

Widow 174

Chapter 174

"You only need to wait for five minutes to prove your innocence, Miss Witton. Why are you in such a hurry to leave?" Katie said.

Vera gritted her teeth. "I am innocent and I didn't do it. What's the difference if I leave early or late?! Get out of my way!"

How could Katie let her go? She said, "You are obviously guilty! Vera, I didn't offend you. It was you who had been sarcastic to me from the very beginning. Have I ever argued with you about these things? In the end, my tolerance for you made you even worse. How dare you do such a thing?!" Vera's chest kept rising and falling, and she said, "Don't talk nonsense! When did I slander you? It's you who didn't behave well... Get out of my way!"

Katie directly slammed the door of the dressing room, leaned against the door, and said, "Just wait for five minutes. If the monitor proves that you have no problem, I, Katie, will apologize to you!" "You're crazy!" Vera was about to go mad. She looked at Larry and said, "Mr. Reynes! After all, I'm your ex-girlfriend. How dare you watch her bully me?"

Larry smiled and said, "It's just a few minutes. It won't be long. Why are you in such a hurry?"

Vera's face was pale.

Seeing her like this, everyone understood what was going on.
