

Young Lady 19

Chapter 19: Domineering, you are just a sojourner

"Second sister, this is Huayang Houfu, my father's residence. Any slave in it is my father's slave. As I am the father's only niece, whoever dares to die, just try it. . "

Wei Yuewu looked coldly at the two women around her, her voice soft and sharp.

For a time, two evil servants dared not come forward.

"You ... you ... how dare ..." The person who saw himself was actually shocked by Wei Yuewu, and Wei Yanqi slammed on his chair bar again, stood up, and pointed his finger at Wei Yuewu. Road.

"Second sister, how dare I! This place where you stand is my father's mansion, the slave you use is the slave in my father's house, but no matter what, you are always not my father's daughter, here it is just A sojourn guest, you can claim to be the master when I'm away, but now I'm back! "

Wei Yuewu interrupted Wei Yan's words politely, arrogantly sneer.

She is also distorted here. The three bedrooms in Huayang Houfu have no separation. In fact, the ladies who live in the house are all masters. It doesn't matter who lives in the residence. Wei Yan.

Wei Yan could not think that Wei Yuewu was so sharp and almost vomited blood for a while. She used to rule the king in the inner court of Huayang Houfu House, and now suddenly came out to tell her why she was so many years , Has been able to run so rampant in the backyard, Wei Yuewu gave her all, now Wei Yuewu is back, she can no longer pretend to be arrogant!

Pin clearly understood the meaning expressed in it, Wei Yan, who had always been proud of herself, was full of cheeky innocence, pointed at Wei Yuewu, and sneered again and again: "Give me the mouth of this cheap girl!"

"Second sister, do you let my slaves stop my mouth, does grandmother know? Or does second sister really think that your behavior today is grandmother who knows nothing! If we wait for grandmother to come, if grandmother also said me It's fake. I should give you an explanation. "

Wei Yuewu's faint wording, harsh wording, but no panic in her expression, no panic due to her identity, long eyelashes, a faint flash in her eyes.

"You slut, do you dare to talk to your grandmother? You think your grandmother still wants to see you, a **** who doesn't know where it comes from, but dare to sway into Huayang Houfu." Wei Yuewu was so dismissive and dismissive. The attitude was irritated, and Wei Yan's increasingly angry voice refused to speak.

"So you mean, my grandmother didn't know I was in the house yet? Erhuan was so secretly covering the sky in Huayang Hou's house. He wanted to squeeze out our big house to win the title of our big house?" Wei Yuewu picked Raising her eyebrows, the more angry Wei Yan was, the calmer she was!

I heard my grandmother said early that her grandmother was not an ordinary woman in the courtyard. She was the most savvy and capable. Wei Yue Wu didn't believe it. She and Wei Yan were in this situation, and Mrs. Tai would not know.

Now, all she wanted was an attitude of Mrs. Tai.

Even though she doesn't like the wife too much, but she is the niece of Huayang Hou, where she is put, she also has to take care of her father's face, and her grandmother called her privately before leaving. the words said.

Grandma's health was not good. She was lying on the bed at that time, holding her hand, sighing, and lovingly drew a drop of hair from her back to her ears. She was silent for a moment, then said: "Dance, don't be afraid, your grandmother doesn't dare treat you!"

Wei Yue Wu has always looked at the wisdom of her grandmother, so she also remembers it. Although she didn't understand what the grandmother meant by "Dare", she was convinced that her grandmother would not lie to her.

So now, she wants to explore the bottom line of her own grandmother?

When this happened, she didn't believe that the wife, who lives in the inner hall of Houfu of Huayang, could sit still!

"Bitch!" Wei Yan was forced to be dumb, especially the last sentence of Wei Yuewu. She couldn't help but feel guilty, fearing that people would hear the legend go out, and she could not wait to tear Wei Yuewu's mouth for a while. I do n't need anyone else, I just rushed to the side of Weiyuewu, and cursed, "You mean girl, watch me not tore your mouth today!"

Seeing Wei Yan rushing over, Jin Ling was about to step forward to stop Wei Yan, but was pulled by Wei Yuewu's shirt. She could only watch Wei Yan pounce on Wei Yue Wu, raising her hand towards Wei Yue Wu. His face was thrown fiercely ...
