

Y. Goddess 227

Chapter 227 Evelyn Wild Cat Nature

When I woke up from my deep sleep like this, I was surprised by an itchy feeling that filled my neck.

When I realized it, it came from Evelyn who had quietly woken up first and gave her a little kiss that seemed to mark my neck with the kiss she gave.

The morning that had not yet risen had made Evelyn move freely behind the morning darkness.

In the tent that had been warmed by the embrace of the two girls' bodies, I began to give a gentle touch to Evelyn's half-naked body.

The touch of my hand was directed at Evelyn's back which felt sweaty after sleeping with me.

"Good morning, Evelyn," I whispered to Evelyn and moved my hand to rub her back.

"Nyaa!! L-Lily-sama!?! " With her cute little squeal, I could hear Evelyn's voice, which was surprised by the touch of my hand.

Evelyn's sweaty back in the morning had shown herself who was too comfortable sleeping half-naked beside me.

"Hmm... Uhh... Lily-sama... please don't kiss me in public like this," Mio said in her dream that suddenly sounded in my ears.

Mio who said the words in her sleep also caught Evelyn's and my attention. Mio's attitude who was still sleeping soundly in the morning like this indicated that she felt comfortable to stay sleeping in the wild nature like this.

"It seems like Mio have a beautiful dream together with Lily-sama," Evelyn said to break the morning that seemed silent like this.

"Yes, it seems like it was a beautiful dream for Mio, so she can mumbled in her sleep like that," I said while giving a gentle caress of my hand on Evelyn's back which began to feel warm with the blush that filled her face.

Unlike her awkward self like before, now I could feel that Evelyn was trying to give her love like a shy cat.

"Um, Lily-sama, maybe this sounds sudden. Does Lily-sama always do lewd things like this with other girls?" Evelyn asked suddenly made me smile subconsciously to tease her.

"Hmm?" I answered by clearing my throat and smiling a little to tease her.

"I don't always do this with all girls, only selected girls who are worthy to give my love to them," I replied by giving an answer that made Evelyn shy and filled with pink blush on her face.

The answer I gave seemed to have made Evelyn think about what had happened to her.

Under the cover of darkness from inside the tent, I began to notice Evelyn's face which vaguely wanted to kiss me on the lips.

Her awkward attitude in giving a kiss and her blushing face made her a little nervous like a young girl who just wanted to give a kiss on the lips for the first time.

"Is that so?"

"Does that mean I'm special to Lily-sama?"

"Doesn't that mean that other women can also be special like me?"

While asking a question that needed an answer from me, Evelyn dared herself to bring her lips closer to mine.

With just one small push, our lips will touch and make a morning kiss while waiting for the sunrise.

Evelyn's attitude became awkward again after her lips were only a finger away from my lips, with the pull of my hand that was still on her sweaty back, I made a movement that made Evelyn push towards me until our lips touched each other.

Chuuppp...

The kiss that happened in this early morning happen in harmony vibe with the chirping of birds that were welcoming the sunrise. The sky that was still dark and the cold fog in the morning that was faintly visible began to make this soft kiss feel warm. The warmth kiss began to seep into my half-naked body and my heart's feelings were warmed by the love given by Evelyn.

Chuupp...

The kiss that felt soft began to fill my heart's feelings that felt warm.

The awkwardness given by Evelyn's lips began to disappear with the movement of her lips and tongue that began to enter my mouth even deeper. The shy cat that previously felt awkward returned to being a wild cat that was thirsty for affection like this.

Sluurrpp...

Just like Evelyn did in midnight, she gave a kiss that enjoyed every suck on each of our tongues that touched each other. Inside my mouth was filled with saliva, and we licked each other's tongues without leaving any room to breathe.

Holding our breaths, we kissed like a pair of lovers who wanted to compete to hold each other's breath.

Chuuuppp...

Sluurrpp...

The licking and sucking that I gave seemed to make Evelyn almost lose all her breath. By releasing our lip kiss, I could see her gasping for breath.

"You have a short breath, huh?" I said to tease Evelyn to kiss longer by holding her breath.

"N-No, usually I can hold my breath longer. But this time it stopped because my lower body felt strange," Evelyn gave a cute reaction on her face when she wanted to find an excuse for herself who had a short breath.

"Is there a problem with your body?"

"I-I think I want to pee after feeling the warm kiss given by Lily-sama," Evelyn replied with a small whisper.

When I heard a reply like that, I started to smile and moved my body closer to her side. My hand which was still on her back immediately pulled Evelyn's body closer to me.

Sruukkk...

"L-Lily-sama?" Evelyn's face looked confused after I approached her.

We who were lying together gave another kiss that made Evelyn's eyes widen. My hand that was on her bare back began to move towards her smooth butt that was full of sweat.

