

Ye Chen 2991

Chapter 2991

It was because Ye Changmin did have real feelings for Zhong Zhengtao that she decided, in spite of her obvious fear of Ye Chen, to give Richard Chen a call.

Coincidentally, Zhong Tianyu, at that moment, had just got his mobile phone back.

After Ye Chen had the phone handed to him, he threatened in a cold voice, "Remember, you can only call Ye Chengming, if you dare to call a second person, I'll break your hand!"

Zhong Tianyu was indignant in his heart, but how could he dare to act tough on his face.

He could only nod honestly and said, "Don't worry, I'll call Auntie Ye!"

Ye Chen laughed, "Don't forget to turn on the speaker!"

Zhong Tianyu nodded resentfully, and just as he lit up his mobile phone screen, he immediately found that there were multiple pushes from the app on his phone.

And the titles of all these tweets were all related to himself!

Some of them were "Zhong Tianyu made a mistake in buying fans again and the scene was exposed!"

Some are "Zhong Tianyu met 300 warriors in Jinling, the scene is chaotic, comparable to a blockbuster!"

There are even a few article reads, "Zhong Tianyu: buy fans, I'm serious!" , "Zhong Tianyu: professional buy fans for 100 years!", "Zhong Tianyu: professional buy fans for 100 years!" The article reads, "Zhong Tianyu: I don't produce fans, I'm just a mover of fake fans!"

Seeing these tweets, Zhong Tianyu didn't need to click on them to check the details, he knew that these people must have posted his ugly appearance at the airport online!

Moreover, his own embarrassment at the airport was a mess, and I'm afraid that this kind of video will explode on the Internet as soon as it reaches

I don't have to think about it, but I know that the netizens on the Internet now are definitely launching a mass mockery of themselves.

It is possible that their own reputation, this time to completely finished calf.

The entertainment industry, occasionally a little scandal can be justified, but if this scandal is too big, it may be difficult to have a chance to turn the tide in this life.

Ye Chen saw him staring at the phone with a pale face, so he coldly scolded: "What are you still standing there? Hurry up and call!"

Zhong Tianyu's eyes were red with aggression, almost shedding tears, but he held back hard and immediately dialed Ye Changmin's phone, then pressed the speaker again.

Chapter 2992

In his opinion, whether he can turn the tide, whether he can kill this arrogant guy, all depends on this phone call!

At this moment, Ye Changmin was about to call Chen Zekai, when he suddenly received a call from Zhong Tianyu, he was a bit stunned and shocked, then he hurriedly pressed the connect button and said out of the blue, "Tianyu, what happened to you? Your father just called me and said that you were taken away in Jinling, he was so anxious."

Zhong Tianyu cried out as if he had grabbed a lifeline, "Auntie Ye, you have to save me, Auntie Ye!"

Ye Changmin said, "Tianyu, take it easy, tell auntie slowly, what's wrong?"

Zhong Tianyu, full of grievances, could no longer suppress, choked up and said, "Auntie Ye, a guy named Ye Chen asked Chen Zekai of the Ye family to kidnap me to Buckingham Palace, they also found hundreds of strong men to humiliate me at the airport, I suspect that this guy is a relative of the Ye family, you must help me to do justice!"

Speaking of this, Zhong Tianyu suddenly whimpered and cried out in pain.

Ye Changmin heard this, a heart suddenly turned cold.

She thought to herself, "In all of Jinling, I can help you take care of anyone you mess with, but only Ye Chen can't be messed with, but you still messed with Ye Chen's head and you're asking me to do you justice, do you know that when Ye Chen held me in Jinling, no one could do me justice"

When Zhong Tianyu saw that Ye Changmin on the other end of the phone was silent for a moment, he asked impatiently, "Auntie Ye, are you listening?"

Ye Changmin came back to her senses at once: "Ah? Uh I I'm listening"

Zhong Tianyu lost control of his emotions and broke down crying, "Auntie Ye you you must help me ah I I've grown so big, I've never even suffered this much aggravation!"

"And moreover they not only humiliated me, but they also fucking beat me!"

"Now I'm this my face is all swollen from being whipped"

"But I have to attend Gu Qiuyi's concert in a few days and be her special guest in a few days"

"

"Face face swollen like this, how can I meet people then ah me!"

"I can't wear a mask and pretend to be the masked singer at that time... .."

Ye Changmin listened to him cry like this at the other end of the phone, but her heart was very powerless.

