

## Widow 152

### Chapter 152

Alissa was even more shocked.

Crystal was a widow at such a young age!

Alissa looked at Crystal with pity in her eyes. She took Crystal's hand and said, "You haven't even entered college yet. How can you get engaged..."

Crystal said, "I've been engaged since I was a child. I think my fiance is quite good."

Alissa was speechless. Other than the fact that he was not alive, everything else was indeed good. At the very least, he was willing to buy such expensive clothes for Crystal when he was still alive. "Then what are you going to do in the future?" Alissa said earnestly, "Even if your fiance treated you well, he has passed away. You have to look forward. Have you ever thought about dating anyone. else?"

Crystal was puzzled. "It's fine as long as I have my fiance. Why do I have to fall in love with someone else? Sister Alissa, it's not right!"

Alissa was speechless.
