When EX-wife's Identities are Revealed by Natalie Wilson Chapter 6

Reborn Team up with the CEO for **Revenge!**

Chapter 6 Generous **Enough**

Lillian had effortlessly snapped the once—
intact bank card into two pieces and dropped it on the ground. she even stepped on it a couple of times.

Beatrice's face turned ugly. It seemed like Lillian had not stepped on the card but on her pride. Beatrice forcefully suppressed her anger and raised her voice. "Lillian, what do you mean by this? "Offering you a million dollars was my greatest kindness. Don't be ungrateful!"

"Don't be conceited about your one million dollars.

"Beatrice, how dare you?" Lillian sneered. Then, taking out a card from her bag, she shook her hand and directly threw it to Beatrice's face!

The sharp edge of the card cut Beatrice's skin.

With the pain coming, Beatrice heard Lillian say in a freezing voice before she could scream. "There are 100 million dollars in this card.

"You can get the money after kneeling to lick my shoes clean.

"How about it? I am so generous enough, right!"

Wasn't it just humiliating others with money? She could do it. After all, she, Lillian, was loaded. "Lillian, don't be going too far!

“Don’t show off before me with the money Zachary gave you. You should know I will be Zachary’s wife. And you, a divorced woman, are not worthy of serving me.”

Beatrice screamed with a ferocious face.

“Oh, Beatrice, what were you thinking? Think about it with your mind of goat. Would Zachary be so kind as to give me 100 million dollars?”

Lillian looked at Beatrice with coldness and ridicule.

“Bitch, who are you calling a goat?”

“It is the one who responds to me.”

Beatrice was so furious that she started throwing things around. But she was sobbing after accidentally glimpsing a figure standing not far away.

After seeing Beatrice crying, Zachary immediately strode over and hugged Beatrice into his arms. Then he looked at Lillian with coldness and no emotion.

“Lillian, how dare you bully Beatrice while I was away!”

He thought Lillian would retort, but she stretched out her finger and shook it.

“No, no, no. You’re mistaken.

“Even if you were here, I would still dare to bully her.”

“Lillian, do you think that I dare not deal with you? I will cut off your hands if you dare to bully Beatrice **again!**”

“**Oh?**”Hearing Zachary say in a cold voice, Lillian laughed.

The next second, after **reaching** out and pulling Beatrice out of Zachary’s arms, Lillian slapped **Beatrice on** her backhand!