She sighed and opened her mouth to ask, "Tian Yu ah how did you get into trouble with Ye Chen ah?"

Chapter 2993

Zhong Tianyu Crying, he said, "I just had a couple of arguments with him on the phone, which I didn't expect to be caught by his people when I got off the plane"

Ye Changmin said helplessly, "Tianyu, whoever you messed with in Jinling, auntie can help you out, but only when you messed with Ye Chen, there's nothing auntie can do!"

"Ah?!" Zhong Tianyu subconsciously questioned, "Why, Auntie Ye! You are the first lady of the Ye family, he is just a relative of the Ye family, what can you not afford to mess with him?"

Ye Changmin said awkwardly, "Tianyu, he is not a relative of the Ye family, he is my second brother Ye Changyang's son, Ye Chen!"

At these words, Zhong Tianyu's mind buzzed.

He had heard of Ye Changyang's great name since he was a child.

As for Ye Chen, he didn't know much about him.

He only knew that Ye Chang Ying had died early and had a son who had disappeared long ago.

But he could never have imagined that Ye Chang Ying's son would be the cold-faced young man in front of him!

He exclaimed in his heart, "No wonder he's not afraid of me at all! So he's not some foreign relative of the Ye family, but a direct descendant of the Ye family! He's the grandson of Ye Zhongquan, the old man of the Ye family!"

Thinking of this, both of his legs went weak for a moment, so weak that they kept swinging.

However, he suddenly thought of something and hurriedly cried again, "Auntie Ye, according to you, Ye Chen is your own nephew, you are his own aunt, please Help me say a few good words to beg and plead with him to let me off the hook"

The first thing you need to do is to get a good idea of what you are getting into.

Moreover, he didn't find this matter difficult either.

After all, Ye Changmin was Ye Chen's own aunt!

If his own aunt asked him to let him off the hook, he couldn't possibly refuse, right?

If it was himself, if his aunt pleaded for someone else, he would definitely sell her face as well.

However, just when he felt that Ye Changmin would be able to help him with this matter, Ye Changmin on the other end of the phone said with great difficulty: "Tian Yu may not be able to do anything about this matter"

Zhong Tianyu was confused, full of incredulity asked: "Aunt Ye, this is why ah?"

Ye Changmin said awkwardly, "Although Ye Chen is my own nephew, but if I were to plead for you, I think the odds are that he would not give me this face messed up messed up and"

Zhong Tianyu hurriedly pursued, "Auntie Ye, what will happen if it goes badly?"

Ye Changmin said extremely helplessly: "If auntie intercede for you, it might even get you involved

Chapter 2994

Zhong Tianyu's entire body was dumbfounded when he heard this.

He thought to himself, "Is this a fucking human statement? How can such a thing be possible? Is this bitch Ye protecting her calf, knowing that I have offended her nephew, and therefore deliberately not wanting to intercede for me?"

As he was angry, Ye Changmin said apologetically, "Tianyu, auntie really isn't lying to you, if I open this mouth, Ye Chen's punishment for you will only be increased, not reduced"

Zhong Tianyu heard Ye Changmin's tone was very sincere, his heart was even more puzzled to the extreme, asked offhandedly, "This is exactly why ah Aunt Ye I... ..I can't figure it out. Aren't you his aunt? Is he not even willing to give you face?"

Ye Changmin smiled to herself and said, "Oh he gives me face? His men even dare to beat me up! And after his men beat me up, he didn't turn to me, instead he turned to his men, and he held me prisoner in Jinling on New Year's Day, I begged him, but he didn't even bother with me, even my father pleaded for me to no avail"

When she said this, Ye Changmin thought of her own experience of being imprisoned in the slums in Jinling, her heart sank and she couldn't help but sob too.

Then, she added, "You said, auntie can't even plead for herself, how can she plead for you?"

Zhong Tianyu was dumbfounded, his brain felt as if 10,000 people were slicing glass with razor blades at the same time, and his brain was about to pop out.

He subconsciously blurted out, "This is simply a beast! What kind of person would do this to their own aunt!"

Ye Changmin also felt the same way and lamented, "Tianyu, you're right"

Ye Chen, who had not spoken, suddenly spoke up at this time and questioned, "Ye Changmin, have you forgotten why I imprisoned you in Jinling?"

When Ye Changmin suddenly heard Ye Chen's voice, her heart suddenly jolted with fear.

