### Chapter 447

“Except for you, no one can save me!” Ariel sobbed. “I would rather die than go to jail!”

“Why are you talking about this?” Madam Marcy quickly covered Ariel’s mouth and said, “Be obedient and stay here. I’m sure your father and I will find another way.”

Although Ariel was a little unhappy, there was no other way at the moment. She could only nod her head in grievance and said, “What about Jared? This b\*stard dares to implicate me. I won’t let him go easily!”

“Don’t worry,” said Madam Marcy with contempt. “Many people were injured during the fire that year. The police thought it was an accident, so they didn’t arrest him. Now they’ve found out that he deliberately set fire, murdered people, and blackmailed them... There won’t be any good ending for him.”

“And Anaya!” Ariel’s face was ferocious. “I must kill this woman! She comes from a humble background. She can’t compare with me at all, but she made me embarrassed...”
