### Chapter 194 I Can Thrive in Navoris

At the moment, only Tessa and Winona were left in the room, and Winona couldn't help but smile triumphantly.

“Tessa, leave Navoris! This place really isn't suitable for you. Look at how much trouble you've caused in such a short time. Now, you're the enemy of every girl in the school. Everyone wants you expelled.”

Now, Tessa had become like a rat running through the street, everyone calling for her downfall.

She no longer had a chance to turn things around.

Tessa lazily lifted her phoenix-like eyes and looked at Winona in front of her, mocking, “Winona, are you really that afraid of my presence? Since I came back, you must not be able to eat or sleep well, right?”

“You!” Winona didn't expect that even at this point, Tessa would still talk back. Suppressing her anger, she tried hard to appear composed. “I'm really just looking out for you. If you leave here, maybe things will get better for you.”

“Don't worry about me, I can still thrive in Navoris.”

Tessa was as arrogant as ever, making Winona want to just beat her to death.

Although, with Tessa's current strength, she probably still wouldn't be able to win.

“Is that so? Since you want to keep going in Navoris so badly, then I can only wish you well.” Thinking of how Connor had actually proposed breaking up, Winona felt deeply upset.

She really hated Tessa. How could someone so worthless

, abandoned by both her pack and h change everything?

mily, come back and

Winona turned to leave, but Tessa spoke up. “Winona, do you feel especially happy seeing me become the enemy of the entire school?”

Winona clenched her fists, not turning back.

“How could I? Even though you don’t like me, no matter what, you’re still my sister, still a Sinclair. How could I be happy seeing you do something like this?” Winona replied hypocritically.

“Heh.” Tessa couldn’t help but sneer. “The thing I hate most is people like you. If you had even a bit of guts and confronted me head-on, I wouldn’t dislike you so much.”

“Tessa, you’ve really misunderstood. This time, I had nothing to do with it. She would never admit it, even if they beat her to death.

“If you say you had nothing to do with it, then I guess it’s fine!” Tessa sneered and walked upstairs.

Winona watched her back, her expression twisted with anger.

“Tessa, what are you so smug about? What kind of person is Sharon? Do you think you’ll be a match for Sharon?”

Just thinking of Sharon's background, Winona was certain that this time, Tessa was done for.

Tessa pulled out her laptop, quickly opened it, and placed it on the coffee table before going to get water.

"Tessie, are you really not going to deal with that post?" Ysabel still thought the post should be deleted. It was damaging to Tessa's reputation.

Tessa poured a glass of water for Ysabel and took a cup herself before sitting down on the couch.

Then, she hacked into Winona's phone, found those unedited photos, and even a short video.

"Come here." Tessa gestured for Ysabel. Winona had really gone to great lengths to set her up.

"D\*mn!" After watching the video, Ysabel couldn't help but curse, "Of course, it's her."

Tessa took a sip of water.

"I just want to tear that little b\*tch Winona apart."

The photos had been edited, so they caused misunderstandings, but the video was crystal clear.

Tessa had simply fallen asleep there, and Nico had only taken off his shirt and draped it over her.

Yet, she had been slandered like this. People's hearts were truly evil!

“But here’s the problem, Tessie. When Nico covered you with the shirt, the tenderness in his eyes could melt honey.”

That was clearly a boy who had fallen for her!

Tessa could tell that too, but she really hadn’t done anything with Nico!

“Tessie, you sure have a lot of admirers.” If Landon saw this video, he would probably go crazy with jealousy!

“But right now, the most important thing is to clear the rumors! We should release this video, and then let’s see who dares to slander you.”

Ysabel was dying to see the reactions of those people once they saw the video.

But unlike Ysabel’s impatience, Tessa remained calm and collected. “Wait a little longer. The timing isn’t right yet.”
