My Ex-Wife and Kids Came In Like A Wrecking Ball Chapter 2031-Glass after glass, the two were immersed in their chatters. Before they knew it, they almost finished all the drinks in the refrigerator.

There were already seven or eight empty bottles on the table.

“Andrius, I hope you can get rid of the habit of forcing yourself. No matter what you do, don’t set overwhelming goals for yourself. You might hurt yourself that way. I don’t want you to be in pain again!”

Being drunk was an advantage. One could speak freely about what was in their hearts.

From the bottom of Mary’s heart, she just wanted him to be happier.

Andrius nodded and looked up to find that Mary’s face was flushed. She was obviously unable to withstand the alcohol rush.

He got up, approached her, held her little hand, and said calmly, “Let’s not drink too much. We’re going out tomorrow. I’ll help you lie down.”

Seeing that handsome face and eyes like midnight so close in front of her, Mary was compelled to get on tiptoes and kiss the man’s lips fiercely.

Andrius froze completely, but he immediately responded as if awakened.

Moreover, he responded with a more ferocious attack. Mary’s head spun around instantly as she felt every pore in her body burn up.

She could not help but let out a soft moan in her breath. She was extremely intoxicated.

However, the man suddenly stopped and immediately picked her up like a princess. He carried her onto the bed.

“Mae, I love you! Sleep well!” Andrius kissed her lightly on the forehead.

Mary still felt dizzy for a while, as if the world was spinning. She knew that she was really drunk. Immediately afterward, she seemed to fall into a trance. It was as if she was entering a void.

After an unknown amount of time, she felt extremely sleepy and dozed off.

When Andrius saw her falling asleep, his eyes were filled with affection. A faint smile appeared on the corner of his mouth.

He was not sure if he was completely healthy now or if something would happen in the future, but he never wanted to see this woman sad.

He was not fully mentally prepared yet. It would be unbecoming of him to make a move on her in his state.

‘This is not the right time yet!’

Immediately, he returned to the desk and finished his remaining work matters.

About an hour later, he stretched, closed his laptop, and looked at the sleeping beauty on the bed. Her sleeping appearance was so sweet he could not help but feel a burst of fulfillment in his heart.

He took out his clothes from the suitcase and went into the bathroom, ready to take a shower.

Mary started sleepwalking as she felt thirsty.

Immediately, she looked for water. In her mind, she was running in a forest and finally arrived at a waterfall.

She was very thirsty. There was a deep pool below the waterfall, and the water was so clear. She quickly bent down and drank with no restraint.

The more she drank, the thirstier she became. She started to feel steamy all over.

She was not sure what was going on. She glanced around and saw that she was surrounded by green grass and colorful flowers. There was a sweet smell in the air.

She noticed that her soul was stirring. White clouds fell from the sky and surrounded her.

The breeze was blowing by her ears as if she was at the top of the clouds. She felt pure ecstasy brimming up within her.

My Ex-Wife and Kids Came In Like A Wrecking Ball Chapter 2032-The smart automatic curtains slowly parted as dawn broke, revealing rays of light that lit up the bed in the room.

Andrius turned his face sideways and carefully watched the sleeping woman next to his pillow.

Her small button nose, delicate red lips, and slightly fluttering eyelashes were so pleasing to the eye.

He never expected to be 'attacked' in the middle of the night.

At that time, he was still taking a shower. Then, the bathroom door was suddenly pushed open.

It was impossible to tell whether Mary was too drunk or if she still had some consciousness.

However, Andrius had no way out. Having her wrap herself around him completely ignited the flames within him.

The sound of running water continued to splash away as the two entangled together.

They both lingered for an unknown period of time.

Right now, even after waking up, Andrius still could not forget what happened a few hours ago.

There was a burst of involuntary impulsivity.

At this time, Mary had already woken up.

However, she was still thinking about whether what happened last night was real or just a dream.

The nightgown she had around her body proved that it was not a dream.

She had come out of her mother's room in her pajamas.

Therefore, her pajamas must have gotten wet and were probably laying on the bathroom floor at this moment.

Suffice to say, she had done the deed with the man while drunk!

Suddenly, she smiled, faintly amused.

However, she was still very bashful, after all.

She could hear the man's faint breathing within earshot and feel the warmth of his body beside her.

Mary could not help herself, but she knew that she had to hold back.

'Get a hold of yourself, girl!'

Thankfully, the man's warm lips approached first, which immediately gave her a way out.

Andrius secretly wanted to kiss her too.

With her eyes closed, she let loose and simply responded.

At first, Andrius wanted to endure it until the right time.

However, his efforts were ruined by Mary.

One taste of that sweet passion and he found that he could not control himself at all.

With her response, Andrius became bolder and quickly wrapped her in his embrace.

They ached because of their longing for each other...

The couple tossed wildly around in bed. When the two woke up again, it was already close to noon.

"Mae, Andrius, are you awake?" Camelia's voice sounded from the door.

With a complete tacit understanding between the couple, they got up and quickly got changed.

Then, Mary spoke first, "I'll get that. You can pretend to be asleep!"

"No, I'll go. It's more natural. You're used to sleeping in. You pretending to be asleep is more realistic!" Andrius retorted.

The two looked at each other and laughed out loud at that moment.

They were both adults, so there was no need to hide anything.

The two walked over together and opened the door.

Apart from oversleeping for three to four hours longer than usual, Camelia noticed that their cheeks were twitching awkwardly. She could not help but smile in relief.

However, she did not ask too much and just said lightly, "I found a good local gourmet restaurant. Let's go together."

"Sure, Aunt Wilson!" Andrius nodded and agreed.

Mary turned her head to look, and her eyes widened immediately. She quickly grabbed him, making him go back into the room.

His neck was filled with eye-catching red hickeys.

'God, how crazy was my dream last night?'

Andrius did not realize this at all and was a little puzzled until he was washing up.

Upon seeing the chaotic 'battle scars,' he glanced at the woman. He caught her looking flustered, which made her so undeniably adorable.
