### Chapter 305

Antony hit him viciously and scolded him even more harshly. Crystal was stunned when she heard this. Anaya was not much better either. She muttered. "This is... double humiliation."

Crystal said. "I didn't expect him to be so ruthless. He's too cruel."

In less than ten minutes, the battle ended. He clapped his hands, gave Herman another kick, stepped on his back, and asked. "How is it? Are you convinced?"

Herman was still stubborn. "Do you know who I am?! Let me tell you, my uncle is from the City Public Security Bureau. If you dare to touch me. I guarantee that you won't be able to survive in Fairby! If you apologize to me now, I can reluctantly forgive you. You'd better not dig your own grave!" Crystal quickly ran over, squatted beside Herman, and poked his head. "Who is your uncle?" Herman said. "My uncle... my uncle's name is Willis. He is the Deputy Director. If you dare to..." "Director Willis." Antony thought for a moment and said. "I've dealt with him before, and I have a good impression of him. How could he have such a bad nephew like you?"

Herman was shocked. "You know my uncle?!"

"I don't really know him." Antony said. "I've met him before."
