The large and gorgeous carriage stopped so casually on the side of the road. Yan Huaiyan, in a light white robe, got off the car long ago, and was surrounded by the guards, just like a fairy, even though it was far away. Can also sense the extraordinary demeanor on him.

Wei Yuewu keenly sensed that Yan Huaiyan glanced at her, and he could not help slowing down a bit. When he saw him turning to the pavilion on one side, Wei Yuewu picked up again to keep up.

Yan Huai paused, stood in the pavilion, looked back, and looked at the Wei Yue Wu who was walking slowly, with a gentle smile, and her eyes were deep and bottomless, giving a feeling of concentration, tenderness, and affection. In this case, any young girl will secretly ecstatic and be shy.

Wei Yue Wu is not only full of heart, but also has to sigh, this son of the state of Yan Guo, really deserves the reputation of the world's first son.

She is watching him, he is watching her!

Without the thick fat powder, her forehead was also combed high, exposing her delicate eyebrows, her bright eyes Gu Panshenghui, although with a touch of childishness, but anyone can see the girl such as The eyebrows of the painting have a state of national pride.

The sore on the forehead is small, and now only a faint scar is left. The doctor's medicine for her is very good. It should not take long before the sore can be seen.

The wind blows, raising the woman's slightly thin dress, thin figure and flamboyant white dress embroidered with small flowers, such as the same landscape painting, the entire picture, and the official way behind it, parked there wide , The gorgeous carriage, all become the background, set off that touch of spirit and demureness.

"Miss Wei Liu, what can you ask for?" Yan Huaiyan calmly retracted his gaze, and Qinglang's voice line carried a cool and gentle tone.

It's just that, but it's not polite.

He stood there in a high position, bowed his head slightly, and looked down at the Wei Yue Dance before he came down to the pavilion steps, like the emperor who looked down upon all beings, seemed gentle, but in fact honored and indifferent.

"Yan Shizi can see clearly, I don't know if that's right?" Wei Yuewu stopped, without a woman's coyness on her face, and looked up unavoidably. She was wary of those tender and affectionate eyes. If it weren't for her now, she would never dare to provoke such a man! "Miss Wei Liu, don't you think it's a pity?" Yan Huaiyu seemed to be sighing for Wei Yuewu with a sigh of regret, and chuckled slightly.

"If you don't use it now, maybe you won't have a chance to use it later." Wei Yue Wu smiled like a flower blooming, but with a cool air.

The original owner of the private seal was Mrs. Yan Guogong, the biological mother of Yan Huaijiang, but then she fell into the hands of Wei Yue Wu's biological mother. What happened to Wei Yue Wu was not clear, but she was fighting her own. After the dance was a little longer, the grandmother took out the private seal, put it on her hand, and told her that this was a condition for Madam Yan Guoyun to allow Yuewu's birth mother to be.

If you are in danger, you can use this to ask Madam Yan Guo and Yan Di for help.

Now, Wei Yue Wu is used as a condition for Yan Huai's one shot in exchange.

If Mo Huating wants to suppress everything and not let others know, the best way is to take advantage of Yan Huaiyu to break up with him at the gate ...

"You are really smart." Yan Huai's lips slightly curved, evoking a smile.

"In front of the world-famous Yan Shizi, Yue Wu dare not speak the word" intelligent.

"Wei Yuewu smiled generously, this is not the first time she heard Yan Huaiyu say this.

This is not just praise, it also represents his own value, and is recognized by the son of the State of Yan Guo!

In the minds of people like Yan Huaihuan, value means opportunity ...

Yan Huaiyu looked at her and suddenly laughed lightly, her voice was very nice, but Wei Yue Wu tasted a little cold: "Miss Wei Liu, you can think of it, you have used this one, and you will be in another day When this happens, it can no longer be used. "

"Yuewu knows, Yuewu only knows that if he can't enter Huayang Houfu smoothly this time, there will be no future." Wei Yuewu raised her head, staring directly at Yan Huaihuan's beautiful face and eyes. There was no girl at the bottom, and at first sight the shyness of the handsome man when he was gentle and condensed.

She is not a fantastic person about the future!

If you die before you reach Huayang Houfu, of course you will be gone.

No matter how important this private seal is, there will be no talk afterwards.

"Aren't you afraid of my promise?" Yan Huaiyu seemed to be calm and indifferent to her, feeling interesting, touching her jaw playfully, and raising her lips with a smile.

Wei Yuewu's long eyelashes fanned down, and Shuimu's eyes showed a certain firm coldness: "Of course, Yue Yue is afraid, but it will still be taken out."

"Why?" Yan Huaiyi raised an eyebrow and asked, Junmei frowned, as if surprised by Wei Yuewu's answer.

"Don't take it out, only die. Take it out. At least you can give it a try. Shizi doesn't think that this is also a good chance for Shizi." Wei Yuewu said lightly, those bright and bright eyes, looking directly at Double

She assumed that Yan Huaiyu was a very powerful person and did not like someone to hide his possessions in front of him. Therefore, she frankly stated what she had in mind and returned to Huayang Houfu. For Yan Huai Speaking of it, proper operation has great benefits. This should be one of the reasons why Yan Huaiying was willing to take her to Beijing before!

In the past few days, she has been guessing the reason why Yan Huaiyu came to Beijing in the carriage. The Yandi Shizi, who has never entered Beijing, actually entered Beijing. Of course, it is impossible to come to the mountains and rivers, Yandi and Jingcheng. Relationships, many people can see some subtleties, the tail is too big, does Beijing Central really have the power to deter these four territories?

If you can grasp something useful to Yan Huaiyu from this incident, I believe he will not refuse, this is another reason why Wei Yuewu dares to come up with a ring.

She was betting that Yan Huaihuan would get benefits in this matter, and even she could see it, she didn't believe he hadn't found it!

Interests, in the face of absolute interests, no matter what Yan Huaiyu thinks, they will inevitably be tempted.

"Miss Six, you're fine!" Looking at Wei Yuewu's gentle face, but she said such sharp and profound words, Yan Huai's handsome lips ticked, and a little smile was bent, and the ink eyes were dazzling. , Agree with her, asked meaningfully, "then tell me, how can I help you?"

This is to agree with her request!

The fist in the long sleeve slowly relaxed, and the palm on the palm was slightly sweaty ...

"I want a sign of the Houfu Mansion in the first place." Wei Yuewu raised her eyebrows and said calmly.
