Wrong Table 1459

Chapter 1459

It was probably another formidable fighter on par with Emmanuel!

The spectacular fight between the two deeply captivated the surrounding onlookers.

After a few burly men realized what was happening, they persisted in forcing

Mackenzie into the car.

Mackenzie gritted her teeth lightly. She was defenseless and had no chance of

escaping moments ago. She refrained from resisting to safeguard the child in her

womb. However, now that Blake had stepped in to save her, she needed to stall and

hoped that her husband would arrive soon!

Yosef seemed to anticipate Mackenzie's strategy and promptly instructed the men,

"Quickly take her away!"

The burly men then reacted.

Swish!

In order to drive Mackenzie to despair, Yosef unleashed his sword against Blake.

A move reminiscent of Dragon Splash made Blake break out in a cold sweat.

His sword was already exceptional, and he even infused internal strength into the blad

to make it slice through obstacles effortlessly.

Blake didn’t dare to not evade!

Yosef then executed a technique known as Moonbeam Sword.

Everyone could see the sword emitting a green light!

“Isn’t that awesome?”

“It’s like immortals fighting!”

The burly men were still not satisfied. They turned back to steal a glance, reluctant to

-let Mackenzie be taken away.

Blake sacrificed his hair and clothes, and even his formidable Ironclad Fabric. It also

bore a faint red mark from Yosef’s sword blade. Eventually, he found an opportunity to

strike Yosef’s temple directly with a Springloaded Fist.

“Dangerous!”

The burly men instinctively exclaimed.

Yosef’s gaze remained composed. In the end, Blake’s fist stopped abruptly about

centimeter away from his temple.

“Swiftstrike Veinbreaker Sword?!”

Blake appeared surprised and slightly pained.

Mackenzie suddenly realized that Yosef’s sword spike had pierced Blake’s wrist when

she was about to be coerced into the car. It was causing blood to trickle down,

impeding his fist’s advancement!

“Where did you learn those sword skills? That’s so cheap!”

Blake bellowed, consumed by anger.

Conversely, Yosef’s gaze stayed calm.

Mackenzie discerned the victor in this confrontation!

The situation looked dire. Mackenzie understood that Blake likely wouldn’t triumph o

Yosef. She needed to devise an escape plan!

“Mackenzie, you must leave now!” Tommy shouted.

Tommy rushed over desperately and lunged at a large man at that moment. He also bit

a big man on the thigh.

“Ah-”

The burly man was hit unexpectedly and yelped in pain. After that, he punched

Tommy’s temple hard.

How could a poor child withstand such a strike?

Tommy’s vision darkened. He collapsed and lay motionless on the ground.

“Tommy! Tommy!!” Mackenzie shouted.

She cried out in anguish.

“My son! My son!” She continued to shout.

Witnessing this, Blake’s eyes blazed with fury

Disregarding Yosef and Mackenzie, he rushed to retrieve Tommy.

“Take him away!”

Yosef coldly commanded the men. The burly men shivered, and they swiftly ushered

Mackenzie into the car!

Mackenzie was filled with grief and anger, yet she maintained a semblance of composure. She realized that engaging with these individuals now might result in harm.

She wasn't afraid of injury, but she feared for the safety of the child in her womb!

Ultimately, the van departed in a cloud of dust.

Yosef also didn't continue to attack Blake. Instead, he safeguarded the Tanner family's bodyguard to fulfill the mission before he sheathed his sword and left.

Meanwhile, within the villa.

Upon receiving the news from Roselynn, Emmanuel was so elated that he nearly dropped the teacup in his hand!

it

"Roselynn, you're telling me the truth? Mackenzie really has a child?" Emmanuel asked.

Roselynn felt like she was about to be scattered by his shaking for a moment. She quickly moved his hand away and replied, "Why would I lie to you? She confirmed it

herself!”

Emmanuel was completely shocked. His body froze in place, but his heart was fi

with joy!

After a moment, he smiled and exclaimed, “I’m going to be a father? I’m really going to

be a father?”

He had never imagined that he would one day become a father.

Upon returning from the Northern Region, he faced a major setback in life and was

feeling discouraged. He even doubted if he would ever get married.

After seventeen unsuccessful blind dates, he felt even more convinced that no one

would want to marry him.

However, he never anticipated that fate would be so kind to him. Not only did he marry

Mackenzie, but he also blessed him with a child after enduring numerous trials for half

a year!