She didn't bother to think about it and asked offhandedly, "Tianyu, you have you on speakerphone?!"

Zhong Tianyu said awkwardly, "Yes it was Ye Chen who told me to turn it on"

Chapter 2995

Ye Changmin's desire to live instantly changed his mouth and said, "Just now auntie didn't finish her sentence! The reason why Ye Chen imprisoned me is entirely because auntie did something wrong, auntie is to blame for herself!"

After saying that, she hurriedly said in a flattering manner, "Ye Chen, don't misunderstand, auntie didn't finish her sentence just now, but she didn't mean anything else"

Zhong Tianyu's worldview was crumbling!

"Is this still fucking Ye Changmin?!"

"Is this still the famous and spirited Miss Yanjing?!"

"Who in Yanjing doesn't know that Ye Changmin has always been arrogant and domineering, has always done whatever she wanted, and has always disregarded anyone in her eyes!"

"But now, she is scared out of her wits by this Ye Chen in front of me? Knowing that Ye Chen is listening next to her, it's instantly as if a mouse has met a cat! This full of desire to live is too scary!"

"Is Ye Changmin too weak, or is Ye Chen too strong?!"

Just as Zhong Tianyu was shocked, Ye Chen opened his mouth and asked Ye Changmin, "Then in that case, you're not actually going to plead for this kid, are you?"

Ye Changmin was embarrassed and had goose bumps all over her body.

She found out that Ye Chen was really bad.

She couldn't help but slander in her heart, "If you don't want to let Zhong Tianyu go, then wouldn't you just say straight out that you can't forgive him and that it's useless for anyone to beg for mercy?"

"But you had to force me to admit in front of Zhong Tianyu that I didn't come here to plead for him, aren't you setting me up to be unkind and unjust? Maybe I'll be his stepmother in the future, if I'm trapped by you in this matter, then won't this child be an enemy to me in the future?"

So, Ye Changmin could only plead stiffly, "Ye Chen, this child Tian Yu is actually quite nice, just a bit quick-tempered at times, I hope you can spare him once for the sake of my aunt."

Ye Chen smiled and said word for word, "Sorry aunt, you really don't have such a big face in my place!"

After saying that, Ye Chen's voice turned cold as he said in a stern voice, "If you hadn't come to Jinling so high and mighty to fool around in the first place, I would have given you enough face and respect for the sake of you being my elder."

"But your fault is that you are too arrogant!"

"You're always looking over your shoulder and feeling as if the whole world has to obey your command!"

Chapter 2996

"But, I don't care if you have dominance outside, it's no good in Jinling!"

Ye Changmin was depressed to the core by Ye Chen's round of criticism, but did not dare to show any dissatisfaction, and could only say in a condescending manner, "Ye Chen, it is true that aunt did

many things wrong in the past, and after this period of reflection, I have deeply realized my mistakes "

Saying that, she added: "As for Tianyu, I believe he should also be confused for a while, give him a chance to reform, he will also be able to realize where he was wrong and will definitely be able to in the future"

Ye Chen directly interrupted her words and said indifferently, "All right, you don't need to plead for him anymore, an arrogant and domineering second generation like him can't really realize where he is wrong."

Zhong Tianyu cried and said, "Sir Ye, I know I'm wrong, it's my fault for not knowing the mountain and offending you, I won't do that again, please spare me this time"

Ye Chen sneered, "Look, you think it's because you don't know how to see the mountains, this proves that you don't even realize where your real mistake is! What do you mean by having eyes that don't know Mt. Tai, it's just a matter of seeing people, those who are stronger than you, you kneel down and lick; those who are weaker than you, you jump up and step on them, just trash like you, before you are completely reformed, you can't be released back into society at all!"

With that, he took the mobile phone from Zhong Tianyu's hand and said to Ye Changmin on the other end of the phone, "I heard that you have a good relationship with this Zhong Tianyu's father, so it would be hard for you to deliver a message to him for me."

Ye Changmin was busy saying, "Go ahead, I will definitely convey it to him!"

Ye Chen then said, "It's not impossible for me to let Zhong Tianyu go, I'll give him two options, one is to stay in Jinling for the time being, after my shipping company starts, go directly to my ship as a seafarer for two years, no disembarkation for two years, when the two years are up, I'll let him leave!"

Ye Changmin's eyelids jumped as he heard this!

