

Young Lady 20

Chapter 20: Set off, Lee's shot

"Miss Er, Mrs. Tai sent an old slave to ask, did Miss Liu enter the house? Have you received Miss Liu?" A woman with two girls rings appeared at the door, as if she didn't see two in the yard. The lady, asked in a look of such chaos.

Grandma's most powerful Acer appeared in the doorway. Wei Yan's hand stopped in front of Wei Yuewu's face. She didn't dare to go any further. She was sober in her mind, but she ran secretly. Here to stop this little bitch, my grandmother didn't know it yet, and her face was a little nervous.

"Miss Er, is this Miss Liu?" Acer asked, looking at Wei Yuewu.

"Yes, she is the one who claims to be Liumei." Wei Yan forcibly retracted her hands slowly, resentfully.

"Miss Six, the old slave is Acer near Mrs. Tai, although Mrs. Tai is not very good, she still waited for Miss Liu for a long time, and asked Miss Liu to follow the old slave." Hongye took two Yahuan came over and smiled.

The words are polite, but how polite is this?

Wei Yuewu sneered, it was really time for this Acer to come, and it happened at the crucial moment when she and Wei Yan were about to make trouble.

As soon as this appeared, in the words, there was also the blame for filial piety, and actually meant that Mrs. Tai waited so long.

"Yes, please lead the way." Wei Yuewu looked down, said respectfully, she didn't want to care about this with a woman here, and she must have set the stage waiting for herself already, so it so happened that she wanted to Witness the lady of Huayang Houfu ...

This time, Acer led the way, taking Wei Yuewu and Wei Yan together, and went to Mrs. Tai's residence together. She passed along the way and met the girl ring, the respectful salute.

Wei Yuewu knew that this was entirely because Acer was leading the way.

Mrs. Tai lived in "Jingxinxuan". Some people in the distance saw Acer coming over.

Wei Yan snorted at Wei Yue Wu at the gate of the courtyard, and threw Pa Zi Gu into the house.

Wei Yuewu followed Acer into the room. In the main room, an old lady was sitting on a warm couch, wearing a celestial silk tassel, with a jade jade inlaid on her head, her eyes and eyes looked a little sharp, and she knew that she was a smart one The eyes fell on the incoming Yueyuewu, and his eyes jumped, and there was a strange flash in his eyes.

Then there was a smile on her face, which made her look much more peaceful than before.

Needless to say, this should be Mrs. Tai of Huayang Houfu who is vague in her memory.

Take two steps and step forward, paying respectful respect to Mrs. Yingying: "Dance meets grandmother."

Mrs. Tai smiled and looked at her for a while, and then smiled at Acer on the side: "The dancing girl actually came out so well. Come, I have always said that she is clueless."

"At first glance, the old slave also felt strange. The appearance of Miss Liu and the child had changed so much that the old slave could not recognize it for a while." Acer smiled and agreed.

Wei Yuewu sneered heartily, and a black and white eye passed a faint glance, but then she was hidden among the strangers at first sight.

Does this mean she is still doubting her identity? Fortunately, she had already prepared here. Today, she not only wants everyone in this government to agree with her identity, but also Mrs. Tai agrees to retire.

"Dance girl, this is your second wife, this is your third wife, and here are your three older sisters." Mrs. Tai smiled kindly.

Wei Yuewu then turned her head and saw the two women standing next to Mrs. Tai, and the faceless woman standing in front of Wei Yan, it should be Li's, then the other was standing behind. The two ladies are the wife of the third room, Zhang Shi.

"Meet the second and third sisters, and meet a few older sisters." Wei Yuewu bent her sleeves again.

Seeing the calm and decent Wei Yue dance in front of him, Wei Yan hated to crush the puppies in his hands, didn't he say that this girl was ugly and stupid, but why she looks so good now.

When the mother-in-law ran back to report to Li Ventilation, Wei Yan was by her side. I heard Wei Yuewu was not only ugly, but also very good. She had long been jealous of it. Taking advantage, this will see Wei Yuewu's exquisite little face, and I feel more and more hateful.

That kind of appearance, even if it hasn't really grown up, is also outstanding in Beijing's boudoir circle.

How can this not keep Wei Yan, who always pays Rongse Qingcheng, jealous of her own heart, and her heart is beating like a blood burst.

Her troubled mood was checked by Li's. She reached out and took her hand, her eyes narrowed to her side, motioned her not to move lightly, and she had already prepared a backhand against Wei Yuewu here. Since this girl is so difficult, don't blame her for taking it herself!

Mikasa Zhang's looks enthusiastic. Come and hold Wei Yuewu's hand, look left and right, then turn back and smile at Mrs. Tai: "Mother, look at this child, it looks so good." It's a pity that all the minions sent out in our government are useless. Not only did she not look at the appearance of the six girl, but she also dared to stigmatize her, a lively girl, to see what reputation was spread outside. "

With this remark, Li's face became more and more gloomy, and he grunted coldly, and opened his mouth angrily: "Brothers and sisters, the minions really did not do the trick, but they also blame Liu's grandfather's family for hiding too much. Okay, we hide our good-looking six-girls, and we don't know

which little girl ring we found, instead of our six-girls, this made the minions recognize the wrong person. "

This means that the grandfather's family in Weiyuewu is not the same person he is seeing now.

"Look at me, I really can't speak. Erji, don't be angry. You have to check it. You can't recognize the wrong person." Zhang said with a smile, and then turned to this, it was a fan. The wind ignites.

Wei Yuewu sneered heartily, the people in front of her said naturally, as if they really wanted to verify what, but they didn't know what kind of vicious heart they were hiding, one or two, all of them secretly calculating themselves.

As soon as Shui Yan raised her eyes, there was a hint of taunt on Shang Weiyan's jealous eyes. She would like to see Wei Yan, how mother and daughter should deal with herself next!

Sure enough, the next moment, Li's side couldn't wait for the trouble.

"Mrs. Tai, she's not Miss Six, she's fake!" A woman who had stood behind Li's back before, walked out, yelling loudly at Wei Yue Wuyi.
