

Y. Goddess 24

Chapter 24 - 4Kiss1Girl

I don't know what happened.

Without any logical reason, Alice and Alyssa came to pick me up.

My question now is...

Why are they both sitting so close to my body?

Currently, Alice is sitting on my right side and hugging my right arm while Alyssa is sitting on my left side while hugging my left arm tightly.

"Um, did something happen at home?" I asked while looking at them.

"Huum~ nothing. Ehehe.. Onee-sama.."

"Hoonya~ nothing. Ehehe.. Lily-nee.."

Alice and Alyssa's arm hugs got tighter when I asked that.

"Alice... Alyssa.. Umm.. my body is a little sweaty and smelly. Can you let go of your tight hug?"

"Eeeh~ but Alice likes this scent, Onee-sama.."

"Umu! Alyssa also likes Lily-nee's body fragrance.."

E-Eh? What happened to those two?

Something must have happened at home and I have to hurry home to find out.

"Umm, isn't it too smelly? I'm sweating right now" I tried to release my two stepsisters' tight hug.

"Moooo~ Onee-sama.. just a little.."

"Alice~" I called my cute stepsister.

"Alyssa~" I also called my equally cute stepsister.

"I'll kiss you both if you two release it~" I teased my two stepsisters a little with a sweet threat.

"Hiiyaaa!!"

"Muunya!!"

Hearing my unusual threat, my two sweet stepsisters let go of their hug and moved a little away from me.

"O-Onee-sama.. t-that kiss isn't.."

"L-Lily-nee.. k-kiss.. isn't that what Mom often does to Dad every morning?"

"W-What are you saying, Alyssa!" Alice said while covering Alyssa's mouth.

Ah, this is the first time I've seen their different thoughts. Alice seems very sensitive to this topic while Alyssa is too innocent to say it.

Um! This is very good.

At least I know two different sides of my twin stepsisters.

"Have you ever done it?" Seeing their innocence, I wanted to tease them.

"Did it??" replied Alice and Alyssa simultaneously.

"Did a kiss," I replied with a smile to tease them.

"K-Kiss??" Alice and Alyssa were very surprised by my reply.

"N-Noo... O-Onee-sama... Onee-sama has never done it either, right?!"

"Uh, K-Kiss... R-Right! Lily-nee must have never done it, right?!"

Eh, they were both very interested in this topic.

Hearing their answers, I immediately stood up from my chair and walked over to Mio. Understanding what I was going to do, Mio immediately stood up from her seat and closed her eyes then gave me her beautiful lips.

I kissed Mio in front of my two step-sisters.

"Hawawa!! Onee-sama!!"

"Awawa!! Lily-nee!!!"

Alice and Alyssa were very surprised. Unlike Mio's family who had understood our relationship, maybe it was too early for Alice and Alyssa to see it.

I let go of Mio's lips and returned to their seats.

"So, do you want to tell me now? I'm going to kiss Alice and Alyssa~" I said in a teasing tone to my two stepsisters.

By teasing them, maybe our relationship will get closer.

That's right!

Do I need to do the Linked ritual with them? I'm also curious about the potential power of my two stepsisters.

If Mio has an unexpected great power potential, don't my two stepsisters have great power potential too?

"Aliiicee~" I brought my face closer to Alice's face. The blush on her cheeks quickly spread to her entire face.

I stroked Alice's face and touched her tiny lips. Our age difference isn't that far apart and this is a normal relationship between a stepsister and a stepsister, right?

[Of course!]

Eh? G-Goddess...?!

[Um, forget about my presence. Please continue with your needs, Lily-chan.]

Um, I hear... this a forbidden relationship for step siblings?

[Lily-chan, there is no prohibition regarding this relationship! As the Goddess of this world, I grant my blessings on this relationship!]

Ah.. Um... I see...

O-Okay then...

"Alice... Chuu~" I called Alice's name before kissing her lips.

At that moment, a thin aura in the form of a red thread began to bind my ring finger and Alice's ring finger. I could feel our relationship getting closer.

Chuuu...

Alice's lips were very soft. I wanted to enjoy every shape of her lips, but Alyssa pulled my arm and separated our kiss.

