Chapter 124

I Will Never Be Yours By Melan pamp Chapter 124

Selena pov

Taking a deep breath I raise my *head* from my hands and get up on my feet.

well let’s go down to the kitchen, I’m hungry!” I say when she gets up beside me and start to head for the door.

She stops in front of it and turns to look at me.

“Whatever happens we are here for you!” she says and I already know they are.

“yes, and I’m grateful *for* it! Now can we have some breakfast I’m starving!” I *say* when she chuckles and opens the door for us. Heading down to *the* kitchen I smell some delicious food and my stomach starts *to* rumble at the smell when I find Sari inside the kitchen and stirring in something on the stove.

“morning Selena, feeling well?” she says when I make my way over to the counter and start to look around at all the food.

“yes it’s fine, just starving!” I say and take a plate and start to place food on it, as much as I can get on it and a bit more. I have a mountain of food *on my* plate before I’m satisfied!

Taking it I head over to the table and take a seat when the rest start to walk inside the kitchen.

Sari comes over and places a cup in front of me with the tea I have been drinking these last few days, I love it more for every day. I asked what it was and they only said it where good for a pregnancy and with the delicious taste I could drink it all the time.

The others start to come over to the table and take their seats with their own food, I have no time to think about it when Jessie takes a seat beside me.

“eating for more than one?” comes Declan’s voice beside her and I stop with my fork in my hand with food on, before I put it in my mouth and turn my head to look at him when he sits down. Seeing Jessie gives him a push in his side he turns to look at her first before he looks at me.

what? Is it still a secret?” he says and looks back at Jessie. Placing my fork down on my plate I sit back in my seat and look between them all.

“so every one of you knows? And for how long have you known?” I ask and look between them! Seeing Cannon look down at his food and avoid my eye contact when Declan speaks up again.

they told us when you came back and decided to claim him and we all agreed it didn’t matter!” he says and I turn to look at him in shock. I thought only the women. knew and as of now the only one who doesn’t know is the father!

Dragging my hand through my hair this starts to feel like a mess I’m going to have a hard time explaining.

“Kian doesn’t know, none of us has said a word to him!” Declan says and now I just lost my appetite. Taking my cup of tea I start to sip on it in silence, I know Emma would have had the hardest time keeping it away from her mate and I can’t blame

her.

“so when are you going to tell him?” Declan continues and I take my time and sipping on my tea when Jacob comes walking inside the kitchen with fast steps and starts to take some food in a hurry.

when he comes back!” I answer him while I look at Jacob when he is eating his

food in a rush.

“what’s up, Jacob?” I ask him when he hasn’t even taken a seat but standing by the counter and eating. He turns his head and looks at me while swallowing.

rogues outside the borders again and I’m heading out again as fast as I can get. done!” he says when Jessie gets up on her feet, looking at her when she walks over to the sink and places her things down before she starts to walk out of the kitchen.

“Where do you think you are going?” I tell her when she stops in her tracks. I got some odd feelings by just looking at her body language, she has her walls tight up and I can’t get any feelings from her. By this I know she is up to something!

“Checking the borders!” she says and I’m not buying it at all.

No you are going with me to Michael’s, I’m almost ready to go!” I tell her and look. closely at her when I hear her sigh before she turns around.

“can’t you take Zoey or someone else today!” she says and placing her hands on her hips and looking angry at me. Placing my cup down I know by the way she reacted that something is going on with her today.

“No! Get ready, we are leaving in a few minutes!” I say to her and take my plate and

cup before getting up to wash them. Heading over to the sink I hear her curse under her breath while I wash my plate and put them down.

“let me take the rest! Go over to Michael and hurry back!” Emma says and takes my cup from me.

“thank you!” I say and turn around! I don’t see Jacob and Jessie when I hear someone talking in the hallway, starting to head over to there I walk out of the kitchen and see them talking by the front for in low voices. I can’t make out what they are talking about but something is going on with those two!

Walking closer to them they instantly stop talking and Jessie turns to look at me.

“what’s going on Jessie?” I say when Jacob rushes out of the door. She shrugs her shoulders.

“nothing just talking about the borders and who’s on patrol until we are back! Ready to leave?” she says and I don’t believe her one bit. Keeping my eyes on her she doesn’t move a muscle.

“Zoey keeps a close watch on Jacob until I’m back, I got this feeling something is going on with him and Jessie today!” I Mind link Zoey once she picks up.

“I will! Hurry back!” she says before I cut the link and open a portal for us over to Michael. Jessie starts to head for the portal and whatever is going on with those two I will figure it out in one way or the other!
