

Widow 436

Chapter 436

Erik said awkwardly. "Why did you get me involved for no reason?"

There were tears in Leroy's eyes. He sobbed and said, "Mom, of course I know that you love us, but..." He looked at his brother and said, "You don't have to force my brother to get married. He has not been happy all these years. You know it..."

Flora gritted her teeth.

When Madam Marcy saw this, she immediately panicked. If this marriage really couldn't continue, in the future, who else with a good background in Fairby would be willing to marry Ariel?

She quickly stepped forward and said, "In-law, you took a fancy to Ariel at that time. Now you don't want her anymore. What will she do in the future? What's more, Anaya is just an orphan. If she marries into the Shamus Family, she will not be able to help Alan!"

Flora didn't say anything, which made Madam Marcy even more anxious. She turned cruel and said, "Forget it, forget it. If the Shamus Family doesn't want her, the Marcy family won't take her back. either. We'll just let her die here today, so that she won't be criticized in the future!"

Of course, Ariel understood her mother's meaning. She suddenly cried and said, "I might as well die!" As she spoke, she was about to hit the marble pillar next to her. Everyone hurriedly stopped her. Even Erik was at a loss of what to do.
