Chapter 347

"Ask him himself? He tried to commit suicide. How dare I ask him!" Mrs. Turner was both anxious and angry. "How could a healthy person become like this?"

Anaya said lightly, "If there's nothing else, I'll go back to work first."

Mrs. Turner pointed at her nose and scolded, "Do you still have a heart? It's your man lying inside. He's already like this. Do you still want to go to work?"

"If I don't go to work." Anaya said, "I won't have the money to treat him. I won't be able to pay the rent and I won't have any living expenses. Of course..." She looked at Sarita and said, "I won't have the money to lend it to Sarita."

Sarita coughed and said, "Mom, now that Jared is asleep, it is useless for her to stay here. We are still here, aren't we? We can take care of Jared."

Mrs. Turner acted like she was driving away a plague. "Get out of here then."