Caress...

When the touch of my hand touched her butt, Evelyn suddenly moan and a warm liquid began to be felt inside the blanket that we were using.

"Huukkk... HUUU!!" by closing her eyes and holding back the sound of her moans that came out, I could see Evelyn who seemed to feel embarrassed after the warm liquid came from her lower body.

"Hmm? Did I just see this cute Evelyn feel the pleasure of heaven for the first time?" my little tease who knew about what the warm liquid was.

By moving my hand that was still touching her smooth butt, I began to wipe the warm liquid that Evelyn had given me and smeared it on her butt.

"Your love juice feels so slippery, it's much slippery than the love juice I produced last night," I said while teasing Evelyn who looked blushing after feeling her love juice being used by me to caress her smooth buttocks.

The teasing I gave seemed to make Evelyn blush even more. It was seen from her face which was now flushed red like a ripe tomato ready to be harvested.

"Lily-sama... Uhh..." Along with the caress I gave to her soft buttocks, I saw the sight of a young girl enjoying the sensual touch of her half-naked body.

My hands pulled her body again until our breasts touched each other.

"Hey, Evelyn... do you want to feel the love I want to give you?" I asked while giving her a naughty smile.

"Eh?" Evelyn only gave an answer filled with question marks on her face.

With the pull of my hand that began to squeeze her soft buttocks, I gave a strong push to my body until our breasts rubbed against each other.

Boiinnng...

Boiinngg...

"Huu!! Mmnn!!" Evelyn held back her moans perfectly.

Her facial expression seemed to enjoy the friction of our breasts and her buttocks were gently squeezed by my hands making Evelyn look like a perverted girl who was enjoying a lewd touch in the early morning like this.

"Uuhh... Ohhh!" several moans from Evelyn's mouth were released and showed her eye pupils that change into the symbol of love.

I just smiled when I saw Evelyn who was starting to get carried away in this sensual pleasure.

Squuiisshh...

Ploomm...

Ploooooommm...

The rub that I gave to our breasts began to loosen the bras that we were wearing until a pink peak from the tip of our breasts touched each other.

"Haaau!! Ahh!!" Evelyn moaned again after she felt pleasure where her naked breasts touched my breasts.

The caresses that I gave to Evelyn's smooth buttocks became stronger until my hands had unconsciously pulled her panties which now made my hands enter Evelyn's forbidden area.

"Wait! Don't touch that dirty place, Lily-sama!" Evelyn screamed with her face enjoying all the touches I gave her.

From behind this tent, I could see the sky slowly starting to brighten and I had to fight time in enjoying the sensual touch of my hands on Evelyn's half-naked body.

Caress...

"Ahh... Uhh..." Evelyn's gasping breath showed that she was enjoying the sensual touch I gave her too much.

Before Mio woke up from her sleep, I had to immediately give her a sensual touch that made her feel pleasure like before.

My finger that had tease her panties suddenly touched a thick hair that made me smile at Evelyn.

"It seems like this hair needs to be shaved after growing thickly like this," I said teasing Evelyn.

"Uuuuhh..." Evelyn could only hide her face by tilting her face downwards. Behind that embarrassed face, I could feel a small determination from Evelyn to shave the hair that grew thickly like that.

The touch of my hand on her thick hair stopped after her body suddenly shook and my fingers felt the thick warm liquid coming from Evelyn's forbidden area again.

"Hmm... you are releasing your love juice again? Does my touch feel so good that it makes you release love juice continuously?" The teasing that I gave now made Evelyn's face filled with an unbearable blush.

If I continued to give such teasing, it seemed like it would make Evelyn feel awkward which would make her move away from me.

To prevent Evelyn from feeling awkward and moving away from me, I gave her a small and loving kiss on her forehead.

Chuuuppp...

"Thank you for accepting my love in the morning like this, Evelyn," along with the soft kiss I gave and my little tease on her smooth butt, I started to move away from Evelyn's body that was close to mine.

Our breasts that were touching each other started to come apart and the tease I gave was over along with Evelyn's satisfied expression.

"I-I should be the one to say thank you to Lily-sama for giving me your precious love," Evelyn replied with her gaze trying to look at me.

Our gazes that stared at each other made her blush again.

Along with her face filled with a red blush like a tomato, a bird's chirp in the morning had woken up several noble girls who were getting ready to cook breakfast in the wild nature like this.

Mio also woke up and looked at me in surprise after seeing Evelyn whose face was covered in a tomato-like blush.

"It seems like I woke up too late to see what Lily-sama was doing to Evelyn-sama, huh?" Mio said with an annoyed expression on her face towards me.

With this, our military activities resumed.