"L-Lily-nee!! Alyssa also wants to kiss Lily-nee!!" It seemed like Alyssa also wanted to experience her first kiss.

I could see Alyssa's pouting expression as she felt left far behind by her sister.

"Lily-nee.." Alyssa prepared herself by closing her eyes.

Slowly I kissed Alyssa's soft lips, the soft sensation of Alyssa's small lips made me want to stay connected with Alyssa. I could feel the aura of the red thread that tied my ring finger to Alyssa's ring finger.

Chuuu...

With this, I was bound to my two step-sisters and one step closer to understanding them.

"Um, Lily Onee-chan? Can I try it too?" the sudden request came from Nimi.

"Eh?!"

"Eeh?!"

Mio's father and Mio's mother were very surprised after hearing Nimi's request.

"Nimiii?" even Mio was surprised by her spirit little sister's request.

"Onee-sama also did it with Lily Onee-sama, can't Nimi do it?" Seeing Nimi's sad facial expression made Mio's family a little confused.

"Then, I'll do it too!" said Mio's mother.

Mio's mother then stood up from her seat and approached my seat.

"M-Me too!" Nimi followed Mio's mother's footsteps and approached my seat.

Mio's mother started kissing my lips. Unlike the soft lips of my two step-sisters, the lips of an adult like Mio's mother were too big for me. It looked like Mio's mother's lips were devouring my small lips.

Chuuu...

"W-Why is this? M-My wife is cheating on me... in front of her husband?" Mio's father held back his sobs a little.

"But, I'm a little relieved that she's cheating on me with a sweet girl," Mio's father continued.

My ring finger is now connected to the red thread aura that is tied to Mio's mother ring finger.

After having a little kiss with Mio mother, Nimi started to approach me slowly and kissed my lips slowly.

Chuuuu...

Eh? Why is this? I can feel the sweetness in Nimi's saliva.

The sensation of Nimi's soft lips and the sweetness of Nimi's saliva made me feel like I was flying in the air.

Different from the red thread aura that is tied to my ring finger. The red thread created from my relationship with Nimi tied my wrist.

Nimi released her lips from mine, she seemed to smile with satisfaction at me.

Mio mother and Nimi returned to their chairs.

Deg... Deg... Deg...

What is this?! I can feel a big change happening in my body.

Em? Does this mean I get four different powers entering me at the same time?

[Em, Lily-chan.. Maybe it will hurt a little. So, I will resist magic to suppress the pain for a while.]

Eh? Eeeh? Eeeeehh?!!

What is this pain? Its too much for me!

Even though the Goddess helped me to suppress the pain, its still hurt my chest.

However, the pain I felt with this small body was very pronounced.

"Kuhuuu!!" I tried to hold back my voice of pain.

"Eng? Onee-sama?"

"Lily-nee?"

Alice and Alyssa looked at me as if they noticed the change in my facial expression.

"Em, can you finish your food and tell me about the problems that have occurred in the house?" I said to distract my two step-sisters.

"Em.. Anoo... Onee-sama. The Queen of the Kingdom will visiting our territory and wants to discuss Onee-sama's engagement with the First Prince of the Kingdom," said Alice in low tone.

"PHFUUUU!! UHUK!!" Hearing Alice's words, Mio who was drinking warm tea choked.

"Engagement?" I was a little confused by that sentence.

What I know is that my relationship with the First Prince of the Kingdom is very cold. Even at the previous royal party, he threw a glass filled with red wine at me.

[Lily-chan, can I send heaven punishment on them?]

Goddess... I think that's too much.

[Kuuuh.. My Lily-chan is too kind.]

"Did Father accept the offer?" I asked to make sure.

"Um, right now, Father is stalling for time and told us to pick up Lily-nee" Alyssa replied.

"Then, we'll go home now."

I stood up from my seat and rushed towards the waiting horse-drawn carriage.

"Lily-sama! I'll go back with Lily-sama!" Mio said hurriedly.

Ugh! I don't want to get involved in the kingdom's political problems.

This is already too much for a 5-year-old girl, who knows what kind of evil plan that person has prepared?

Engagement, huh?

That sounds so ridiculous to me.
