

Y. Goddess 225

Chapter 225 - My Sweet Time With Mio And Evelyn

Inside my tent, I was only covered with warm blanket.

Inside the warm blanket... Mio touched me sensually and Evelyn touched me awkwardly.

According to the promise I had given before, Evelyn had earned the right to sleep with me after showing her true abilities.

The assessment that Mio had given was also quite high, it made Evelyn have another right, like sharing her love to me with Mio.

On a cold morning like this, I felt the warmth of the bodies of two girls who deliberately made my body half-naked.

The black military uniform that I had been wearing was successfully removed from my body by Mio's one-handed movement, it was too professional when Mio had mastered the technique of stripping my body with one hand until all that was left on my body was thin underwear.

It wasn't too sexy to look at, but it was able to change the cold air in the morning like this into a hot air full of passion.

"Haahhh... Haah... Lily-sama," Mio called my name with heavy breath after her body was also half-naked with her underwear.

Inside the tent that could accommodate three girls to sleep together, it was enough to create a more intimate atmosphere.

I felt this strong intimacy and took advantage of this situation to complete the Yurification Quest that my Goddess had given me.

Together with Mio and Evelyn, I tried to let them give sensual touches and sleep half-naked passionately based on the Quest provisions that my Goddess had given me.

My breathing became heavier after Evelyn tried to lick my neck with her tongue.

Sluurrppp...

"Lily-sama, I-I can lick Lily-sama's neck like this, right?" asked Evelyn who still looked awkward after getting the permission I gave her to do anything to my body.

"Do as you please, Evelyn," I replied while feeling Mio's licks that also wet my neck.

Sluurrppp...

"Haaaauu..." I gave a moaning sound when Mio's tongue licked my neck.

Sluurrpppp...

Evelyn seemed to feel what Mio had done then try to lick my neck.

Sluurrpp...

Feeling the two tongues licking my neck at a same time, I felt quite strange ticklish with the movement of their tongues that suddenly moved towards my breasts.

Inside the tent that was starting to be filled with explicit sensual activity, I had become the victim of two girls who were giving their love to me.

The licks given by Mio and Evelyn moved towards the cleavage of my breasts which were now covered in sweat and a mixture of their saliva.

"H-Hey, I think this is too much if you all do something like this at the same time," I tried to suppress the sensual touch given by Mio's tongue and Evelyn's tongue.

However, it seemed too late after their tongues started to climb my breasts which suddenly became naked after the bra I was wearing was removed by Mio's hand.

Ploopp...

With a gentle pull that I didn't feel, now my breasts were naked in front of Mio and Evelyn.

My heavy breathing became uncontrollable, it showed my shame who was exposed without being able to do anything like this.

"L-Lily-saaaa...." Evelyn gave her words of admiration after seeing my naked breasts.

"Like a chocolate cake with strawberry topping on top, can I lick Lily-sama's strawberry topping?" with polite and gentle words, Evelyn seemed interested in licking the pink strawberry topping on my naked breasts.

If I were not carrying out the Quest given by my Goddess, something like this would get a big rejection from me.

To fulfill the Quest that requires a sensual touch from Mio and Evelyn simultaneously, I have to endure receiving sexual stimulation given by both of them.

"Evelyn, you don't need to be too polite to do what you want to do. I should do this to keeping my promise to sleep with you half-naked like this," I said to give a brief explanation to Evelyn who still hadn't gotten rid of her awkwardness to give a sensual touch to my half-naked body.

"I-I'm sorry, Lily-sama. T-This is my first time doing something lewd and obscene like this," Evelyn said with her face covered in a pink blush.

Sluurrpp...

"Haauu... Mmnn..." I suddenly let out a moan when one of the strawberries on top of my bare breasts was sucked by Mio's mouth.

The loud moan made Evelyn glance at Mio who was currently enjoying the strawberry at the tip of my bare breast.

"Huummnn... Ahhnn... M-Mioooo..." I gave soft words to Mio's mouth and tongue movements that had teased the strawberry at the tip of my bare breast.

Sluurrpppp...

I had to endure the sensual touch given by Mio to carry out the Quest from my Goddess who proved her pervertedness in seeing one of her Saintess who was enjoying a sensual touch like this.

While Mio was giving a sensual touch to the strawberry at the tip of my bare breast, suddenly I felt a bite that made my body tremble when I felt it.

Ckuutt...

"Aaww... Mnn..." I suddenly screamed softly after feeling a small bite given by Evelyn.

Evelyn who initially looked embarrassed and felt awkward now seemed not to want to lose to Mio who gave a strange sensation to my body which was hot with passion like this.

Sluurrppp...

Sluurrpppp...

