-esteem?"

Lillian snorted even more disdainfully.

“Zachary! Since our divorce, we have nothing to do with each other! Don’t talk to me about my relationships. Even if I date a man, a woman, or an alien, it’s none of your business! Before you worry about me, take a look at yourself and see if you’re worthy!”

After saying that, she looked mockingly at Beatrice.

“As for you, put away your talent for angering others. It’s useless! You’d better start practicing peeling potatoes. That way, when you go to jail, you won’t need to learn! Maybe you can even get a reduced sentence by being the good cook in prison!”

After finishing her words, she turned and walked away.

Just as she took a step, she was suddenly pulled by Zachary held tightly in his arms.

“What the hell are you trying to do?”

Zachary’s face turned cold, revealing a cruel smile.

“I’m taking you away and locking you up in a mental institution for the rest of your life so you won’t do any more despicable and shameless things!”

Harris hurriedly rushed over, just learning from Diana that Lillian was actually the CEO of the Regal Group!

Unexpectedly, just as Zachary brought Lillian to the door, she began to scratch, and in her panic, she grabbed a kitchen knife and stabbed it fiercely into Zachary’s left chest.

Zachary groaned and sneered at her.

“You **can** stab me again! But I will never let you be with Diana and embarrass yourself like that!” “Hmph, do you think I would hesitate?” Lillian’s **eyes** showed determination **as she** fiercely stabbed Zachary’s right **chest**.

Beatrice rushed over, **crying**, “How could you **hurt** Zachary like **this**?”

Lillian forcefully pulled out the kitchen knife, blood splattering on her **face**, and she **directly** stabbed Beatrice’s face.

“Ah!” Beatrice screamed in pain, covering her face.

The commotion between the three naturally alarmed the people around. Harris tried to come forward but couldn't push through the crowd outside.

Although Diana **was** close by, she arrived late and watched the scene with little sincerity as she resolved the situation.

“Mr. Sinclair, Ms. Wilson, what's going on? Let's talk it out and not resort to violence or using knives! Mr. Sinclair, you'd better release our CEO, Ms. Wilson, and quickly attend to your injuries.”

Zachary's eyes widened in astonishment and disbelief.

“CEO?”

Beatrice, still covering her face, forgot about her tears and looked at Lillian, who was covered in blood and playing with the knife like a demon, with shock.
