

## Wizard 464

Chapter 464: Unbridled Snatching and Killing of the Second-circle! (3)

Just like that, Levi found another three stalks of Windchasing Grass in this area. There were a total of four stalks, enough to refine the Eye Devil's Gaze potion four times.

"I've made a killing. If the Colin Family finds out that I've taken away such precious herbs in this inner area, they'll probably die of anger."

Levi was proud of himself. With his Top Perception and Black Snake's Message, he could easily avoid most transcendent creatures and avoid meaningless battles.

But on the other side, the wizards of the Colin Family were still carefully walking along the map in the periphery, going to their family's ancestral gathering point to find herbs.

"Not bad. I found a first-circle herb that can be marked on the map in the future." Yuko carefully bent down to pick the herbs.

Linda, on the other hand, was calm. No one knew what she was thinking. Suddenly, the corners of her mouth curled up.

"They're finally here," she muttered to herself.

Not long after, a black light flashed in the wind.

Yuko sensed that someone else had arrived, and his expression changed drastically. He quickly became alert and panicked. "How is this possible? It's impossible for anyone else to know about this secret realm's entrance? Ever since Stella betrayed the family, all the apprentice wizards in the family who know about the secret realm must sign a confidentiality contract and not let it leak out. Only a few core wizards who can be trusted 100% don't need to sign a confidentiality contract... Could it be... Impossible! Dwayne can't do such a thing!"

Thinking of this, Yuko looked at Linda. Linda's expression was calm at this moment. She sighed and said, "Yuko, times have changed. The Colin Family is hopeless. Join the great Al Hidd Family with me. Don't make a move later. Listen to those people and take out the secret realm key. Then you can live." "Does Dwayne know?" Yuko resisted the urge to attack and asked coldly. "If he doesn't know, he'll never know..." Linda said expressionlessly. "You..." The hand holding the magic wand was trembling.

Dwayne was in danger!

In order not to destroy everyone's trust and unity and cause unnecessary estrangement, Dwayne chose to believe in Yuko and Linda and did not sign a confidentiality agreement. He and Dwayne never expected that Linda, whom they trusted the most, would betray the family!

It was too late now.

Soon, three figures descended in front of them.

It was the wizard of the Black Sun Flame wizard organization.

Yuko asked coldly, "Are you from the Al Hidd Family?"

"What Al Hidd Family? Are they even worthy of being mentioned in the same breath as our Black Flame Boss? If you don't even know the famous Black Flame Boss in the underground world, how did you manage to survive in the Yellow Earth Continent?" A First-Circle Wizard sneered.

"What?" Yuko's expression was ugly. He had already waved the magic wand in his hand, and a First-Ring Spell—Wind Blade—attacked Boss Black Flame.

Boss Black Flame did not dodge. He allowed the wind blades to attack him, but they were blocked by the black flames in front of him.

"You're courting death." Boss Black Flame waved his magic wand and cast a second-circle black flame spell. Billowing black demonic flames blasted out for dozens of meters and engulfed Yuko.

"Ahhh!" Yuko screamed.

"Yuko, I'm sorry." Linda sighed. A wind blade ended Yuko's life, reducing the pain of being burned by the black flames.

The First-Circle Wizard who was burned by the black flames had no chance of surviving.

"You're very sensible. The two of you, kill these apprentices too."

Boss Black Flame said to his subordinates.

The one-sided slaughter began.

Boss Black Flame calmly picked up the storage bag from Yuko's body and found a crystal ball inside. It was the key to opening this secret realm.

"Do you have any incantations?" Boss Black Flame asked.

Linda shook her head. "This key doesn't have an incantation. It will only give you a hint when the secret realm opens and lead you to the entrance of the secret realm. The entrance to the secret realm is random, but generally speaking, it's concentrated in this Rogue Rift region."

"I see... Then you can die too."

After Boss Black Flame finished speaking, another second -ring spell swept out and swallowed Linda.

Suddenly, flames exploded, and one of Linda's defensive Wizard Tools shattered and fell to the ground.

It was this Wizard Tool that saved her life.

She rode the wind and headed towards the exit of the secret realm.

"Did Lehman ask you to kill me? You went back on your word!" Linda scolded.

Lehlin sneered, 'You're quite vigilant. Stop struggling.'

He shot out another terrifying black flame, drowning Linda in it.

Not long after, Linda's corpse also turned into a pile of charcoal.

"Those who betray their own families deserve to be killed the most."

Lehlin muttered to himself. He, Lehlin, could become a dark wizard who was hated by everyone for the sake of his family. For the sake of his family, he could walk alone in the dark alley and risk his life to live a precarious life.

And this woman had actually betrayed her family. Such a person could not be kept alive!

Otherwise, if she revealed the relationship between the Black Sun Flame and the Al Hidd Family, his brother Lehman's arrangements over the years would also turn into bubbles.

As for the remaining apprentice wizards, they had long been dealt with by the other two dark wizards.

"Let's go. There are still four days. It's enough to find that Levi. This kid is quite fast. He might have already entered the core area. The wind there is comparable to a level 3 or even level 4 great hurricane. He won't be able to go far."

With that, Lehlín led his subordinates towards the inner area. With his Second-Circle Wizard spiritual force Perception, he would be able to discover that brat sooner or later..
