Crystal opened her mouth and said, "My name is CoCo."

Corey glanced at Crystal, but his expression didn't change.

CoCo?" The corner of Alda's eyes twitched as she said, "This name... sounds good. Not bad. CoCo, how old are you?"

Crystal said, "I'm thirty-two."

Corey also looked at Crystal. "?"

Crystal remained calm and said, "Maybe I look younger. You don't look like you're in your fifties. Your look like you're in your early 40s at most."