Two years as a seaman? How much suffering must that be?

When Zhong Tianyu heard this, his entire body completely collapsed.

He also didn't expect that Ye Chen would be so ruthless!

He was a member of the entertainment industry and would continue to be in the entertainment industry in the future, so if he told him to go and work as a seaman on a ship for two years, wouldn't his career in the entertainment industry be completely finished?

Moreover, if he couldn't get off the ship for two years, what was the difference between that and two years in jail?

Thinking of this, he asked offhandedly, "What's the second option?!"

Ye Chen glanced at him and said indifferently, "The second choice is that I break both of your legs and you crawl all the way back to Yanjing!"

Chapter 2997

As soon as he heard that Ye Chen wanted to break his legs and make him crawl to Yanjing, Zhong Tianyu's body jolted.

He had been in the second generation circle in Yanjing for more than 20 years, and from what he knew about this circle, although people in this circle were arrogant and domineering, and although they were ruthless, they were basically only domineering towards people outside the circle, and most of them would be more restrained when dealing with people inside the circle.

For example, he himself has been a bully for many years, and he has broken the legs of others more than once, but that was only against poor people who were far less powerful than he was, and if he were in this circle, everyone would give them some face.

After all, we all have money and power, and every now and then we cross paths in business, so we all know to leave a line in the sand between each other in all matters.

This has long since become an unspoken rule that everyone in the second-generation circle abides by.

However, Zhong Tianyu found that the person in front of him, Ye Chen, did not seem to care about this established rule.

So, he said offhandedly, "Ye Chen, if you really break my legs, my family will definitely not let it go, and you will also be ostracised and isolated by everyone in the circle, so why don't I kowtow to you and admit my mistake, and pay you some money, so you can let me go!"

Ye Chen said expressionlessly, "I have already told you two choices, now you choose one for yourself, within minutes, if you have not told me your final choice then the two years in the first choice will become three years, and the second choice will be the same as before."

Zhong Tianyu saw Ye Chen oil and salt, hurriedly shouted into the phone, "Auntie Ye, you help me to say a good word ah Auntie Ye"

Ye Changmin sighed and spoke, "Tianyu, auntie advises you to hurry up and choose the first one, if it drags on, two years will turn into three, I'm afraid you'll be even more unbearable"

The previous Kong Delong of the Yanjing Kong family, just because he offended Ye Chen, pedaled his bicycle from Yanjing to Jinling and lived in the dirtiest and worst shantytown in Jinling. It was worse than a beggar"

Since being educated by Ye Chen, Ye Changmin had secretly investigated Ye Chen's actions, and the more she investigated, the more fearful she became of Ye Chen, so as a person who had come over, she immediately helped Zhong Tianyu make the best choice.

In her opinion, the best situation for Zhong Tianyu at the moment was to hurry up and agree to the first option Ye Chen gave him, otherwise, the conditions that followed would only get worse and worse.

When Zhong Tianyu heard Ye Changmin talk about Kong Delong, he was stunned speechless.

Chapter 2998

He had a good relationship with Kong Delong, and the two of them used to hang out a lot. Later, Kong Delong suddenly left Yanjing one day like a psychopath, wearing a green helmet and pedaling a 28 bar, and people in his circle said that he had a brain problem.

This made him feel a little more scrupulous about Ye Chen.

However, if he really had to choose to become a seafarer for two years, he would never be willing to do so.

After all, for a rich young man like him, a life where he spends his days drinking and living is a paradise on earth, but once he is on a ship and a seaman, all he has to face every day is the vast ocean, what kind of dull days would it be?

Moreover, Ye Chen had told him that he could not get off the ship for two years, so what was the difference between this and imprisonment?

Just when he didn't know what to do, Ye Chen reminded him, "It's just a minute away!"

Zhong Tianyu was instantly flustered.

He didn't know whether he should choose the first one or not; after all, he wasn't willing to be played by Ye Chen just like that, and he was still hoping that his father would be able to get himself out after learning about this matter.

Just as he was hesitating, Ye Changmin on the other end of the phone said anxiously, "Tianyu, let's get the best terms in hand now first! Otherwise, in case there is no room for mediation, then you will at least not expand your losses!"

This sentence of Ye Changmin instantly woke up Zhong Tianyu.

Ye Changmin was right, even if he was still hoping for a chance to use his good offices, he should first seize the best terms now, otherwise two years would be three years, and when he had to accept it again, it would be the same as losing a year for nothing!

