Chapter 1 Fright, Snowy Night Robbery

the fastest update of the latest chapter of the girl strategy!

In the vast snowy night, the blizzard passed by the blizzard.

A group of killers in black and cloth covering their faces. They were fighting with the people in the convoy, and the screams were covered by the sound of wind and snow.

In the middle of this killing circle is a gorgeous carriage. Inside the car, Wei Yue Wu and Yayi have been stunned by what happened suddenly.

The two looked out of the car window and saw a person from afar. He was sitting outside the killing circle, and stared at everything in front of him. The black cape grinned in the snowy night. Yuewu can't forget for a long time ...,

The wind rose, and the mask suddenly fell, revealing a handsome face!

"Miss, that's ... that's ..." Qin Ruo exclaimed in a low voice!

"Who !? Do you know him?" Wei Yuewu suddenly became cold.

"Miss, that's your fiancée Jingyuan!" Qin Ruo said with tears. "A few years ago, the lady was very ill. When the old lady sent me to Beijing to ask for a doctor, I went back to my house to greet the old man. At that time, I saw this Jingyuan Hou! The sisters in the house also told me, saying ... said ... say this is your fiance, Miss! "

My ... fiance ...?

The killing outside the car was nearing its end, and in a blink of an eye there were no signs of living ...

Suddenly, two frightened running horses ran down the blood-stained, wrecked wagon, and no one dared to stop. The frightened horse quickly disappeared into the snow with the wagon.

"kill!"

With an order, the men in black quickly chased the wind of the chariots!

Weiyuewu held on to a silver badger with blood on its tip, which was left by her just stabbed the horse with it.

"Miss, what shall we do!" Ya Huanqin asked in a crying voice.

"What a cry! We are not dead yet!"

Wei Yuewu's lowered eyes glanced through a cold coldness.

Why ... will you encounter robbery?

This time, I originally received a letter from the grandmother of Beijing. The daughter-in-law of Huayang Hou, who had been in her grandfather's home since childhood, packed up and rushed to Beijing, which had been away for many years.

However, when I was passing by this mountain forest, I encountered a robber. A team of people escorting themselves into Beijing was beheaded. If it were not for stabbing a horse with a silver puppet to get out of trouble, at this moment, I am already a ghost.

The carriage was too fast, and Wei Yue Wu saw it from the bumpy car. There was nothing else but the snow and snow.

"Come on, we jump!"

Having made up her mind, she ordered the girl firmly, and quickly took off her large coat. The snow outside is too big and should have been worn to keep warm, but why the clothes are too wide and will only hinder their escape.

Seeing Wei Yuewu calm and firm, Yahuan Qin Ruo also calmed down.

On the other side, Wei Yue Wu has taken off the obstructing coat, pushed the door open, and the wind and snow immediately became involved, making people unable to open their eyes!

Wei Yuewu turned her back and wanted to greet Qin Ruo as she jumped off the car, but saw Qin Ruo holding her clothes that she had just taken off.

"Qin Ruo! What are you doing! Come with me ..."

Reached for Qin Ruo, but was pushed away by Qin Ruo!

"Miss! Those in black are the ones you want to kill! If they don't catch you, they won't give up." Qin Ruo crying and kneeling in the carriage to guard Yueyue Mai's hoe, "Qin Ruo has served in the house since childhood Miss, I can't take care of her anymore, please take care of her! "

After that, she even pushed Wei Yue Wu off the carriage!
