Wrong Table 1462

Chapter 1462

Then, he reached out to lift Mackenzie's chin.

She dodged him calmly!

Under normal circumstances, she would definitely not hesitate to use her skills to

counterattack, but today she wore a smile of compromise. "Young Master Tanner, I am

already a married woman, so I am just a piece of trash in the eyes of people like you.

Please be more respectful!"

She intentionally belittled herself to make the other party lose interest in her and ensur

her own safety.

Unfortunately, Aidan didn't lose interest because of this. Instead, he licked his lips and

said, "As the saying goes, friends' wives are not to be touched, but I particularly enjoy

playing with other people's wives!"

Mackenzie's lips twitched slightly as she suppressed her disgust and emotions while

thinking about how to escape the situation.

But even with her intelligence, she couldn't think of a good solution at the moment!

Most importantly, her weaknesses were too obvious now. Being pregnant for the first time, she was afraid of causing harm to the fetus, and she had great concerns. She was even afraid to run too quickly!

Upon seeing Aidan approaching again, she could only continue to step back.

"D*mn! If you keep dodging like this, don't blame me for being rough with you!" He wa annoyed. "I regretted not doing anything to your sister that night. This time, I won't make the same mistake again. I must have you!"

"Wait!"

Mackenzie quickly stopped his relentless approach. Then, she forced a smile. "Young Master Tanner, I'm sorry, but I'm on my period. How about you invite me over after a week?"

"Oh? Invite you over again next week? Will you really come? Do you take me for a fool?"

Aidan was skeptical. Could it be so unfortunate that she happened to have her period now?

Upon seeing him still somewhat doubtful, Mackenzie also secretly pondered. It seemed that this guy still didn't know about her pregnancy. Otherwise, he would know that it's impossible for her to have her period!

"Of course, I'll come. Who would dare not to show you respect, Young Master Tanner?" Mackenzie said with a smile that seemed both genuine and fake.

Aidan stared at her intently, his eyes still full of suspicion!

After a while, he grinned. "Do you think I'm so easily fooled? If you want me to believe you, take off your clothes, and let me check if you're really on period!"

Mackenzie immediately gritted her teeth secretly but didn't show any signs of anger.

Instead, she chuckled. "Young Master Tanner, there's a saying in our hometown that it's inauspicious for a man to see a woman's period."

"Haha! Inauspicious?" Aidan laughed heartily, then said proudly, "I believe the least in these superstitions! If I believed in them, I wouldn't have done all the outrageous things! So, are you going to take them off or not? If you don't, I'll do it for you!"

“Young Master Tanner, please don’t act recklessly!” Upon seeing him getting closer st

by step, Mackenzie raised her hand to signal him to stop. “All right. I’ll take them off for

you.”

“Hehe. Ms. Quillen, you’re quite understanding and much smarter than your sister!” He

intentionally exerted pressure on her. “Do you know? If you don’t cooperate with me

today, I’ll beat you up. I’ll break your limbs, tie you up, and torture you slowly! You’re just

a young lady from abroad. You are nothing in my eyes!”

Upon hearing his words, Mackenzie couldn’t help but shudder slightly. If he really

treated her like this, she wouldn’t be able to protect her child in her belly!

She secretly put her left hand into her pocket, gritted her teeth, and used the Empress

Blade she carried with her to make a small cut. She endured the pain without showing

any signs.

Then, she covered her bleeding fingers with her hands, placed them on her slender

waist, and pretended to be about to take off her pants.

“Hehe. I wonder how tempting the body of the number one goddess of Yeringham is?”

Aidan’s eyes

lit

up with anticipation.

It had been a long time since a woman had ignited this flame in him. It was like a fierce

blaze and something that other women couldn’t achieve no matter how hard they tried,

even if they stripped naked and danced wildly in front of him!

Mackenzie was wearing loose white casual pants today. Just as she was about to pull

them down, she suddenly stopped, twisted the waistband a bit, and exclaimed, “Ah,

Young Master Tanner! Look! It’s all seeping out!”

Aidan looked over and furrowed his brows in annoyance. “D*mn it! It’s inauspicious!

You weren’t lying to me after all!”
