

Read Revenge of the Sixth Young Lady RSYL Chapter 10 Conspiracy

, the fastest update of the latest chapter of the girl strategy!

This word of remarriage should not be said by Wei Yuewu, but in such a scenario, everyone said that it was completely logical and reasonable!

Seeing that Shuiyue was talking about the key places, he was fainted by Mo Huating's guards, and the words of the guards made people feel a sense of desire to cover up, plus Mo Huating did not show up in Wei Yue Wu Formerly, she expressed such deep affection, but after seeing her fiancée's death, she not only did not have a surprise, but she looked furious.

The balance in the hearts of everyone has long been unknowingly inclined to Wei Yue Wu.

Miss Wei Er-Miss Wei Er's ring-Jing Yuanhou-Robbery of Miss Wei Liu ...

Many people can't help sorting out such a line in their minds. No matter how I think, this Jingyuan Hou was acting before. The murder of Miss Wei Liu was really not the personal relationship between Jing Yuanhou and that Miss Wei Er. Caused by?

Mo Huating could not think of Wei Yuewu daring to say a divorce. She was choked by Wei Yue Wu for a while, and she never expected that she would be forced to retire by Wei Yue Wu, whom she most despised. Even his lips frowned, and Tie Qing was furious!

"Reverse ... Reverse, you are so rebellious. Your little boudoir woman should abide by the bourgeois instructions and obey all the arrangements of the elders. Now she dare to discuss her marriage and place your parents and elders. ! "

Seeing that because the drama was getting more and more noisy, more people were watching at the door. Mo Huating knew that Wei Yuewu couldn't let the talk go on, and he ordered it. "Come, please Miss Wei Liu to rest!"

He made up his mind not to argue with Wei Yuewu and not let her hold on to Shui Yun's affairs, so as not to pull Wei Yan out.

Retirement? How about Weiyuewu?

Mo Huating gave an order and came over to the two guards. On the surface, it seemed to be a request, but in fact he was going to guard the Yuewu.

"Who dares!" Wei Yuewu looked cold, her eyes were as cold as a knife, and her momentum was astonishing. The two guards froze for a moment, but did not dare to reach out directly.

At this time, the guards of the King's Palace also came over, stood behind Weiyuewu, and looked coldly at the two guards in front of them, with a bit of fighting spirit in their eyes.

"Jingyuan Hou, I don't care how you and the second sister are involved, but when I return to Beijing, I will report my father and do marriage with your Jingyuan Houfu." Wei Yuewu yelled, she Today, I will use Mo Huating's field to destroy the affectionate and righteous atmosphere that he won before.

Seeing Yan Huaiyu 's guard as if he wanted to guard the Weiyue dance guard to the end, Mo Huating was annoyed, but because of Yan Huaiyu 's guard, he finally dared not let people deadlift Weiyuewu and waved his hand. The two guards retreated silently.

"Miss Wei Liu, the marriage between the two provinces has been handed over to the marriage book many years ago, but you can retreat if you want to retreat. I miss you so hard, I'm not terribly surprised, so I talk nonsense and don't care about you. These things Let 's talk about it after we return to Beijing!" Mo Huating was suddenly not annoyed, but also showed a calm look, and an understanding of Wei Yuewu 's speech disorder.

The words were beautiful, and a word of fright was not small, so the nonsense could almost say that all the words before Weiyuewu were denied.

Wei Yuewu sneered in her heart, but her face was indifferent. She only said coldly: "The two houses are retiring, and Yue Wu is inconvenient to follow Jingyuan Hou into Beijing. When they are escorted by King Wang in trouble, they do not work. Bother. "

In other words, because of the divorce, Wei Yuewu's attitude is so resolute. If two people go together, the name is not correct, and the words are not true!

This was originally the purpose of Wei Yuewu's trip.

Seeing that his vision was achieved, Wei Yue Wu didn't wait for Mo Huating to make any further distinction, a hint of coldness was drawn on the corner of his lips, and he turned and walked to the county magistrate Wang!

She is not just the weak and weak Weiyue dance, just last night, the real weak Weiyue dance was dead.

Now whether she is from the body or the heart, she is a new Weiyue dance. Huayang Hou 's niece, Miss Liuliu, will never let go of those who have framed her and thought of her life. of.....

"This bandit with such a powerful appearance appeared, also asked this adult to **** me back to Beijing." Standing in front of the county magistrate, Wei Yuewu blessed a gift, smiled slightly, generously.

"Okay ... should ... should." Master Wang was the only one on the scene who was ecstatic because of Weiyuewu. This will not sweat or sweat. The excited look of fat flesh burst into laughter, but Suddenly thought of a powerful gangster, his face wrinkled into a bitter gourd, his manpower is really not enough!
