

Won't Play 587

Chapter 587: Dream Team (2)

"Yes... Indeed, there isn't."

After saying that, Shi Jiamu suddenly felt a little embarrassed. Previously, she had boasted to Beiran that she had zone on many adventures and encountered all kinds of crises. However, in just two days, he had already found several weaknesses.

However, this was not the time to feel ashamed. Shi Jiamu looked up at Jiang Beiran again, only to find that he had disappeared again!

"Uncle! You... Where did you go?" As Shi Jiamu spoke, she darted around the room, afraid that he would appear behind her again.

"Hey, what are you jumping around for?"

Following the source of the voice, Shi Jiamu saw that Jiang Beiran was already sitting at the tea table drinking tea.

This time, Shi Jiamu didn't dare to look away. She stared at Jiang Beiran and said, "Uncle! I knew you weren't in the Qi Refining Stage. You must be the Mystic Emperor...No, Xuanzong is right! Otherwise, he wouldn't have been able to leave the range of my spirit sense in an instant. The spirit sense cultivation method I cultivate is a middle grade Profound Grade technique, so even a Profound Emperor wouldn't be able to disappear under my nose." 'Black Grade Spiritual Awareness Cultivation Method huh...'

"Just this?"

Two days later, at Heng Ya Zhai.

Putting away the scroll in his hand, Jiang Beiran said, ""Today's lesson is over." Gao Lanwen let out a breath and bowed," Thank you, Master Jiang.

Ever since she was praised that day, Gao Lanwen's confidence in learning arrays had increased a lot. Although it was still very difficult to learn, she was no longer as afraid of arrays as before. Her improvement speed had also increased significantly.

Therefore, he had grown more respectful towards Jiang Beiran.

"Oh right, I want to borrow someone from you."

"Who is it?"

"Liu Weining."

"Ningning?" Gao Lanwen was a little surprised." Why do you want to borrow that girl?"

"Go to Green Sky Guild and go to Golden Cauldron Island."

Green Sky Meeting, Golden Cauldron Island.

Gao Lanwen was stunned for a moment before she said,""Are you talking about the Golden Cauldron Island where only those below the Mystic Emperor realm can enter?"

"That's right."

"This..." Gao Lanwen blinked her eyes strangely and said, ""But Ningning is just a great mystic cultivator. What can she do to help?"

"Her ability to sense jade is very useful. As for her safety, there will be people to protect her."

When Jiang Beiran had just started looking for suitable candidates, Liu Weining had already made a list in her mind. This girl could even sense the jade in the Cosmos Ring, let alone other places. Therefore, bringing her to the island was basically equivalent to knowing the location of all the jade.

"Since Master Jiang has said so, there's no problem, but Ningning has to be willing."

"Of course. I'm just asking for your master's permission this time. Since there's no problem, I'll go look for her." Jiang Beiran turned around and went downstairs.

"Master Jiang!"

Gao Lanwen suddenly shouted.

"What is it?" Jiang Beiran stopped in his tracks and asked.

Taking a deep breath, Gao Lanwen summoned her courage and asked, ""The Green Sky Guild has... Is there anything I can help you with?"

"No, I haven't."

Jiang Beiran went downstairs after he answered.

"Suck...Phew..."

Gao Lanwen took a deep breath and clenched her fists.

"I'm not angry... Not angry...He doesn't have a problem with me. He's just like that. Don't be angry, I'm not angry..."

When they arrived at the lobby on the first floor, Jiang Beiran did not have to look for them before he heard a familiar voice.

"Sir, let me touch your jade!"

Jiang Beiran said as he threw the swan swan jade toward Liu Weining, who was rushing toward him.

"Follow me to a place."

Liu Weining caught the swan jade and rubbed it against her face. She asked, "Can I touch jade every day?"

"Yes, I can."

"Alright."

With this final piece of the puzzle, which was also the easiest to obtain, Jiang Beiran's Shi Family Dream Team selection was officially completed.

At night, when they returned to the house in Ten Thousand Flower Valley, Jiang Beiran threw the name list to Shi Jiamu, who was studying the card set, and said,""I've chosen the name list. I've already pulled a few of them into the team."

"So fast?" Shi Jiamu caught the name list with both hands and flipped through it.

"Huh?"

Huh?!”

The more Shi Jiamu looked, the more confused she became. In the end, she couldn't help but stand up and ask, “Uncle, are you sure you're not joking?”

“No, I haven't.”

Jiang Beiran answered while making tea.

“But...Even if you say that snatching the treasure is the goal, it's not to the extent of...He wouldn't bring a group of great mystic cultivators to the island, right? What if we encounter a battle?” Jiang Beiran smiled and replied, “Then just don't run into them once.”

“That's easy to say! How is that possible!”

“If I say yes, then yes.”

Jiang Beiran had two plans for landing on the island this time. One was to let everyone put on their clothes and search for treasures without being discovered.

However, there was no lack of cultivators who were good at exploring cultivation techniques among the Mystic Kings. They might also encounter some people with special scouting physiques or magic treasures specially used for scouting.

Therefore, Jiang Beiran had also prepared a backup plan.

The first was to strengthen it according to the situation, and the second was to set up an array to reduce the effect of those detection techniques and magic treasures, or even directly make them ineffective.

With the opponents only having the name of King Xuan, Jiang Beiran had too many ways to play with them. Hence, the Dream Team was formed solely for the sake of treasure hunting. There was no need for combat personnel at all.

She paced back and forth a few steps with the name list that Jiang Beiran had drawn up, but she still couldn't help but shout, ""No! This was too risky! If I fail, how am I going to explain it to my father and the others? Moreover, this is my

first time...Eh? Uncle?"

Shi Jiamu blinked and realized that the uncle who was brewing tea not far ahead had suddenly disappeared.

"Uncle?" Shi Jiamu called out in confusion again.

"He went out?" Just as Shi Jiamu was about to go outside to take a look, she suddenly felt someone pat her from behind.

"Ah!"

Shi Jiamu, who had never been so frightened before, took a few steps back.

Turning around, Shi Jiamu saw the middle-aged man shaking his head non-stop. She took a few quick breaths and shouted, ""Uncle! Is it fun to be a Gam?

"Play?" Jiang Beiran sighed." Think about it. If I was the one who wanted to kill you, would you have panicked like this first?"

"I..." Shi Jiamu fell silent.

"That's why I say that you disciples of the great clans have too little training.

Haven't you met an opponent who can detect you with more divine sense?"

“Yes... Indeed, there isn’t.”

After saying that, Shi Jiamu suddenly felt a little embarrassed. Previously, she had boasted to Jiang Beiran that she had gone on many adventures and encountered all kinds of crises. However, in just two days, he had already found several weaknesses.