When the two strawberries on the tip of my naked breasts were sucked in the same time, I felt the urge to release holy water that began to wet my panties. If the holy water came out and wet my panties, then the magic catalyst that Zoe liked would be created.

"Hmnnnn... Ahhhnn..." but my body was unable to withstand the love given by Mio and Evelyn simultaneously.

Their love that was written from the heart would make me look like a bad girl who didn't admit their love.

By regulating my panting breath along with the moans of pleasure given by Mio and Evelyn, I began to say the words that would release the holy water from my lower body that was covered by panties.

"I-It seems like my holy water is going to come out..." I said in a soft tone and felt the shame that began to spread throughout my body when I said something so lewd.

Mio responded to my words by touching her fingers on my panties which were already wet with love juice.

The love juice that had come out began to wet my panties again as a sign that my holy water would come out too.

"M-Miooo... don't touch my panties that are wet like this," I muttered softly while giving a glance of my eyes that glanced at Mio.

Mio realized my gaze, but that made her smile and start to act even further by giving her overflowing love for me.

Caress...

"Huuu!! Nyaaahhh!!" I was like a female cat being played with by another female cat.

Mio's hand that had touched my panties immediately buried her fingers that almost entered my real pleasure place. Luckily, Mio's fingers were blocked by my panties which were holding Mio's fingers from sinking deep inside.

"Uuhhh... Huungg..." My body which felt increasingly strange and ticklish began to lose control.

Squuuuuirrrtt...

Control over my body immediately disappeared when Mio and Evelyn gave their bites simultaneously, making me release control of the holy water that began to flow out of my lower body.

"Huuuu!! Auuhh!!" with a scream that sounded cute like that, I began to release holy water until it wet my underwear.

Squuiirrrtt...

Cekcekcek...

Because Mio's fingers were still moving above my panties which had been wet with love juice and holy water, it made a wet, muddy sound above my panties.

I, who had lost control, received the love given by Mio and Evelyn until my lips received a soft kiss given by Mio's lips.

Chuuuppp...

Through that soft kiss, I could feel Mio trying to apologize to me for going too far in teasing my sensitive body.

My panties which had been wet with love juice and holy water immediately received full attention from Zoe who had been waiting for her favorite magic catalyst.

I could feel Zoe crawling out from behind my hair and leaving her job as a butterfly hair clip.

"My esteemed master, may I enjoy the panties that have become the magic catalyst for my snack?" asked Zoe who had crawled out from behind my hair and crawled up to my nose.

Using her butterfly spirit form, Zoe tried to be polite after seeing my half-naked and messy body.

The love given by Mio and Evelyn was so great, now both of them looked exhausted after making me release holy water that wet my panties.

"Un, please get me my other panties before doing that," my body which was starting to feel weak after receiving the love given by Mio and Evelyn could only nod to Zoe.

"Fufu... thank you very much, my Master. After this, I will show off to Momo and Sirius who seem curious about the sound of my own Master's moans."

I didn't have the energy left to respond to Zoe's words and started to close my eyes after feeling the pleasure of love given by the two girls who were now sleeping beside me.

Mio and Evelyn fell asleep while making cute snoring sounds.

They both fell asleep soundly after their love was conveyed to me.

My body was starting to feel sleepy could only watch Zoe who used her human form to pull my wet panties.

"Oh my, this is truly a spectacular sight," said Zoe with her hand movements that slowly pulled my panties that had turned into a magic catalyst.

With the mixture of love juice and holy water, it has change my panties into a magic catalyst that is much more valuable than panties that is wet with sweat.

Thanks to the blessing that has been given by my Goddess, it seems that every Saintess sweat is a sanctity can create a new type of magic catalyst.

"Ugh! My head feels dizzy..." When I thought about something complicated, suddenly my head felt dizzy as if making a small protest for my body who want to sleep immediately.

I immediately closed my eyes and felt every breath I took.

A soft melody made me feel the pleasure of life filled with love and affection.

Ploopp...

When my drowsiness began to spread and my panties had been taken by Zoe to be her food, I felt the cold wind in the morning that made my lower body feel cold.

"Z-Zoe, can you put on my panties so that my lower body doesn't feel cold?" I said to Zoe before falling into a deep sleep together with Mio and Evelyn.

"Yes, please wait a moment, my Master."

Along with the answer given by Zoe, I enjoyed this sleep time by feeling the warm breath of Mio and Evelyn.

The warm breath on my right and left had led me into the gate of the dream world that I was ready to enter.

Along with the movement of Zoe's hand that began to put on my panties on my lower body, it made me step forward into the gate of the dream world until my mind fell asleep.

After feeling the love given by Mio and Evelyn, I feel happy today.