Thinking of this, he hurriedly said to Ye Chen, "I'll take the first one!"

Ye Chen nodded and said with a smile, "But one minute has passed, now it is the first choice is that you have to go to sea for three years as a seaman, and during these three years, you are not allowed to get off the ship."

Zhong Tianyu's legs went limp and he cried, "Ye Chen, I beg you not to play with me, I'll choose the first one, can't two years still work?"

Ye Chen said helplessly, "Sorry, the rules of the game cannot be broken, now the first choice is three years, I will give you one more minute to think carefully and then tell me whether you are willing to accept or not, but I will say it in advance, if you have not made a choice after one minute, then the first choice will become four years!"

Zhong Tianyu broke down at once.

At this moment, he had already turned his guts blue.

Chapter 2999

If he had known that this was the current situation, he would not have come to Jinling if he had been beaten to death.

If he had known that two years would really turn into three years, he would have made his choice in the first place.

However, there was no pill for regret in this world.

In order not to continue to expand his losses, he had to choke down a sob and nod his head, "Yes! I'll choose the first one!"

Ye Chen smiled faintly and said, "Good, in that case, then it will be hard for you to stay in Jinling for a few days first, and when my ocean shipping company opens, I will arrange a route that is most suitable for you at the first opportunity, and then you can get on board."

Zhong Tianyu cried and begged, "Ye Chen, can you please let me attend Gu Qiuyi's concert in Jinling as usual, I am her special guest, all the fans in the country are waiting to see me at the concert"

Ye Chen sneered, "Still thinking about the concert? Let me tell you, from now on, until the end of the three years, you will not have any chance to appear in front of the public eye again, even if you get on board, I will still arrange people to keep an eye on you, not allowing you to show your face or have any chance to communicate with the outside world!"

Zhong Tianyu instantly collapsed.

He had planned this concert for a long time and had made a lot of preparations, which included confessing his love to Gu Qiuyi with a song on the spot.

Originally, he had felt that he had a great chance of winning Gu Qiuyi's heart through this concert, but if Ye Chen did not allow him to attend the concert, then wouldn't all his preparations have gone down the drain?

If he couldn't see Gu Qiuyi, if he came back three years later, Gu Qiuyi might have already married someone

He crawled on his knees to Ye Chen and was about to open his mouth to plead with him, when Ye Chen's phone suddenly rang and someone sent him a request for a WeChat video call.

Ye Chen unlocked his phone and the person who sent the video call was, surprisingly, Gu Qiuyi.

So, he smoothly clicked accept and soon, Gu Qiuyi's exquisite and beautiful face appeared in the video, she asked with a happy smile on her face, "Brother Ye Chen, I just saw a video on the internet of Zhong Tianyu hiring fans to pick him up in Jinling, it's really too funny, this incident couldn't have been done by you, right?!"

Chapter 3000

Zhong Tianyu instantly heard Gu Qiuyi's voice.

At this moment, it was as if he had been struck by lightning, and his entire body was frozen in place, unable to move.

He really did not know that Ye Chen knew Gu Qiuyi.

After all, he had never even heard of the marriage contract between Gu Qiuyi and Ye Chen when they were children.

At this moment, Ye Chen looked at Gu Qiuyi in the video and asked with a smile, "Why do you think that I did this matter?"

Gu Qiuyi said with a smile, "Although that Zhong Tianyu is indeed quite stupid, I don't think he would be stupid enough to do something like this. Besides, I think only you, brother Ye Chen, can do something as vicious as this, no other person would be able to think of such a damaging move!"

When Zhong Tianyu heard this, his heart was filled with pathos, and at the same time he couldn't help but wail in his heart, "Could it be that I am a stupid person in Gu Qiuyi's mind?"

Ye Chen was laughing openly at this moment, "You guessed right, it was indeed me who did it."

Gu Qiuyi smiled and asked, "Brother Ye Chen, did you and Zhong Tianyu have any problems in the past?"

"Not much of a beef." Ye Chen said, "I haven't seen him before."

Gu Qiuyi asked curiously, "Then why did you want to fix that Zhong Tianyu?"

Ye Chen laughed, "This guy was a bit too arrogant, so I couldn't stand it and taught him a lesson."

Gu Qiuyi nodded and asked, "Brother Ye Chen, is that Zhong Tianyu now under your control?"
