

Young Lady 17

Chapter 17: The evil slave stopped the road and opened the front door ...

"Dog minion, blind your dog's eyes. Our lady is Miss Hualiu, the granddaughter of Huayang Houye. We still don't want to open the main door to welcome our lady." Jin Ling's hand crossed her waist, angrily.

She is the Yahuan of Yanguo's Mansion. She never saw the servants of Huayang Houfu's house in a panic, and she directly revealed Wei Yuewu's identity.

"You said yes, it is impossible for our six to grow up like this, and where is the woman who dared to pretend to be our six." The slave looked at Wei Yuewu, and slandered his lips, disdainfully said, " This lady, of course, is rich and rich, but you have to have a life to enjoy! "

This means that there are many people posing as Miss Wei Liu! And I am an greedy defending Yuewu identity, want to enjoy the fake goods of Houfu Ronghua!

Do you want to stop yourself from entering the house?

Wei Yuewu sneered, but her face did not show up, and said lightly, "Your master is opening the main door, let me in? Or drive me to the gate, telling Wei Yan and Mo Huating to conspire to conspiracy, murder The maid of Huayang House? "

Her words were very gentle, without a trace of anger, and even because of her young age, she was a little bit more immature.

"What nonsense, where did you come from wild girl, dare to talk nonsense here, come, come, do not beat her out yet." Although the slave said Wei Yue Wu was very fierce, but his face Hey, he looked like a timid person, and immediately cried out loud.

Immediately from the door, several slaves rushed out, fierce and evil, each holding a stick.

Seeing so many people rushing out, the puppet on Wei Yuewu's face disappeared, showing a bit of coldness, facing Jin Ling, who was still angrily standing at the door, "Since Huayang Houfu will not let us

in, then Let 's go to Yemen, and there is a son of the Emperor Yan Guogong, so I do n't dare to be rude to me! "" Yes, miss, slavery knows, slavery immediately goes with the lady to Yemen, and then tells Miss Wei and Jingyuan Houyou Privately, in order to conquer the lady's marriage, she robbed the lady halfway, but she had no idea what to do and had a second chance. Only then did the carriage of Huayang Houfu hit the lady's carriage into the river. "

Jin Ling heard Wei Yuewu's words, nodded in a loud voice, and then turned his head with a cold hum, but left without saying a word ...

Several slaves looked at each other, and for a moment did not know what to do next. This was completely different from what they expected in advance, and because Jin Ling's words were too frightening, some people started pointing and whispering.

The leader's house slave began to sweat on her forehead. However, Miss Er has explained that as long as she does not let Miss Liu enter the door, she will be rewarded. If you can beat Miss Liu and her girl ring, it will make the steward promote herself. But not only did she not do well with Miss Er's messenger, but also made Miss Liu's ring so embarrassing. Such a word spread out, but something really happened.

The second lady and the second lady will never spare you there.

"Six ... Miss Six, wait a minute, I'll ask ..." The slave had to soften and ran down to Weiyue Wudao, but watching the crowd increased, he didn't dare to dance hard with Weiyue Dear, I'm afraid that Jin Ling will say something amazing, and the six ladies also look strong. Without saying a word, they will go to the door.

The matter is so big that he cannot afford this responsibility!

Wei Yue Wu ignored him, and holding Jin Ling's hand, she stepped on the carriage to get in the car.

"Miss Six, the minion has no eyes, but she also hopes that Ms. Liu will forgive the minions. The minion will invite Ms. 6 to the house, Mrs. Tai and several ladies. The lady is waiting for Ms. 6," she said. The house slave was really panicked, rushed over, and wanted to hold the stable, but under the sharp eyes of the coachman, he had to retract his hands and begged.

He was really anxious at this meeting. He didn't know well. Miss Er was always arrogant and arrogant. He knew it all in this house, but this Miss Six who hadn't entered the door was even more difficult than Miss Er. Why didn't he let him want? No tears, he really just wanted to please Miss Two!

"Open the front door to welcome our lady in." Jin Ling turned her head and, under the cue of Wei Yue Wu, opened a loud voice.

"This ... this front door is not an important thing, you can't open it. Miss Grievance Six went in from the side door to see Mrs. Tai, and Mrs. Tai has been waiting for Miss Liu since a long time ago."

Miss Liu is difficult to get rid of. He didn't dare to offend the second lady, and no one above said to open the main door to welcome Miss Liu into the door.

"Jinling, let's go!" Wei Yuewu said coldly, and commanded the coachman who was standing on the side, "Send us to Beijing Zhaoyin Gate of Beijing Public Security!"

She is not in a hurry right now. The anxiety is Li's and Wei Yan. It's really that kind of trouble, but Wei Yan is ruined!

As for the front door, when the house slaves rushed out, she spotted a dark red color. This color was not worn by the house slaves, but by the ring in the backyard and the woman's clothes ...

"Yes, the slave knows, we'll go to the door immediately." Jin Ling answered loudly, reached out to support Wei Yuewu on the car cymbal, and helped himself to the car cymbal, a posture that would also jump up.

"Miss Six, wait a minute, the slave is late, and please invite you in immediately." A woman rushed out from the side door, wiped the sweat on her head with a paper, and ran out in a hurry, just in time. Looks like, after coming out, he glared angrily at the servant at the side: "The second lady ordered to open the main door and ask Miss Liu to go in."
