"Do you want to know why he did this?"

The young man asked with an elegant smile as usual.

Taking a deep breath and looking up again, the bottom of his eyes was quiet, Wei Yue Wu looked at the beautiful young boy on the opposite side, and asked, "My son knows why he is doing this?"

Until now, she still couldn't figure it out. She and Mo Huating had never seen each other. Although there was no relationship, there was no reason to kill herself.

Do you feel that you are not worthy of him with a reputation of incompetence? That's perfect for a divorce! Why must we use such a vicious means?

"I don't know what Jingyuanhou thinks, but if you want to know, I can help you!" Mei Qingniao smiled at her. Both hands patted slightly in the air, and immediately, a guard appeared quickly in the screen, kneeling down on one knee.

"Have you come to Jingyuan?" The boy asked with a smile.

"I've already come here, and I'm on standby outside now. Is the master going to see you?" The guard said in a respectful manner.

Is Mo Huating here?

Qingming in Wei Yuewu's eyes turned into a deep coldness, squinting slightly, revealing a ribbon of hate ...

"Let him come in!" Junmei Shizi's gaze swept across Wei Yuewu's face thoughtfully, and his slender fingers flicked the table gently, said.

A small and exquisite screen isolated Wei Yue Wu from the other side. She sat quietly on the bench and listened to the movement outside.

The footsteps came in, and he heard the heavy footsteps of a man, and then the voice of a young man: "See Seiko."

Seiko? !!

"Jing Yuanhou is polite, please sit down." Junmei's voice.

"Thank you, son."

"I heard that Jingyuanhou came to pick up his fiancée?"

"Yes ... she has been away from Beijing for so many years. This time her family told me that she would pick her up to Beijing. I was happy for a while and wanted to see her soon ... But ..." Mo Huating's voice was loud when she mentioned this A bit sad.

"What? But what happened?" Shizi asked curiously.

"I ... come late, she was ... killed last night, along with those attendants ... not a survivor!"

Wei Yue Wu, who was sitting behind the screen, was sneer-hearted, heart-twisted, yes, all died, all died under his orders, I am afraid that before he left the capital, he was ready to kill everyone It's up!

"Huayang Hou's daughter is said to have no talents and looks. It is no pity to die. Congratulations to Jing Yuanhou, you can marry another famous girl."

No one could have expected a young man to be so ruthless, even with a faint smile.

Wei Yue Wu in the screen was choked, and Mo Huating outside the screen was choked.
