

Widow 267

Chapter 267

In the spacious reception room, Harold and Marcus sat opposite each other. Marcus had a warm smile on his face. "I'm sure Master White knows why I'm here."

Harold said lightly, "How can I know if you don't make it clear?"

"I heard that it was your personal instruction for me to withdraw from the endorsement." Marcus narrowed his eyes. "I don't care about an endorsement. What I'm more curious about is, how have I offended you?"

Harold also smiled and said, "Since you know that you have offended me, it's ridiculous that you still came to ask me about it. I..."

Before he could finish his words, he saw Luke come in in a hurry.

Luke had always been steady. He rarely panicked like this. Harold immediately frowned and asked, "What's wrong?"

Luke took a deep breath and handed the phone to Harold. In a low voice, he said, "It's a call from Mr. White. He..."

"He kidnapped Mrs. White."

Harold raised his head. "What did you

do to secretly protect Mrs. White, but I didn't expect that they

would use the use of saying this now?" Harold's eyes were filled with dark clouds. When he flipped through his phone, he saw that the video

showed Harold, he immediately laughed and said, "You didn't expect this right, Harold? Crystal is in my hands now. As long as I want to, I can

stand on the opposite side, Marcus was slightly

"If

you want to die, just tell me." Harold said

and laughed crazily. "You really care about her! My effort is not in vain! Come on... I'll

soon as the camera turned over, Harold saw that they were in a warehouse through the shaking camera. It was probably abandoned for many years, and the big boxes were all covered

with hanging beams, and the thing hanging at the end of the rope was swaying. When the camera got closer,

Harold's pupils constricted.

He saw the eyes in the camera. He patted the rope with the knife and said, "As long as I cut off the rope, she will immediately fall to her

Luke said, "Have you thought
need to know the consequences." Mark smiled happily and said, "I only know
make her die!"
