Chapter 182

When Crystal was sleeping soundly at home, the entertainment industry was extremely lively.

Vera had bribed someone to damage her beautiful cheongsam. After being discovered, she even tried to use a knife to hurt someone. She was sent to the police station and the trending news made it all the way to the top. The netizens were going crazy. At first, Vera's fans firmly believed that this was slander and nonsense, but soon the related details and evidence were exposed. Even the video of Vera's crime was exposed. Vera's fans collapsed instantly.
