

Widow 251

Chapter 251

Antony said, "I'm not from the White family. How would I know?"

Crystal rolled her eyes at him, broke free from his grip, and stormed forward.

"Hey!" Antony pointed at Crystal. "Did you roll your eyes at me just now?"

"No."

"Yes! I saw it!" Antony caught hold of Crystal. "I saw it clearly! Crystal, you're amazing! How dare you roll your eyes at me now?"

Crystal said, "So what if I did?"

She was not afraid at all.

"Hiss..." Antony took a deep breath, and then suddenly picked Crystal up. He strode to the side of the trash can and said, "Apologize to me. Tell me that you're wrong, or I'll throw you into it!" Crystal, "!"

Crystal couldn't believe that Antony was so childish. "If you throw me in, I'll never talk to you again!" A lot of people were watching. Crystal felt extremely embarrassed, so she quickly hugged Antony's neck and hid her face. "Put me down, or I'll shout."
