Chapter 477

"Alan." Anaya lowered her head and said, "In fact, you shouldn't have taken me there today. Mrs. Shamus wouldn't be so angry if she didn't see me."

"It doesn't matter." Alan said, "She will explode sooner or later. It's okay. Don't worry about it. It's not because of you."

Anaya sighed. "Why don't... we get married later? Otherwise, Mrs. Shamus will be even angrier."

"We are already 26 years old." Alan said, "We should have gotten our marriage certificate when we were 22 years old. We have missed four years. How many more years do you want to miss?" "How can you calculate like that?" Anaya couldn't help laughing.

Alan kissed her lips and said, "I don't want to wait anymore. I want you to be Mrs. Shamus for the rest of your life."

Anaya's cheeks were burning. "... I haven't agreed to marry you yet."

"You'll agree." Alan said, "You love me so much."

Anaya muttered, "Yeah, you love me so much."
