

Widow 97

Chapter 97

Luke said, "Master White ordered me to arrange it according to your preferences, so I contacted a few of them."

He said to everyone, "You can introduce yourself and tell us what you are good at."

Crystal sat on the sofa in a daze, and someone immediately began to introduce herself. At this time, a cup of warm water was suddenly placed beside her.

Crystal raised her head and saw a cleaner smiling kindly at her.

Crystal was stunned. She picked up the cup of water and took a sip. When the others saw this, they all regretted not pouring this cup of water for her.

Luke said, "You can go back now. Just keep this cleaner here."

The others were a bit unwilling and said, "I can cook a lot of dishes..."

"I know how to take care of plants!"

"I can..."

and said, "I said

everyone quickly shut up. Even if the salary offered by this job was really tempting,

to have aesthetic standards, know how to take care of babies and plants, and there were also education requirements. She was not the
