

Widow 311

Chapter 311

Everyone looked at each other in dismay.

The middle-aged woman swallowed and said, "Can... Can you really help us?"

"Yes." Crystal nodded. "It's true."

"Then..." The middle-aged woman's face was full of hope. "I am willing... I am willing to confess! I want to seek justice for my man and daughter!"

The middle-aged man gritted his teeth and said, "I'm willing! Money is not as important as human life. If I take this money, I'll feel guilty!"

Lowell choked with sobs and said, "Thank you... Thank you all!"

"We should thank you..." The middle-aged woman wiped her tears and said, "If it weren't for you, this matter would have been over. I wouldn't have the face to see my man..."

The group of people burst into tears, and the people next to them couldn't help but be curious. Antony glanced at them and said, "I'll contact someone to follow up on this matter. This matter will be carried out through normal channels, and Cyril won't be able to escape."

"Thank you... thank you..." Everyone hurriedly thanked Antony. Antony stood up and said, "You don't have to thank me. If it weren't for my sister, I wouldn't have meddled in this matter."
